Good afternoon, Tash and Brendan,

Please review the redline edit from OMB on page 5 of the attached document and respond as soon as possible. The hearing is tomorrow and OLA wants to clear by 5pm today.

Thanks,
Patrick

Any ODAG objection to submitting to OMB the attached, draft DOJ response to OMB's passback of interagency comments on the attached NSD-FBI-NSA congressional hearing statement? NSD and the FBI indicate that the draft response (b)(5) per FBI (F.Y.I., the statement is due to the Subcommittee today (Monday).)

The Department of Justice accepts the edit, as reflected in the file attachment ("FISA61.doc.docx"). Please note that we also have deleted the sentence following the edit, as that sentence related to the sentence that the OMB-passed edit proposed for deletion.

Attached for OMB clearance is a draft prepared statement ("FISA61.doc.docx") for the November 6, 2019, joint appearance of Deputy Assistant Attorney General J. Bradford Wiegmann, an FBI Deputy Assistant Director yet-to-be identified, and Susan Morgan of the National Security Agency before the Senate Judiciary Committee at a hearing entitled "Reauthorizing the USA FREEDOM Act of 2015." I have attached a document ("misc14.docx") tracking changes from a previously cleared September 18, 2019, statement before the House Judiciary Committee on the same subject. The statements are nearly identical. The statement is due to the Committee on Monday, November 4, 2019.

Please acknowledge receipt of this message. Thank you.

Good morning, Brendan, Mike, and Sujit,

Please review the attached DOJ response to OMB's passback of interagency comments and respond as soon as possible. The accepted edit and an additional edit are on p. 5 of the document (p. 4 of the statement) attached, in Word and PDF.

The Department of Justice accepts the edit, as reflected in the file attachment ("FISA61.doc.docx"). Please note that we also have deleted the sentence following the edit, as that sentence related to the sentence that the OMB-passed edit proposed for deletion.

Thanks,
Patrick
