Marcia- AG just called and let me know that you received a call from Gen Milley's assistant looking to set a secure call. Can you please see if 10:45 works. If so, we'll take it from the JCC while we're up there for other items. If it's too time-sensitive to wait for 10:45 please let this group know. Julie/David, any idea what this might be regarding and if prep is needed? If so, let's pull aside at top of threats briefing.

Hi (b)(6) per DOD

Great, do you need to advance the lunch prior or just be escorted up upon arrival?

Staffing has not been determined but likely CoS and possibly one of the AG's Counselors.

Does the General have any food allergies?

Thanks in advance!

The AG will likely have one or two staff with him so the General can bring a +1.

Will he have a motorcade or arrive by Uber/Lyft? That will depend on where he should be dropped off for lunch.
