Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses that provide services to victims and hold offenders accountable.

About this OVW Program

The Violence Against Women Act Measuring Effectiveness Initiative is categorized under the Research and Evaluation Initiative (Assistance Listing #16.026) and fulfills the purposes of the following statutes: 34 U.S.C. § 12291(b)(7), 34 U.S.C. § 10238, and 34 U.S.C. 12291(b)(11).

The Violence Against Women Act (VAWA), as amended, requires that grantees report on the effectiveness of their VAWA-funded programs to the Attorney General, who, in turn, must report to Congress every two years on the effectiveness of grant-funded activities (Pub. L. No. 106-386, § 1003, 114 Stat. 1464, 1491 (2000), codified at 34 U.S.C. § 10238). Some OVW grant programs also have specific reporting requirements as outlined in their respective authorizing legislation.

In response to these requirements, OVW developed annual and semi-annual performance reporting forms for each OVW grant program that track grant-funded activities and incorporate measures tied to program objectives. Grantees funded by OVW report consistent quantitative data that can be aggregated to reflect the accomplishments within and across grant programs. The forms also collect narrative (i.e., qualitative) information on grantees' goals, objectives, activities, accomplishments, and remaining areas of need. OVW uses the information collected through performance reports in different ways, including monitoring grant activities (individually and in aggregate across programs), identifying promising practices, meeting reporting obligations under the Government Performance and Results Act (GPRA) and subsequent legislation, reporting to Congress, responding to ad hoc data requests from within and outside government, and spotting training and technical assistance needs and promising practices.

In FY 2022 – FY 2023, the University of Southern Maine (USM) was competitively selected to continue implementing the Measuring Effectiveness Initiative (MEI), which encompasses the data collection described above and involves providing training, technical assistance, and related resources to OVW grantees on performance reporting. USM received 18 months of initial funding in the amount of \$2.6 million through a cooperative agreement for a five-year—or 60-month—project, to support project activities through June 30, 2024.

The purpose of this Invitation to Apply is to provide USM with a supplemental award in the amount of \$4,143,119 to carry out the next 26 months of the project (i.e., July 1, 2024 – August 31, 2026). With this supplemental funding, USM will continue to: review, clean, and analyze data collected from grantee performance reports; maintain that information in a database; work in partnership with OVW to fulfill reporting requirements and respond to data requests; and provide ongoing training and technical assistance to OVW grantees on collecting data to assess their own performance and accurately completing their performance reports. A significant piece of the training and technical assistance effort during the supplemental period will be completing the launch of a performance reporting tool to assist state administrators of OVW's two largest

formula grant programs in collecting, reviewing, and reporting subgrantee performance data. USM will also assist OVW in the preparation of reports to Congress and additional materials and analyses related to VAWA-funded activities.

For additional information about OVW programs and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

The recipient of this cooperative agreement will work in collaboration with and under the direction of OVW on all project activities, which may include but are not limited to:

- Using in-person meetings, web-based forums, and other methods of providing training and technical assistance for grantees and subgrantees on how to collect and report data and complete performance reports;
- Developing and/or revising/updating self-paced online training tools and products for OVW grant programs;
- Responding in a timely manner to all requests for information from OVW, including ad hoc data requests;
- Maintaining a website that includes aggregate information about OVW grant programs, materials to facilitate effective completion of performance reports (including online training modules), a calendar of trainings, instructions and tips on how to complete performance reports, and information supplied by OVW that pertain to the effectiveness of OVW grant programs;
- Producing and distributing email alerts to grantees and subgrantees on issues relating to performance reporting on grant-funded activities and trainings;
- Translating materials into Spanish and other languages as needed;
- Reviewing, cleaning, and analyzing data collected from OVW performance reporting forms (twice per year for discretionary programs and once annually for formula programs);
- Developing and revising performance reporting schema, data dictionaries, and instructions for grant programs, including for new programs;
- Drafting, revising, and finalizing biennial reports to Congress on the effectiveness of OVW's discretionary grant programs, STOP Violence Against Women Formula Grant Program, and the SASP Formula Grant Program (which includes integrating current research and data from a variety of sources);

- Producing data workbooks every six months for discretionary programs and annually for formula programs;
- Producing and annually updating data briefs for each OVW discretionary program, presenting quantitative and qualitative data in visually appealing formats that can be easily understood by the general public; and
- Completing the launch of a web-based technical assistance tool for performance reporting for STOP and SASP Formula administrators and subgrantees to facilitate the collection, reporting, review, and analysis of performance data, providing related TTA on the tool, and implementing enhancements to the tool.

The project will continue to support grantees under all OVW grant programs and special initiatives, which together account for nearly 5,000 active awards.

OVW Priority Areas

In FY 2024, OVW has four programmatic priorities. The priorities identified below are applicable to this program. The applicant is encouraged to connect its ongoing work under the Measuring Effectiveness Initiative to these priorities, to the extent it is feasible within the scope of this initiative.

1. Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety.
2. Increase access to justice for all survivors of sexual assault, domestic violence, dating violence, and stalking, including through exploration of survivor-centered criminal justice system reform.
3. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.
4. Expand economic justice and financial advocacy for survivors of sexual assault, domestic violence, dating violence, and stalking, including as a tool for violence prevention.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter, or prevent physical or emotional healing for victims, or allow offenders to avoid responsibility for their actions. OVW may support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program and do not compromise victim safety. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activity listed below is out of the program scope and will not be funded under this program. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

- Although the funding that supports the Measuring Effectiveness Initiative comes from dollars OVW sets aside for research, evaluation, and related activities pursuant to 34

U.S.C. § 12291(b)(7), the recipient is not funded to conduct research as defined in 28 C.F.R. § 46.102. Research is defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. However, assessments conducted for internal improvement purposes only (see Limited Use of Funds below) may not be considered “research” as defined above. For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).

An application that proposes activities deemed to be substantially out-of-scope may be eliminated from consideration.

Activities Requiring Prior Approval

The recipient must receive prior approval before using grant funds to support surveys, regardless of the survey’s purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future.

Type of Award

The award will be made as a cooperative agreement. Cooperative agreements are a form of award under which OVW expects to have ongoing substantial involvement in project activities. For this initiative, the substantial involvement includes OVW collaborating on data review, cleaning, and analyses; development of performance reporting schema, tools, and data dictionaries; development of reports and other written and multimedia products; and creation and refinement of TTA resources and content. The recipient must be willing to work closely with OVW on the implementation of the project and be willing to modify project activities at OVW’s request in order to address the needs of grantees and/or emerging issues.

Award Period and Amount

The award period is 26 months. The budget, including the total “estimated funding” on the SF-424, must reflect 26 months of project activity. OVW anticipates that the award period will start on July 1, 2024.

OVW anticipates making an award for \$4,143,119.

OVW has the discretion to make an award for greater or lesser amounts than requested and to negotiate the scope of work and budget with the applicant before making an award or after an award is made but prior to the recipient having access to funds.

Program Requirements

The applicant that receives funding under this initiative will be required to engage in the following activities:

1. Participation in OVW-sponsored training and technical assistance (TTA).
2. Collection of and reporting on performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative webpage](#).
3. Participation in an assessment or evaluation, if OVW conducts one that requires grantee involvement.

Eligibility Information

Eligible Applicant

This is a noncompetitive funding opportunity for which the only eligible applicant is the University of Southern Maine.

Ineligible Entities and Disqualifying Factors

Applications submitted by ineligible entities or that do not meet all program eligibility requirements will not be funded.

Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will prevent OVW from making an award.

Note: Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from OVW. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Cost Sharing or Matching

This program has no matching or cost-sharing requirement.

Application and Submission Information

Address to Request Application Package

The complete application package (this solicitation, including links to required forms) is available on Grants.gov and on the [OVW website](#). If the applicant wishes to request a paper copy of these materials, they should contact OVW at 202-368-9077 or OVWResearch@usdoj.gov

Content and Form of Application Submission

The information below (**Formatting and Technical Requirements** through **How to Apply**) describes the full content and form of application submission.

Formatting and Technical Requirements

The application must follow the requirements below for all documents attached to the application, unless otherwise noted.

1. Double-spaced (charts may be single-spaced)
2. 8½ x 11-inch pages
3. One-inch margins

4. Arial font, type no smaller than 11 point, except for footnotes, which may be 9 point.
5. Correctly numbered pages
6. No more than 20 pages for the Proposal Narrative
7. Documents in the following formats: Microsoft Word (.doc), PDF files (.pdf), or Text Documents (.txt)
8. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Application Contents

The application must include the required documents and meet the program eligibility requirements. For a checklist, see the [Application Checklist](#) in the Other Information section of this solicitation.

An application that does not include all the following documents will be considered incomplete, which may prevent OVW from making an award or result in a delay in funding:

1. Proposal Abstract
2. Data Requested with Application
3. Proposal Narrative
4. Budget Detail Worksheet and Narrative

Application for Federal Assistance (SF-424)

The applicant must complete the SF-424 in Grants.gov as part of **Step 1 of the application submission process**. The SF-424 is generated when the applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) should match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must have the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to comply with the state's process under E.O. 12372. In completing the SF-424, the applicant must make the appropriate selection in response to question 19 once it has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

The applicant must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov as part of **Step 1 of the application submission process**. Applicants that expend

any funds for lobbying activities must provide the information requested on the SF-LLL. **Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.**

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. The applicant begins **Step 2 of the application submission process** by reviewing the Standard Applicant Information in JustGrants, making edits as needed, confirming the Authorized Representative, verifying the legal name and address, and entering the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Do not summarize past accomplishments in this section. The Proposal Abstract is to be entered into a text box in JustGrants.

Data Requested with Application

The applicant must complete three questionnaires in JustGrants: the Pre-Award Risk Assessment, the Applicant Entity Questionnaire, and the MEI Summary Data Sheet. Applicants should click on the questionnaire name in JustGrants to access and complete each questionnaire. Although the questionnaires must be completed in JustGrants, the questions can be viewed in Appendices B, C, and D of this solicitation.

Proposal Narrative

The Proposal Narrative may not exceed 20 pages, double-spaced. It must include the two sections below. The applicant must upload the Proposal Narrative as an attachment in JustGrants.

What Will Be Done

This section must:

1. Identify the goals, objectives, and activities for the project from July 1, 2024, to August 31, 2026, providing a corresponding timeline.
2. Describe how the proposed project will improve accessibility for people with disabilities and people who are Deaf or hard of hearing.
3. Describe how the proposed project will improve accessibility for people with limited English proficiency.

Do not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

Who Will Implement the Project

This section must:

1. Identify organization(s) and people who will implement the project and describe the role of each.
2. Provide an estimated percentage of time (or consultant hours) each person will devote to the project.

Budget and Associated Documentation

The applicant must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below, under each heading. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget attachments. Failure to include a budget may result in a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

The applicant must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. The budget should be reasonable and based on the resources needed to implement the project.

Award Period and Amount

The award period will be 26 months. OVW anticipates making an award for \$4,143,119.

The budget must:

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise explained in the budget narrative.
3. Include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such people. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
5. Include funds estimated to be sufficient to cover travel for the purposes of providing TTA at new grantee orientations and attending OVW-sponsored TTA.
6. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327

& 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Solicitation Companion Guide](#) on the OVW website.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and in Appendix A.

Funding Restrictions

The following information is provided to help the applicant develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicant's budget:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

The recipient **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the OVW conference approval process.

Conference Planning and Expenditure Limitations

The applicant's budget must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Budget clearance does not constitute prior approval to hold a conference. Recipients must seek approval of these costs through the conference approval process.

Pre-award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

If the applicant intends to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current negotiated (including provisional) indirect cost rate, except for those non-federal entities described in [Appendix VII to Part 200 paragraph \(d\)\(1\)\(B\)](#), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees. If so, the applicant must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

The applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample [Disclosure of Process Related to Executive Compensation](#) letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., if the recipient changes in the way it determines compensation).

Additional Application Components

The following components must be included with the application. Failure to do so may result in a delay in access to funds. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letter of Nonsupplanting

The applicant must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

Confidentiality Notice Form

The applicant is required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. The applicant must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

The applicant must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

The applicant will provide this information by completing the Summary of Other Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

Disclosures and Assurances

The applicant must review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

The applicant must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](https://sam.gov) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](https://grants.gov) takes an average of **1 week**.
- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of Step 1 of the application as described below under [How to Apply](#).

Note: Registration time frames are estimates. If the applicant experiences registration challenges they should refer to the contact information below for assistance with technical difficulties.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the applicant's responsibility to ensure that they are registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process or ensure

that all accounts are active and up to date, by **February 29th, 2024**. **Failure to do so may result in a delay in access to funds.**

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

How to Apply

Submission Dates and Times

The application must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: The Grants.Gov deadline is 11:59 pm ET on March 21, 2024 and the JustGrants application deadline is 8:59 pm ET on March 25, 2024.** If the applicant experiences technical difficulties during the application submission process, they should refer to the contact information above for assistance with Grants.gov or JustGrants.

OVW strongly encourages the applicant to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in a delay in access to funds.

Submission Information and Other Submission Requirements

The application must be submitted to OVW through a two-step process that begins in Grants.gov and is completed in JustGrants:

Step 1: The applicant must submit by the Grants.gov deadline (provided above) the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov. To view the forms prior to completing them in Grants.gov, applicants can go to the Package tab under the funding opportunity that they're applying for and select Preview. The Preview then provides links to the forms.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/> by the JustGrants application deadline (provided above). OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy on Late Submission

To ensure timely award processing, the applicant must submit the application by **8:59 pm ET on March 25, 2024**. If the applicant anticipates late submission, the applicant should contact OVW via email at OVWResearch@usdoj.gov to provide an explanation for the delay and an anticipated submission date. Submitting the application after the deadline may prevent OVW from making an award or result in a delay in access to funds.

Application Review Information

Review Criteria

This is a non-competitive solicitation; therefore, applications are not subject to peer review. Applications are subject, however, to a programmatic review to ensure that the application is complete and meets applicable statutory, regulatory, and other program requirements as described in this invitation to apply. Applicants must submit all information requested in the Application Contents and Additional Application Components sections of this invitation to apply. If any required elements are missing, OVW will contact the applicant to request prompt submission of relevant documents. Failure to include required information at the time of submission may prevent OVW from making an award or result in a delay in funding.

Each OVW grantee agrees to follow the financial and administrative requirements in the [DOJ Financial Guide](#) as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the [DOJ Financial Guide](#), the grantee may experience a delay in funding or may have additional conditions placed on its award under this solicitation.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Award Recipients.”

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency have meaningful access to recipients’ programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to people with disabilities, including those with physical or cognitive disabilities, as well as people who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. If an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

Budget Information and Sample Budget Narrative

Budget Information

Cost information for selected items is provided below to assist applicants in preparing their budgets. Additional information is available in the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant must be reasonable and consistent with that paid for similar services in the marketplace. Applicants must consider the type of services provided and the individual's experience and expertise when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates over \$650 per day. Please note that the rate does not need to be as high as \$650 for all consultants. If a project is selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants must also include all costs associated with consultants or contractors in the "Procurement Contracts" category, including travel-related costs. Applicants should not reflect these costs in the Personnel or Travel categories.

Applicants must follow the same established procurement policies with federal funds as with non-federal funds. All procurement transactions, including the awarding of consultant contracts, must be conducted in a manner that provides maximum open, free, and fair competition, and must follow 2 C.F.R. §§ 200.317-200.327. All sole-source procurements (not awarded competitively) over \$250,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients.

MOU Partner/Subrecipient versus Contractor Determination

Memorandum of Understanding (MOU) project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.331 that support their classification as subrecipients:

- they are using federal funds to carry out a program for a public purpose specified in the authorizing statute;
- they are responsible for adherence to program requirements;
- they are responsible for programmatic decision-making;
- their performance is measured by meeting program objectives; and
- in some cases, they may be responsible for determining who is eligible to receive assistance (services) under the grant award.

In contrast, a contractor:

- provides goods and services within normal business operations;
- provides similar good and services to many different purchasers;
- normally operates in a competitive environment;
- provides goods and services that are ancillary to the operation of the program; and
- provides goods or services to which programmatic requirements generally do not apply.

For additional information on determining subrecipient or contractor designation, please refer to [2 C.F.R. § 200.331](https://www.justice.gov/ovw/resources-applicants), as well as the Solicitation Companion Guide, available at <https://www.justice.gov/ovw/resources-applicants>.

Compensation for Partners

In developing budgets, applicants should compensate all project partners for their participation in project-related activities, including but not limited to compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault services programs, and state and tribal domestic violence and/or sexual assault coalitions. Partners are generally considered subrecipients and are reimbursed for their actual costs incurred for the project rather than on a fee for service basis. If a partner is a state or local governmental agency and the partnership duties are performed within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner: a) offers this arrangement; and b) an explanation of this arrangement is included in the application (typically in the MOU).

Training and Technical Assistance/Travel

The program solicitation specifies the amount of grant funds that must be budgeted for training and technical assistance. These funds must **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. These funds are to be used to support travel by all project partners, including nonprofit, nongovernmental service providers, to technical assistance events. This may include travel by individuals whose positions are not grant-funded if their roles and responsibilities are linked to the purpose of the project. If the technical assistance funds will be shared between the applicant and any project partners, the applicant's employees' travel costs must be listed in the "Travel" category in the budget, and partners' travel must be in the "Subawards" category. Label both costs as "OVW Technical Assistance" and ensure they total to the full required amount. Do not include registration fees, as OVW technical assistance is free for grantees.

If applicants are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to attend, they can budget expenses over the required amount.

Rent

Rental costs are generally allowable under OVW programs. Applicants must list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental facility. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable. The applicant must state in the budget narrative whether they own the space that will be rented. Refer to the following document for more information on how to appropriately allocate and break down the cost of rent in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Audit Costs

Costs for audits not required or performed in accordance with 2 C.F.R. Part 200 Subpart F – Audit Requirements are unallowable. If the applicant agency did not meet the applicable expenditure threshold (see 2 C.F.R. § 200.501) during the organization's fiscal year, they may not charge the cost of any audit performed to the grant.

Indirect Costs

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current negotiated (including provisional) indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information. Applicants may also choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs. However, some programs allow for purchasing vehicles on a case-by-case basis. Refer to the program solicitation to determine whether vehicles can be purchased or leased. A lease/purchase analysis must be submitted with the application if requesting a vehicle.

Non-Federal contributions

Any non-federal contributions can be discussed in the Proposal Narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

If the applicant voluntarily decides to provide matching funds through the use of in-kind contributions and includes this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide these mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to OVW to close out the grant award.

Cost Allocations

Costs for shared items, those not used solely for the award, should be equitably distributed to the funding sources that receive a benefit from the items. For example, when budgeting for general office supplies, it is important to note that the full cost cannot be allocated to the project. Instead, an allocation method should be used to share the cost among all staff who use the supplies. Refer to the following document for information on allocating shared costs in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Accessibility

The program solicitation requires that the applicant include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency, including by offering translation and interpretation services, and to provide access for people with disabilities or who are Deaf/hard of hearing. Determining how much to budget for accessibility requires that recipients analyze the following:

- Available data about the local population to understand the language and accessibility needs in their service area;
- Historical data on screening and serving individuals who are LEP, Deaf or Hard of Hearing, or disabled; and

- Costs or documented estimates of language and other accessibility services and modifications in the service area. For resources and assistance in this process, visit <https://www.justice.gov/atj> and <https://www.lep.gov/>.

Recipients should make every effort to use these funds for their budgeted purpose of providing accessibility, and not reallocate them for other purposes later in the project.

Sample Budget Narrative

Purpose: The Sample Budget Narrative may be used to assist with preparing the budget and narrative. Applicants may use this form or the format of their choice (plain sheets, Excel document, the applicant's own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to the applicant's project may be deleted.

Note: The following budget is an example intended to assist applicants in preparing their budgets. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$65,000 x 50% x 3 years	\$97,500
Bilingual Shelter Manager	\$70,000 x 100% x 3 years	\$210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$13,500

Sample narrative: The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Bilingual Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant for the project will spend 10% of their time on the project, providing administrative and clerical support for activities directly related to this project.

TOTAL PERSONNEL: \$ 321,000

B. Fringe Benefits – Fringe benefits must be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator		
Employer's FICA	\$97,500 x 7.65%	\$ 7,459
Health Insurance	\$4,800/year x 50% x 3 years	\$ 7,200
Worker's Compensation	\$97,500 x 1.00%	\$ 975
Unemployment Compensation	\$97,500 x 0.50%	\$ 488
Bilingual Shelter Manager		
Employer's FICA	\$210,000 x 7.65%	\$16,065
Health Insurance	\$4,800/year x 100% x 3 years	\$14,400
Worker's Compensation	\$210,000 x 1.00%	\$ 2,100
Unemployment Compensation	\$210,000 x 0.50%	\$ 1,050
Administrative Assistant		
Employer's FICA	\$ 13,500 x 7.65%	\$ 1,033
Health Insurance	\$4,800/year x 10% x 3 years	\$ 1,440
Worker's Compensation	\$ 13,500 x 1.00%	\$ 135
Unemployment Compensation	\$ 13,500 x 0.50%	\$ 68

Sample Narrative: We request fringe benefits for the Program Coordinator, Bilingual Shelter Manager, and Administrative Assistant. Each employee's share of Health Insurance cost is prorated based on their projected time on the project.

TOTAL FRINGE BENEFITS: \$ 52,413

C. Travel – Project staff travel expenses should be itemized by purpose (e.g., training, field interviews, advisory group meeting, etc.) and include the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). For training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of travel policies applied, either the applicant's policy or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	TBD	TBD	\$12,000
Local Program Mileage	XYZ County		150 miles/month x \$0.655/mile x 36 months	\$ 3,537

Sample narrative: According to the requirements in the solicitation for this program, \$12,000 out of the total \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the travel cost for staff. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The exact locations of the trainings

are currently unknown. However, travel estimates have been made using our formal written travel policy.

It is expected that the Program Coordinator will use a privately owned vehicle for local program mileage when traveling between the program shelter, main office, and all partner organizations. The rate for mileage reimbursement is calculated based on the current GSA Mileage Reimbursement Rate of \$0.655/mile and is estimated to be around 150 miles per month for a period of 36 months.

TOTAL TRAVEL: \$ 15,537

D. Equipment – List tangible personal property with a useful life of more than one year that needs to be purchased to support the project. It is important to follow the applicant’s own capitalization policy for equipment classification. For high-cost items and information technology systems, applicants should perform an analysis (and attach it to the application) that compares the cost of purchasing versus leasing equipment items, to determine the most economical approach. Rented or leased equipment items should be listed in the “Procurement Contracts” category. Describe in the narrative how the equipment is necessary for the success of the project.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$1,500/camera x 2 cameras	\$ 3,000

Sample narrative: The portable video cameras and tripod package will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking. Our capitalization threshold is \$1,000, so these items are classified as Equipment.

TOTAL EQUIPMENT: \$ 3,000

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any expendable or consumable materials that are used during the project period that are not equipment.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$250/month x 53% x 36 months	\$4,770
Postage	\$ 100/month x 53% x 36 months	\$1,908
Program Supplies	\$ 50/month x 36 months	\$1,800
75 Client Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Sample narrative: Office supplies and postage are needed for the general operation of the program and are shared amongst all office staff. The FTE allocation rate for shared costs incurred by all staff in this budget is 53% (based on total FTEs in the office is 3FTEs, and total FTEs in this budget is 1.6FTEs, so $1.6 / 3 = 0.53$, or 53%). Monthly costs for Office Supplies at

\$250/month and Postage at \$100/month are estimated based on historical data. Charges to the grant will be based on the actual supplies purchased and actual percentage of staff time worked on the project (not budgeted amounts).

Program Supplies are estimated at a cost of \$50/month, based on historical data. The program supplies will be used for direct program activities such as art supplies and educational handouts/brochures for healing circles and group meetings for survivors.

The Client Assistance Kits will be provided to clients who receive services for domestic violence, dating violence, sexual assault, and stalking. These kits will contain toiletries and other personal hygiene products. We estimate the need for 75 kits, and the cost is based on similar kits provided by other programs.

TOTAL SUPPLIES: \$10,353

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with OVW before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		<u>\$ 0</u>

G. Subawards (subgrants): Describe project activities for which subrecipients/MOU partners will receive compensation under the award, including services for clients. Include any compensation for partner/subrecipient travel in this section as well.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
XYZ Survivor Services Organization		
Advocate	\$40,000 per year x .25 FTE x 3 years	\$30,000
Advocate	Benefits x 28% of FTE salary	\$ 8,400
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
Subtotal XYZ Survivor Services Organization Subaward		\$42,400

Sample narrative: The MOU partner XYZ Survivor Services Organization will offer advocacy services, such as safety planning and court accompaniment services. To cover the cost of travel for their staff, \$4,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated, in line with the budget requirements set forth in the solicitation. However, the training session locations are currently unknown. Travel estimates are based on the subrecipient's formal written travel policy.

123 Housing Provider		
Permanent housing advocate	\$40,000 per year x .10 FTE x 3 years	\$12,000
Permanent housing advocate	Benefits x 28% of FTE salary	\$ 3,360
Rent subsidies	\$150/month x 36 months x 15 clients/families	\$81,000

OVW-Mandated Training and Technical Assistance Location and cost TBD \$ 4,000

Subtotal 123 Housing Provider Subaward \$100,360

Sample narrative: The MOU partner, 123 Housing Provider, will provide rent subsidies for clients and their dependents, permanent housing placement services, and advocacy. The rent subsidy rates are based on our experience with available community housing. Out of the required \$20,000 for OVW mandated technical assistance and training funds, \$4,000 has been allocated to cover the cost of travel for partner staff. Travel estimates are based on the subrecipient’s formal written travel policy and training locations are currently unknown.

TOTAL SUBAWARDS: \$142,760

H: Procurement Contracts – Applicants should follow their documented procurement procedures that comply with the procurement standards in the Uniform Guidance at 2 C.F.R. §§ 200.317-200.327 or the Federal Acquisition Regulation.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. The actual rate for each consultant should be evaluated on a case-by-case basis, consistent with fair market value, and equal to the individual’s experience, education, and compensation they receive for providing similar services in the marketplace. Consultant fees over \$650 per day (for an 8-hour day) or \$81.25 per hour require additional justification and prior approval from OVW.

<u>Name of Consultant</u>	<u>Service Provided</u>	<u>Computation</u>	<u>Cost</u>
Consultant/Trainer	Sexual Assault Training	\$575/day x 3 days	\$ 1,725

Sample narrative: A Consultant/Trainer will provide a three-day on-site training (at 8 hours per day) on sexual assault and related issues to law enforcement, prosecution, court personnel, and medical and social services personnel. The training will focus on addressing cultural needs of clients who experience sexual assault, domestic violence, dating violence, and stalking.

Subtotal Consultant Fees: \$ 1,725

Consultant Travel: List all expenses to be paid from the grant to the individual consultant in addition to their fees (i.e., travel, meals, lodging etc.).

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Delivery of Sexual Assault Training	Town of XYZ	Airfare	\$500 (avg.) x 1 person x 1 trip	\$ 500

Sample narrative: Funds are allocated to pay for the Consultant/Trainer to travel to provide sexual assault training.

Subtotal Consultants: \$ 2,510

Contracts: Provide a clear description of the product or services that will be acquired through the contract, along with an estimated cost. All procurement transactions must be conducted in a manner that ensures full and open competition and adheres to the standards in 2 C.F.R. §§ 200.317-200.327. A separate justification must be provided for sole source (non-competitive) contracts in excess of \$250,000.

Subtotal Contracts: \$ 61,415

Sample narrative: The Therapist will be compensated at a rate of \$85/hour, consistent with the therapist’s normal rate for providing this service in the marketplace. This contracted position will provide individual counseling sessions to clients on an as-needed basis and facilitate the group healing sessions once per week for 2 hours. A total of 10 hours of service per month is estimated.

The Bilingual Shelter Manager will need a cell phone to ensure 24 hours/day communication to provide emergency services and transportation to clients. This position is funded 100% through the application, therefore 100% of this cost is budgeted.

Equipment to be rented and/or leased includes the copier and printer. The copier and printer costs are estimated based on historical costs and allocated using an FTE allocation method (see allocation breakdown in Supplies Category).

The most common language in the local service area is Spanish, followed by Mandarin Chinese and Tagalog. Spanish language interpreters in applicant’s area charge approximately \$100 per hour, and Mandarin and Tagalog interpreters charge approximately \$125 per hour. We estimate the number of hours of interpretation based on previous years plus an anticipated 10% increase during the project period. (We also employ a Spanish-English bilingual Shelter Manager, who assists with Spanish language interpretation.)

Translations in our service area cost approximately \$25 per page. We plan to have the following documents translated into Spanish during the project period: intake form (3 pages), confidentiality policy (1 page), house rules (2 pages), non-discrimination notice and complaint forms (3 pages), pamphlet on domestic violence (5 pages), pamphlet on sexual assault (5 pages), Power and Control Wheel (1 page). We plan to have the following documents translated into Mandarin and Tagalog: intake form (3 pages X 2), confidentiality policy (1 page X 2), non-discrimination notice and complaint forms (3 pages X 2).

Qualified sign language interpreters charge approximately \$95 per hour, and we anticipate using interpreters approximately 20 hours per year, based on past use and allowing for a 5% increase in usage over past years. We will host 1 day-long training session each year and anticipate providing Communication Access Realtime Translation services at each session.

TOTAL PROCUREMENT CONTRACTS: \$ 63,925

I. Other Costs – List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by each type of cost and the basis of the computation. For example, provide the square footage and the cost per square foot for rent, and provide a monthly rental cost and how many months to rent.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
Bus Vouchers	\$15/client x 10/month x 36 months	\$ 5,400
Crisis Hotline	\$ 75/month x 36 months	\$ 2,700
Rent	\$1.50/sq. foot x 1,000 sq. feet x 36 months	\$54,000
Utilities	\$200/month x 36 months	\$ 7,200
Housing Assistance	\$500/family x 12 families/year x 3 years	\$18,000

Sample narrative: Bus Vouchers are estimated at a cost of \$15 per client to attend therapy or group healing sessions and we project distributing 10 per month on an as-needed basis. Vouchers are kept in a locked safe, inventoried by the Program Coordinator, and require a signature for distribution by the Shelter Manager.

Clients in remote areas often lack access to long-distance service providers, and contacting the program office can be a long-distance call for many of them. The project will maintain an 800 hotline for clients, which will be staffed daily by volunteers. The cost budgeted is for the fee associate with the use of the 800 number.

The Client Services Program rents a safe house located within the community. The house is used to provide temporary housing to clients who experience domestic violence and their minor children. The rent is consistent with the fair market rate for similar properties in the local community. This is a direct cost to the program and is used solely for the purpose of this program, therefore the cost is not allocated.
