OVW Justice for Families Program (CFDA 16.021)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims across the life span with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Justice for Families Program

This program is authorized by 42 U.S.C. § 10420.

The Grants to Support Families in the Justice System program (referred to as the Justice for Families Program) was authorized in the Violence Against Women Reauthorization Act (VAWA) of 2013 to improve the response of all aspects of the civil and criminal justice system to families with a history of domestic violence, dating violence, sexual assault, and stalking, or in cases involving allegations of child sexual abuse. The program supports the following activities for improving the capacity of communities and courts to respond to families affected by the four crimes: court-based and court-related programs; supervised visitation and safe exchange by and between parents; training and technical assistance for people who work with families in the court system; civil legal services; provision of resources in juvenile court matters; and development or promotion of legislation, model codes, policies, and best practices. The program includes purpose areas previously authorized under the Safe Havens: Supervised Visitation and Safe Exchange Grant Program (Supervised Visitation) and the Court Training and Improvements Program (Courts).

For additional information on the Justice for Families Program, including what past Justice for Families, Supervised Visitation, and Courts grantees have accomplished with their grant funds and to view the programs' performance measures, see

<http://muskie.usm.maine.edu/vawamei/justiceforfamiliesmain.html>,
<http://muskie.usm.maine.edu/vawamei/safehavensmain.htm>, and
<http://muskie.usm.maine.edu/vawamei/courtmain.htm>, respectively.

Program Scope

Activities supported by the Justice for Families Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, any updates to the DOJ Financial Guide, and the conditions of the recipient's award.

Purpose Areas

In FY 2016, funds under the Justice for Families Program may be used for the purposes listed below. OVW is interested in funding projects that take a coordinated approach to helping families victimized by domestic violence, sexual assault, dating violence, and stalking as they navigate the justice system. In order to help achieve this coordinated approach, **applicants must propose activities under purpose area number 1 or 5**. If an applicant is proposing to provide supervised visitation/safe exchange services (purpose area 1), the applicant **must** propose activities under at least one additional purpose area. The Courts purpose area (purpose area 5) can be addressed on its own, or in combination with another purpose area.¹

- **(Purpose Area 1) Supervised visitation and safe exchange:** Provide supervised visitation and safe visitation exchange of children and youth by and between parents in situations involving domestic violence, dating violence, child sexual abuse, sexual assault, or stalking. ***Applicants proposing activities under this purpose area must propose activities under at least one additional purpose area.***
- **(Purpose Area 3) Training for court-based and court-related personnel:** Educate court-based and court-related personnel and court-appointed personnel (including custody evaluators and guardians ad litem) and child protective services workers on the dynamics of domestic violence, dating violence, sexual assault, and stalking, including information on perpetrator behavior, evidence-based risk factors for domestic and dating violence homicide, and on issues relating to the needs of victims, including safety, security, privacy, and confidentiality, including cases in which the victim proceeds pro se. ***Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5.***
- **(Purpose Area 4) Juvenile court resources:** Provide appropriate resources in juvenile court matters to respond to dating violence, domestic violence, sexual assault (including child sexual abuse), and stalking and ensure necessary services dealing with the health and mental health of victims are available. ***Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5.***
- **(Purpose Area 5) Court and court-based programs and services:** Enable courts or court-based or court-related programs to develop or enhance a) court infrastructure (such as specialized courts, consolidated courts, dockets, intake centers, or interpreter services); b) community-based initiatives within the court system (such as court watch programs, victim assistants, pro se victim assistance programs, or community-based supplementary services); c) offender management, monitoring, and accountability programs; d) safe and confidential information-storage and information-sharing databases within and between court systems; e) education and outreach programs to improve community access, including enhanced access for underserved populations; and f) other projects likely to improve court responses to domestic violence, dating violence, sexual assault, and stalking.
- **(Purpose Area 6) Civil legal assistance:** Provide civil legal assistance and advocacy services, including legal information and resources in cases in which the victim proceeds pro se, to (a) victims of domestic violence; and (b) nonoffending parents in matters that involve allegations of child sexual abuse; that relate to family matters, including civil

¹ VAWA 2013 includes eight distinct purpose areas for the Justice for Families Program. However, in FY 2016, OVW is limiting applicants to addressing only purpose areas 1, 3, 4, 5, 6, and 8.

protection orders, custody, and divorce; and in which the other parent is represented by counsel. ***Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5.*** In addition, a project in which the ***primary*** focus is on providing civil legal assistance is not appropriate for the Justice for Families Program. Applications in which more than 50% of the project budget is allocated for civil legal assistance would be better suited to the OVW Legal Assistance for Victims Program, for which applications are solicited annually.

- **(Purpose Area 8) Training within civil justice system:** Improve training and education to assist judges, judicial personnel, attorneys, child welfare personnel, and legal advocates in the civil justice system. ***Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5.***

Mandatory Program Requirements

Applicants for FY 2016 Justice for Families funding are required to demonstrate formal partnerships among victim services providers and courts within the proposed project. Applications that do not include both 1) a nonprofit domestic violence or sexual assault victim services provider and 2) a court, either as lead applicant or project partner, will not be eligible for Justice for Families Program funding.

OVW Priority Areas

In FY 2016, OVW is interested in supporting the priority areas identified below. Applications proposing activities in the following areas will be given special consideration during the review process:

1. Strengthening and revitalizing coordinated community response and multi-disciplinary teams, especially those that meaningfully involve organizations and programs that focus on marginalized communities.
2. Meaningfully increasing access to OVW programming for specific underserved populations (which may be based on race, ethnicity, sexual orientation, gender identity, disability, and age).
3. Increasing the use of promising or evidence-building practices, where available.

OVW will determine whether an application sufficiently addresses a priority area that warrants special consideration. If addressing the first priority area, applicants should include a description of the underserved population that they intend to serve and explain how their particular services will increase access to OVW's programming. Not all applicants that state their intent to address a priority area will be favorably considered over other applicants. *Meaningful responses to OVW's priority areas should demonstrate an authentic commitment to addressing the priority area(s) and should clearly show that the applicant has the capacity to address the priority effectively.*

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

For all applicants:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;²
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
3. Referring victims to Child Protection Services (CPS) solely for failure to protect their minor child when witnessing domestic violence except if required under state law;
4. Failing to conduct safety planning with victims; and
5. Intake and other forms that place an unnecessary or undue burden on anyone receiving OVW-funded services, such as those that include questions about immigration status, gender identity, sexual orientation, disability, physical or mental health, and work or criminal history that the service provider does not need to know about to provide services safely.

For applicants proposing supervised visitation and/or safe exchange services:

1. Failure to align supervised visitation and safe exchange services with the Guiding Principles of the Supervised Visitation Program, which can be found here: <http://www.justice.gov/sites/default/files/ovw/legacy/2008/08/06/guiding-principles032608.pdf>
2. Requiring adult victims to participate in mediation or counseling as a condition for receiving supervised visitation and safe exchange services;³
3. Charging fees to either parent for OVW-funded supervised visitation and exchange services;⁴
4. Providing visitation or exchange services that do not account for the safety of adult victims;
5. Requiring a court order to access visitation and/or exchange services; and
6. Providing custody evaluations or court reports based on subjective information and opinions of center staff and volunteers.

For applicants proposing court programs and services:

1. Requiring victims of sexual assault, domestic violence, dating violence or stalking to file for a protection order, cooperate in an investigation or file criminal charges against their abuser as a condition of receiving services;
2. Internet publication of registration, issuance, or filing of a petition for a protection order, restraining order, or injunction in either the issuing or enforcing state, tribal or territorial

² If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information".

³ OVW Justice for Families Program funds **cannot** be used to support individual, group, and family counseling. Furthermore, grantees are strongly discouraged from requiring adult victims to participate in mediation or family counseling.

⁴ Although the statute allows for sliding scale fees, grantees providing supervised visitation and safe exchange services are not allowed to charge fees to parents served with OVW funds, to ensure accessibility of OVW-funded services.

jurisdiction if such publication would reveal the identity of the party protected by such order;

3. Crafting policies that deny individuals access to services based on their relationship to the perpetrator; and
4. Procedures that would penalize victims of violence for failing to testify against their abusers or impose other sanctions on victims.

For applicants proposing civil legal assistance:

1. Policies or practices that discourage accepting cases for victims who do not have physical evidence;
2. Refusal to represent victims who are also respondents/defendants;
3. Mediation,⁵ alternative dispute resolution, or joint counseling, involving offenders and victims being physically present in the same place, as a response to sexual assault, domestic violence, dating violence, and stalking; and
4. Representation on the condition that victims seek protection orders, counseling, or some other course of action with which they disagree.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope and will not be supported by Justice for Families funding. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the Justice for Families will not be considered for funding.

For all applicants:

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See section Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.justice.gov/sites/default/files/ovw/legacy/2013/12/16/companion-guide-fy2014.pdf>)
2. Mandatory mediation in cases where sexual assault, domestic violence, dating violence, or stalking is an issue;
3. Therapeutic visitation;
4. Parent education programs;
5. Individual, group, and family counseling;
6. Telephone and/or virtual (e.g., Skype) monitoring; and
7. Supervised visitation and exchange services unrelated to domestic violence, sexual assault, dating violence, or stalking.

For applicants proposing civil legal assistance:

1. Tort cases;
2. Child sexual abuse cases and cases involving the child protection system, except those in which the legal services are provided to nonoffending parents and relate to family matters, including civil protection orders, custody, and divorce, and in which the other parent is represented by counsel;

⁵ Applicants in states and/or jurisdictions where mediation is required, and/or mediation does not require the parties to be physically present in the same space, may be exempt from this requirement when such is stated as justification for engaging in this practice.

3. Criminal defense of victims charged with crimes; and
4. Support of law reform initiatives, including but not limited to litigation.

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by Justice for Families grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

- Lobbying;
- Fundraising;
- Purchase of real property;
- Construction;
- Physical modifications to buildings, including minor renovations (such as painting or carpeting)

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the Justice for Families ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

Award Period

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2016.

Award Amounts

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the Justice for Families Program for FY 2016 will be made for up to \$600,000, and in a limited number of cases, up to \$700,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

Funding levels under the Justice for Families for FY 2016 are as follows:

- Any applicant may apply for up to \$600,000.
- Any applicant may apply for up to \$700,000. However, an application requesting more than \$600,000 must provide specific details (for example, anticipated service volume) that justify the higher amount requested. A very limited number of awards will be made for more than \$600,000.

The Justice for Families Program typically makes awards in the range of \$450,000-\$600,000. OVW estimates that it will make up to 25 awards for an estimated \$11,000,000. Awards will be made as grants.

Types of Applicants

In FY 2016, OVW will accept applications for the Justice for Families Program from new applicants. Current and former Safe Havens and Courts grantees are considered new applicants. Justice for Families grant recipients that received funding in FY 2015 are not eligible to apply.

OVW will not make an award to any applicant that has not provided the requisite certification(s). Each certification must take the form of a letter, on letterhead, signed and dated by the authorizing official. Failure to provide a letter/s certifying to these requirements may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. Please see appendices F, G, H, I and J for sample certification letters.

Applicant Requirements

*Under 42 USC §10420(d), **all** applicants for the Justice for Families Program must:*

- Certify that the organizational policies of the applicant do not require mediation or counseling involving offenders and victims being physically present in the same place, in cases where domestic violence, dating violence, sexual assault, or stalking is alleged.

For a court-based program, applicants must also:

- Certify that victims of domestic violence, dating violence, sexual assault, or stalking are not charged fees or any other costs related to the filing, petitioning, modifying, issuance,

Applicants proposing to support custody evaluation and/or guardian ad litem (GAL) services with Justice for Families funding must:

- Certify that any person providing custody evaluation or guardian ad litem services through a program funded under this program has completed or will complete training developed with input from and in collaboration with a tribal, state, territorial, or local domestic violence, dating violence, sexual assault, or stalking victim service provider or coalition on the dynamics of domestic violence and sexual assault, including child sexual abuse, that includes training on how to review evidence of past abuse and the use of evidenced-based theories to make recommendations on custody and visitation.

Applicants proposing to provide legal assistance must also certify in writing to the following:

- (1) Any person providing legal assistance with funds through this program
 - (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or

- (3) Any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a tribal, state, territorial, or local domestic violence, dating violence, sexual assault, or stalking victim service provider or coalition, as well as appropriate tribal, state, territorial, and local law enforcement officials;

Required Partnerships

All applicants for the Justice for Families Program must include formal partnerships with both 1) a domestic violence and/or sexual assault victim services provider and 2) a court. Applications that do not include a victim services provider and a court, either as the lead applicant or as partners, will not be eligible for Justice for Families Program funding.

Limit on Number of Application Submissions

An applicant can only submit one application per organization. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted.

D. Application and Submission Information

Address to Request Application Package

The complete application package is available on [Grants.gov](http://www.grants.gov) or at the OVW website at <http://www.justice.gov/ovw>. Applicants wishing to request a paper copy of the application materials should contact the Justice for Families Program at 202-307-6026.

Content and Form of Application Submission

Letter of Registration

Applicants intending to apply for FY 2016 funding under this program, are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with the System for Award Management (SAM) and with [Grants.gov](http://www.grants.gov). The letter should be submitted to OVW at OVW.JFF@usdoj.gov by January 4, 2016. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

Pre-Application Conference Call

OVW will conduct one Pre-Application Conference Call. During this call, OVW staff will review the Justice for Families requirements, review the solicitation, and allow for a brief question and answer session. Participation in this call is optional.

The conference call is tentatively scheduled for Wednesday, January 6, 2016 at 12:00 pm EST.

Anyone interested in submitting an application to the Justice for Families Program may register to participate in the pre-application call. The total number of participants for the call is limited to 75 participants. Please note: Registration is on a first-come-first-serve basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many communities as possible can join the call. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction. To register, please e-mail or call the Justice for Families Program at OVW.JFF@usdoj.gov or 202-307-6026. Registration must be received at least one day prior to the start of the call.

Application Contents

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

8. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Application Requirements

Applications must include the following required documents and demonstrate that the program eligibility requirements have been met. Applications that do not address all of the following components will be considered substantially incomplete and will not be considered for funding:

1. Project Narrative
2. Budget Detail Worksheet and Narrative
3. Memorandum of Understanding (MOU) or Letters of Support

In addition to the application being scored on the documents listed above, the Summary Data Sheet will also be scored. **Certification letter(s), as appropriate for the activities the applicant is proposing, must also be submitted with the application.**

Summary Data Sheet (5 Points)

The Summary Data Sheet should be one to four pages in length and may be single or double spaced. The Summary Data Sheet does not count toward the 20-page limit for the Project Narrative. Please provide the following information:

1. Name, title, address, phone number, and e-mail address for the Authorized Organization Representative (AOR) of the applicant agency (see page 19 for the definition of the AOR).
2. Name, title, address, phone number, and e-mail address for the grant point-of-contact. This person must be an employee of the applicant agency.

3. Statement as to whether the organization applying will serve as a “pass through entity” a (fiscal agent / sponsor) for an organization, or organizations, that will ultimately implement the project. If so, the applicant must include a statement acknowledging that, should an award be made, it would be responsible for all statutory, fiscal and programmatic requirements, including those of 2 CFR Part 200, as well as all project deliverables. The organization applying for the award must also list all of the entities it will enter into agreements with to perform the work, and should include a description of how these entities intend to accomplish the purposes of the award if such a description is not already provided in a Memorandum of Understanding (MOU) submitted as part of the application.
4. Statement as to whether the agency applying has expended \$750,000 in federal funds in the organization’s past fiscal year. Please specify the end date of the applicant’s fiscal year.
5. A list of other federal grant programs from which the applicant organization currently receives funding or for which it has applied for funding in FY 2016 to do similar work. Please provide this information in a table using the format found in [APPENDIX E](#).
6. Statement as to whether the applicant is a nonprofit organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code.

8. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "[Disclosures Related to Executive Compensation](#)" section.
9. The percentage of grant activities, should the application be funded, that will address each of the following issues:
 - Sexual assault;
 - Domestic violence;
 - Dating/teen dating violence;

10. Summary of Current and Recent OVW Projects (if applicable).
 If the applicant has a current grant or cooperative agreement under any OVW program, or an award that has been closed within the last 12 months from the date this solicitation closes, the information below must be provided in a table using the format found in Appendix D. Failure to provide the required table will result in a loss of points.
 The table must:
 - Identify all grants by OVW program, award number and project period.
 - Specify the total funding amount for each grant (initial and supplemental amounts, if applicable).
 - Specify the total funds remaining in each grant as of the date of application.
 - Provide the total funds remaining in each budget category (Personnel, Fringe, Travel, Equipment, Supplies, Construction, Contractual, and Other) for each grant.
 - Provide a justification for remaining funds.

- Estimate the amount of grant funds that will be remaining at the end of the current project period.
- List the number and titles of all full-time and/or part-time positions funded by the award.

Safe Havens or Courts grantees that have more than 50% of remaining funds at the time of application submission may not be considered for Justice for Families funding in FY 2016, unless they are applying under different purpose areas than they are currently funded to address or can provide adequate justification for submitting an application for FY 2016 funding.

11. The purpose areas the application addresses. If purpose area 6, Civil Legal Assistance, is being addressed, state the percentage of funds that will support civil legal assistance.
12. Name of the nonprofit domestic violence or sexual assault victim services program partnering on the project (not applicable if the lead applicant is such an entity).
13. Name of the court partner on the project (not applicable if the lead applicant is such an entity).

Project Narrative (65 Points Total)

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative comprises the following three sections:

Purpose of Application (10 points)

This section must:

- Identify the purpose area(s) the applicant is proposing to address;
- State the problem(s) the project will address;
- Describe the need for the project in the community;
- Identify gaps in services and explain how the proposed project will complement and not duplicate existing services, including any services provided through the state's STOP Violence Against Women Formula Grant Program; and
- Describe any previous or current efforts (OVW-funded or not) to address the problem(s) the proposed project targets, and the effectiveness of those efforts.

What Will Be Done (45 points)

The applicant must provide a clear link between the proposed activities and the need identified in the "Purpose of Application" section.

This section must:

- Describe the safety needs of victims of domestic violence, dating violence, sexual assault, and stalking, and the applicant's commitment to addressing those needs through the proposed project;
- Identify barriers to accessing the project's services, and the applicant's plan to ensure that individuals who are eligible to be served by the project—particularly those from underserved and marginalized populations—will have access to OVW-funded services;
- Identify project goals, objectives, activities, and products (if applicable), and provide a corresponding 36-month timeline that accounts for any planning and implementation

activities⁶ and ensures adequate time and resources for planning and implementation; and

- Describe why the applicant anticipates that the project will be successful, including whether it involves an evidence-based approach;⁷ and describe how the applicant will determine if it accomplished its goals for the project.

For applicants proposing supervised visitation and/or safe exchange services:

- Using *concrete* examples, describe the extent to which the applicant’s or partner’s supervised visitation and/or safe exchange services align—or will be aligned—with OVW’s [Guiding Principles](#);
- If applicable, describe the applicant’s or partner’s previous experience providing supervised visitation and exchange services to families affected by domestic violence, sexual assault, dating violence, and stalking; and
- Provide a detailed statement of how the applicant will ensure that adequate security measures, including adequate facilities, procedures, and personnel capable of preventing violence, and adequate standards are, or will be, in place. Describe the layout and security features of the facility and where in the community the facility is located. Describe how the applicant will develop protocols or policies to ensure that confidential information is not shared with courts, law enforcement agencies, or child welfare agencies unless necessary to ensure the safety of any child or adult using the services of a program funded by OVW.

For applicants proposing court projects:

- Describe any specialized docket or court infrastructure that is currently in place or will be established as part of this project;
- Describe how the project will improve the judicial handling of sexual assault, domestic violence, dating violence, stalking, and cases involving allegations of child sexual abuse; ensure offender accountability; and promote informed judicial decision-making; and
- If the applicant is proposing to use any technology (e.g., security systems, GPS, hotlines, and databases), the applicant must explain how it plans to address any victim safety concerns that could arise from the use of the technology, such as confidentiality, safety planning, and informed consent.

For applicants proposing civil legal assistance:

- Describe the extent to which the applicant will provide legal services to sexual assault, domestic violence, dating violence, and/or stalking victims; and/or nonoffending parents in matters that involve allegations of child sexual abuse, relate to family matters, including civil protection orders, custody, and divorce; and in which the other parent is represented by counsel;

⁶ For a court-based project, planning activities might include but are not limited to: hiring a case manager or docket coordinator, establishing an advisory committee comprising project partners, obtaining training and technical assistance, participating in site visits to other courts identified by OVW, and developing specialized policies and procedures. For supervised visitation/safe exchange, planning activities might include a process of aligning the applicant’s or partner’s approach to providing services, including policies and procedures, with OVW’s [Guiding Principles](#).

⁷ “Evidence-based” for the purposes of this solicitation can be defined by the applicant.

- Describe how the applicant or project partner will provide a supervision and mentoring plan for attorney staff supported by this project; and
- If the applicant is not a nongovernmental sexual assault and/or domestic violence program, explain how it will coordinate with a local nongovernmental sexual assault and/or domestic violence program.

Who Will Implement the Project (10 points)

The applicant must identify the key individuals and organizations that will be involved in the project and demonstrate that they have the capacity to address the stated need and that they can successfully implement the stated project activities. OVW is interested in funding projects that take a coordinated approach to helping families victimized domestic violence, sexual assault, dating violence, and stalking as they navigate the justice system. Therefore, applicants must have formal partnerships, described in this section as well as delineated in the MOU (or letters of support), with a domestic violence and/or sexual assault victim services provider and a court. If a court is the lead applicant, it must have a victim services provider as a project partner. If a victim services provider is the lead applicant, it must have a court as a partner. Applications without the required partnerships may be eliminated from consideration for funding.

This section must:

- Per the statutory applicant requirements, describe the *applicant's* expertise in the areas of domestic violence, dating violence, sexual assault, and stalking, as appropriate;
- Describe project *partners'* expertise in the areas of domestic violence, dating violence, sexual assault, and stalking, as appropriate;
- Demonstrate that the applicant and/or project partner(s) include a domestic violence and/or sexual assault victim services provider and a court;
- Describe the experience and qualifications of any organization or agency that will be directly involved in implementing the project;
- Describe the history of the collaborative partnership(s); and
- Identify key personnel responsible for implementing the project, including position descriptions, roles, and responsibilities.

Budget Detail Worksheet and Narrative (15 Points)

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

Budgets should cover a project period of 36 months, or three years, starting on October 1, 2016 and ending on September 30, 2019. Budget requests should not exceed \$600,000. OVW will consider approving a very limited number of awards for up to \$700,000, but the application must provide specific details (for example, anticipated service volume) that justify the higher amount requested.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must

support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the DOJ Financial Guide.

This section must:

- Allocate a minimum of \$25,000 (\$30,000 for Alaska, Hawaii, and territories) to use towards travel and technical assistance over the three-year period;
- For applicants that anticipate using OVW funds to cover only a portion of a particular service they provide (e.g., supervised visitation or civil legal assistance), the budget should prorate operational costs like rent and phone service accordingly; and
- Ensure that the budget clearly distinguishes between planning and implementation activities, as appropriate. The application budget should allow for sufficient planning time and resources, as determined by the applicant and its project partners.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at www.justice.gov/ovw/grantees. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website www.justice.gov/ovw/grantees. For additional information regarding food and beverage regulations, please refer to the DOJ Financial Guide.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$25,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$30,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access

Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities and Deaf individuals and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos and other materials must ensure that the materials are accessible to persons with disabilities. Grant funds may be allocated for these purposes.

Pre-Agreement Cost Approval

Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the DOJ Financial Guide for more information on pre-award costs.

Memorandum of Understanding (MOU) or Letters of Support (for court applicants only) (15 Points Total)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. Court applicants that are

precluded from signing onto an MOU may submit letters of support in lieu of an MOU. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) of each proposed partner agency during the development of the application. In rare circumstances an MOU can include multiple signature pages as long as each page includes the name and title of each signing party.

As previously stated, OVW is interested in funding projects that take a coordinated approach to helping families victimized domestic violence, sexual assault, dating violence, and stalking as they navigate the justice system. Therefore, applicants must have formal partnerships, delineated in the MOU (or letters of support), with both 1) a domestic violence and/or sexual assault victim services provider and 2) a court. If a court is the lead applicant, it must have a victim services provider as a project partner. If a victim services provider is the lead applicant, it must have a court as a partner. If the lead applicant is neither a victim service provider nor a court, it must have a partnership with both a domestic violence and/or sexual assault victim services provider and a court. Applications without the required partnerships may be eliminated from consideration for funding.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
3. Demonstrate meaningful collaboration with a state, tribal, or local court system and a nonprofit domestic violence and/or sexual assault victim services organization;
4. Demonstrate a meaningful partnership among all signing parties;
5. Specify the extent of each partner's participation in developing the application;
6. Identify the people who will be responsible for developing and implementing project activities and describe how they will work together and with project staff;
7. Indicate approval of the proposed project budget by all signing parties;
8. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training);
9. Include a current (i.e., signed and dated during the development of the proposal), single MOU signed by the chief executive officer, director, court administrator or other person authorized to sign on behalf of each partner; and
10. Demonstrate that it has appropriate partnerships with entities that will receive training if the applicant proposes training under purpose area 3 (training for court-based and court-related personnel).

Note that letters of support submitted in lieu of an MOU by any entity besides a court applicant will **not** be accepted.

Proposal Abstract

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding. OVW will be unable to make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Entities, an entity that is eligible for the Justice for Families Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

Disclosures Related to Executive Compensation

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <http://www.councilofnonprofits.org/nonprofit-executive-compensation-policy>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf and must be signed by the authorized representative and uploaded to the application on Grants.gov.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For "Type of Applicant," please do not select "other." Please pay careful attention to the amount of Federal funding requested in the "Estimated Funding" section of this form. This amount must match the amount of Federal funding requested in the budget section of the application package. Only include values for "Applicant" if the program solicitation requires a match. The individual who is listed in "Authorized Representative" must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the AOR, certifying that Federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization's process for tracking expenditures.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Please provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

Please note: This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in funds.

Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete a Financial Capability Questionnaire, and submit it online. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost rate agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by a Federal awarding agency. Also, Federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS, register online with the SAM and with Grants.gov immediately, but no later than January 4, 2016.

Submission Dates and Times

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on January 21, 2016**. Applications submitted after **11:59 p.m. E.T. on January 21, 2016** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the [Experiencing Unforeseeable Technical Issues](#) section of this solicitation.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, Authorized Organization Representatives (AOR) should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the AOR that the application was successfully submitted, or it will notify the AOR that there was an error with the application submission.

Please note that the Grants.gov notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see “[Experiencing Unforeseeable Technical Issues](#)” for information on the steps applicants must follow if corrective action must be taken.

Note: For applicants without Internet access, who cannot submit an application electronically, please contact OVW.JFF@usdoj.gov no later than December 30, 2015 to request permission to submit an application by alternative means.

OVW Policy on Duplicate Applications

An applicant can only submit one application per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseeable Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no less than January 4, 2016. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact the Grants.gov Customer Support Hotline at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for Federal holidays.

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

1. Contact the Justice for Families Program at 202-307-6026 or at OVW.JFF@usdoj.gov prior to the application deadline stating that the applicant is experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
2. Contact the technical support number above prior to the application submission deadline.

Within 24 hours after the deadline, the applicant must again contact the Justice for Families Program at 202-307-6026 or at OVW.JFF@usdoj.gov to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide the Grants.gov Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow Grants.gov instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed due to a temporary lack of Internet access, unforeseeable technical issues, or geographic isolation. If an applicant does not provide advance notice to OVW about an issue that may cause a delay in the submission of its application, the application will not be considered for funding. If applicant follows the steps outlined below, OVW will consider the applicant's request for late submission. Extension of deadlines is not guaranteed and permission to submit a late application does not automatically result in an award. Late submission only allows an application to be considered for funding. If late submission is approved, the application will be reviewed for registration information and completeness and to ensure that the applicant meets the basic eligibility requirements (BMR) as defined in the solicitation. If the applicant meets BMR, the application will be subject to both peer review and programmatic review before any funding decision is made.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

Intergovernmental Review

Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds.

OVW generally does not allow pre-award costs. Such costs require prior approval by OVW and will only be allowed in limited circumstances.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Other Submission Requirements

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via grants.gov. Applicants that are unable to submit electronically must follow the instructions on page 23 above.

Grants.Gov

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.Gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [www.grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parenthesis ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Underscore (_)	Comma (,)	Semicolon (;)	Apostrophe (‘)
Hyphen (-)	At sign (@)	Number sign (#)	Dollar sign (\$)
Space	Percent sign (%)	Plus sign (+)	Equal sign (=)
Period (.)	When using the ampersand (&) in XML, applicants must use the “&#amp;” format.		

OVW strongly suggests using simple titles for all documents, such as “FY 2016 OVW Project Narrative.” Please visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

The E-Business Point of Contact (E-Biz POC) within the applicant's organization must register the organization with Grants.gov. The E-Biz POC oversees the organization's Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for an organization.

1. *Step 1:* Go to Grants.gov. Mouse over the "APPLICANTS" drop down and click the "Organization Registration Link".
2. *Step 2:* Register with SAM
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)
5. [Step 5: TRACK AOR STATUS](#)

The application process can move forward once the organization successfully registers with Grants.gov.

Downloading a Grant Application Package

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application. To verify if the Adobe software version is compatible with Grants.gov, visit the following link: <http://www.grants.gov/web/grants/support/technical-support/software/adobe-reader-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

Completing the Grant Application Package

The applicant must manually save changes to the grant application. Grants.gov does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

Submitting the Completed Grant Application Package

Log on to Grants.gov. After the application is fully completed, errors are corrected, and the application is saved, click the "Save & Submit" button on the cover page. The application package will be automatically uploaded to Grants.gov.

Reminder: To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. AORs should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov.

A confirmation screen will appear once the submission is complete. A Grants.gov tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The Grants.gov Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically for the Justice for Families Program, scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 65 points, of which
 - A. Purpose of the project: 10 points
 - B. What will be done: 45 points
 - C. Who will implement: 10 points
3. Budget narrative and detail worksheet: 15 points
4. MOU (or Letters of Support in lieu of MOU, for court applicants only): 15 points
5. Possible programmatic point *deductions*:
 - A. Formatting and technical requirements: up to 5 points
 - B. Activities that compromise victim safety: up to 10 points
 - C. Out-of-scope activities: up to 10 points
 - D. Past performance review: up to 20 points

While cost sharing or match-funding are not required, in the case of a tie OVW may assess the extent and viability of cost sharing to break the tie, as well as other factors such as geographic distribution of funding.

Review and Selection Process

Peer Review

OVW will subject all applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal review, external review, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review. OVW reserves the right to add up to 10 points to applications fully addressing OVW priority areas and to deduct points from applications for the following reasons:

- Proposal fully addresses OVW priority areas
- Formatting and Technical Requirements
- Activities that compromise victim safety and recovery
- Out-of-scope activities
- Past performance

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds
11. Adherence to the requirements of the Department of Justice Financial Guide

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2016.

F. Federal Award Administration Information

Federal Award Notice

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System. This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

Administrative and National Policy Requirements

Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the FY2014 OVW

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2016 OVW grants. This provision prohibits OVW grantees from excluding,

denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/sites/default/files/ovw/legacy/2014/06/20/faqs-ngc-vawa.pdf>.

Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2016 Solicitation Companion Guide under "Civil Rights Compliance."

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee's award may be frozen or terminated and the grantee may be denied continuation funding.

Reporting

Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form, it can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used

indefinitely. This includes state and local governments that have never negotiated an indirect cost.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVV grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual paid for their costs incurred for the project rather than a fee for service. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal Contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$23,500 x 100% x 3 years	\$ 70,500
Investigator	\$45,000 x 100% x 3 years	\$135,000
Administrative Assistant	\$10/hr. x 20 hrs/month x 36 months	\$ 7,200

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: \$ 212,700

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

TOTAL FRINGE BENEFITS:		\$ 32,481

TOTAL PERSONNEL AND FRINGE BENEFITS: \$ 245,181

The tribe is requesting fringe benefits for the Program Coordinator, the Investigator, and the Administrative Assistant.

C. Travel – Itemize travel expenses of project personnel by purpose (e.g., staff to training, field interviews, advisory group meeting, etc.). Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of Travel Policies applied, Applicant or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	Airfare	\$500 (avg.) x 3 people x 4 trips	\$ 6,000
		Lodging	\$100 (avg.) x 3 nights x 3 people x 4 trips	\$ 3,600
		Per diem	\$ 50 (avg.) x 4 days x 3 people x 4 trips	\$ 2,400

\$12,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the cost of travel for staff of the tribe in accordance with program guidelines. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The sites of the training sessions are unknown at this time. Travel estimates are based upon the tribe's formal written travel policy.

TOTAL TRAVEL: \$ 12,000

D. Equipment – List non-expendable items that are to be purchased. (Note: Organization’s own capitalization policy for classification of equipment should be used.) Expendable items should be included in the “Supplies” category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “Contractual” category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$750/camera x 2 cameras	\$ 1,500
