Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses that provide services to victims and hold offenders accountable.

About this OVW Program

This program is authorized by 34 U.S.C. § 20124.

The Grants to Enhance Culturally Specific Services for Victims of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Program (CSSP) (CFDA# 16.016) supports the maintenance and replication of existing successful services in domestic violence, dating violence, sexual assault, and stalking community-based programs providing culturally specific services, as well as the development of innovative culturally specific strategies and projects to enhance access to services and resources for victims who face obstacles to using more traditional services and resources. (34 U.S.C. § 20124(b)(1)).

Pursuant to 34 U.S.C. § 12291(a)(9), “culturally specific services” means community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities. Pursuant to 34 U.S.C. § 12291(a)(8), “culturally specific” means primarily directed toward racial and ethnic minority groups (as defined in 42 U.S.C. § 300u-6(g)). Section 300u-6(g) defines “racial and ethnic minority groups” as “American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.”

For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW’s [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. § 20124(b)(2), funds under this program must be used for one or more of the following purposes:

1. Working with state and local governments and social service agencies to develop and enhance effective strategies to provide culturally specific services to victims of domestic violence, dating violence, sexual assault, and stalking.
2. Increasing communities' capacity to provide culturally specific resources and support for victims of domestic violence, dating violence, sexual assault, and stalking crimes and their families.
3. Strengthening criminal justice interventions, by providing training for law enforcement, prosecution, courts, probation, and correctional facilities on culturally specific responses to domestic violence, dating violence, sexual assault, and stalking.
4. Enhancing traditional services to victims of domestic violence, dating violence, sexual assault, and stalking through the leadership of culturally specific programs offering services to victims of domestic violence, dating violence, sexual assault, and stalking.
5. Working in cooperation with the community to develop education and prevention strategies highlighting culturally specific issues and resources regarding victims of domestic violence, dating violence, sexual assault, and stalking.
6. Providing culturally specific programs for children exposed to domestic violence, dating violence, sexual assault, and stalking.
7. Providing culturally specific resources and services that address the safety, economic, housing, and workplace needs of victims of domestic violence, dating violence, sexual assault, or stalking, including emergency assistance.
8. Examining the dynamics of culture and its impact on victimization and healing.

Note: Applicants wishing to address Purpose Area 6 or 8 must do so in conjunction with one of the other program purpose areas. Proposals focusing only on these two purpose areas will be removed from consideration.

OVW Priority Areas

In FY 2024, OVW has four programmatic priorities. The priorities identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applicants that state that they are addressing a priority area and meet the criteria for that priority area will be given special consideration:

1. Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety.

In order to receive special consideration for addressing this priority, applicants must demonstrate the capacity to address either or both Purpose Area 1 and/or Purpose Area 3 and demonstrate that the applicant will enter into the required community partnerships. (For information on how to document these partnerships, see the Letters of Commitment section of this solicitation).

2. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

In order to receive special consideration for addressing this priority, applicants must focus 50 percent or more of their grant-funded activities on non-intimate partner sexual assault. This can include prevention, outreach, medical forensic care, civil legal

assistance, and victim services. Applicants are encouraged to use holistic healing practices that are traditional and specific to the survivor's culture and demonstrate the relevant knowledge and expertise to integrate unique cultural practices into their service delivery. Applicants for this priority area may include an optional planning phase in their applications. (For additional requirements regarding this priority area, see the Proposal Narrative section of this solicitation.)

3. Expand economic justice and financial advocacy for survivors of sexual assault, domestic violence, dating violence, and stalking, including as a tool for violence prevention.

In order to receive special consideration for addressing this priority, applicants must focus on improving the financial stability of victims and survivors, including through helping them access job training, post-secondary education, trade schools, skills-building opportunities, and entrepreneurial prospects. Applicants should propose an approach for survivors to achieve financial independence and increase their ability to sustain self-sufficiency.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to avoid responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. OVW may support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program and do not compromise victim safety. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be funded under this program. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. However, assessments conducted for internal improvement purposes only (see Limited Use of Funds below) may not be considered "research" as defined above. For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Family Violence. Grant funds may not be used to directly address child abuse or other family violence issues such as violence perpetrated by a child against a parent, parent against a child, or violence perpetrated by a sibling against another sibling. These limitations do not apply to activities addressing sexual violence.
3. Services for Children. Services can only be offered to children under age 11 who have been exposed to domestic violence, dating violence, sexual assault or stalking if those services are provided in conjunction with serving the child's parent or guardian.

Otherwise, programs may not provide services to children under the age of 11 as primary victims.

4. Legal Services. Grant funds may not be used for criminal defense of victims charged with crimes. However, representation in post-conviction relief proceedings with respect to the conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, stalking, or sex trafficking¹ is permissible. Additionally, representation in tort cases is not permitted with grant funds.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to two percent of grant award funds to conduct an assessment for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

Applicants that support victim services will be allowed to include comprehensive legal assistance by an attorney. Comprehensive legal assistance may not be more than 10% of the project's overall budget.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, regardless of the survey's purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an applicant's merit, OVW may elect to make awards for a future fiscal year if an application is not selected under this solicitation.

Type of Award

Awards will be made as grants.

Award Period and Amount(s)

The award period is 36 months. Budgets, including the total "estimated funding" on the SF-424, must reflect 36 months of project activity. OVW anticipates that the award period will start on October 1, 2024.

¹ Legal assistance under this program can be provided to victims of domestic violence, dating violence, sexual assault, or stalking who are also victims of severe forms of trafficking in persons. See 34 U.S.C. § 12291(b)(14).

This program typically makes awards in the range of \$400,000 - \$450,000. OVW estimates that it will make up to 50 awards for an estimated \$22,500,000.

Funding levels under this program for FY 2024 are:

1. Applicants proposing to use CSSP grant funds to address one or more of the eight purpose areas may submit budgets for up to \$400,000 for the entire 36 months.
2. Applicants proposing to address the priority area “Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking” may submit budgets for up to \$450,000 for the 36-month period.
3. Applicants proposing to address the priority area “Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses” may submit budgets for up to \$475,000 for the 36-month period.
4. Applicants proposing to address the priority area “Expand economic justice and financial advocacy for survivors of sexual assault, domestic violence, dating violence, and stalking, including as a tool for violence prevention” may submit budgets for up to \$450,000 for the 36-month period.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants before making an award or after an award is made but prior to access to funds.

Types of Applications

In FY 2024, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding under this program expired on or before April 30, 2023.

Continuation: Applicants that have an existing or recently closed (after April 30, 2023) award under this program. Continuation funding is not guaranteed.

Recipients of an FY 2023 award under this program are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2024 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2023 award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2024 proposal.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2024, without adequate justification, may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2024.

Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. Participation in OVW-sponsored training and technical assistance (TTA).

2. Collection of and reporting on performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative webpage](#).
3. Participation in an assessment or evaluation, if OVW conducts one that requires grantee involvement.

Eligibility Information

Eligible Applicants

Pursuant to 34 U.S.C. § 20124(c), the following entities are eligible to apply for this program: private nonprofit/tribal organizations for which the primary purpose of the organization is to provide culturally specific services to one or more of the following racial and ethnic communities: 1) American Indians (including Alaska Natives, Eskimos, and Aleuts); 2) Asian Americans; 3) Native Hawaiians and other Pacific Islanders; 4) Blacks; and 5) Hispanics. See 34 U.S.C. § 12291(a)(6) and 42 U.S.C. § 300u-6(g)(1).

Listed below are examples of culturally specific programs that are eligible to apply. This list is not exhaustive. For additional information, see the Required Partnerships section of this solicitation.

1. A faith-based organization or church providing culturally specific services focused on the needs of the Black community.
2. A culturally specific community resource center focused on the needs of the Hispanic community.
3. A culturally specific health center focused on the needs of the Native Hawaiian community.
4. A culturally specific program that provides services focused on domestic violence, dating violence, sexual assault, and/or stalking.
5. An Urban Indian organization that provides culturally specific services for American Indians and Native Alaskans who do not reside on or near Tribal lands.
6. A culturally specific organization that provides services focused on the needs of Black trans-women and girls who have experienced domestic violence, dating violence, sexual assault, and/or stalking.

Note: If the culturally specific program is one division within a larger organization with other areas of substantive work (for example, a domestic violence organization with a division that focuses on Hispanic victims), the organization is not eligible because providing culturally specific services is not the primary purpose of the organization.

The applicant organization also must meet the following eligibility requirements:

1. Have an advisory board or steering committee and staffing which are reflective of the culturally specific community it serves. Note: To determine whether the advisory board or steering committee and staffing meet these criteria, OVW will consider whether the board or steering committee and staff include members with knowledge or experience relevant to the culturally specific community. If federal funds are used for filling any of these positions, organizations may consider an applicant's knowledge or experience relevant to the culturally specific community, as well as language skills needed to work with a particular population, but organizations may not consider a person's race and/or ethnicity as a basis for hiring decisions.

2. Have demonstrated expertise in serving victims of domestic violence, dating violence, sexual assault, and stalking or have entered into a formal partnership with an organization having such experience (see Required Partnerships below).

Faith-Based and Community Organizations

Faith-Based and community organizations that meet the eligibility requirements are eligible to receive awards under this solicitation (see [Civil Rights Office I Partnerships with Faith-Based and Other Neighborhood Organizations I Office of Justice Programs](#) (ojp.gov) for more information).

Note: Per DOJ regulations, 501(c)(3) status is not a requirement under the CSSP. See 28 C.F.R. § 38.5(g).

Ineligible Entities and Disqualifying Factors

Applications submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding. In addition, an application deemed deficient in one or more of the following categories may not be considered for funding: 1. activities that compromise victim safety, 2. out-of-scope activities, 3. unallowable costs, 4. pre-award risk assessment, 5. completeness of application contents, and 6. timeliness.

Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will result in removal from consideration.

An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Note: Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Cost Sharing or Matching

This program has no matching or cost-sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applicants for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2024 solicitation.

Certifications must take the form of a letter, on letterhead, signed, and dated by the authorized representative. Failure to provide required certifications may disqualify an application from further consideration. At a minimum, an applicant that fails to include the required certification letter will be required to submit that certification letter prior to receiving an award. The signed certification letter must be uploaded/attached as a separate attachment under the Additional Application Components section in JustGrants.

Delivery of Legal Assistance

A sample [Delivery of Legal Assistance Certification letter](#) can be found on the OVW website.

Required Partnerships

To ensure that projects supported by CSSP funds are implemented by eligible organizations with the required expertise, applicants must document their expertise and/or the expertise of their project partners. Applicants must submit either a Memorandum of Exemption (MOE) or a Memorandum of Understanding (MOU). For information on the required contents of the MOE/MOU see the Memorandum of Understanding and Supporting Documents section of this solicitation. A sample Memorandum of Understanding can be found on the [OVW website](#).

All applicants must meet one of the following categories as it relates to partnership Requirements:

Category I

The applicant (a) is a culturally specific organization and (b) has a minimum of three years of demonstrated history of providing services to victims of domestic violence, dating violence, sexual assault, and stalking.

The applicant must submit an MOE. Partnership is not required.

Category II

The applicant is a culturally specific organization with three years of demonstrated history of providing services to victims of domestic violence, dating violence, sexual assault, and stalking and will be partnering with another culturally specific organization that also has three years of demonstrated history of providing these services.

An MOU is required. There is no cap on the partner compensation.

Category III

The applicant is a culturally specific organization with less than three years of demonstrated history of providing services to victims of domestic violence, dating violence, sexual assault, and stalking. The applicant will be partnering with another culturally specific organization that has the necessary three years of demonstrated history providing services.

An MOU is required. There is no cap on the partner compensation.

Category IV

The applicant is a culturally specific organization with less than three years of demonstrated history of providing services to victims of domestic violence, dating violence, sexual assault, and stalking and will be partnering with a victim service provider that has the three years of demonstrated history but is NOT a culturally specific organization and therefore is not eligible to apply independently under the Culturally Specific Services Program.

An MOU is required. Partner compensation is limited to \$30,000 for the three-year award period. These funds must be used to provide training and technical assistance to the lead agency on services for victims.

Note: Regardless of Category, the lead applicant **must** be located inside the proposed service area. Partners can be community-based nonprofit organizations located inside or outside the proposed service area.

Limit on Number of Applications

OVW will consider only one application per organization for the same service area (i.e., the geographic area to be served). In addition, if an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to comply with the state's process under E.O. 12372. In completing the SF-424, the applicant must make the appropriate selection in response to question 19 once it has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov as part of **Step 1 of the application submission process**. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. **Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.**

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. Applicants begin **Step 2 of the application submission process** by reviewing the Standard Applicant Information in JustGrants, making edits as needed, confirming the Authorized Representative, verifying the legal name and address, and entering the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Do not

summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Data Requested with Application

Applicants must complete three questionnaires in JustGrants: the Pre-Award Risk Assessment, the Applicant Entity Questionnaire, and the Culturally Specific Services Program Summary Data Sheet. These questionnaires are not scored. Applicants should click on the questionnaire name in JustGrants to access and complete each questionnaire. Although the questionnaires must be completed in JustGrants, the questions can be viewed in Appendices B, C, and D of this solicitation.

Proposal Narrative

The Proposal Narrative may not exceed 20 pages (22 if the applicant is addressing OVW Priority Area 2), double-spaced. Reviewers will not read beyond this page limit. The Proposal Narrative must include the three sections below. The total point value for the proposal narrative section is 55. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal (15 points)

This section must:

1. Describe the communities in the service area, including but not limited to: traditionally underserved populations, such as communities of color, people with disabilities, people who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+ communities.
2. Identify the culturally specific population to be addressed by this project.
3. Describe the gaps in victim services (among mainstream organizations as well as other culturally specific organizations) and how the population to be addressed is currently underserved.
4. Describe the barriers to seeking services experienced by victims of domestic violence, dating violence, sexual assault, and stalking from the culturally specific population.

What Will Be Done (20 points)

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of the Proposal" section above. Do not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Describe the project goals and objectives, describing the specific tasks and activities necessary to accomplish each.
2. Describe the tentative timeline for the implementation of the proposed activities.
3. Describe how the proposed activities are tailored to the culture of the population to be addressed by the project. For example, you may describe how holistic healing practices that are traditional and specific to the survivor's culture (e.g., trauma-informed yoga, sweat lodges, spiritual dances, sister circles, songs, prayers, etc.) are currently being integrated into service provision and/or the organizational culture.

4. Describe how the proposed activities and initiatives will build upon and/or enhance current activities.
5. Describe how victim safety and autonomy are currently addressed by the lead applicant.
6. Describe how victim safety and autonomy will be addressed in the proposed project.
7. Describe how the proposed project will reach each population identified in the Purpose of the Proposal section.
8. Describe how the proposed project will address the unique needs of the traditionally underserved populations identified in the Purpose of the Proposal section above.
9. Describe how the proposed project will improve accessibility for people with disabilities and people who are Deaf or hard of hearing.
10. Describe how the proposed project will improve accessibility for people with limited English proficiency.
11. Describe how survivors and other people with relevant lived experiences have helped formulate and/or will be involved in shaping and implementing the project. Involving people with lived experience is a way to ensure that an approach is informed by people who have direct experience with the issues the approach is trying to alleviate. An example of involving people with lived experience is asking survivors who have obtained protection orders to help develop a brochure explaining the steps for requesting a protection order. For more information about engaging people with lived experience, see this brief from the [Department of Health and Human Services](#).

Additional Information for Applicants Addressing OVW Priority Area 2

Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

OVW recognizes that culture has a significant role in helping sexual assault survivors heal from trauma and is committed to making meaningful changes to improve the systemic response. Unfortunately, criminal justice systems and community-based service providers have sometimes failed to appropriately address the unique needs of sexual assault survivors from culturally specific communities which can be detrimental to the healing process. For FY 2024, the CSSP Unit will prioritize funding for programs that prevent and/or address sexual assault. This may also include adult survivors of childhood sexual assault.

The Sexual Assault Demonstration Initiative (SADI) was created to enhance sexual assault outreach, victim services, and community partnerships in dual/multi-service programs. For additional information and resources, see the [Sexual Assault Demonstration Initiative | National Sexual Violence Resource Center \(NSVRC\)](#).

Applications proposing to address this priority area must include additional information to address the criteria described below. For projects that do not opt for an optional initial planning phase, only the two items below should be addressed. This portion of the application is limited to two additional pages, double-spaced (for a total possible proposal narrative length of 22 pages. Note: Applicants requesting special consideration under this priority area must focus 50 percent or more of grant-funded activities on non-intimate partner sexual assault. This should also be reflected in the applicant's budget.

1. Describe the non-intimate partner sexual assault services currently being offered by the lead applicant and/or project partners.

2. Describe current outreach efforts to victims of non-intimate partner sexual assault including how materials and/or outreach activities are tailored to the victim's culture.

Project Proposals with an Initial Planning Phase (Optional)

The CSSP Unit will also accept project proposals that request an initial planning phase to build or increase capacity to effectively address the needs of non-intimate partner sexual assault victims and survivors. This planning phase is not required for applicants with an existing program. Projects that request an initial planning phase must address the below items (1 - 5) and not the items in the section above that describe an existing program. This portion of the application is limited to two additional pages, double-spaced (for a total possible proposal narrative length of 22 pages).

1. Describe the proposed services for victims of non-intimate partner sexual assault by the lead applicant and/or project partners. Please include any relevant research and/ or knowledge regarding how these services are traditional and specific to the victim's culture (e.g., trauma-informed yoga, sweat lodges, spiritual dances, sister circles, songs, prayers, etc.).
2. Clearly identify the activities that will be accomplished during the project planning phase, including the timeline for achievement and the person(s) responsible for each task. Note: The project planning phase should allow sufficient time for the lead applicant and/or project partners to develop a thorough plan for project implementation, including efforts to hire supervisory and/or direct services staff with the knowledge and expertise to provide services to sexual assault victims using holistic cultural practices that are traditional and specific to the victim's culture.
3. Describe any proposed outreach efforts to victims of non-intimate partner sexual assault including how materials and/or outreach activities will be tailored to the victim's culture.
4. Describe the training and technical assistance that will be provided to key individuals involved in the proposed project.

Who Will Implement the Proposal (20 points)

This section must:

1. Identify the key people and organizations, including project partners involved in the proposed project.
2. Demonstrate that the people and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities. Job descriptions of all key personnel must be attached but will not count toward the page limit.
3. Describe how the applicant's advisory board or steering committee members staff are reflective of the identified culturally specific community through their knowledge or experience relevant to the culturally specific community.
4. Provide detailed information that demonstrates the applicant or MOU partner organization has expertise and experience providing direct intervention services to victims of domestic violence, dating violence, sexual assault, or stalking.
5. Detail the experience and expertise of the key personnel who will be directly involved with the project.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below, under each heading. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **25 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Applicants must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Creating a Budget](#) webinar on the OVW website. Keep in mind that budgetary requirements vary among programs. Budgets should be reasonable and based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amounts

Funding levels for this program in FY 2024 range from a maximum of \$400,000 to \$475,000 for the 36-month award period, depending on whether the application proposes to address a priority area. See the Federal Award Information section of this solicitation for more information.

The budget must:

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise stated in the MOU/LOC. For more information on compensating project partners, see the Budget Information and Sample Budget Narrative in [Appendix A](#).
3. Include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, or describe other resources available to the applicant to ensure meaningful access for such people. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
5. Include funds to attend OVW-sponsored TTA in the amount of \$15,000 for applicants located in the 48 contiguous states and \$20,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
6. Follow the maximum allowable amounts and purposes for Category IV MOU partners as outlined in the Other Program Eligibility Requirements Section.
7. Limit comprehensive legal assistance by an attorney to 10% of the project's overall budget, if applicable.
8. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is

for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Solicitation Companion Guide](#) on the OVW website.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the Budget Information and Sample Budget Narrative in [Appendix A](#).

Funding Restrictions

The following information is provided to help applicants develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current negotiated (including provisional) indirect cost rate, except for those non-federal entities described in [Appendix VII to Part 200 paragraph \(d\)\(1\)\(B\)](#), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees. If so, the applicant must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal

Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample [Disclosure of Process Related to Executive Compensation](#) letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., if the recipient changes in the way it determines compensation).

Letters of Commitment (LOC) for Applicants Addressing Purpose Areas 1 or 3 and Priority Area 1

All applicants proposing to implement either Purpose Area 1 (working with state and local governments and social service agencies to develop and enhance effective strategies to provide culturally specific services) and/or Purpose Area 3 (strengthening criminal justice interventions by providing training for law enforcement, prosecution, courts, probation, and correctional facilities on culturally specific responses) and seeking special consideration because they are addressing Priority Area 1 must submit an LOC from each appropriate agency. The submitted LOC will not be scored but is required if the applicant is addressing Purpose Area 1 and/or 3 and seeking special consideration for Priority Area 1. Each LOC must be signed and currently dated by the Authorized Representative of the appropriate state or local government, social services, or law enforcement agency during the development of the application. The LOC(s) must be uploaded as an attachment(s) to the application in JustGrants.

Each LOC must:

1. Demonstrate that the appropriate state or local government, social services, or criminal justice agency is committed to working with the applicant to achieve stated project goals and objectives.

2. Describe whether the agency has previously worked or partnered with the applicant and if so, under what circumstances.
3. Clearly identify the types of:
 - activities that will be undertaken between the appropriate state or local government or social service agency and the applicant to develop and enhance effective strategies to provide culturally specific services to victims of domestic violence, dating violence, sexual assault, and stalking; or
 - training that will be provided for law enforcement, prosecution, courts, probation, and correctional facilities on culturally specific responses to domestic violence, dating violence, sexual assault, and stalking.

Memorandum of Understanding and Supporting Documents

Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities between two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU or MOE is worth a total of **20 points**. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or **removal from consideration, particularly if the MOU is missing the signature of a required partner**. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample [MOU](#) is available on the OVW website.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship between those partners, including when and under what circumstances the collaborative relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Identify which organization has the expertise in providing direct services for victims of domestic violence, dating violence, sexual assault, and stalking.
6. Describe the types of direct services the organization provides to victims of domestic violence, dating violence, sexual assault, and stalking.
7. Detail the length of time the organization has provided the types of direct services for victims described in number six above.
8. Indicate approval of the entire budget by all partners. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds.

Category I applicants must submit an MOE in place of the MOU. The MOE must be a single document, signed and dated by the Authorized Representative of the applicant during the development of the application. If the MOE is missing the required signature, the application may receive a point deduction or be removed from consideration, or the applicant may have to provide a signed MOE before an award can be made.

The MOE must clearly:

1. Describe the types of direct services the applicant culturally specific organization provides to victims of domestic violence, dating violence, sexual assault, and stalking.
2. Detail the length of time the applicant culturally specific organization has provided these services for victims.
3. Describe accomplishments in the community in providing services to victims of domestic violence, dating violence, sexual assault, and stalking.

An applicant that submits an MOE but does not demonstrate the required expertise, is not eligible for funding and will be removed from further consideration. Therefore, if there is any uncertainty as to whether the applicant meets the MOE criteria, the applicant is encouraged to contact OVW for guidance. Based on this guidance if the applicant doesn't meet the MOE criteria they should submit an MOU outlining a partnership with an organization that has the necessary expertise to provide services to victims of domestic violence, dating violence, sexual assault, and/or stalking. For additional information on the types of partnerships, see Required Partnerships in the Eligibility Information section of this solicitation.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to do so will result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

Applicants must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal

award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](https://sam.gov) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](https://grants.gov) takes an average of **1 week**.
- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of Step 1 of the application as described below under [How to Apply](#).

Note: Registration time frames are estimates. Applicants experiencing registration challenges should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* section below for guidance on how to proceed.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the applicant's responsibility to ensure that they are registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by **April 11, 2024. Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: The Grants.Gov deadline is 11:59 pm ET on May 2, 2024 and the JustGrants application deadline is 8:59 pm ET on May 7, 2024.** Applicants experiencing technical difficulties during the application submission process should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* below for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the application deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the *OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster* below.

Submission Information and Other Submission Requirements

Applications must be submitted to OVW through a two-step process that begins in Grants.gov and is completed in JustGrants:

Step 1: The applicant must submit by the Grants.gov deadline (**11:59pm ET on May 2, 2024**) the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov. To view the forms prior to completing them in Grants.gov, applicants can go to the Package tab under the funding opportunity that they're applying for and select Preview. The Preview then provides links to the forms.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/> by the JustGrants application deadline (**8:59pm ET on May 7, 2024**). OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.

3. Before the Grants.gov deadline, notify OVW, via email at OVW.Cultural@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.Cultural@usdoj.gov.

5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant **must** email the complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU/MOE and all documentation confirming the technical difficulty to OVW at OVW.Cultural@usdoj.gov by **8:59 p.m. E.T. on May 7, 2024**.

Technical difficulties while applying in JustGrants

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after **8:59 pm ET on May 7, 2024**. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.Cultural@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for

submission at the time the applicant notifies OVW, the application should be included with the email.

2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Culturally Specific Services Program, scoring will be as follows:

1. Proposal narrative: (55) points, of which:
 - A. Purpose of the proposal: (15) points.
 - B. What will be done: (20) points.
 - C. Who will implement the proposal: (20) points.
2. Budget worksheet and budget narrative: (25) points.
3. MOU/MOE: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a [peer review process](#) that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW peer reviewers may include victim advocates, judges, prosecutors, law enforcement officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with people with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority are current practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed

by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards under this program will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another

federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may consider factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to people with disabilities, including those with physical or cognitive disabilities, as well as people who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW may contact applicants for missing items. If an

applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

Budget Information and Sample Budget Narrative

Budget Information and Sample Budget Narrative

Budget Information

Cost information for selected items is provided below to assist applicants in preparing their budgets. Additional information is available in the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant must be reasonable and consistent with that paid for similar services in the marketplace. Applicants must consider the type of services provided and the individual's experience and expertise when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates over \$650 per day. Please note that the rate does not need to be as high as \$650 for all consultants. If a project is selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants must also include all costs associated with consultants or contractors in the "Procurement Contracts" category, including travel-related costs. Applicants should not reflect these costs in the Personnel or Travel categories.

Applicants must follow the same established procurement policies with federal funds as with non-federal funds. All procurement transactions, including the awarding of consultant contracts, must be conducted in a manner that provides maximum open, free, and fair competition, and must follow 2 C.F.R. §§ 200.317-200.327. All sole-source procurements (not awarded competitively) over \$250,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients.

MOU Partner/Subrecipient versus Contractor Determination

Memorandum of Understanding (MOU) project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.331 that support their classification as subrecipients:

- they are using federal funds to carry out a program for a public purpose specified in the authorizing statute;
- they are responsible for adherence to program requirements;
- they are responsible for programmatic decision-making;
- their performance is measured by meeting program objectives; and
- in some cases, they may be responsible for determining who is eligible to receive assistance (services) under the grant award.

In contrast, a contractor:

- provides goods and services within normal business operations;
- provides similar good and services to many different purchasers;
- normally operates in a competitive environment;
- provides goods and services that are ancillary to the operation of the program; and
- provides goods or services to which programmatic requirements generally do not apply.

For additional information on determining subrecipient or contractor designation, please refer to [2 C.F.R. § 200.331](#), as well as the Solicitation Companion Guide, available at <https://www.justice.gov/ovw/resources-applicants>.

Compensation for Partners

In developing budgets, applicants should compensate all project partners for their participation in project-related activities, including but not limited to compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault services programs, and state and tribal domestic violence and/or sexual assault coalitions. Partners are generally considered subrecipients and are reimbursed for their actual costs incurred for the project rather than on a fee for service basis. If a partner is a state or local governmental agency and the partnership duties are performed within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner: a) offers this arrangement; and b) an explanation of this arrangement is included in the application (typically in the MOU).

Training and Technical Assistance/Travel

The program solicitation specifies the amount of grant funds that must be budgeted for training and technical assistance. These funds must **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. These funds are to be used to support travel by all project partners, including nonprofit, nongovernmental service providers, to technical assistance events. This may include travel by individuals whose positions are not grant-funded if their roles and responsibilities are linked to the purpose of the project. If the technical assistance funds will be shared between the applicant and any project partners, the applicant's employees' travel costs must be listed in the "Travel" category in the budget, and partners' travel must be in the "Subawards" category. Label both costs as "OVW Technical Assistance" and ensure they total to the full required amount. Do not include registration fees, as OVW technical assistance is free for grantees.

If applicants are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to attend, they can budget expenses over the required amount.

Rent

Rental costs are generally allowable under OVW programs. Applicants must list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental facility. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable. The applicant must state in the budget narrative whether they own the space that will be rented. Refer to the following document for more information on how to appropriately allocate and break down the cost of rent in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Audit Costs

Costs for audits not required or performed in accordance with 2 C.F.R. Part 200 Subpart F – Audit Requirements are unallowable. If the applicant agency did not meet the applicable expenditure threshold (see 2 C.F.R. § 200.501) during the organization's fiscal year, they may not charge the cost of any audit performed to the grant.

Indirect Costs

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not

have a current negotiated (including provisional) indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information. Applicants may also choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs. However, some programs allow for purchasing vehicles on a case-by-case basis. Refer to the program solicitation to determine whether vehicles can be purchased or leased. A lease/purchase analysis must be submitted with the application if requesting a vehicle.

Non-Federal contributions

Any non-federal contributions can be discussed in the Proposal Narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

If the applicant voluntarily decides to provide matching funds through the use of in-kind contributions and includes this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide these mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to OVW to close out the grant award.

Cost Allocations

Costs for shared items, those not used solely for the award, should be equitably distributed to the funding sources that receive a benefit from the items. For example, when budgeting for general office supplies, it is important to note that the full cost cannot be allocated to the project. Instead, an allocation method should be used to share the cost among all staff who use the supplies. Refer to the following document for information on allocating shared costs in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Accessibility

The program solicitation requires that the applicant include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency, including by offering translation and interpretation services, and to provide access for people with disabilities or who are Deaf/hard of hearing.

Determining how much to budget for accessibility requires that recipients analyze the following:

- Available data about the local population to understand the language and accessibility needs in their service area;
- Historical data on screening and serving individuals who are LEP, Deaf or Hard of Hearing, or disabled; and
- Costs or documented estimates of language and other accessibility services and modifications in the service area. For resources and assistance in this process, visit <https://www.justice.gov/atj> and <https://www.lep.gov/>.

Recipients should make every effort to use these funds for their budgeted purpose of providing accessibility, and not reallocate them for other purposes later in the project.

Sample Budget Narrative

Purpose: The Sample Budget Narrative may be used to assist with preparing the budget and narrative. Applicants may use this form or the format of their choice (plain sheets, Excel document, the applicant’s own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to the applicant’s project may be deleted.

Note: The following budget is an example intended to assist applicants in preparing their budgets. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$65,000 x 50% x 3 years	\$97,500
Bilingual Shelter Manager	\$70,000 x 100% x 3 years	\$210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$13,500

Sample narrative: The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Bilingual Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant for the project will spend 10% of their time on the project, providing administrative and clerical support for activities directly related to this project.

TOTAL PERSONNEL: \$ 321,000

B. Fringe Benefits – Fringe benefits must be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker’s Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator		
Employer’s FICA	\$97,500 x 7.65%	\$ 7,459
Health Insurance	\$4,800/year x 50% x 3 years	\$ 7,200

Worker's Compensation	\$97,500 x 1.00%	\$ 975
Unemployment Compensation	\$97,500 x 0.50%	\$ 488
Bilingual Shelter Manager		
Employer's FICA	\$210,000 x 7.65%	\$16,065
Health Insurance	\$4,800/year x 100% x 3 years	\$14,400
Worker's Compensation	\$210,000 x 1.00%	\$ 2,100
Unemployment Compensation	\$210,000 x 0.50%	\$ 1,050
Administrative Assistant		
Employer's FICA	\$ 13,500 x 7.65%	\$ 1,033
Health Insurance	\$4,800/year x 10% x 3 years	\$ 1,440
Worker's Compensation	\$ 13,500 x 1.00%	\$ 135
Unemployment Compensation	\$ 13,500 x 0.50%	\$ 68

Sample Narrative: We request fringe benefits for the Program Coordinator, Bilingual Shelter Manager, and Administrative Assistant. Each employee's share of Health Insurance cost is prorated based on their projected time on the project.

TOTAL FRINGE BENEFITS: \$ 52,413

C. Travel – Project staff travel expenses should be itemized by purpose (e.g., training, field interviews, advisory group meeting, etc.) and include the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). For training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of travel policies applied, either the applicant's policy or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	TBD	TBD	\$12,000
Local Program Mileage	XYZ County		150 miles/month x \$0.655/mile x 36 months	\$ 3,537

Sample narrative: According to the requirements in the solicitation for this program, \$12,000 out of the total \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the travel cost for staff. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The exact locations of the trainings are currently unknown. However, travel estimates have been made using our formal written travel policy.

It is expected that the Program Coordinator will use a privately owned vehicle for local program mileage when traveling between the program shelter, main office, and all partner organizations. The rate for mileage reimbursement is calculated based on the current GSA Mileage Reimbursement Rate of \$0.655/mile and is estimated to be around 150 miles per month for a period of 36 months.

TOTAL TRAVEL: \$ 15,537

D. Equipment – List tangible personal property with a useful life of more than one year that needs to be purchased to support the project. It is important to follow the applicant’s own capitalization policy for equipment classification. For high-cost items and information technology systems, applicants should perform an analysis (and attach it to the application) that compares the cost of purchasing versus leasing equipment items, to determine the most economical approach. Rented or leased equipment items should be listed in the “Procurement Contracts” category. Describe in the narrative how the equipment is necessary for the success of the project.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$1,500/camera x 2 cameras	\$ 3,000

Sample narrative: The portable video cameras and tripod package will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking. Our capitalization threshold is \$1,000, so these items are classified as Equipment.

TOTAL EQUIPMENT: \$ 3,000

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any expendable or consumable materials that are used during the project period that are not equipment.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$250/month x 53% x 36 months	\$4,770
Postage	\$ 100/month x 53% x 36 months	\$1,908
Program Supplies	\$ 50/month x 36 months	\$1,800
75 Client Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Sample narrative: Office supplies and postage are needed for the general operation of the program and are shared amongst all office staff. The FTE allocation rate for shared costs incurred by all staff in this budget is 53% (based on total FTEs in the office is 3FTEs, and total FTEs in this budget is 1.6FTEs, so $1.6 / 3 = 0.53$, or 53%). Monthly costs for Office Supplies at \$250/month and Postage at \$100/month are estimated based on historical data. Charges to the grant will be based on the actual supplies purchased and actual percentage of staff time worked on the project (not budgeted amounts).

Program Supplies are estimated at a cost of \$50/month, based on historical data. The program supplies will be used for direct program activities such as art supplies and educational handouts/brochures for healing circles and group meetings for survivors.

The Client Assistance Kits will be provided to clients who receive services for domestic violence, dating violence, sexual assault, and stalking. These kits will contain toiletries and other personal hygiene products. We estimate the need for 75 kits, and the cost is based on similar kits provided by other programs.

TOTAL SUPPLIES: \$10,353

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with OVW before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		<u>\$ 0</u>

G. Subawards (subgrants): Describe project activities for which subrecipients/MOU partners will receive compensation under the award, including services for clients. Include any compensation for partner/subrecipient travel in this section as well.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
XYZ Survivor Services Organization		
Advocate	\$40,000 per year x .25 FTE x 3 years	\$30,000
Advocate	Benefits x 28% of FTE salary	\$ 8,400
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
Subtotal XYZ Survivor Services Organization Subaward		\$42,400

Sample narrative: The MOU partner XYZ Survivor Services Organization will offer advocacy services, such as safety planning and court accompaniment services. To cover the cost of travel for their staff, \$4,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated, in line with the budget requirements set forth in the solicitation. However, the training session locations are currently unknown. Travel estimates are based on the subrecipient’s formal written travel policy.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
123 Housing Provider		
Permanent housing advocate	\$40,000 per year x .10 FTE x 3 years	\$12,000
Advocate	Benefits x 28% of FTE salary	\$ 3,360

Rent subsidies	\$150/month x 36 months x 15 clients/families	\$ 81,000
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000

Subtotal 123 Housing Provider Subaward \$100,360

Sample narrative: The MOU partner, 123 Housing Provider, will provide rent subsidies for clients and their dependents, permanent housing placement services, and advocacy. The rent subsidy rates are based on our experience with available community housing. Out of the required \$20,000 for OVW mandated technical assistance and training funds, \$4,000 has been allocated to cover the cost of travel for partner staff. Travel estimates are based on the subrecipient’s formal written travel policy and training locations are currently unknown.

TOTAL SUBAWARDS: \$142,760

H: Procurement Contracts – Applicants should follow their documented procurement procedures that comply with the procurement standards in the Uniform Guidance at 2 C.F.R. §§ 200.317-200.327 or the Federal Acquisition Regulation.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. The actual rate for each consultant should be evaluated on a case-by-case basis, consistent with fair market value, and equal to the individual’s experience, education, and compensation they receive for providing similar services in the marketplace. Consultant fees over \$650 per day (for an 8-hour day) or \$81.25 per hour require additional justification and prior approval from OVW.
