Re: Arizona's Application pursuant to 28 U.S.C. § 2261(b)(1) (OLP Docket No. 168)

Dear Acting Attorney General Whitaker:

On January 3, 2019, Paul Lovelis, Systems and Operations Manager for Pima County Public Defense Services, notified this Office that the data he had provided to undersigned counsel included duplicative counting. Those data became Exhibit B3 to Arizona's October 16, 2018, letter. Mr. Lovelis has now provided a new spreadsheet containing corrected data, which is attached as Exhibit A to this correspondence. Mr. Lovelis' email explaining the errors and corrections is attached as Exhibit B.

Sincerely,

A handwritten signature in black ink, appearing to read "Lacey Stover Gard", is written over the typed name and title.
