

**RENEWAL OF THE COMPUTER MATCHING AGREEMENT
BETWEEN THE DEPARTMENT OF VETERANS AFFAIRS (VA)
AND
THE DEPARTMENT OF JUSTICE
(DOJ) FEDERAL BUREAU OF
PRISONS (BOP)**

Under the provisions of Public Law **100-503**, a computer matching agreement shall remain in effect for such period, not to exceed 18 months, as the Data Integrity Boards of the participating agencies determine is appropriate. However, the Data Integrity Boards may renew the agreement for a period not to exceed 12 additional months if:

1. Such program will be conducted without any change; and
2. Each party to the agreement certifies to the Boards in writing that the program has been conducted in compliance with the agreement.

This is a one-year renewal of the computer matching agreement between the Department of Veterans Affairs (VA), Veterans Benefits Administration (VBA) (the recipient agency) and the United States Department of Justice (DOJ), Federal Bureau of Prisons (FBOP) (the source agency). The current agreement was signed by the Data Integrity Boards of the VA and DOJ on March 2, 2023, and March 10, 2023, respectively. The agreement commenced following expiration of the OMB review and Federal Register comment periods on April 9, 2023. This agreement will expire on October 9, 2024.
