OVW Sexual Assault Services Culturally Specific Program (CFDA 16.017)

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Sexual Assault Services Culturally Specific Program

The Sexual Assault Services Program (SASP) was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005), 42 U.S.C. §14043g, and is the first federal funding stream dedicated solely to the provision of direct intervention and related assistance for victims of sexual assault. The SASP encompasses four different grant programs for the following entities: 1) states and territories; 2) tribes; 3) culturally specific organizations; and 4) state, territorial, and tribal sexual assault coalitions. Overall, the purpose of SASP is to provide intervention, advocacy, accompaniment (e.g., accompanying victims to court, medical facilities, police departments, etc.), support services, and related assistance for adult, youth, and child victims of sexual assault, non-offending family and household members of victims, and those collaterally affected by the sexual assault.

Survivors of sexual assault from culturally specific communities frequently confront unique and additional challenges, such as linguistic and cultural barriers, when seeking assistance. In order to provide the most appropriate services to such victims, the Sexual Assault Services Culturally Specific Grant Program (hereinafter referred to as the SAS Culturally Specific Program) targets nonprofit organizations that focus primarily on culturally specific communities and have experience in the area of sexual assault or who partner with an organization having such expertise. The goal of the SAS Culturally Specific Program is to create, maintain, and expand sustainable sexual assault services provided by culturally specific organizations, which are uniquely situated to respond to the needs of sexual assault victims from culturally specific populations.

For additional information on the SAS Culturally Specific Program, including what past SAS Culturally Specific Program grantees have accomplished with their grant funds and to view the SAS Culturally Specific Program performance measures, see <http://muskie.usm.maine.edu/vawamei/saspculturalmain.htm>.

Deadlines

Application

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on January 29, 2014**. Applications submitted after **11:59 p.m. E.T. on January 29, 2014** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the Experiencing Unforeseen Technical Issues section on page 13 of this solicitation.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, Authorized Organization Representatives (AOR) should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the AOR that the application was successfully submitted, or it will notify the AOR that there was an error with the application submission.

Note: For applicants without Internet access, who cannot submit an application electronically, please contact OVW.SASP.Cultural@usdoj.gov no later than January 8, 2014 to request permission to submit an application by alternative means.

Registration

Applicants must follow the registration process outlined below. **There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with Grants.gov immediately, but no later than January 8, 2014.

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, the applicant's DUNS Number should be available the next business day.

In Fiscal Year (FY) 2012, the System for Award Management (SAM) replaced the Central Contractor Registration (CCR) as the government-wide registry for vendors doing business with the federal government. **All applicants must register with SAM and renew their registration annually.** The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

Applicants must be **registered and current** with the SAM registration and with Grants.gov prior to submitting an application. Applicants should begin the process immediately to meet the Grants.gov registration deadline, especially if this is the first time using these systems. It is

strongly recommended that applicants begin the registration process no later than January 8, 2014 in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. For more information on the process of registering with SAM and Grants.gov, please see the How To Apply section on page 9.

Letter of Registration

Applicants intending to apply for FY 2014 funding under either program, are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with the SAM and with Grants.gov. The letter should be submitted to OVW at OVW.SASP.Cultural@usdoj.gov by January 8, 2014. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See Appendix B for a sample Letter of Registration.

Pre-Application Conference Calls

OVW will conduct a total of two Pre-Application Conference Calls. The pre-application calls are for new potential applicants and continuation grantees interested in applying for SAS Culturally Specific Program funding. During these calls, OVW staff will review the SAS Culturally Specific Program, review the solicitation, and allow for a brief question and answer session. Participation in these calls is optional.

The conference calls are scheduled on the following dates:

- **Thursday, December 19, 2013; 2 p.m. to 4 p.m. E.T.**
- **Tuesday, January 7, 2014; 2 p.m. to 4 p.m. E.T.**

Anyone who is interested in submitting an application to the SAS Culturally Specific Program may register to participate in the calls. The total number of participants for each call is limited to 50 individuals.

To register, please e-mail or call Traci Rollins-Johnson at Traci.Rollins-Johnson@usdoj.gov or (202) 353-0025. Your registration must be received at least two hours prior to the start of the call.

Please write “**SAS Culturally Specific Program – Registration for Pre-Application Conference Call**” in the subject line if you choose to email.

Eligibility

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible Entities

Eligible entities for this program are private nonprofit organizations for which the primary purpose of the organization as a whole is to provide culturally specific services to one or more of the following racial and ethnic communities:

- American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.¹

Additionally, the applicant organization must meet the following requirements:

- Have an advisory board or steering committee and staffing which is reflective of the targeted culturally specific community. **Note:** To determine whether the organization has an advisory board or steering committee and staffing that is reflective of the targeted culturally specific community, OVW will consider whether the advisory board, steering committee and staff include members with knowledge or experience relevant to the targeted community. If federal funds are used for filling any of these positions, organizations may consider an applicant's knowledge or experience relevant to the targeted community, as well as language skills needed to work with a particular population, but organizations may not consider a person's race and/or ethnicity as a basis for hiring decisions.
- Have documented organizational experience in the area of sexual assault intervention **or** have entered into a partnership with an organization having such experience; *and*
- Have expertise in the development of community-based, linguistically and culturally specific outreach and intervention services relevant for the specific communities to which assistance would be provided **or** have the capacity to link to existing services in the community tailored to the needs of culturally specific populations. As defined in the Violence Against Women Act, 42 U.S.C. §13925(a)(7), "culturally specific services" means "community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities."

Note: If the culturally specific program is one division within a larger organization with other focuses (for example, a division within a sexual assault organization that focuses on Hispanic victims), the organization is not eligible.

Nonprofit Organization Requirements

An applicant for the SAS Culturally Specific Program must be a nonprofit organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 42 U.S.C. § 13925(b)(16)(B). Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the SAS Culturally Specific Program.

Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applications for the SAS Culturally Specific Program must also meet the requirements below.

Required Partnerships

All applicants must meet one of the following categories as it relates to partnership requirements.

¹ The Violence Against Women Reauthorization Act of 2013 defines "culturally specific" as "primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. 300u-6(g))." (42 U.S.C. 13925(a)(6). Section 300u-6(g)(1) defines the term "racial and ethnic minority group" to mean "American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics." Therefore, applicants must demonstrate that the primary purpose of the organization as a whole is to provide services to one or more of these racial or ethnic minority groups.

- Category I – The applicant is a culturally specific organization with expertise in sexual assault victim services. Therefore, no partnership is required.
- Category II – The applicant is a culturally specific organization and will be partnering with another culturally specific organization(s) that: 1) would otherwise be eligible to apply independently under the SAS Culturally Specific Program; and 2) either the applicant agency or partner(s) has expertise in providing sexual assault victim services.
- Category III – The applicant is a culturally specific organization without expertise in sexual assault and will be partnering with a sexual assault victim services organization that is NOT eligible to apply independently under the SAS Culturally Specific Program.

Types of Applicants

In FY 2014, OVW will accept applications for the SAS Culturally Specific Program from the following:

New: applicants that have never received funding under the SAS Culturally Specific Program.

Continuation: provided they meet the current eligibility requirements, applicants that received funding under the SAS Culturally Specific Program in FY 2011 or have a SAS Culturally Specific Program award that will expire before December 10, 2013. Continuation funding is not guaranteed.

Grant recipients that received new or supplemental funding from either program for 36 months in FY 2012 or FY 2013 are NOT eligible to apply.

Award Information

Applicants that receive an award are bound by statute, federal regulations, the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and any conditions of the recipient's award.

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the SAS Culturally Specific Program becomes no longer available.

Award Period

The grant award period for the SAS Culturally Specific Program is 36 months. Budgets must reflect 36 months of project activity, and the total "estimated funding" (block 15) on the SF-424 must reflect 36 months.

Award Amounts

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the SAS Culturally Specific Program for FY 2014 will be made for up to \$325,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

Program Scope

Activities supported by the SAS Culturally Specific Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the OVW Financial Guide, any updates to the Financial Guide, and the conditions of the recipient's award.

Purpose Areas

In FY 2014, funds under the SAS Culturally Specific Program may be used for the following purposes:

- To establish, maintain, and expand culturally specific intervention and related assistance for victims of sexual assault.

Intervention services and related assistance may include, but are not necessarily limited to:

- Crisis intervention, short-term individual and group support, information, and referral services;
- Accompaniment and advocacy services;
- Culturally specific approaches to healing;
- Comprehensive service coordination and supervision;
- Outreach activities to culturally specific communities; and
- Development and distribution of informational materials on issues related to sexual assault services provided by the agency.

OVW Priority Areas

OVW encourages applications that propose activities in the following area:

- Increase support for underserved communities of color, in a culturally appropriate manner, with a special emphasis on Black/African-American communities.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;²
- Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
- Crafting policies that deny individuals access to services based on their relationship to the perpetrator;
- Developing materials that are not tailored to the dynamics of sexual assault or the culturally specific population to be served;

² If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "VAWA Non-Discrimination Provision" under "Post-Award Requirements" on page 26.

- Crafting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g. mandatory counseling, seeking an order for protection); and
- Crafting policies that require the victim to report the sexual assault to law enforcement.

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the SAS Culturally Specific Program will not be considered for funding. The following activities are out of scope and will not be supported by the SAS Culturally Specific Program grant funding:

- Research projects (This does not include program assessments conducted only for internal improvement purposes. See section on Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.ovw.usdoj.gov/grantees.html#s1.>)
- Activities focused on prevention efforts and public education (e.g., bystander intervention, social norms campaigns, presentations on healthy relationships, etc.)
- Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
- Providing domestic violence services unrelated to intimate partner sexual violence
- Sexual Assault Forensic Medical Examiner programs
- Sexual Assault Response Team coordination

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by the SAS Culturally Specific Program grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

- Lobbying
- Fundraising
- Purchase of real property
- Construction
- Physical modifications to buildings, including minor renovations (such as painting or carpeting)

How to Apply

This section describes how an application should be submitted. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

Applicants must follow the registration process outlined below. **There is no fee associated**

with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf, or as an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a Data Universal Number System (DUNS) Number, register online with the System for Award Management (SAM) and with Grants.gov immediately, but no later than January 8, 2014.

Applicants must be registered and current with the SAM registration and with Grants.gov prior to submitting an application. It is strongly recommended that applicants begin the registration process immediately, but no later than January 8, 2014 in order to ensure that the registration process is completed and any difficulties are resolved well in advance of the application deadline. **It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, AORs should closely monitor their emails for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the AOR that the application was successfully submitted, or it will notify the AOR that there was an error with the application submission.**

Please note that the Grants.gov notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see “Experiencing Unforeseen Technical Issues” on page 13 for information on the steps applicants must follow if corrective action must be taken.

Application Registration Requirements

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items.

Each applicant must obtain a Data Universal Numbering System (DUNS) number, be registered in the System for Award Management (SAM) and submit their application online via either Grants.gov or the Grants Management System (GMS) according to the instructions. Applicants are encouraged to submit their applications 48, but no less than 24, hours before the deadline to allow sufficient time to address technical problems. Applicants should ensure that the DUNS number for the application is for an organization that is eligible to apply for the grant program. Also, only the organization that is registered in SAM may use that DUNS number and Grants.gov registration to submit an application.

System for Award Management (SAM)

Applicants for all federal grants are required to register with the System for Award Management (SAM). If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

Step 1: Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call 1-866-705-5711.

Step 2: Access the SAM online registration through the SAM home page at <https://www.sam.gov/> and follow the online instructions for new SAM users.

Step 3: Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status. (Applicants formerly used the Central Contractor Registration (CCR) database).**

Grants.Gov

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.Gov registration process. In order to apply for a grant, the applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. Complete instructions can be found at www.grants.gov. **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs' (OJP) Grants Management System (GMS) through which OVW discretionary program applicants have submitted applications in previous years. If applicants experience difficulties at any point during this process, they may call the Grants.gov Customer Support Hotline at **1-800-518-4726**.

Note: Grants.gov limits the use of specific characters in names of attachment files. Valid file names may only include the following characters: A-Z, a-z, 0-9, and space. The applicant should ensure that only allowable characters are included. Grants.gov will not accept an application if it includes file names that use disallowable characters. OVW strongly suggests using simple titles for all documents, such as "FY 2014 OVW Project Narrative." Please note that file names are limited to 50 characters. GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: ".com," ".bat," ".exe," ".vbs," ".cfg," ".dat," ".db," ".dbf," ".dll," ".ini," ".log," ".ora," ".sys," and ".zip." Please visit the Grants.gov website to review the most up-to-date guidelines about the use of specific characters.

The E-Business Point of Contact (E-Biz POC) within the applicant's organization must register the organization with Grants.gov. The E-Biz POC oversees the organization's Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for an organization.

- *Step 1:* Go to Grants.gov. Mouse over the "APPLICANTS" drop down and click the "Organization Registration Link".
- *Step 2:* Register with SAM
- [Step 3: Username & Password](#)

- [Step 4: AOR Authorization](#)
- [Step 5: TRACK AOR STATUS](#)

The application process can move forward once the organization successfully registers with Grants.gov.

Downloading a Grant Application Package

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application. To verify if the Adobe software version is compatible with Grants.gov, visit the following link: <http://www.grants.gov/web/grants/support/technical-support/software/adobe-reader-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

Completing the Grant Application Package

The applicant must manually save changes to the grant application. Grants.gov does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

Submitting the Completed Grant Application Package

Log on to Grants.gov. After the application is fully completed, errors are corrected, and the application is saved, click the "Save & Submit" button on the cover page. The application package will be automatically uploaded to Grants.gov.

Reminder: To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. AORs should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov.

A confirmation screen will appear once the submission is complete. A Grants.gov tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The Grants.gov Help Desk can be reached at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for federal holidays.

Applicants without Internet Access

Applicants without Internet access, who cannot submit an application electronically, must contact OVW.SASP.Cultural@usdoj.gov no later than January 8, 2014 to request permission to submit an application by alternative means.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseen Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no less than January 8, 2014. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow for sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseen technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact the Grants.gov Customer Support Hotline at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for federal holidays.

If an applicant experiences unforeseen technical issues that prevent them from submitting an application by the deadline, they must take the following actions:

- contact the SAS Culturally Specific Program at (202) 305-1271 or at OVW.SASP.Cultural@usdoj.gov prior to the application deadline stating that they are experiencing unforeseen technical issues; and
- contact the technical support number above prior to deadline.

Within 24 hours after the deadline, the applicant must again contact the SAS Culturally Specific Program at (202) 305-1271 or OVW.SASP.Cultural@usdoj.gov to request approval to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a Grants.gov Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues with the Helpdesk OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or Grants.gov instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions

OVW offers several options for applicants to provide advance notice to OVW if receipt of their application will be delayed due to a temporary lack of Internet access, other technical difficulties, or geographic isolation. If applicants do not provide advance notice to OVW about an issue that may cause a delay in the submission of the application, then the application will not be considered for funding. If applicants follow the steps outlined above, late submission may be considered. Extension of deadlines is not guaranteed.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The message should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time.

Application Contents

This section describes what is included in a complete application package. Applicants should

anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative comprises the following three sections:

Purpose of Application (20 points)

This section must include:

- Goals and objectives, describing the specific tasks and activities necessary to accomplish each. Activities must be directly related to:
 - The needs of the identified culturally specific population; and
 - The provision of direct intervention and related assistance for sexual assault victims;

This section must include the information below. In doing so, the applicant must justify who will

be involved in the project and demonstrate that they have the capacity to address the stated need and that they can successfully implement the stated project activities.

Proposal Abstract

The Proposal Abstract should provide a short and accurate summary (no more than 2 pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section. Additionally, applicants should limit their proposal abstract to no more than one page.

Budget Detail Worksheet and Narrative (15 Points)

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

- The grant award period is 36 months. Budgets must reflect 36 months of project activity.
- Awards for FY 2014 will be made for up to \$325,000.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

While OVW discretionary grant programs do not require matching funds, applicants are

encouraged to maximize the impact of federal dollars by contributing to the costs of their projects. Supplemental contributions may be cash, in-kind services, or a combination of both. Any non-Federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in **Appendix A**. When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the OVW Financial Grants Management Guide, which can be found at <http://www.ovw.usdoj.gov/docs/ovw-fgmq.pdf>.

- Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items; and
- Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs.

Federal Financial Guidelines

Federal grants are governed by the provisions of the OMB circulars applicable to financial assistance and the OVW Financial Grants Management Guide, which can be found at <http://www.ovw.usdoj.gov/docs/ovw-fgmq.pdf>. The Financial Grants Management Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, OMB circulars and guidelines, and the OVW Financial Grants Management Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

- The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
- Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
- A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
- Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of Federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.ovw.usdoj.gov/grantees.html>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

- Cost of Logistical Conference Planning
- Cost of Programmatic Conference Planning
- Conference Space and Audio-Visual Equipment and Services
- Prohibition on Trinkets at Conferences
- Entertainment at Conferences
- Food and Beverages at Conferences
- Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
- Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website <http://www.ovw.usdoj.gov/grantees.html>. For additional information regarding food and beverage regulations, please refer to the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$10,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$12,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-

funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos and other materials must ensure that they are accessible to persons with disabilities. Grant funds must be allocated for these purposes.

Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE) (20 Points Total)

SAS Culturally Specific applicants are required to submit either a MOU or MOE depending on whether the organization has expertise in providing direct victim services to sexual assault victims. SAS Culturally Specific applicants that possess and can demonstrate sexual assault services expertise within the organization do NOT need to partner with any outside organization and should submit a MOE.

An applicant that submits a MOE but does not demonstrate expertise in sexual assault victim services will be removed from further consideration for funding. Therefore, if there is any uncertainty as to whether the applicant meets the MOE criteria, the applicant is encouraged to submit a MOU.

SAS Culturally Specific applicants that do NOT have sexual assault services expertise within their organization must partner with an outside sexual assault victim services organization and submit a MOU.

SAS Culturally Specific applicants should determine their partnership requirements (if any) under one of the following applicant categories:

- Category I – The applicant is a culturally specific organization with expertise in sexual assault victim services and will be submitting a MOE. Partner compensation is not applicable.
- Category II – The applicant is a culturally specific organization and will be partnering with another culturally specific organization(s) that 1) would otherwise be eligible to apply independently under the SASP Culturally Specific Grant Program and 2) either the applicant agency or MOU partner(s) has expertise in providing sexual assault victim services. A MOU is required. There is no cap on the partner compensation.
- Category III – The applicant is a culturally specific organization without expertise in sexual assault and will be partnering with a sexual assault victim services organization

that is NOT eligible to apply independently under the SASP Culturally Specific Grant Program. A MOU is required. Partner compensation is limited to \$30,000 for the three-year award period. These funds should be used to provide training and technical assistance on sexual assault and related victim services to the lead agency.

Memorandum of Understanding (MOU)

For purposes of this application, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) (see page 22, "Application for Federal Assistance" section, for the definition of the AOR) of each proposed partner agency during the development of the application. In rare circumstances a MOU can include multiple signature pages as long as each page includes the name and title of each signing party.

The MOU must:

- Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
- Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
- Clearly identify which organization has the expertise in providing sexual assault services;
- Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds; and
- Demonstrate a commitment to work together to achieve stated project goals and objectives.

Memorandum of Exemption (MOE)

The MOE should be a single document and it should be signed and dated by the Authorized Representative of the applicant agency during the development of the application.

The MOE must:

- Clearly describe the types of direct services the agency or program provides to sexual assault victims;
- Detail the length of time the victim services organization or program has provided services to sexual assault victims; and
- Describe accomplishments in the community in providing services to victims of sexual assault.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding. OVW will be unable to make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Proof of 501(c)(3) Status (*Nonprofit Organizations Only*)

As noted under Eligible Entities, an entity that is eligible for the SAS Culturally Specific Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

Disclosures Related to Executive Compensation

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at <http://www.ovw.usdoj.gov/docs/conf-acknowledgement.pdf> and must be signed by the authorized representative and uploaded to the application on Grants.gov.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. In block 7 (Type of Applicant), please do not select "other." Please pay careful attention to the amount of Federal funding requested in box 15 of this form. This amount must match the amount of Federal funding requested in the budget section of the application package. Only include values in box 16 ("Recipient") if the program solicitation requires a match. The individual who is listed in box 18 must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the AOR, certifying that Federal

funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.ovw.usdoj.gov/docs/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

- Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding?
- Does the applicant have written accounting policies and procedures? OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
- Is the applicants' financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant?
- Does the applicant have procedures in place for minimizing the time elapsing between transfer of funds from the United States Treasury and disbursement for project activities?
- Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
- Does the applicant have a documented records retention policy? If so, briefly describe the policy.
- Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations? If not, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of their award to coordinate training.

Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW or OJP must complete a Financial Capability Questionnaire, and submit it online. Additionally, the applicant may be required to submit their current year's audit report at a later time. The form can be found at http://www.ojp.gov/funding/forms/financial_capability.pdf.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. If an applicant needs additional information on this requirement, they may go to <http://www.ovw.usdoj.gov/docs/ovw-fqmg.pdf>. This should be a separate attachment to the application in Grants.gov.

Applicants that do not have a Federally-approved indirect cost rate should budget all project related costs in the direct cost categories. Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the state has selected this program for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in Block 3 of the Overview section of the GMS application.

Selection Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the applicant responds to each section and addresses each element contained within the corresponding section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

Peer Review

OVW will subject all applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may utilize internal review, external review, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing for scope, activities that compromise victim safety and, if applicable, past performance. OVW reserves the right to deduct points for applications that propose the following:

- Activities that compromise victim safety and recovery (Up to 10 points.)
- Out-of-scope activities (Up to 10 points)
- Past performance review (Up to 30 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recent (closed within the calendar year) OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

- Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives;
- Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas;
- Adherence to all special conditions of existing grant award(s) from OVW;
- Adherence to programmatic and financial reporting requirements, including timely submission of required reports;
- Completion of close-out of prior awards in a timely manner;
- Appropriate utilization and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award;
- Receipt of financial clearances on all current or recent grants from OVW;
- Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit;
- Adherence to the Office of Management and Budget single-audit requirement; and
- Timely expenditure of grant funds.

OVW grantees with significant past performance issues may not be considered for funding.

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf> as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may be denied continuation funding.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Post-Award Requirements

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2014 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. More guidance on this provision will be forthcoming and made available on the OVW website. Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2014 Solicitation Companion Guide under "Civil Rights Compliance."

Reporting Requirements

All OVW grantees receiving awards are required to submit a semi-annual progress report and

quarterly Federal Financial Reports. Appropriate forms will be provided to all applicants selected for an award.

Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the FY 2014 Solicitation Companion Guide at <http://www.ovw.usdoj.gov/docs/companion-guide-10-16-12.pdf>

Public Reporting Burden

Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. We try to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on you to provide us with information. The estimated average time to complete and file this form is 30 hours. If you have comments regarding the accuracy of this estimate, or suggestions for making this form simpler, you can write to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the OVW Financial Grants Management Guide at <http://www.ovw.usdoj.gov/docs/ovw-fgmg.pdf>.

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 28 C.F.R. §66.36 (if a State or local government) and 28 C.F.R. §§ 70.40-70.49 (if a nonprofit, or an institution of higher education). All sole-source procurements (those not awarded competitively) in excess of \$100,000 require prior approval from OVW. This applies to procurements of goods and services, but not to compensation for MOU project partners for time spent working on program objectives.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 are unallowable. If the applicant agency did not expend \$500,000 or more in federal funds during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current Federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Applicants are encouraged to maximize the impact of federal dollars by contributing to the costs of their projects. Supplemental contributions may be cash, in-kind services, or a combination of both. Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.
