The Grand Jury Charges:

**INTRODUCTION**

At times material herein:

**RELEVANT INDIVIDUALS AND ENTITIES**

1. Defendant NEIL SURESH CHANDRAN was a resident of Las Vegas, Nevada. CHANDRAN held himself out as the owner of a group of companies operated under the banner of ViRSE, which purported to develop virtual-world technologies, including its own cryptocurrency, for use in its metaverse. These companies included, but are not limited to, FreeVi Lab; Studio Vi, Inc.; ViDelivery, Inc.; ViMarket, Inc. (“ViMarket”); and Skalex USA Inc. (collectively, “the CHANDRAN companies”). CHANDRAN repeatedly claimed that one or more of the CHANDRAN companies was about to be purchased by a consortium of wealthy buyers and thereby yield his investors extremely high returns.

2. Defendant BRYAN LEE was a resident of Las Vegas, Nevada. LEE was the signatory on bank accounts for ViMarket, and the nominee owner/sole director and officer of ViMarket. LEE took direction from CHANDRAN on how to disburse funds sent to ViMarket bank accounts. LEE also unilaterally disbursed and spent funds from the ViMarket accounts.

3. Michael Glaspie was a resident of Palm City, Florida. Glaspie marketed an investment opportunity with the CHANDRAN companies under the name “CoinDeal” or “Coin Deal” (hereinafter “CoinDeal”) through a website in his own name. He collected investor funds for the CHANDRAN companies through various entities, including AEO Publishing, Inc.; Banner Co-Op, Inc.; and BannersGo, LLC (“BannersGo”), and then transferred the funds to the CHANDRAN companies.

4. Individual 1 was a resident of Lincoln, Nebraska, in the District of Nebraska. Individual 1 assisted Glaspie in raising money for CoinDeal and by transferring investor money raised by Glaspie to the CHANDRAN companies through his bank accounts and charges to credit cards in Individual 1’s name that would be paid off with investor funds.

5. Billionaire 1 was the founder and executive chairman of a large online retailing company. Billionaire 1 had no involvement with CHANDRAN, LEE, Glaspie, Individual 1, or the CHANDRAN companies.

6. Billionaire 2 was the founder and CEO of an electric car company. Billionaire 2 had no involvement with CHANDRAN, LEE, Glaspie, Individual 1, or the CHANDRAN companies.

**THE CONSPIRACY AND SCHEME AND ARTIFICE TO DEFRAUD**

7. Beginning in or around June 2018 and continuing until on or about June 29, 2022, the exact dates being unknown to the Grand Jury, in the District of Nebraska and elsewhere, CHANDRAN, LEE, and others known and unknown to the Grand Jury, conspired and agreed with each other to engage in a scheme to defraud investors in the CHANDRAN companies through misrepresentations about the CHANDRAN companies and how investor funds would be used.

**PURPOSE OF THE CONSPIRACY AND SCHEME AND ARTIFICE TO DEFRAUD**

8. The purpose of the conspiracy and the scheme was for CHANDRAN, LEE, and others known and unknown to the Grand Jury, to (a) unlawfully enrich themselves by obtaining funds from investors through false promises of extremely high returns; (b) conceal or cause to conceal from investors the true status of their investments and the likelihood that they would obtain the promised returns; and (c) conceal or cause to conceal from the investors the manner in which CHANDRAN, LEE, and others were using investor funds.

**MANNER AND MEANS OF THE CONSPIRACY AND SCHEME AND ARTIFICE TO DEFRAUD**

9. The ways, manners, and means of the conspiracy and scheme to defraud included, but were not limited to, the following:

a. CHANDRAN caused Glaspie and Individual 1 to solicit funds from investors for the CHANDRAN companies based on the materially false and misleading promise and representation that their investments would soon yield extremely high returns when one or more of the CHANDRAN companies were purchased by a consortium of wealthy buyers (“the Transactions”), when in truth and in fact, there was no consortium about to purchase CHANDRAN’s company or companies at an amount that would yield the promised returns.

b. CHANDRAN made or caused Glaspie and Individual 1 to make materially false and misleading representations to investors that their funds would be used for covering normal expenses enabling one or more of the CHANDRAN companies to continue operating until the Transactions closed and to show the supposed buyers that CHANDRAN’s company or companies had sufficient “cash on hand” to be successful, when in truth and in fact, substantial amounts of investor funds were misappropriated to launch other business ventures and for the

personal benefit of CHANDRAN and LEE and others, including the purchase of luxury cars and real estate.

c. CHANDRAN caused Glaspie and Individual 1 to make materially false and misleading representations regarding the involvement of prominent business figures, such as Billionaire 1 and Billionaire 2, in the Transactions, when in truth and in fact, such individuals had no involvement.

d. CHANDRAN caused Glaspie and Individual 1 to raise funds from investors on his behalf. CHANDRAN provided materially false and misleading information about the Transactions' timeline and likely profitability to Individual 1, who then passed it along to Glaspie, who in turn disseminated it to current and prospective investors—at each step by interstate wire communications. On at least one occasion, CHANDRAN joined a conference call with CoinDeal investors to give them false assurance that the Transactions would imminently close.

e. Investors typically transferred funds to accounts under Glaspie's control or the control of Glaspie's relatives. These transfers occurred primarily through credit cards, wire transfers, or virtual currency. Funds were often then transferred to bank accounts under Individual 1's control before being distributed to the CHANDRAN companies, including bank accounts controlled by LEE. At times, Glaspie transferred investor funds directly from accounts he or his relatives controlled to the CHANDRAN companies. Transfers from Glaspie's accounts and Individual 1's accounts to the CHANDRAN companies were, at times, done through cashier's checks sent by interstate mail, which were then deposited into accounts held in the name of the CHANDRAN companies.

f. After deciding to purchase homes for personal use with investor funds, CHANDRAN and LEE, in an effort to justify their misappropriations, decided they would have to

build three-dimensional models of the homes so they could be featured in the metaverse CHANDRAN and the CHANDRAN companies were supposedly creating.

g. As a result of the conspiracy and scheme, CHANDRAN, LEE, and their associates fraudulently obtained more than \$45 million in fiat and virtual currency from more than 10,000 investors.
