I hereby acknowledge and certify that I have been advised of and that I understand the following facts and rights, and that I have had the assistance of counsel in reviewing, explaining, and entering into this agreement:

1. As part of this agreement with the United States of America ("United States"), I intend to plead guilty to Count 1, Counts 21 through 25, Count 31, Counts 33 through 42, and Counts 44 through 45 of the Second Superseding Indictment, ECF 135. My attorney has explained the nature of the charges against me, and I have had an opportunity to discuss the

nature of the charges with my attorney. I understand the charges and what the United States is required to prove in order to convict me.

(a) The elements of Count 1, charging a violation of 18 U.S.C. § 1349, Conspiracy to Commit Mail Fraud, are:

i. First: two or more persons agreed to commit mail fraud in violation of 18 U.S.C. § 1341, the elements of which are:

1. First: the defendant devised or intended to devise a scheme to defraud, as alleged in the indictment;
2. Second: the defendant acted with specific intent to defraud;
3. Third: the defendant mailed something, or caused another person to mail something, through the United States Postal Service or a private or commercial interstate carrier for the purpose of carrying out the scheme;
4. Fourth: the scheme employed false or fraudulent pretenses, representations, or promises that were material.

ii. Second: the defendant knew the essential objective of the conspiracy;

iii. Third: the defendant knowingly and voluntarily involved himself in the conspiracy; and

iv. Fourth: there was interdependence among the members of the conspiracy.

  - ii. Second: the financial transaction involved the proceeds of the mail fraud scheme alleged in Count 1 of the indictment;
  - iii. Third: the defendant knew that the property involved in the financial transaction represented the proceeds of some form of unlawful activity; and
  - iv. Fourth: the defendant conducted or attempted to conduct the financial transaction knowing that it was designed in whole or in part to conceal or disguise the nature, location, source, ownership, or control of the proceeds of unlawful activity.
- (e) The elements of Counts 33 through 42, charging violations of 18 U.S.C. § 1957, Expenditure Money Laundering, are:

  - ii. Second, that defendant knew the transaction involved criminally derived property;
  - iii. Third, the property had a value greater than \$10,000;
  - iv. Fourth, the property was derived from the mail fraud scheme alleged in Count 1 of the indictment;

  2. Corruptly obstructing or impeding any official proceeding, in violation of 18 U.S.C. § 1512(c)(2), the elements of which are:
    - a. First: That the defendants obstructed, influenced, and impeded any official proceeding;
    - b. Second: That the defendants acted knowingly, and
    - c. Third: That the defendant acted corruptly.
- ii. Second: the defendant knew the essential objective of the conspiracy;

(g) The elements of Count 45, charging a violation of 18 U.S.C. § 1512(c)(1), Obstruction by Concealing and Destroying Records and Objects, are:

- i. First, the defendant altered, destroyed, mutilated, or concealed a record, document, or other object;
- ii. Second, the defendant acted corruptly; and
- iii. Third, the defendant acted with the intent to impair the record, document, or other object's integrity or availability for use in an official proceeding.

2. I know that the maximum possible penalty provided by law for the counts to which I am pleading guilty, as summarized below.

- (a) I know that the maximum possible penalty for Count 1 of the Second Superseding Indictment, charging a violation of 18 U.S.C. § 1349, is a term of imprisonment of 20 years, a fine of \$250,000 or twice the gross gain or loss, a term of supervised release of 3 years, and any applicable forfeiture. I understand that if I violate a term or condition of supervised release, I can be returned to prison for the length of time provided in 18 U.S.C. § 3583(e)(3).

- (b) I know that the maximum possible penalty for Counts 21 through 22 of the Second Superseding Indictment, charging violations of 26 U.S.C. § 7206(2), is a term of imprisonment of 3 years, a fine of \$250,000, and a term of supervised release of 1 year.
- (c) I know that the maximum possible penalty provided by law for Counts 23 through 25 of the Second Superseding Indictment, charging violations of 18 U.S.C. § 1956(h), is a term of imprisonment of 20 years, a fine of \$500,000 or twice the value of the property involved, a term of supervised release of 3 years, and any applicable forfeiture.
- (d) I know that the maximum possible penalty provided by law for Count 31, charging a violation of 18 U.S.C. § 1956(a)(1)(B)(i), Concealment Money Laundering, is a term of imprisonment of 20 years, a fine of \$500,000 or twice the value of the property involved, a term of supervised release of 3 years, and any applicable forfeiture.
- (e) I know that the maximum possible penalty provided by law for Counts 33 through 42, charging violations of 18 U.S.C. § 1957, Expenditure Money Laundering, is a term of imprisonment of not more than 10 years, a fine of \$250,000, a term of supervised release of 3 years, and any applicable forfeiture.
- (f) I know that the maximum possible penalty provided by law for Count 44, charging a violation of 18 U.S.C. § 1512(k), Conspiracy to Commit Obstruct Offenses, is a term of imprisonment of not more than 20 years, a fine of \$250,000, and a term of supervised release of 3 years.
- (g) I know that the maximum possible penalty provided by law for Count 45, charging a violation of 18 U.S.C. § 1512(c)(1), Obstruction by Concealing and Destroying Records and Objects, is a term of imprisonment of not more than 20 years, a fine of \$250,000, and a term of supervised release of 3 years.
- (h) Additionally, I know the Court is required to impose an assessment in the amount of \$100 for each offense of conviction, pursuant to 18 U.S.C. § 3013. Furthermore, restitution to the victim of my offenses shall be ordered pursuant to 18 U.S.C. § 3663A.
- (i) I understand that, if I am not a United States citizen, I may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

3. I know that the sentencing procedures in this case and the ultimate sentence will be determined pursuant to 18 U.S.C. § 3553(a), and that the Court must consider, but is not bound by, the United States Sentencing Guidelines, in determining my sentence. I have discussed these procedures with my attorney. I also know that the final calculation of my sentence by the Court may differ from any calculation the United States, my attorney, or I may have made, and I will not be able to withdraw my plea if this occurs. However, because my plea of guilty is being

entered pursuant to Rule 11(c)(1)(C), as explained below, I know that I will be able to withdraw my plea if the Court does not accept the terms of this agreement.

4. I stipulate to the following United States Sentencing Guidelines calculation, and understand that this stipulation is not binding on the Court:

Base offense level per § 2S1.1(a)(1) and § 2B1.1(a)(1) and § 2B1.1(b)(1)(P) (intended fraud loss more than \$550 million):	37
Two-level enhancement for conviction under 18 U.S.C. § 1956 pursuant to § 2S1.1(b)(2)(B):	+2
Two-level enhancement for sophisticated means per § 2B1.1(b)(10)(C):	+2
Two-level enhancement for obstruction of justice enhancement per § 3C1.1:	+2

I reserve the right to argue as to acceptance of responsibility per § 3E1.1 and role in the offense per § 3B1.1.

5. I know that I can be represented by an attorney at every stage of the proceeding, and I know that if I cannot afford an attorney, one will be appointed to represent me.

6. I know that I have a right to plead “Not Guilty” or maintain my earlier plea of “Not Guilty” and can have a trial on the charges against me.

7. I know that I have a right to a trial by jury, and I know that if I stand trial by a jury:

- a. I have a right to the assistance of counsel at every stage of the proceeding.
- b. I have a right to see and observe the witnesses who testify against me.
- c. My attorney can cross-examine all witnesses who testify against me.
- d. I can call witnesses to testify at trial, and I can obtain subpoenas to require the attendance and testimony of those witnesses. If I cannot afford to pay for the appearance of a witness and mileage fees, the United States will pay them.
- e. I cannot be forced to incriminate myself, and I do not have to testify at any trial.
- f. If I do not want to testify, the jury will be told that no inference adverse to me may be drawn from my election not to testify.
- g. The United States must prove each and every element of the offense charged against me beyond a reasonable doubt.
- h. It requires a unanimous verdict of a jury to convict me.
- i. If I were to be convicted, I could appeal, and if I could not afford to appeal, the United States would pay the costs of the appeal, including the services of appointed counsel.

8. If I plead guilty, I will not have a trial of any kind.

9. I know that 18 U.S.C. § 3742(c)(1) sets forth the circumstances under which I may appeal my sentence. However, fully understanding my right to appeal my sentence, and in consideration of the concessions and/or commitments made by the United States in this plea agreement, I knowingly, voluntarily and expressly waive my right to appeal as set forth in paragraph 12(d) below.

10. I know that under a plea of guilty the judge may ask me questions under oath about the offense. The questions, if asked on the record and in the presence of counsel, must be answered truthfully and, if I give false answers, I can be prosecuted for perjury.

11. I stipulate and agree that the following facts accurately describe my conduct. The following facts are not all the relevant facts about the offenses to which I am pleading guilty, but fairly and accurately describe my actions and involvement in the offenses to which I am pleading guilty:

At all times relevant to the charges in the Second Superseding Indictment, I was the Chief Financial Officer ("CFO") of Washakie Renewable Energy ("WRE"), and at times part owner of WRE. I was the CFO and at times the owner of United Fuel Supply ("UFS"). While WRE was capable of producing some amounts of biodiesel, in no year did WRE ever produce more than 8.5 million gallons.

Starting in 2010, I participated in a scheme to file false claims for renewable fuel tax credits on behalf of WRE and to fraudulently claim renewable identification numbers ("RINs"), as charged in the Second Superseding Indictment. I did so together with my co-defendants Jacob Kingston, Rachel Kingston, and Sally Kingston, and, starting no later than 2012, with co-defendant Lev Dermen, whom I knew as Levon Termendzhyan.

Starting in tax year 2010, I know that WRE filed claims for renewable fuel tax credit, as well as RINs. I knew these claims were false because they falsely claimed that WRE had produced and/or blended qualifying renewable fuel and had sold it for use as fuel. With my co-defendants Jacob Kingston, Rachel Kingston, and Sally Kingston, I agreed with the principals of Biofuels of Colorado, Montgomery Recycling, and Grease Depot to claim renewable fuel tax credits based on backdated documents and false invoices. I also engaged in financial transactions, the purpose of which was to give the false appearance that product was being bought and sold as described by the false invoices.

My co-defendant Jacob Kingston and I met Dermen in late 2011. In early 2012, Dermen purchased biodiesel from WRE. This biodiesel included biodiesel purchased from third-parties and shipped by WRE to California through India or Panama. Dermen knew this biodiesel was not produced or blended by WRE. Dermen knew that although the product was labeled as vegetable oil, it was in fact biodiesel. WRE could not lawfully claim tax credits or RINs based on this product.

Jacob Kingston told me that Dermen informed him that he had government contacts that protected him from prosecution and other enforcement actions. Jacob Kingston advised me that

we were sharing the proceeds from the fraudulent RINs and renewable fuel tax credits with Dermen in exchange for protection from prosecution and other enforcement actions by the government.

I knew that in 2012 and 2013, Dermen was in charge of a project in which WRE purchased B99 biodiesel from Morrissey Oil. This product was sold using false invoices. These invoices listed false buyers or false product. The purpose of these false invoices was to falsely claim RINs and tax credits on the product. I was present at a meeting in Las Vegas with Dermen and Jacob Kingston during which the fraudulent nature of ~~this project was discussed~~. Any RINs or tax credits claimed by WRE on the basis of the product purchased from Morrissey was fraudulent.

*the Catan and Viscon projects were discussed.*

In early to mid-2013, at the direction of Dermen, I agreed with co-defendants Jacob Kingston, Rachel Kingston, and Sally Kingston to rotate fuel purchased from third parties between various fuel tanks in Texas, Louisiana, and Panama. The sole purpose of this rotation was to make it falsely appear that WRE purchased B100 biodiesel and sold B99 biodiesel. In fact, the same product was simply being rotated between tanks. At least a hundred million gallons of mixed fuel products was rotated between tanks in Texas, Louisiana, and Panama. In addition, I engaged in financial transactions, the purpose of which was to give the false appearance that WRE was purchasing and selling this product. I know that Jacob Kingston filed claims in the name of WRE fraudulently claiming more than \$272,000,000 in biodiesel mixture tax credits based on this project.

In 2015, I know that co-defendants Jacob Kingston and Dermen created fake and inflated invoices between WRE and Viscon International in order to cover up the future transfer of hundreds of millions of fraud proceeds from the filing of false tax credits to co-defendant Dermen. These invoices were not based on legitimate transactions. I also know that co-defendant Dermen brought a lawsuit against WRE in order to cover up the future transfer of fraud proceeds from the fraud proceeds that we expected to receive from the fraudulent claims for biodiesel mixture tax credits filed on January 20, 2016 for \$322,900,000 claim and on February 4, 2016 for \$321,573,260.

I prepared and filed false 2013 and 2014 Forms 1065 in the name of WRE. On these false Forms 1065, I inflated the gross receipts and the cost of goods sold in order to fraudulently create the impression that Washakie was buying feedstock and selling B99, when in fact I knew that it was not. This was intended to further cover up the fraudulent renewable fuel credits claimed by WRE.

I cycled funds between WRE and two entities, Catan and SCM, owned by Deryl Leon, a co-conspirator. The purpose of these financial transactions was to give the false appearance that WRE was purchasing B100 biodiesel and selling B99 biodiesel and to claim fraudulent renewable fuel tax credits. I also cycled funds between UFS and other entities for the same purpose, as charged in Count 23 of the Second Superseding Indictment. My co-defendants Jacob Kingston, Rachel Kingston, and Sally Kingston participated in this cycling of funds and creation of false paperwork, knowing that the purpose was to conceal the true nature of the fraudulent proceeds, and knowing that the cycling was intended to fraudulently create the appearance of

qualifying fuel transactions. Additionally, my co-defendant Lev Dermen was aware of this cycling. Between August 2013 and June 2016, more than \$3.2 billion in financial transactions were conducted, all to support the filing of ever and ever larger false claims with the IRS.

Starting in 2013, I agreed with my co-defendants, Jacob Kingston and Lev Dermen, to conduct over \$100 million in international wire transfers designed to conceal the location and ownership of funds received by WRE based on its false claims for renewable tax credits and RINs. I agreed to and did in fact transfer fraudulent proceeds of the scheme outside of the United States, including to various accounts in Turkey and Luxembourg. I did this in agreement and at the direction of co-defendant Jacob Kingston. In addition, I transferred funds, which I knew to be funds received by WRE based on its false claims for renewable fuel credits and RINs, to domestic entities controlled by Dermen including SBK Holdings USA, Noil Energy Group, and Viscon International. The transfers of criminally derived funds to accounts in Turkey and here in the United States was done at the direction of co-defendants Jacob Kingston and Lev Dermen and constituted Dermen's share of the fraudulent proceeds.

From April 2013 through December 2015, I agreed with co-defendant Jacob Kingston to both spend some of our portion of the fraud proceeds in building up and supporting WRE, and the Order, and in some instances, to do so in concealed manners. For instance, on more than one occasion, we agreed to cycle funds through Order-related entities. I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived. Some of these payments to Order-related entities were supported by inflated invoices, and the monies returned to Washakie were falsely characterized as draws or loans. These transactions included funds cycled to and through various entities including A-Fab Engineering, Fidelity Funding, Alliance Investments, World Enterprises, AAA Security, American Digital Systems, Safeco Investments, Standard Restaurant Equipment, Attco Trucking, CCP Enterprise, and others as charged in Count 25 of the Second Superseding Indictment.

On August 2, 2013, I caused \$675,034 to be transferred to Meridian Title Company in connection with the purchase of a home for my co-defendant Jacob Kingston. At the time, I was told that co-defendant Dermen was purchasing the home, but later learned the funds for the purchase came from Washakie Renewable Energy. I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived.

In July 2013, co-defendant Jacob Kingston instructed me to purchase my co-defendant Lev Dermen a Bugatti Veyron. On August 5, 2013, we caused \$1,720,000 to be transferred for the purchase of the Bugatti Veyron for co-defendant Dermen, and gave it to him for his birthday as he requested on August 13, 2013. I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived.

In November and December 2013, my co-defendant Jacob Kingston and I participated in paying fake invoices so as to transfer funds to A-Fab Engineering including five transfers to A-Fab Engineering as charged in Counts 34 through 38 of the Indictment. I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived.

In March and December of 2015, Jacob Kingston, Rachel Kingston and I caused the transfer of \$10,000,000, \$2,100,000, and \$6,900,000, to a bank account held in the name of Jacob Kingston at Garanti Bank in Turkey. I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived.

In March 2014, at the direction of co-defendant Lev Dermen and co-defendant Jacob Kingston, I caused the transfer of \$483,000 to an account at Garanti Bank, Turkey, in the name of Levon Termendzhyan for "VAT of the waterside house (mansion)." I knew these funds were received by WRE based on its false claims for renewable fuel credits and RINs knowing them to be criminally derived.

Starting in 2014, and continuing at least into 2017, my co-defendant Jacob Kingston and I engaged in efforts to bribe what I believed to be a high-level DOJ official, whom I knew as "Commissioner Gordon." We did so by providing cash bribes to an intermediary, Individual 1, which I believed would be given to "Commissioner Gordon." I know that my co-defendant Jacob Kingston used multiple burner phones to communicate with Commissioner Gordon, and when he went on international travel I would use the burner phone to communicate with Commissioner Gordon, as would my co-defendant Rachel Kingston. On several occasions, I delivered cash payments to Individual 1, including cash payments of \$30,000. I also caused wires to bank accounts controlled by Individual 1 for the purpose of bribing Commissioner Gordon and others. In early February 2016, an employee of WRE received a phone call tipping us off to impending search warrants at the WRE offices. I agreed with my co-defendants Jacob Kingston, ~~Isaiah~~ ~~Kingston~~, Rachel Kingston, and Sally Kingston to remove records in advance of the search warrant, and I know that my hard drive was replaced.

At all times described above, I was acting at the direction of Jacob Kingston, but I also knew that my actions were illegal and wrong.

12. The only terms and conditions pertaining to this plea agreement between me and the United States are as follows:

a. **Guilty Plea.** I will plead guilty to Count 1, Counts 21 through 25, Count 31, Counts 33 through 42, and Counts 44 through 45 of the Second Superseding Indictment.

b. **Stipulated Sentence.** Pursuant to Rule 11(c)(1)(C) of the Federal Rules of Criminal Procedure, the sentence imposed by the Court will be **no more than 20 years (240 months) imprisonment.**

(1) I understand that this agreement, including my plea, the agreed upon maximum sentence, and all other terms referenced herein, are subject to the approval of, and acceptance by the Court. I further understand that the Court will likely order the preparation of a Presentence Report to assist in the determination of whether this plea and the agreement are appropriate, and I agree to fully cooperate in the preparation of the Presentence Report.

(2) If, after receiving all relevant information, the Court rejects the plea agreement and determines that a sentence higher than the agreed upon sentence of no more than

20 years (240 months) will be imposed, I will have the right to withdraw the plea of guilty and the terms of this agreement will become null and void. Likewise, if the Court rejects the plea agreement, I understand that the United States will have the right to move to vacate this agreement, and all terms of this agreement will become null and void.

c. **Dismissal of Counts.** The United States agrees to move for leave to dismiss Count 46 at the time of sentencing.

d. **Relevant Conduct.** I understand and agree that the Presentence Report may include descriptions of conduct I engaged in which either was not charged against me, will not be pleaded to by me, or both. I understand and agree that the Court will take these facts into consideration in determining the reasonableness of the stipulated sentence. I agree and stipulate that the intended loss of my conduct was \$1,166,792,650 and that the actual loss caused by my conduct was \$511,842,773.

e. **Appeal Waiver.**

(1) Fully understanding my limited right to appeal my sentence, as explained above in paragraph 9, and in consideration of the concessions and/or commitments made by the United States in this plea agreement, I knowingly, voluntarily, and expressly waive my right to appeal any sentence imposed upon me, except that I do not waive the right to appeal as set forth in 18 U.S.C. § 3742(c)(1), which states that I may not file a notice of appeal unless the sentence imposed is greater than the sentence set forth in this agreement.

(2) I also knowingly, voluntarily, and expressly waive my right to challenge my sentence, unless the sentence imposed is greater than the sentence set forth in this agreement, in any collateral review motion, writ or other procedure, including but not limited to a motion brought under 28 U.S.C. § 2255, except on the issue of ineffective assistance of counsel.

(3) I understand that this waiver of my appeal and collateral review rights concerning my sentence shall not affect the United States' right to appeal my sentence pursuant to 18 U.S.C. § 3742(c)(2) and § 3742(b)(1) and (2).

(4) I further understand and agree that the word "sentence" appearing throughout this waiver provision is being used broadly and applies to all aspects of the Court's sentencing authority, including, but not limited to: (1) sentencing determinations; (2) the imposition of imprisonment, fines, supervised release, probation, and any specific terms and conditions thereof; and (3) any orders of restitution.

f. **Presentence Report and Financial Information.** I agree to provide truthful and complete information, including financial information, as requested by the probation office for the preparation of my presentence report and for determination of the conditions of my supervised release. I also consent to allowing the United States Attorney's Office to run a credit check on me. I consent to being placed on the Treasury Offset Program and State Finder.

g. **Restitution.**

(1) I agree that I am subject to mandatory restitution because my case falls within the provisions of 18 U.S.C. § 3663A(a)(1) and (c)(1) based on Count 1 of the Second Superseding Indictment, to which I am pleading guilty. My attorney has explained what mandatory restitution means.

(2) Under 18 U.S.C. § 3663A(a)(3), I agree to pay restitution to the Internal Revenue Service, in the amount of **\$511,842,773**, due at the time of sentencing. I agree that this total amount of restitution reflected in this agreement results from my fraudulent conduct. I agree to pay this specific restitution, joint and several with any codefendants, and agree that this amount should not be reduced or increased through apportionment of liability under 18 U.S.C. § 3664(h).

(3) I agree to the following additional provisions regarding restitution:

- i. I agree that restitution is due and payable immediately after the judgment is entered and is subject to immediate enforcement, in full, by the United States. If the Court imposes a schedule of payments, I agree that the schedule of payments is a schedule of the minimum payment due, and that the payment schedule does not prohibit or limit the methods by which the United States may immediately enforce the judgment in full. The IRS will use the amount of restitution ordered as the basis for a civil assessment under 26 U.S.C. § 6201(a)(4). I do not have the right to challenge the amount of this restitution-based assessment. See 26 U.S.C. § 6201(a)(4)(C). Neither the existence of a restitution payment schedule nor my timely payment of restitution according to that schedule will preclude the IRS from immediately collecting the full amount of the restitution-based assessment.
- ii. I am entitled to receive credit for restitution paid pursuant to this plea agreement against those assessed civil tax liabilities due and owing for the same periods for which restitution was ordered. I understand and agree that the plea agreement does not resolve my civil tax liabilities, that the IRS may seek additional taxes, interest and penalties from me relating to the conduct covered by this plea agreement and for conduct relating to another time period, and that satisfaction of the restitution debt does not settle, satisfy, or compromise my obligation to pay any remaining civil tax liability. I authorize release of information to the IRS for purposes of making the civil tax and restitution based assessments.
- iii. I understand that I am not entitled to credit with the IRS for any payment until the payment is received by the IRS.
- iv. If full payment cannot be made immediately, I agree to make a complete and accurate financial disclosure to the IRS on forms prescribed by the IRS (including, but not limited to, IRS Form 433-A and Form 433-B, as appropriate), and to disclose to the IRS any and all additional financial information and financial statements provided to the probation office. I

also agree to provide the above-described information to the probation office.

- v. If I make a payment of the restitution agreed to above prior to sentencing, the payment will be applied as a credit against the restitution ordered.

(4) I understand that the amount of restitution and the schedule of payments will be determined as a part of the sentencing proceedings in accordance with the provisions of 18 U.S.C. § 3664. I agree to pay all restitution as ordered by the Court. I agree that the payment and enforcement of my restitution order is governed by 18 U.S.C. § 3664, and my lawyer has explained the consequences of an order of restitution.

(5) I understand and agree that payment of any restitution owed, pursuant to the schedule set by the Court at sentencing, should be a condition of any term of probation or supervised release imposed upon me. I know that if I fail to pay restitution as ordered, the failure can be considered a violation of probation or supervised release and, pursuant to 18 U.S.C. § 3614, the Court can resentence me to any sentence which might originally have been imposed in my case.

(6) I agree to the following provisions regarding payment of restitution:

- i. I agree to send all payments made pursuant to the court's restitution order to the Clerk of the Court at the following address:

Clerk of the Court  
351 S W Temple  
Salt Lake City, UT 84101

- ii. With each payment to the Clerk of the Court made pursuant to the District Court's restitution order, I will provide the following information:

1. My name and Social Security number;
2. The District Court and the docket number assigned to this case;
3. Tax year(s) or period(s) for which restitution has been ordered; and
4. A statement that the payment is being submitted pursuant to the District Court's restitution order.

- iii. I agree to include a request that the Clerk of the Court send the information, along with my payments, to the IRS address below:

IRS – RACS  
Attn: Mail Stop 6261, Restitution  
333 W. Pershing Ave.  
Kansas City, MO 64108

- iv. I also agree to send a notice of any payments made pursuant to this agreement, including the information listed in the previous paragraph, to the IRS at the following address:

IRS – RACS  
Attn: Mail Stop 6261, Restitution  
333 W. Pershing Ave.  
Kansas City, MO 64108

h. **Waiver of Interest.** The United States agrees to recommend that the Court waive interest for fines and restitution assessed against me.

i. **Forfeiture.**

(1) I admit that the majority of the transferred funds from Washakie or UFS to Order-related entities were not through bona fide purchases for value. Specifically, I do not contest that approximately \$30 million in proceeds traceable to the mail fraud scheme or money laundering schemes to which I am pleading guilty were not bona fide purchases for value. I will not contest the United States' tracing of proceeds of the mail fraud scheme and/or proceeds involved in the money laundering schemes from Washakie and/or UFS to the properties listed in Exhibit A. In addition, I do not contest that Washakie and/or UFS used false and/or inflated invoices to give the false appearance that transfers of mail fraud scheme and/or proceeds involved in the money laundering schemes were bona fide purchases for value.

(2) I agree to be interviewed by investigators within thirty days concerning the assets specified in Exhibit A and any other assets connected to or that may connect to the charges in the Second Superseding Indictment. I will respond truthfully to investigators questions including in detailing my knowledge of these assets and their connection to the charges specified in the indictment. To the extent I know, I will disclose to investigators the location of the assets listed in Exhibit A and will disclose the existence and location of any other asset that is traceable to the charges listed in the indictment, whether owned by myself or not.

(3) Upon request by the government, I agree to identify all assets connected to or which may connect to the charges in the Second Superseding Indictment in which I had any interest, or over which I exercise or exercised control, directly or indirectly, within the past seven years. I also agree to identify any similar assets over which my co-defendants or third parties now have control. I agree to take all steps as requested by the United States to obtain from any other parties by any lawful means any records of assets owned at any time by the defendant. I agree to undergo any polygraph examination the United States may choose to administer concerning such assets and to provide and/or consent to the release of my tax returns for the previous five years.

(4) I agree to forfeit all property acquired from or traceable to my offenses and all property that was used to facilitate my offenses, including, but not limited to, the following specific property:

The assets listed in Exhibit A.

(5) I agree to a forfeiture MONEY JUDGMENT of \$511,842,773. This amount is equal to the value of any property, real or personal, constituting or derived from proceeds traceable to the mail fraud conspiracy and not available for forfeiture as a result of any act or omission of the defendant(s) for one or more of the reasons listed in 21 U.S.C. § 853(p).<sup>1</sup> Additionally, I agree to a forfeiture MONEY JUDGMENT of at least \$511,842,773, which is equal to the value of all property involved in the money laundering conspiracy and not available for forfeiture for one or more of the reasons listed in 21 U.S.C. § 853(p) as a result of any act or omission of the defendant(s). The money judgments will run concurrently.

(6) I acknowledge that to the extent proceeds of the mail fraud scheme charged in count one or property involved in the money laundering counts in this agreement can be traced to the property covered by this agreement, that property is subject to forfeiture because it represents the proceeds of illegal conduct or helped facilitate illegal conduct.

(7) I agree that all such property may be forfeited in either an administrative, civil and/or criminal judicial proceeding. I agree that I will not make a claim to the property or otherwise oppose forfeiture in any such proceedings, and I will not help anyone else do so. If I have already made such a claim, I hereby withdraw it. I further agree that I will sign any necessary documents to ensure that clear title to the forfeited assets passes to the United States, and that I will testify truthfully in any judicial forfeiture proceeding. In addition, I agree that I will not make any claim to property forfeited by any other defendant in this case.

(8) I hereby waive any claims I may have against the United States regarding the seizure and forfeiture of the property covered by this agreement.

(9) I hereby waive the requirements regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment.

(10) I hereby waive any constitutional or statutory challenges to the forfeiture covered by this agreement, including that the forfeiture is an excessive fine or punishment.

(11) I agree to repatriate to the jurisdiction of the District of Utah any property listed in the Second Superseding Indictment (including the funds described in paragraph 34(e)), any property listed in Exhibit A that is outside the court's jurisdiction, and any other property that is connected to, the proceeds of, or involved in the charges in the indictment. For real property that is connected to, the proceeds of, or involved in the charges in the indictment, but is outside the jurisdiction of the court, I agree to identify to the United States Attorney's Office such properties within thirty days of signing this agreement; to sell those properties within six months of signing this agreement; and to repatriate the proceeds from the sale of such properties within ten days of receipt along with an accounting from a title company or its equivalent that details the disposition of funds.

---

<sup>1</sup> The government will move to partially satisfy the forfeiture money judgment to the extent of the value it obtains, after deducting costs, from successfully forfeiting specific assets.

(12) If in its sole discretion the U.S. Attorney's Office determines that the defendant meets the criteria for restoration under Department of Justice and Money Laundering and Asset Recovery Section (MLARS) policy, it agrees to recommend to MLARS through the restoration process that payments the defendant makes on the forfeiture money judgment be applied to reduce the amount the defendant owes on the restitution order. The defendant further understands that MLARS retains the ultimate discretion whether to grant or deny any restoration request. Upon approval of the restoration request, payments made on the forfeiture money judgment will also satisfy the restitution order to the extent of such payments. The defendant may make payments on the forfeiture money judgment by cashier's check or money order to "United States Marshals Service," referencing the case number, and mailed to: United States Marshals Service, ATTN: Dorothy Akins, 351 S. West Temple, Suite 4.200, Salt Lake City, UT 84101-1908.

14. I understand that I have a right to ask the Court any questions I wish to ask concerning my rights about these proceedings and the plea.
