OVW Enhanced Training And Services To End Abuse In Later Life Program (CFDA 16.528)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific communities, and others, OVW grants help provide victims across the life span with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

About the OVW Enhanced Training and Services to End Abuse in Later Life Program

This program is authorized by 42 U.S.C. 14041, as amended. Recognizing that individuals who are 50 years of age or older who are victims of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect, face unique barriers to receiving assistance, Congress created the Enhanced Training and Services to End Abuse in Later Life Program (Abuse in Later Life Program). In Fiscal Year 2016, OVW plans to fund projects that will support a comprehensive approach to addressing elder abuse in their communities. These projects will provide training to criminal justice professionals to enhance their ability to address elder abuse, neglect and exploitation; provide cross-training opportunities to professionals working with older victims; establish or support a coordinated community response to elder abuse; and provide or enhance services for victims who are 50 years of age or older (hereinafter "older victims").

Elder Abuse

The term "elder abuse" means any action against a person who is 50 years of age or older that constitutes the willful: (A) infliction of injury, unreasonable confinement, intimidation, or cruel punishment with resulting physical harm, pain, or mental anguish, or (B) deprivation by a person, including a caregiver, of goods or services with the intent to cause physical harm, mental anguish, or mental illness.

Elder abuse victims face unique obstacles in getting the help and services that they need. Age or disability may increase the isolation of older individuals. Victims may refrain from seeking help or calling the police due to shame or embarrassment because the abuse was perpetrated by someone in an ongoing relationship (e.g., spouse, partner, family member, or caregiver) with the victim. Victims may also be intimidated by threats of being placed in a nursing home. Abuse may be dismissed due to claims that the older person is confused or minimized by claims that the abuse was the result of caregiver stress. Professionals may perceive a victim's injuries as arising from aging, illness, or disability instead of recognizing that the injuries may be attributed to violence in the home or a care facility. A lack of services designed to meet the needs of older victims may leave them with no community resources to rely upon for assistance. A

comprehensive approach to addressing elder abuse should address these barriers and improve systemic responses to older victims.

Older Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking

While sexual assault, domestic violence, dating violence, and stalking affect victims across the lifespan, older victims face additional challenges in accessing services to enhance their safety. Appropriate interventions may be compromised by misconceptions about older individuals. Some may think domestic violence does not occur or lessens in later life, or that older persons are not victims of dating violence. Myths about sexual assault coupled with a failure to see older individuals as sexual beings can hinder professionals from recognizing indicators of sexual assault when dealing with older victims. Older victims may not be believed if they report stalking, particularly if the victim has dementia or psychiatric disabilities. An appropriate response to older victims of these crimes must take into account the unique challenges they face.

For additional information on the Abuse in Later Life Program, including what Abuse in Later Life Program grantees have accomplished with their grant funds and to view the Abuse in Later Life Program performance measures, see <http://muskie.usm.maine.edu/vawamei/abuselatermain.htm>.

Program Scope

Activities supported by the Abuse in Later Life Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, any updates to the DOJ Financial Guide, and the conditions of the recipient's award.

Mandatory Purpose Areas

In FY 2016, funds under the Abuse in Later Life Program must be used for the following purposes:¹

1. providing training programs to assist law enforcement agencies, prosecutors, agencies of states or units of local government, population specific organizations, victim service providers, victim advocates, and relevant officers in federal, tribal, state, territorial, and local courts in recognizing and addressing instances of elder abuse;
2. providing or enhancing services for victims of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect;
3. establishing or supporting multidisciplinary collaborative community responses to victims of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect; and
4. conducting cross-training for law enforcement agencies, prosecutors, agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, victim service providers, and courts to better serve victims of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect.

¹ Successful applicants must engage in activities outlined in each of the four mandatory purpose areas. In limited circumstances and after a determination by OVW, OVW may waive one or more of the mandatory purpose area activities upon a showing by the applicant that using grant funds for the specified activities would duplicate services already available in the community.

Permissible Purpose Areas

In FY 2016, funds under the Abuse in Later Life Program also may be used for the following purposes:

1. providing training programs to assist attorneys, health care providers, faith-based leaders, or other community-based organizations in recognizing and addressing instances of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect; or
2. conducting outreach activities and awareness campaigns to ensure that victims of abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect receive appropriate assistance.²

Mandatory Program Requirements

An applicant that fails to include these required elements in its application, and is chosen for funding, will be required to incorporate all of these activities into its project:

1. Grantee Orientation: Each grantee must send representatives from its four required Memorandum of Understanding (MOU) partners and the project coordinator to a three-day grantee orientation. Attendance at orientation will require participants to travel to this OVW-sponsored event. Applicants must include funds in their budgets to send five participants to this event. The orientation will provide participants with an overview of the Abuse in Later Life Program and grant and financial management information.
2. Law Enforcement “Training of Trainers” (TOT) Training: Each grantee must send a multidisciplinary training team to a three-day training of trainers. Attendance at this training will require participants to travel to this OVW-sponsored event. Applicants must include funds in their budget to send participants to this training. MOU partner organizations must agree to send the following representatives: a law enforcement officer, a prosecutor, an advocate from the designated victim service provider, and a representative from the program or agency with demonstrated experience in assisting individuals in later life. This commitment must be detailed in the MOU. It is highly recommended that grantees send two additional persons to the training as back-up trainers. A maximum of seven individuals may attend this event: six team members who will actively participate in the training and the project coordinator who may attend this event as an observer. This OVW-sponsored training event will enhance participants’ subject-matter expertise and develop or enhance the skills necessary to redeliver training to law enforcement officers on the local level.
3. Law Enforcement Training: Each grantee must have its multidisciplinary training team provide one-day (eight-hour) local trainings for law enforcement. The training uses a curriculum that has been developed by national organizations and experts and approved by OVW. The number of trainings that will be held and a commitment from MOU partner organizations to provide trainers for these events must be detailed in the MOU. Due to the interactive nature of the training, the maximum recommended class size is 30 participants per class. The grantee must receive commitment(s) from law enforcement agency(ies) to send personnel to attend these local law enforcement trainings. Each law enforcement agency must detail this commitment in the required letter of commitment

² Successful applicants may not use more than 10 percent of the total grant funds to conduct outreach activities and awareness campaigns.

(see section on Letters of Commitment in the “[Content and Form of Application Submission](#)” section) that must be submitted with the application.

4. Advanced Law Enforcement Training: Applicants must include funds in their budget to bring national expert(s) to their communities to provide advanced training locally for detectives and investigators. Each applicant must receive commitment from law enforcement agency(ies) to send personnel to participate in this local training. Each law enforcement agency agreeing to have its personnel attend the local advanced training for detectives and investigators must detail this commitment in the required letter of commitment (see section on “Letters of Commitment” in the “[Content and Form of Application Submission](#)” section) that must be submitted with the application. If a law enforcement agency is committing to send personnel to both the local eight-hour and local advanced law enforcement training events, this commitment may be detailed in a single letter.
5. Prosecutors’ Institute: Each applicant must receive commitment from prosecutor’s office(s) in its jurisdiction to have prosecutors attend a four-day national prosecutors’ institute on elder abuse. Attendance at this institute will require participants to travel to this OVW-sponsored training event. Applicants must include funds in their budget to send prosecutors to this institute. This commitment must be shown in the required letter of commitment from participating prosecutors’ offices agreeing to have their personnel attend these trainings (see section on “Letters of Commitment” in the “[Content and Form of Application Submission](#)” section) that must be submitted with the application. This institute will focus on prosecution of cases involving elder abuse, neglect, and exploitation.
6. Judicial Institute: Each applicant must agree to encourage judges in its jurisdiction to attend a four-day national judicial institute on elder abuse, neglect, and exploitation. This “commitment to encourage” must be detailed in the MOU. Attendance at this institute will require participants to travel to this OVW- sponsored training event. Applicants must include funds in their budget to send judges to this institute. The faculty for this judicial education event will be judges and national experts and attendance is restricted to judges. While this activity is not mandatory, applicants are strongly encouraged to have judges/magistrates attend the institute to develop a better understanding of the role of the criminal justice system in addressing elder abuse in their community.
7. Direct Services “Training of Trainers” Training: Each applicant must agree to send representatives from two MOU partners (one from the victim service provider and one from the program or agency with demonstrated experience in assisting individuals in later life) and the project coordinator to a three-day training of trainers on providing services to older victims. This agreement must be detailed in the MOU. Attendance will require participants to travel to this OVW- sponsored training event. Applicants must include funds in their budget to send participants to this training. This OVW-sponsored training event will enhance the participants’ subject-matter expertise and assist them in conducting training for their peers on the local level.
8. Direct Services Cross-Training: Each grantee must have trainers from two MOU partners (one from the victim service provider and one from the program or agency with demonstrated experience in assisting individuals in later life) provide local one-day cross-trainings to agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, and victim service

providers. The number of trainings that will be held and the commitment from the organizations providing trainers for these events must be detailed in the MOU. The one-day cross-training uses a curriculum that has been developed by national organizations and experts and approved by OVW. The grantee must receive commitment from agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, and/or victim service providers to these local one-day direct services cross-trainings. Each organization/agency must detail this commitment in the required letter(s) of commitment (see section on Letters of Commitment in the "[Content and Form of Application Submission](#)" section) that must be submitted with the application.

9. Cross-Training "Kickoff" Event: Each applicant and its project partners must agree to conduct a local half-day cross-training event. This "Kickoff" event for law enforcement agencies, prosecutors, agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, victim service providers, and courts working with older victims will focus on helping each discipline develop a better understanding of the role each one plays in addressing elder abuse in their community. The trainers (including travel costs) for this event will be provided by the OVW Abuse in Later Life Program's Technical Assistance Provider. Grantees will be responsible for providing the venue for this local event.
10. Collaborative Community Responses (CCR): Each partner must agree to establish or support a multidisciplinary collaborative community response to abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation, and neglect and provide details about these efforts in the MOU. OVW will provide intensive and comprehensive technical assistance to successful applicants to assist them in this effort. Each project partner will engage in a review of its own policies and protocols to determine the extent to which they are designed to aid in improving the identification, investigation, prosecution and adjudication of cases of elder abuse, exploitation and neglect, including sexual assault, domestic violence, dating violence, and stalking. A list of stakeholders that would be invited to participate in the CCR must be included in the MOU.
11. Providing or Enhancing Services for Older Victims: Each applicant must agree to engage in a two-phase effort to provide services to older victims and detail these efforts in the MOU. All applicants are required to allocate funds for outreach and direct services for older victims (a minimum of 25% of the proposed budget).
 - o Planning Phase: Grantees will work with OVW and Abuse in Later Life Program Technical Assistance providers to establish the groundwork for developing or enhancing outreach and services to older victims. The planning phase will be for 12-18 months. The planning phase must include, but is not limited to, the following activities:
 - conducting a community needs assessment;
 - reviewing agency policies and protocols to ensure that they are inclusive of older victims;
 - providing training to staff; and

- developing a strategic plan for outreach and service delivery that will be submitted to OVW for review and approval prior to release of funds for the implementation phase.
- Implementation Phase: Upon successfully completing the planning phase and upon receipt of OVW approval of the implementation plan for outreach and service delivery, grantees will begin outreach and the delivery of services to older victims. Funds included in the budget for the implementation phase will be placed on hold through a special condition of the award. These funds will not be released for access by the grantee until OVW determines that 1) the grantee has successfully completed the planning phase, 2) the proposed use of funds addresses the needs of older victims as identified during the community needs assessment, and 3) the grantee has an acceptable implementation plan in place. During this phase, grantees will continue working with OVW and OVW Technical Assistance providers to successfully execute their implementation plans.

12. Evaluation: Each applicant must commit to fully participate in an OVW-supported evaluation of the Abuse in Later Life Program.

OVW Priority Areas

In FY 2016 OVW is interested in supporting the priority area identified below. Applications proposing activities in the following area will be given special consideration during the review process:

Underserved Populations: OVW recognizes that older victims from underserved populations frequently confront unique challenges when seeking assistance. As such, OVW is encouraging applicants to submit proposals that meaningfully increase access to OVW programming for specific underserved populations, based on race, ethnicity, sexual orientation, gender identity and/or disability. Additionally, the ALL statute also requires that priority be given to proposals providing services to culturally specific and underserved populations.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;³
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;

³If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section on "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information".

3. Mediation or counseling for couples/families as a systemic response to domestic/family violence; and
4. Failing to develop policies around confidentiality and information sharing for stakeholders developing or enhancing a multidisciplinary collaborative community response.

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope and therefore these activities will not be supported by Abuse in Later Life Program funding. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the Abuse in Later Life Program will not be considered for funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See section Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.justice.gov/sites/default/files/ovw/legacy/2013/12/16/companion-guide-fy2014.pdf>)
2. Supporting criminal justice/investigative positions. Personnel costs for criminal justice/investigative professionals are permitted only to cover time spent conducting or attending training required by this program. Funds may not be used to compensate personnel for the performance of criminal justice/investigative duties; and
3. Curriculum development. OVW has worked closely with national technical assistance providers with relevant expertise in abuse in later life, violence against women, and curriculum development to develop training materials for use by grantees of this program. These materials will be used for the trainings funded under this program.

Unallowable Activities

The following is a list of activities that are unallowable and cannot be supported by Abuse in Later Life Program grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

- Lobbying;
- Fundraising;
- Purchase of real property;
- Construction; and
- Physical modifications to buildings, including minor renovations (such as painting or carpeting).

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the Abuse in Later Life Program ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

Award Period

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2016.

Award Amounts

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the Abuse in Later Life Program for FY 2016 will be made for up to \$400,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

The Abuse in Later Life Program typically makes awards in the range of \$300,000 - \$400,000. OVW estimates that it will make up to 9 awards for an estimated \$3,200,000.

Awards will be made as cooperative agreements. Cooperative agreements are a form of award used when OVW expects to have ongoing substantial involvement in award activities. For this program, the substantial involvement includes working with grantees to develop local training teams to provide trainings and cross-trainings on elder abuse and working with grantees to develop strategic plans addressing outreach and direct services for older victims.

Types of Applicants

In FY 2016, OVW will accept applications for the Abuse in Later Life Program from new applicants that have never received funding under the Abuse in Later Life Program or that received funding in FY 2002 through FY 2004. Grant recipients who received new or supplemental funding in FY 2005 through FY 2015 are NOT eligible to apply.

Content and Form of Application Submission

Letter of Registration

Applicants intending to apply for FY 2016 funding under this program, are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with the System for Award Management (SAM) and with Grants.gov. The letter should be submitted to OVW at OVW.Elder@usdoj.gov by January 21, 2016. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application

deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

Pre-Application Conference Calls

OVW will conduct two Pre-Application Conference Calls. During these calls, OVW staff will review the Abuse in Later Life Program requirements, review the solicitation, and allow for a brief question and answer session. Participation in these calls is optional.

The conference calls are tentatively scheduled for:

- **January 6, 2016; 2 – 4 p.m. E.T.**
- **January 20, 2016; 2 – 4 p.m. E.T.**

Anyone interested in submitting an application to the Abuse in Later Life Program may register to participate in a pre-application call. The total number of participants for each call is limited to 30. Please note: Registration is on a first-come-first-serve basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many communities as possible can join the call. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction. To register, please e-mail or call Kimberly Shamberger at Kimberly.shamberger@usdoj.gov or 202-514-7998. Registration must be received at least two days prior to the start of the call.

Application Contents

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

If so, the applicant must include a statement acknowledging that, should an award be made, it would be responsible for all statutory, fiscal and programmatic requirements, including those of 2 CFR Part 200, as well as all project deliverables. The organization applying for the award must also list all of the entities it will enter into agreements with to perform the work, and should include a description of how these entities intend to accomplish the purposes of the award if such a description is not already provided in a Memorandum of Understanding (MOU) submitted as part of the application.

If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "[Disclosures Related to Executive Compensation](#)" section.

Services

Grantees will work with OVW and OVW Technical Assistance providers to develop a strategic plan addressing outreach and direct services to older victims. Based on current knowledge regarding the needs of the service community:

- Provide the number of victims over 50 currently receiving services from the MOU partners that are the victim services program and the nonprofit program or government agency with demonstrated experience in assisting individuals in later life. Detail the types of services provided;

- Describe current outreach efforts focusing on victims over 50 by the MOU partners that are the victim service program and the nonprofit program or government agency with demonstrated experience in assisting individuals in later life;

Who Will Implement the Project (15 points)

This section must:

- Clearly demonstrate that any partnerships required by the solicitation have been met; and
- Demonstrate a strong commitment to real, meaningful collaboration to develop and implement the project.

Budget Detail Worksheet and Narrative (15 Points)

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

Award Period and Amount

- Applicants should carefully consider the resources needed to implement this project and present a realistic budget that accurately reflects the costs involved. Requests for funding may not exceed \$400,000 for the 36-month project period.
- Outreach and Services: All applicants are required to allocate a minimum of 25% of the proposed budget funds for outreach and direct services for older victims. Applications selected for funding that do not include the required 25% allocation for outreach and services will not receive additional funds for this purpose, but will be required to adjust their budgets to cover these costs prior to final approval of the proposal. The 25% allocation should be clearly labeled as the “OVW allocation to support outreach and services” and be listed in the Other category.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the DOJ Financial Guide.

This section must include:

- Fair compensation for all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to attend meetings, attend trainings or to participate in training, project development and implementation;
- Funds for outreach and direct victim services (a minimum of 25% of the proposed budget); and
- Funds to support travel costs associated with technical assistance including, but not limited to the following: grantee orientation, law enforcement training of trainers component, advanced law enforcement training, prosecutors' course, judicial institute, and direct services training of trainers component.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences

7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the conference approval process.

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website <http://www.justice.gov/ovw/grantees>. For additional information regarding food and beverage regulations, please refer to the DOJ Financial Guide.

Training and Technical Assistance

All applicants are required to allocate funds to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. These activities must include, but are not limited to, the following:

1. Grantee Orientation: One representative from each of the four required MOU partners and the project coordinator (total of five) are required to attend this three-day meeting;
2. Law Enforcement “Training of Trainers” Component: At least one representative with training experience from each of the four required MOU partners is required to attend this three-day training. A maximum of seven individuals may attend this event, six training team members who will actively participate in the training and the project coordinator who may attend this event as an observer;
3. Advanced Law Enforcement Training: Each applicant must bring at least one national expert to their community to provide advanced training for detectives and/or investigators;
4. Prosecutors’ Institute: Each applicant must send between two to five prosecutors to the four-day prosecutors’ Institute;
5. Judicial Institute: Each applicant will agree to encourage two to five judges in their jurisdiction to attend the four-day judicial institute; and
6. Direct Services “Training of Trainers” Component: One representative from the victim services program, one representative from the organization that serves older victims and the project coordinator (total of three) must attend the three-day training.

The budget must include travel costs for the applicant, required MOU partners, and consultants and must reflect the costs in the appropriate categories. Therefore, an employee’s travel costs must be included in the Travel category, while travel costs for the partner(s) must be included in the Consultants/Contracts category. Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees).

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds

should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Accommodations and Language Access

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to recipients' programs or activities. More information on these obligations is available in the [OVW FY 2014 Solicitation Companion Guide](#) and at www.lep.gov. Applicants are encouraged to allocate grant funds to support activities that help to ensure individuals with disabilities, Deaf individuals, and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos, and other materials must ensure that the materials are accessible to persons with disabilities. Grant funds may be allocated for these purposes.

Pre-Agreement Cost Approval

Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the DOJ Financial Guide for more information on pre-award costs.

Memorandum of Understanding (MOU) (20 Points Total)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) for each proposed partner agency during the development of the application. In rare circumstances an MOU can include multiple signature pages as long as each page includes the name and title of all signing parties.

The MOU must:

1. Clearly identify each of the four required MOU partners:
 - A. At least one law enforcement agency;
 - B. At least one prosecutor's office;
 - C. At least one victim service provider; and

- D. At least one nonprofit program or government agency with demonstrated experience in assisting individuals in later life.
- To ensure that services are available to older individuals through the proposed project:
- i. The victim service provider should provide services to victims of sexual assault, domestic violence, dating violence, or stalking as one of its primary purposes; and
 - ii. The nonprofit program or government agency with demonstrated experience in assisting individuals in later life should provide services to victims of elder abuse, neglect or exploitation as one of its primary purposes.
2. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
 3. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
 4. Clearly demonstrate a meaningful partnership among the required MOU partners and a commitment on the part of all project partners to work together to achieve stated project goals;
 5. Identify the representatives of the planning and development team who will be responsible for developing and implementing project activities and describe how they will work together and with project staff;
 6. Indicate approval of the proposed project budget by all signing parties;
 7. Describe the resources each partner will contribute to the project through time or in-kind contributions (e.g., office space, project staff, training);
 8. Include a commitment from the four required project partners to send a multidisciplinary training team to the mandatory three-day law enforcement training of trainers component;
 9. Include a commitment to send representatives from two project partners (one from the victim services program and one from the program or agency with demonstrated experience in assisting individuals in later life) to a mandatory three-day direct services training of trainers component;
 10. Include a commitment to conduct the mandatory direct trainings for law enforcement;
 11. Include a commitment to conduct cross-training for personnel from agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, and victim service providers;
 12. Include a commitment to conduct a local half-day cross-training “Kickoff” event for law enforcement agencies, prosecutors, agencies of states or units of local government, attorneys, health care providers, population specific organizations, faith-based advocates, victim service providers, and courts working with older victims;

13. Include a commitment to encourage judges in the jurisdiction to attend a four-day national judicial institute on elder abuse, neglect, and exploitation;
14. Demonstrate a commitment to establish or support a multidisciplinary collaborative community response (CCR) to abuse in later life, including domestic violence, dating violence, sexual assault, stalking, exploitation and neglect. If a multidisciplinary CCR addressing elder abuse has already been established, include a brief history of work done in this area and identify key members in the CCR; and
15. Include a commitment to engage in a two phase effort (planning and implementation) to provide outreach and direct services to older victims.

Letters of Commitment (Total 15 points)

Applicants must submit a Letter of Commitment from each agency and organization (including MOU partners) committing to sending personnel to the following:

1. The local one-day law enforcement training;
2. The local advanced law enforcement training;
3. The national prosecutors' institute; and
4. The local direct services cross-training.

Each agency and organization must provide a Letter of Commitment to the applicant to be submitted with the application. Letters of Commitment must accompany the application as attachments to the application in Grants.gov. Letters sent separately from the application will not be considered during the review process. Law enforcement agencies committing to sending personnel to both the local one-day and local advanced law enforcement training may provide details of these commitments in a single letter. While Letters of Commitment are not required for judges attending the judicial institute, they may be submitted with the application.

Number/Percentage of Personnel Committed to Attend Training (10 points)

Training is a significant component of the Abuse in Later Life Program. Elder abuse is grossly underreported, with about 1 of every 23 cases of elder abuse being reported to appropriate authorities.⁵ It is important for a sizable number of law enforcement, prosecutors, victim service providers and other professionals to be trained to increase the number of professionals able to recognize the signs of elder abuse and connect older victims with appropriate services. As such, the following will be considered when scoring this section of the application:

1. The number of officers/deputies/detectives/investigators law enforcement agencies are committing to send to the local one-day law enforcement training;
2. The number of officers/deputies/detectives/investigators law enforcement agencies are committing to send to the advanced law enforcement training;

⁵ Lifespan of Greater Rochester, Inc., Weill Cornell Medical Center, & New York City Department for the Aging. (2011). Under the Radar: New York State Elder Abuse Prevalence Study. Self-Reported Prevalence and Documented Case Surveys. Final Report. Rochester, NY: Author.

3. The percentage of the law enforcement agencies' sworn law enforcement personnel who are committing to attend the one-day law enforcement training and/or the advanced law enforcement training;
4. The number of prosecutors committed to attend the national prosecutors' institute; and
5. The number of individuals whom agencies and organizations are committing to send to the direct services cross-training.

Letters of Commitment that do not clearly specify the number of personnel that will attend trainings will not be considered during the review process. Letters of support **may not** be submitted in lieu of the Letters of Commitment.

Letters of Commitment must:

1. Provide the name of the agency/organization sending appropriate personnel to receive training;
2. Include a clear and direct statement that the agency/organization is committed to sending its personnel to receive training;
3. Identify the type of personnel (law enforcement officers, prosecutors, victim service providers, government personnel) who will attend training;
4. Include an estimate of the number of personnel who will be sent to receive training;
5. Law enforcement agencies must include a commitment that officers/detectives/investigators will complete the entire local one-day (eight-hour) training and/or the local advanced law enforcement training;
6. Law enforcement agencies must include the percentage of sworn law enforcement personnel who are committing to attend the one-day law enforcement training and/or the advanced law enforcement training;
7. Prosecutors' offices must include a commitment that prosecutors will travel to and complete the four-day prosecutors' institute; and
8. Agencies/organizations must include a commitment that personnel will complete the one-day cross-training that would be held in their community.

Proposal Abstract

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section. Additionally, applicants should limit their proposal abstract to no more than one page.

Additional Required Information

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding. OVW will be unable to make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Entities, an entity that is eligible for the Abuse in Later Life Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

Disclosures Related to Executive Compensation

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <https://www.councilofnonprofits.org/tools-resources/executive-compensation>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf and must be signed by the authorized representative and uploaded to the application on Grants.gov.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For "Type of Applicant," please do not select "other." Please pay careful attention to the amount of Federal funding requested in the "Estimated Funding" section of this form. This amount must match the amount of Federal funding requested in the budget section of the application package. Only include values for "Applicant" if the program solicitation requires a match. The individual who is listed in "Authorized Representative" must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW’s Director, signed by the AOR, certifying that Federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. OVW will review the applicant’s responses to assist in evaluating the adequacy of the organization’s financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization’s policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization’s process for tracking expenditures.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization’s policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, (2 CFR Part 200)? Please provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

Please note: This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this

information in a timely manner could result in the applicant being removed from consideration or a delay in funds.

Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete a Financial Capability Questionnaire, and submit it online. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost rate agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by a Federal awarding agency. Also, Federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

[If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have

an EIN, then the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet.] Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/portal/SAM/#1> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS, register online with the SAM and with Grants.gov immediately, but no later than January 28, 2016.

Submission Dates and Times

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on February 11, 2016**. Applications submitted after **11:59 p.m. E.T. on February 11, 2016** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the [Experiencing Unforeseeable Technical Issues](#) section of this solicitation.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, Authorized Organization Representatives (AOR) should closely monitor their email for any notification from Grants.gov about a possible failed submission. The AOR will receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the AOR that the application was successfully submitted, or it will notify the AOR that there was an error with the application submission.

Please note that the Grants.gov notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application

submission process. Please see “[Experiencing Unforeseeable Technical Issues](#)” for information on the steps applicants must follow if corrective action must be taken.

OVW Policy on Duplicate Applications

An applicant can only submit one application per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

Experiencing Unforeseeable Technical Issues

As previously stated, applicants should begin the **registration process** immediately, but no later than **January 28, 2016**. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact [Grants.gov](#) Customer Support Hotline at 1-800-518-4726, or support@grants.gov, 24 hours a day, 7 days a week, except closed for Federal holidays.

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

- Contact the Abuse in Later Life Program at 202-616-6728 or at OVW.Elder@usdoj.gov prior to the application deadline stating that the applicant is experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
- Contact the technical support number above prior to the application submission deadline.

Within 24 hours after the deadline, the applicant must again the Abuse in Later Life Program at 202-616-6728 or OVW.Elder@usdoj.gov to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a [Grants.gov](#) Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or [Grants.gov](#) instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

OVW Policy on Late Submissions

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed due to a temporary lack of Internet access, unforeseeable technical issues, or geographic isolation. If an applicant does not provide advance notice to OVW about an issue that may cause a delay in the submission of its application, the application will not be considered for funding. If applicant follows the steps outlined above, OVW will consider the applicant’s request for late submission. Extension of deadlines is not guaranteed and permission to submit a late application does not automatically result in an award. Late

submission only allows an application to be considered for funding. If late submission is approved, the application will be reviewed for registration information and completeness and to ensure that the applicant meets the basic eligibility requirements (BMR) as defined in the solicitation. If the applicant meets BMR, the application will be subject to both peer review and programmatic review before any funding decision is made.

Extraordinary Natural or Manmade Disasters

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

Intergovernmental Review

Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds.

OVW generally does not allow pre-award costs. Such costs require prior approval by OVW and will only be allowed in limited circumstances.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.

2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the conference approval process.

Other Submission Requirements

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions on page 27 above.

[Grants.Gov](#)

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.Gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [www.grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parenthesis ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Underscore (_)	Comma (,)	Semicolon (;)	Apostrophe (‘)
Hyphen (-)	At sign (@)	Number sign (#)	Dollar sign (\$)
Space	Percent sign (%)	Plus sign (+)	Equal sign (=)
Period (.)	When using the ampersand (&) in XML, applicants must use the “&” format.		

OVW strongly suggests using simple titles for all documents, such as “FY 2016 OVW Project Narrative.” Please note that file names are limited to 50 characters. GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.” Please visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

The E-Business Point of Contact (E-Biz POC) within the applicant's organization must register the organization with [Grants.gov](http://www.grants.gov). The E-Biz POC oversees the organization's [Grants.gov](http://www.grants.gov) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](http://www.grants.gov) and must register with [Grants.gov](http://www.grants.gov) as well. In some cases the E-Biz POC is also the AOR for an organization.

1. *Step 1:* Go to [Grants.gov](http://www.grants.gov). Mouse over the “APPLICANTS” drop down and click the “Organization Registration Link”.
2. *Step 2:* Register with SAM
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)
5. [Step 5: TRACK AOR STATUS](#)

The application process can move forward once the organization successfully registers with [Grants.gov](http://www.grants.gov).

Downloading a Grant Application Package

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application. To verify if the Adobe software version is compatible with [Grants.gov](http://www.grants.gov), visit the following link: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

Completing the Grant Application Package

The applicant must manually save changes to the grant application. [Grants.gov](http://www.grants.gov) does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

Submitting the Completed Grant Application Package

Log on to [Grants.gov](http://www.grants.gov). After the application is fully completed, errors are corrected, and the application is saved, click the “Save & Submit” button on the cover page. The application package will be automatically uploaded to [Grants.gov](http://www.grants.gov).

Reminder: To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. AORs should closely monitor their email for any notification from [Grants.gov](http://www.grants.gov) about a possible failed submission. The AOR will receive a minimum of two emails from [Grants.gov](http://www.grants.gov). A confirmation screen will appear once the submission is complete. A [Grants.gov](http://www.grants.gov) tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The [Grants.gov](http://www.grants.gov) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically for the Abuse in Later Life Program scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 45 points, of which
 - Purpose of the project: 10 points
 - What will be done: 20 points
 - Who will implement: 15 points
3. Budget narrative and detail worksheet: 15 points
4. MOU: 20 points
5. Letters of Commitment: 15 points, of which
 - Number/Percentage of Personnel Committed to Attend Training: 10 points

While cost sharing or match-funding are not required, in the case of a tie OVW may assess the extent and viability of cost sharing to break the tie, as well as other factors such as geographic distribution of funding.

Review and Selection Process

Peer Review

OVW will subject all applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal review, external review, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review. OVW reserves the right to add up to 10 points to applications fully addressing OVW priority areas and to deduct points from applications for the following reasons:

- Formatting and Technical Requirements
- Activities that compromise victim safety and recovery
- Out-of-scope activities
- Past performance

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement;
10. Timely expenditure of grant funds
11. Adherence to the requirements of the Department of Justice Financial Guide

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2016.

F. Federal Award Administration Information

Federal Award Notice

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System. This award notification will be sent to the individuals listed as the

Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2016 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/sites/default/files/ovw/legacy/2014/06/20/faqs-ngc-vawa.pdf>.

Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2014 Solicitation Companion Guide under "Civil Rights Compliance."

Compliance with OVW Financial Requirements

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee's award may be frozen or terminated and the grantee may be denied continuation funding.

Reporting

Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form, it can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A
Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used

indefinitely. This includes state and local governments that have never negotiated an indirect cost.

Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVV grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered subrecipients and should be reimbursed for actual costs incurred for the project rather than on a fee for service basis. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Project Coordinator	\$40,000 x 100% x 3 years	\$ 120,000
