Kelsey,

Please see below.

Unfortunately, there is no clean methodology of determining whether a criminal investigator works at the HQ or a field office because of components' inconsistencies in organizational structures/codes. This is managed directly by the components.

Nonetheless, I hope this breakdown gives you an idea of the number of 1811s in the DMV.

All- You should have received a Webex invite for a planning meeting next Monday afternoon for the public announcement of the Narcotics Rewards Program designated targets Herlinda Bobadilla and her two sons, Juan Carlos Montes Bobadilla and Tito Montes Bobadilla.

The original public announcement date has been moved back a couple of weeks to the end of January, based on operational concerns in Honduras.  
Attached are draft rewards posters and bio narratives which will be released on the announcement date- so please keep these close hold.

Invitees include DEA case agents and supervisors, EDVA prosecutors, State Department personnel focused on Honduras, and public affairs representatives from DEA HQ, DEA WDO, DOJ, and State INL. Please forward the Webex invite to any additional folks you think should be on the call-  
If you didn't receive a Webex invite, please let me know.

The agenda for the meeting, which should take between 45-60 minutes:

- Introduction of participants (b)(6) per State
- Brief description of targets and DEA investigation (b)(6), (b)(7)(C), (b)(7)(F) per DEA
- Does indictment need to be unsealed? (USAO EDVA);
- Discussion of preferred announcement date (All);
- Brief on State Department Spokesperson's Statement (b)(6) per State
- Discussion of potential simultaneous press releases by DOJ, USAO EDVA, DEA HQ, or DEA WDO (All);
- Brief discussion on tip lines established by DEA, including any adjustments;
- Discussion of possible messaging amplification after the announcement (Facebook Ads, retweets, efforts by U.S. Embassy Tegucigalpa) (All);
- Questions/comments from the group

**Webex call: Monday, January 10, 2022 at 2:00 PM EST.**

All,

I apologize in advance, but we are moving the conference call to **January 10, 2022 at 2:00PM (EST)**. I hope everyone can still make it.

(b)(6) per State

I know you are sending another email with the new date/time, as well as, the WebEx information that will include DOS personnel. Please include everyone cc'd in this email.

(b)(6), (b)(7)(C), (b)(7)(F) per DEA

It is my understanding you are in communications with the POI at EDVA. I wasn't provided their name. Can you please make them aware of the new date/time? Additionally, if there is anyone I have left off this email chain, once (b)(6) per St sends out the conference line information, please forward them the information. Also, let (b)(6) per St know who the person is, so everyone is aware of who will be on the call.

Again, my apologies for the change. Thanks for the understanding.
