Dear Sirs; I am inclosing this info to all parties that have been and those that are still offering making money or opportunity to earn future money.

I have trusted to work with many of you for around 4 years and never once did I get anything in return for the hundreds of checks that I write out for your great offers; each day I get at least 10 to 20 offers and many times I get from 3 to 4 of your same offers in 30 day time. Due to bad eyes and I have to use magnifying glasses to read I have been caught paying many times for that very same offer. Each day I keep getting more and more offers and its almost impossible for me keep up with them.

Due to all of this my family, that has been trying to keep me with expenses due to health problems I have not been able to work for over 2 years. I am also sending information, due to the fact that my family has called the US department of justice on whats going on. They are asking my family to send them all of the records of the ones that we feel are against the law. I do not want to cause problems to anyone and I have ask them to give me time to work it out with any of you that wish to work with me. If any of you wish to talk to me. Call me at [REDACTED]

I have been scamed by you!! From the Netherlands for a long time I've sent money of course I could not afford I've been sent this same shit that you sent me you've sent me some thing Before I asked you to loan me the 50.00 that when I got the money I'd pay you back I have not heard from you until now that was months ago I've been told that some one lent me money Because my grandfather helped someone when they were down & out like your friend one claimed to have known my mother one sent me a envelope that I was to open send back the combination to a safe that held money a lot of money I cant Believe that I fell for that shit for so long. one person said that Nov 13th last year was going to change my life it is

Wow April 22 2016 and my life is still the
same I'm still broke, distressed, lonely. I've 2
Been living in poverty since 2008 then I've been sent
papers stating I'd won that large amount of money &
that they were sending me the check to pay the taxes
almost went to jail trying to cash one it seems that
people over where you are make it their business to
scam people that are poor. I had a friend that got
all her money out to send because I was suppose to be
getting money so I could pay her back but her broke
and struggling. I've learned how to tell the checks are
not real because of the way the paper its on so I can
not get played like that anymore. They always said call that
person before you try to cash the check. My son
took me to the bank the bank manager called and
was talking the man hung up in his face. The bank
manager kept the check there is nothing that they can
do since I'm in Oklahoma and their in the Nether
lands. I know how pain felt because I've been in that
same position for a very long time I am so tired of
being broke month after month year after year. Of
course I don't believe it. I've been told that so many
times so I'm no longer excited when I hear it. yes I do
have something to lose my \$0.00 that I so desperately
need. I've been over to my sons apartment since Dec
because all my utilities are off so I sure have not
experienced anything like this in my life. you are so
correct I am ~~so~~ very hopeful this time of course I'm
a afraid of dissa point ment I've been dissa pointed so
many times. I really do hope that you are sincere. I'd said that
I would not use my card that its all a scam I am sending you an example
of the Bull shit that I've been sent there won't be any money on the card until the 1st

Dear Mr. Harrison,

Thank you for this offer of a sizeable check.
I will try and explain why I have no money for
your postage and expenses.

In 2011 I had a serious fall and landed
Head First on the Ground and I received
a Broken Skull and Brain Damage. I was
in a Coma for 11 days and when I awoke
I was unable to stand or walk. The Brain
Damage was to the Nerves that controlled my legs.

If I could not walk, I could not work.
So I lost my job, NO JOB = NO PAY = NO money.
So I haven't been paid now for 5 years.
So I have not money to pay your expenses
so I wish you could subtract any money
you need from the check and please send me
the rest. I hope I can meet your other
condition to reply in 10 days. I just
got your letter today so I am replying Today.
But your letter seemed to be written 30 days
before I received it, so I don't know if
the mail took 30 days to reach me,
How can I reply in 10 days? I am trying.
Now you know how financially poor I am.
So I would be eternally grateful if you
Could send me the Check. Thanks,
Sincerely, [REDACTED]
