PROBABLE CAUSE STATEMENT

I declare under the penalty of perjury that the following statement is true and correct:

On April 27, 2018, Border Patrol Agent P. Meyer, performing his assigned duties in the Imperial Beach Border Patrol Station's area of responsibility. At approximately 6:00 PM, Agent Meyer observed seven subjects walking northbound from the United States/Mexico Primary International Boundary fence near an area known to Border Patrol Agents as "Goat Canyon." Agent Meyer responded to the location and upon his arrival all of the subjects stopped. This area is approximately four miles west of the San Ysidro, California Port of Entry and approximately fifty yards north of the United States/Mexico International Boundary. Agent Meyer identified himself as a Border Patrol agent and conducted an immigration inspection. Six of the seven subjects, including one later identified as the defendant, Felix Antonio ABARCA, freely admitted to being citizens and nationals of El Salvador. The seventh subject admitted to being a citizen and national of Honduras. All of the subjects stated they were not in possession of immigration documents allowing them to enter or remain in the United States legally. On April 27, 2018 at approximately 6:15 PM, Agent Meyer placed all of the subjects, including ABARCA, under arrest. During administrative processing, ABARCA stated that he entered the United States on April 27, 2018.

Executed on April 28, 2018 at 2:00 PM.

David J. Weber

Border Patrol Agent

On the basis of the facts presented in the probable cause statement consisting of one page, I find probable cause to believe that the defendant named in this probable cause statement committed the offense on April 27, 2018, in violation of 8 USC 1325.
