Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses that provide services to victims and hold offenders accountable.

About this OVW Program

As people harmed by domestic violence, dating violence, sexual assault, and stalking seek expanded options to address the harm they have experienced, communities have continued to strengthen and improve their responses, approaches, and services. One such approach is restorative practices. Restorative practices incorporate an understanding of trauma and are intended to repair and address the harm experienced while providing meaningful accountability for the harm-doer. An effective restorative practices program is completely voluntary for the person harmed, promotes their autonomy, and prioritizes their safety, while promoting meaningful justice, accountability, and community safety.

The Violence Against Women Act Reauthorization Act of 2022, 34 U.S.C. § 12514, authorizes funding to eligible entities to develop and implement a program, or to assess best practices for: 1) restorative practices to prevent or address domestic violence, dating violence, sexual assault, or stalking; 2) training by eligible entities, or for eligible entities, courts or prosecutors, on restorative practices and program implementation; and 3) evaluations of a restorative practice, as defined within the statute. Accordingly, OVW is launching the Restorative Practices Pilot Program in three (3) phases: 1) Training and Technical Assistance; 2) Evaluation; and 3) Pilot Sites.

Phase 1: Training and Technical Assistance

OVW issued the FY 2023 Restorative Practices Technical Assistance Pilot Program Call for Concept Papers in March 2023 to identify organizations with the requisite experience and capacity to provide Training and Technical Assistance (TTA) to recipients, subrecipients, and potential recipients and subrecipients of this program. Following an intensive review of responses to the Call for Concept Papers, OVW invited five entities to submit full applications. OVW issued awards to three of those applicants in March 2024 for five-year TTA projects that will run from April 2024 through March 2029 and will involve a planning phase. In addition to providing TTA to the pilot sites, the TTA providers will participate in evaluation efforts funded through the FY 2024 Restorative Practices Pilot Program Evaluation Solicitation.

The TTA providers are funded under a separate funding announcement. This solicitation is exclusively intended to fund pilot sites of the Restorative Practices Pilot Sites Program.

Phase 2: Evaluation

In March 2024, OVW released the Restorative Practices Pilot Program Evaluation Solicitation to invite applications to conduct research and evaluation on restorative practices in collaboration with TTA providers and pilot sites.

While pilot sites funded through this Restorative Practices Pilot Sites Program Solicitation will be required to provide funding for and designate an on-site Evaluation Liaison to work with evaluator(s) and participate in the community-tailored evaluation, the comprehensive evaluation

will be funded under that separate funding announcement. This solicitation is exclusively intended to fund pilot sites of the Restorative Practices Pilot Sites Program.

Phase 3: Pilot Sites (this solicitation)

This Restorative Practices Pilot Sites Program is a 60-month funding opportunity seeking to support, strengthen, enhance, and expand existing restorative practice programs that prevent or address domestic violence, dating violence, sexual assault, or stalking, in accordance with the “restorative practices” definition at 34 U.S.C. § 12514(a)(3), and build evidence for victim-centered, trauma-informed, and culturally responsive restorative practices addressing these harms.

OVW will award cooperative agreements to eligible entities that form a partnership of two or more entities that have (1) a demonstrated history of comprehensive training and experience in working with victims of domestic violence, dating violence, sexual assault, or stalking; and (2) demonstrated experience in implementing restorative practices. OVW is interested in supporting communities to enhance or expand current efforts, including an evaluation of the intersection of domestic violence, dating violence, sexual assault, stalking and restorative practices. In addition, OVW seeks to fund a range of pilot sites, including sites in various geographic locations with different demographic characteristics; culturally specific, and/or underserved populations; and different VAWA subject areas to be addressed (i.e., domestic violence, dating violence, sexual assault, and/or stalking). OVW is interested in supporting projects that implement a diverse range of restorative practices, including projects that may have a connection to the criminal justice system, as long as the program is not housed within or administered by a court, prosecutor’s office, law enforcement agency, or any other component of the civil or criminal justice system.

Recipients under this program will receive TTA for the duration of their awards that is tailored to the recipients’ distinct approach to restorative practices in domestic violence, dating violence, sexual assault, and stalking cases. Recipients will be required to collaborate with the evaluator(s) to help develop an understanding of establishing, implementing, and using restorative practices to redress the harm caused by domestic violence, dating violence, sexual assault, and stalking.

The terms used throughout this solicitation may vary from people harmed, people who caused harm, harm-doers, victim, survivor, and offender, which reflects terminology used by practitioners and the statutory language that authorizes this program, 34 U.S.C. § 12514.

For additional information about OVW grant programs and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW’s [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. § 12514, funds under this pilot program must be used to implement a program for restorative practices focused on preventing or addressing domestic violence, dating violence, sexual assault, or stalking, in collaboration with the designated TTA providers and evaluator(s).

OVW Priority Areas

In FY 2024, OVW has four programmatic priorities. The priorities identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applicants that state that they are addressing a priority area and meet the criteria for that priority area will be given special consideration:

1. Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety.

To receive special consideration under this priority area, an applicant must identify the historically marginalized and/or underserved population(s) the project proposes to serve and describe how the restorative practices project proposed will be tailored to meet the needs of the identified population(s). The applicant must also either be or partner with a community-based organization with expertise in providing services to the identified population(s), including allocating budgetary resources to the partner organization(s).

Pursuant to 34 U.S.C. § 12514(c), OVW must give priority to applicants that submit proposals that meaningfully address the needs of culturally specific or underserved populations.¹

2. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses.

To receive consideration under this priority area, applications must propose to implement a primarily sexual assault focused project, in which at least 75% of project activities are intentionally designed for people harmed by sexual assault and includes a partnership with a community-based victim services provider with sexual assault expertise.

¹ The term “culturally specific” means primarily directed toward racial and ethnic minority groups (as defined in 42 U.S.C. § 300u-6(g)). 34 U.S.C. § 12291(a)(8). Section 300u-6(g) defines “racial and ethnic minority groups” as “American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.” The term “underserved populations” means “populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age)[.]” 34 U.S.C. § 12291(a)(46).

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to avoid responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. OVW may support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program and do not compromise victim safety. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be funded under this program. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. This prohibition does not apply to activities the pilot sites' Evaluation Liaisons are expected to engage in, such as collaborating with evaluators as they develop evaluation plans, assisting in recruiting study participants, and collecting some data.
2. Restorative practices that do not meet the definition outlined at 34 U.S.C. § 12514(a)(3).

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, regardless of the survey's purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an applicant's merit, OVW may elect to make awards for a future fiscal year if an application is not selected under this solicitation.

Type of Award

Awards will be made as cooperative agreements.

Cooperative agreements are a form of award under which OVW expects to have ongoing substantial involvement in project activities. For this program, substantial involvement requires

pilot sites to work closely with OVW, TTA providers, and the evaluator(s). Recipients must be willing to modify project activities at OVW's request in order to promote or enhance positive outcomes throughout the full duration of the project period, including a planning period and an implementation period.

Award Period and Amount

The award period is 60 months. Budgets, including the total "estimated funding" on the SF-424, must reflect 60 months of project activity. OVW anticipates that the award period will start on October 1, 2024.

OVW estimates that it will make up to 15 awards for an estimated \$23,000,000.

Awards under this program for FY 2024 will be made for up to \$1,500,000.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants before making an award or after an award is made but prior to access to funds.

Types of Applications

New: This is the first time awards will be made under this program.

Program Requirements

Applicants that receive funding under this program will be required to engage in the following activities:

1. Engage in a planning period to work with OVW and TTA Providers. Prior to implementing restorative practices, grantees will be required to engage in a planning period to assess current organizational structure, capacity, and practices; determine which restorative practices they want to enhance; identify additional training and technical assistance they may need; and hire or designate a Site Coordinator and Evaluation Liaison. It is anticipated that the planning period will be for 12 months, but the timeframe may vary by site and will depend on the site's ability to meet the project activities determined by OVW. During the planning period, the pilot sites will have access to limited funding until all planning activities have been completed and OVW approves required deliverables. At that time, pilot sites can access the remaining funding for the implementation period.
2. Participate in an evaluation funded by OVW, in partnership with an external evaluator(s). Participation will include, but is not limited to, the development of a victim evaluation component that will measure victims' satisfaction, experiences, and perceptions related to restorative practice services.
3. Designate an Evaluation Liaison to work with the designated national and local program evaluator(s) to ensure evaluation components are tailored to the community and meet the overall goals and objectives of the pilot project. Activities of the Evaluation Liaison include, but are not limited to: considering and providing feedback on aspects of the evaluation over the course of the project, making recommendations to the evaluator(s), and assisting in the recruitment of evaluation participants. Additionally, the Evaluation Liaison may support the distribution, dissemination, review, and internal use of research findings, to the extent appropriate and useful.

4. Upon successful completion and approval to proceed from the planning period to the implementation period, implement the provision of restorative practice only within the definition of restorative practice at 34 U.S.C. § 12514(a)(3):

The term “restorative practice” means a practice relating to a specific harm that--

- (A) is community-based and unaffiliated with any civil or criminal legal process;
- (B) is initiated by a victim of the harm;
- (C) involves, on a voluntary basis and without any evidence of coercion or intimidation of any victim of the harm by any individual who committed the harm or anyone associated with any such individual—
 - (i) one or more individuals who committed the harm;
 - (ii) one or more victims of the harm; and
 - (iii) the community affected by the harm through one or more representatives of the community;
- (D) shall include and has the goal of--
 - (i) collectively seeking accountability from one or more individuals who committed the harm;
 - (ii) developing a written process whereby one or more individuals who committed the harm will take responsibility for the actions that caused harm to one or more victims of the harm; and
 - (iii) developing a written course of action plan--
 - (I) that is responsive to the needs of one or more victims of the harm; and
 - (II) upon which one or more victims, one or more individuals who committed the harm, and the community can agree; and
- (E) is conducted in a victim services framework that protects the safety and supports the autonomy of one or more victims of the harm and the community.

Proposed restorative practices to be funded through this program must be unaffiliated with any civil or criminal legal process, meaning that they cannot be housed within or administrated by a court, prosecutor’s office, law enforcement agency, or any component of the civil or criminal justice system, and the decision to participate in such a program is initiated voluntarily by the person harmed and is solely determined by that individual.

5. As required by statute, 34 U.S.C. § 12514(e), ensure that any restorative practices program funded under this solicitation:

- (A) includes set practices and procedures for screening the suitability of any individual who committed a harm based on—
 - (i) the history of civil and criminal complaints against the individual involving domestic violence, sexual assault, dating violence, or stalking;
 - (ii) parole or probation violations of the individual or whether active parole or probation supervision of the individual is being conducted for prior offenses involving domestic violence, sexual assault, dating violence, or stalking;
 - (iii) the risk to the safety of any victim of the harm based on an evidence-based risk assessment;

- (iv) the risk to public safety, including an evidence-based risk assessment of the danger to the public; and
 - (v) past participation of any individual who committed the harm in restorative practice programming; and
 - (B) denies eligibility to participate in the program for any individual who committed a harm against whom there is—
 - (i) a pending felony or misdemeanor prosecution for an offense against any victim of the harm or a dependent of any such victim;
 - (ii) a restraining order or a protection order (as defined in 18 U.S.C. § 2266) that protects any victim of the harm or a dependent of any such victim, unless there is an exception in the restraining order or protective order allowing for participation in a restorative practices program;
 - (iii) a pending criminal charge involving or relating to sexual assault, including rape, human trafficking, or child abuse, including child sexual abuse; or
 - (iv) a conviction for child sexual abuse against the victim or a sibling of the victim if the victim or sibling of the victim is currently a minor.
- 6. Ensure that any restorative practices program funded under this solicitation includes individuals with knowledge and experience in conducting risk assessments and referring victims to additional services and resources. With respect to the evidence-based risk assessment referred in A(iii) above, if the applicant or subrecipient determines that a victim or a dependent of a victim is at significant risk of subsequent serious injury, sexual assault, or death, the applicant or subrecipient, shall refer the victim or dependent to other victim services, instead of restorative practices.
- 7. Designate a full-time Site Coordinator to oversee and implement project activities.
- 8. Participate in at least one All Sites meeting per year with 5-7 people from each of the pilot program sites (dates and locations to be determined).
- 9. Participate in OVW-sponsored TTA throughout the duration of the project period. In addition to participating in a New Grantee Orientation, grantees will work with OVW and TTA providers to:
 - a. Identify additional training and technical assistance needs;
 - b. Participate in customized training and technical assistance; and
 - c. Identify community resources, including culturally specific and/or community-based organizations that the grantee can partner with to enhance partnerships and collaborations.
- 10. Collect and report on performance indicators. (OVW will provide forms, instructions, training, and related tools on performance reporting.)

Applications must include the required documents and meet the program eligibility requirements. For a checklist, see the [Application Checklist](#) in the Other Information section of this solicitation.

OVW will not contact applicants for missing items on the list below. **Applications that do not include all the following documents will not be considered for funding:**

1. Proposal Narrative
2. Budget Detail Worksheet and Narrative
3. Signed Memorandum of Understanding or Letter of Commitment for Tribal governments
4. Project Management Structure Illustration

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 in Grants.gov as part of **Step 1 of the application submission process**. The SF-424 is generated when the applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) should match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must have the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to comply with the state's process under E.O. 12372. In completing the SF-424, the applicant must make the appropriate selection in response to question 19 once it has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer

question 19 by selecting the following response: “Program is subject to E.O. 12372 but has not been selected by the state for review.”

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov as part of **Step 1 of the application submission process**. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL.

Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. Applicants begin **Step 2 of the application submission process** by reviewing the Standard Applicant Information in JustGrants, making edits as needed, confirming the Authorized Representative, verifying the legal name and address, and entering the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Do not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Data Requested with Application

Applicants must complete three questionnaires in JustGrants: the Pre-Award Risk Assessment, the Applicant Entity Questionnaire, and the Restorative Practices Pilot Sites Program Summary Data Sheet. These questionnaires are not scored. Applicants should click on the questionnaire name in JustGrants to access and complete each questionnaire. Although the questionnaires must be completed in JustGrants, the questions can be viewed in Appendices B, C, and D of this solicitation.

Proposal Narrative

The Proposal Narrative may not exceed 20 pages, double-spaced. Reviewers will not read beyond this page limit. The Proposal Narrative must include the 3 sections below. The total point value for the proposal narrative section is 70 points. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal (20 points)

This section must:

1. Describe the community(ies) in the service area, including but not limited to: traditionally underserved populations, such as communities of color, people with disabilities, people who are Deaf or hard of hearing, persons with limited English proficiency, older adults, and LGBTQ+ communities.

2. Describe the dynamics of domestic violence, dating violence, sexual assault, and stalking, including any unique cultural context within the community to be served by the project.
3. Describe the challenges of implementing existing restorative practices, conducted by the applicant and/or community partner, in domestic violence, dating violence, sexual assault and/or stalking cases.
4. Describe how the proposed project will enhance existing or expand restorative practices that address domestic violence, dating violence, sexual assault, and/or stalking.
5. Outline the target population(s) to be served in this project, including culturally specific and/or underserved population(s).
6. Describe the available resources within the community and referral process, including situations when it is determined that the person harmed or a dependent of the person harmed is at risk of subsequent serious injury, sexual assault, or death, such that restorative practices are not a suitable option.

What Will Be Done (25 points)

The application must provide a clear link between the proposed activities and the need identified in the “Purpose of the Proposal” section above. Do not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Describe how the experience and needs of each person harmed will be centered in the program design, including safety planning, safety monitoring process, and victim safety prioritization, with an emphasis on ongoing voluntary participation by the person harmed.
2. Explain how the needs of people harmed will be balanced with working on accountability with the people who have caused the harmed.
3. Describe the evidence-based risk assessment tool and process that will be used, including at which point(s) the risk assessment will be administered.
4. Explain the screening practices and procedures for determining the suitability of any individual who committed a harm to participate in restorative practices.
5. Describe the needs of the target population and how the restorative practice model(s) that will be used will meet those needs.
6. Identify the proposed outcomes the applicant wants to achieve in this project and how progress and outcomes will be measured.
7. If proposing to address the OVW priority area “Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety,” identify the historically marginalized population(s), including the culturally specific population(s) and/or underserved population(s), to be served by the project, and describe how the proposed project is tailored to meet the unique needs of the identified population(s).
8. If proposing to address the OVW priority area “Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses,” describe how at least 75% of the proposed project activities are intentionally designed for people harmed by sexual assault.
9. Describe how the proposed project will improve accessibility for people with disabilities and people who are Deaf or hard of hearing.

10. Describe how the proposed project will improve accessibility for people with limited English proficiency.
11. Describe how survivors and other people with relevant lived experiences have helped formulate and/or will be involved in shaping and implementing the project. Involving people with lived experience is a way to ensure that an approach is informed by people who have direct experience with the issues the approach is trying to alleviate. An example of involving people with lived experience is asking survivors who have obtained protection orders to help develop a brochure explaining the steps for requesting a protection order. For more information about engaging people with lived experience, see this brief from the [Department of Health and Human Services](#).
12. Describe how the applicant and project partners will collaborate with the evaluator(s) for the confidential and ethical collection of useful data.
13. Identify any products (e.g., flyers, brochures, videos, outreach materials, etc.) (if applicable) that will be developed.

Who Will Implement the Proposal (25 points)

This section must:

1. Identify the key people and organizations, including project partners involved in the proposed project; explain their role and responsibilities within the project.
2. Demonstrate that the people and organizations identified have the capacity and commitment to address the stated need and can successfully implement the proposed project activities throughout the 60-month project period. Job descriptions of all key personnel must be attached but will not count toward the page limit.
3. Demonstrate that the applicant and/or project partners have a history of comprehensive training as well as experience in working with victims of domestic violence, dating violence, sexual assault, or stalking.
4. Explain the history of the applicant and/or project partners of implementing restorative practices, including the number of years of experience in restorative practices, a list of the types of crimes or incidents addressed, and populations served (e.g., incarcerated men, youth in school settings, etc.).
5. Describe how the applicant and/or its partners has built trust within the community, among people who have been harmed, and among people who have caused harm, including how the applicant and/or its partners has addressed perceptions of partiality to either people who have been harmed or people who have caused harm.
6. If proposing to address the priority area: "Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety," identify which organization, whether it is the applicant and/or project partner(s), that has expertise working with the identified historically marginalized population(s), including the culturally specific population(s) and/or underserved population(s), and the services they provide to address the needs of this population.
7. If proposing to address the OVW priority area "Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses", identify which organization, whether it is the applicant and/or project partner(s), that represents the community victim service provider(s) with sexual assault expertise and the breadth of services provided to sexual assault survivors.

8. Describe how the applicant, and the Evaluation Liaison specifically, will work with the evaluator(s) and create opportunities to learn from interim research findings.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below, under each heading. OVW strongly encourages using a spreadsheet (e.g., Excel, Numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **10 points** and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Applicants must upload in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Creating a Budget](#) webinar on the OVW website. Keep in mind that budgetary requirements vary among programs. Budgets should be reasonable and based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amounts

Budgets should cover a project period of 60 months starting October 1, 2024, and ending on September 30, 2029. Budget requests should not exceed \$1.5 million.

The budget must:

1. Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Fairly and reasonably compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the Budget Information and Sample Budget Narrative in [Appendix A](#).
3. Include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
4. Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, or describe other resources available to the applicant to ensure meaningful access for such people. See Accessibility under the [Federal Award Administration Information](#) section of this solicitation for more information.
5. Include funds to attend OVW-sponsored TTA in the amount of **\$200,000** for applicants located in the 48 contiguous states and \$250,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 60 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
6. Include costs associated with determining eligibility for any individual(s) who caused a harm to participate in the program (for example, background checks).

7. Include funds to support data collection and evaluation development and coordination within the project.
8. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner; a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the Budget Information and Sample Budget Narrative in [Appendix A](#) and the [Solicitation Companion Guide](#) on the OVW website.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the Budget Information and Sample Budget Narrative in [Appendix A](#).

Funding Restrictions

The following information is provided to help applicants develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the meeting or conference. Examples include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.

2. Failure to serve food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, including relevant details about the applicant's community, such as a rural or remote location. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the OVW conference approval process.

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Budget clearance does not constitute prior approval to hold a conference. Recipients must seek approval of these costs through the conference approval process.

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current negotiated (including provisional) indirect cost rate, except for those non-federal entities described in [Appendix VII to Part 200 paragraph \(d\)\(1\)\(B\)](#), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors,

trustees, and key employees. If so, the applicant must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample [Disclosure of Process Related to Executive Compensation](#) letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., if the recipient changes in the way it determines compensation).

Memorandum of Understanding and Supporting Documents

Memorandum of Understanding (MOU) or Letters of Commitment (LOC)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities between two or more parties, and it must be included as an attachment to the application in JustGrants. The LOC is a letter affirming the intent to commit the specified resources toward the project by one party, and it must be included as an attachment to the application in JustGrants. The MOU/LOC is worth a total of **20 points**. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients

adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. An MOU missing signatures may result in a point deduction or **removal from consideration, particularly if the MOU is missing the signature of a required partner**. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample [MOU](#) is available on the OVW website.

Applicants must have formal partnerships, delineated in the MOU (or LOC) as outlined in the “Required Partnerships” section under [Eligibility Information](#).

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship between those partners, including when and under what circumstances the collaborative relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. If addressing the priority area “Advance equity and tribal sovereignty as essential components of ending sexual assault, domestic violence, dating violence, and stalking by improving outreach, services, civil and criminal justice responses, prevention, and support for survivors from historically marginalized and underserved communities, particularly those facing disproportionate rates or impacts of violence and multiple barriers to services, justice, and safety,” demonstrate how the proposed partnership can address the needs of the historically marginalized population(s), including culturally specific and/or underserved population(s), identified in the What Will Be Done section.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Describe the applicant’s or partner’s experience implementing restorative practices;
6. Describe the applicant’s or partner’s history of collaborating with community-led or community-driven efforts to address domestic violence, dating violence, sexual assault, or stalking;
7. Detail the applicant’s or partner’s history of working with and advocating for survivors of domestic violence, dating violence, sexual assault, or stalking;
8. Describe the applicant’s or partner’s experience in screening the suitability of individuals who caused harm;
9. Describe the applicant’s or partner’s experience in working with individuals who caused harm; and
10. State the applicant’s and partner’s willingness to engage with researchers conducting a program evaluation.

Letters of Commitment (Tribal governments only)

If a Tribal government is unable to submit a signed MOU, the Tribal government may submit a signed LOC from each project partner. If selected for funding, the Tribal government must submit a signed MOU as a deliverable within six (6) months of the award.

The LOCs must:

1. State the partner's commitment to the success of the project for the entire award period including their willingness to engage with TTA Providers and evaluator(s).
2. Describe the roles and responsibilities that the partner will assume to ensure the success of the project.
3. Describe the resources the partner would contribute to the project, either through time, in-kind contributions, or other resources (e.g., office space, project staff, training).
4. Describe the partner's experience implementing restorative practices; history of collaborating with community-led or community-driven efforts to address domestic violence, dating violence, sexual assault, or stalking; history of working with and advocating for survivors of domestic violence, dating violence, sexual assault, or stalking; experience in screening the suitability of individuals who caused harm; and/or experience in working with individuals who caused harm.
5. Demonstrate willingness to engage with researchers conducting a program evaluation.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to do so may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letter of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample [Letter of Nonsupplanting](#) is available on the OVW website.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under the Eligible Applicants section, an entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to attach a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Summary of Other Federal Funding

Applicants must disclose whether they have any of the following: 1) an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a federal award to do the same or similar work; or 5) a pending federal application to do the same or similar work.

Applicants will provide this information by completing the Summary of Other Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

Summary of Non-Federal Funding

Applicants must disclose whether they have any of the following: 1) a non-federal grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 2) a subaward under a non-federal grant or cooperative agreement that is open or that closed within 12 months of the date this solicitation closes; 3) a pending non-federal application as either the lead applicant/potential recipient or as a partner/potential subrecipient; 4) a non-federal award to do the same or similar work; or 5) a pending non-federal application to do the same or similar work.

Applicants will provide this information by completing the Summary of Non-Federal Funding form in the Disclosures and Assurances section of JustGrants during the application submission process.

Certification to Implement Statutorily Defined Restorative Practices

Applicants must upload and attach in JustGrants the required Certification to Implement Statutorily Defined Restorative Practices signed by the highest authorizing official. For more information on the required certifications, see the [Eligibility Information](#) section of this solicitation.

Project Management Structure Illustration

Provide the project management structure as an attachment to the narrative illustrating the structure of the program design. For example, in the illustration, include the key people of the project and their roles, including but not limited to key project partners, the Site Coordinator and the Evaluation Liaison. The project management structure illustration will not count against the page limit.

Applicants must upload and attach in JustGrants the required Project Management Structure Illustration.

Disclosures and Assurances

All applicants must review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

Applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time must register with the following systems:

- SAM.gov: Registration with [SAM.gov](https://sam.gov) includes receiving a UEI and takes an average of **2 to 3 weeks**.
- Grants.gov: Registration with [Grants.gov](https://grants.gov) takes an average of **1 week**.
- JustGrants: Registration with JustGrants needs to be completed **ONLY** after successful submission of Step 1 of the application as described below under [How to Apply](#).

Note: Registration time frames are estimates. Applicants experiencing registration challenges should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* section below for guidance on how to proceed.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the applicant's responsibility to ensure that they are registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process or ensure that all accounts are active and up to date, by **June 5, 2024**. **Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/qsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: The Grants.Gov deadline is 11:59 pm ET on June 25, 2024 and the JustGrants application deadline is 8:59 pm ET on June 27, 2024.** Applicants experiencing technical difficulties during the application submission process should refer to the *OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes* below for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the application deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the *OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster* below.

Submission Information and Other Submission Requirements

Applications must be submitted to OVW through a two-step process that begins in Grants.gov and is completed in JustGrants:

Step 1: The applicant must submit by the Grants.gov deadline (provided above) the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov. To view the forms prior to completing them in Grants.gov, applicants can go to the Package tab under the funding opportunity that they're applying for and select Preview. The Preview then provides links to the forms.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at <https://justicegrants.usdoj.gov/> by the JustGrants application deadline (provided above). OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Before the Grants.gov deadline, notify OVW, via email at OVW.RestorativeJustice@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.RestorativeJustice@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify OVW via email at OVW.RestorativeJustice@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant **must** email the complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU or LOC for Tribal governments, Project Management Structure Illustration, Certification to Implement Statutorily Defined Restorative Practices and all documentation confirming the technical difficulty to OVW at OVW.RestorativeJustice@usdoj.gov by **8:59 p.m. E.T. on June 27, 2024**.

Technical difficulties while applying in JustGrants

1. Contact OVW JustGrants Support at OVW.JustGrantsSupport@usdoj.gov or 866-655-4482 as soon as the applicant is aware of a problem. OVW JustGrants Support is a separate Help Desk from OJP and COPS and is dedicated to OVW applicants.
2. Maintain documentation of all communication with OVW JustGrants Support.
3. Actively work with OVW JustGrants Support to resolve the technical difficulty.
4. Contact OVW, via email at OVW.RestorativeJustice@usdoj.gov, prior to the JustGrants deadline (**8:59 p.m. E.T. on June 27, 2024**). If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application

deadline, but **no earlier than 4 hours prior to the deadline**. The email must include the following:

- A detailed description of the technical difficulty.
- The contact information (name, telephone, and email) for the person making the request.
- The applicant's UEI number.
- JustGrants application numbers and User Support tracking numbers.
- The complete application (SF-LLL, SF-424, Proposal Narrative, Budget and Budget Narrative, MOU or Letter of Commitment for Tribal governments only, Project Management Structure Illustration, and Certification to Implement Statutorily Defined Restorative Practices).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after **8:59 pm ET on June 27, 2024 – JustGrants deadline**. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.RestorativeJustice@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level

of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Restorative Practices Pilot Sites Program, scoring will be as follows:

1. Proposal narrative: 70 points, of which:
 - A. Purpose of the proposal: 20 points.
 - B. What will be done: 25 points.
 - C. Who will implement the proposal: 25 points.
2. Budget worksheet and budget narrative: 10 points.
3. MOU or LOC for Tribal governments: 20 points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW Restorative Practices peer reviewers may include victim advocates, practitioners, facilitators, culturally specific service providers, researchers, evaluators, criminal or civil justice representatives who have implemented restorative practices, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with people with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority are current practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious

breach of confidentiality will not be considered for funding. During the programmatic review, OVW and/or the designated TTA providers will conduct at least one individual call with applicants that are considered for funding to assess capacity and readiness to participate in the pilot project.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in SAM in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may consider factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived

race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to people with disabilities, including those with physical or cognitive disabilities, as well as people who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Other Information

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. If an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

APPENDIX A

Budget Information and Sample Budget Narrative

Budget Information and Sample Budget Narrative

Budget Information

Cost information for selected items is provided below to assist applicants in preparing their budgets. Additional information is available in the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant must be reasonable and consistent with that paid for similar services in the marketplace. Applicants must consider the type of services provided and the individual's experience and expertise when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates over \$650 per day. Please note that the rate does not need to be as high as \$650 for all consultants. If a project is selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants must also include all costs associated with consultants or contractors in the "Procurement Contracts" category, including travel-related costs. Applicants should not reflect these costs in the Personnel or Travel categories.

Applicants must follow the same established procurement policies with federal funds as with non-federal funds. All procurement transactions, including the awarding of consultant contracts, must be conducted in a manner that provides maximum open, free, and fair competition, and must follow 2 C.F.R. §§ 200.317-200.327. All sole-source procurements (not awarded competitively) over \$250,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of subrecipients.

MOU Partner/Subrecipient versus Contractor Determination

Memorandum of Understanding (MOU) project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.331 that support their classification as subrecipients:

- they are using federal funds to carry out a program for a public purpose specified in the authorizing statute;
- they are responsible for adherence to program requirements;
- they are responsible for programmatic decision-making;
- their performance is measured by meeting program objectives; and
- in some cases, they may be responsible for determining who is eligible to receive assistance (services) under the grant award.

In contrast, a contractor:

- provides goods and services within normal business operations;
- provides similar good and services to many different purchasers;
- normally operates in a competitive environment;
- provides goods and services that are ancillary to the operation of the program; and
- provides goods or services to which programmatic requirements generally do not apply.

For additional information on determining subrecipient or contractor designation, please refer to [2 C.F.R. § 200.331](#), as well as the Solicitation Companion Guide, available at <https://www.justice.gov/ovw/resources-applicants>.

Compensation for Partners

In developing budgets, applicants should compensate all project partners for their participation in project-related activities, including but not limited to compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault services programs, and state and tribal domestic violence and/or sexual assault coalitions. Partners are generally considered subrecipients and are reimbursed for their actual costs incurred for the project rather than on a fee for service basis. If a partner is a state or local governmental agency and the partnership duties are performed within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner: a) offers this arrangement; and b) an explanation of this arrangement is included in the application (typically in the MOU).

Training and Technical Assistance/Travel

The program solicitation specifies the amount of grant funds that must be budgeted for training and technical assistance. These funds must **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. These funds are to be used to support travel by all project partners, including nonprofit, nongovernmental service providers, to technical assistance events. This may include travel by individuals whose positions are not grant-funded if their roles and responsibilities are linked to the purpose of the project. If the technical assistance funds will be shared between the applicant and any project partners, the applicant's employees' travel costs must be listed in the "Travel" category in the budget, and partners' travel must be in the "Subawards" category. Label both costs as "OVW Technical Assistance" and ensure they total to the full required amount. Do not include registration fees, as OVW technical assistance is free for grantees.

If applicants are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to attend, they can budget expenses over the required amount.

Rent

Rental costs are generally allowable under OVW programs. Applicants must list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental facility. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable. The applicant must state in the budget narrative whether they own the space that will be rented. Refer to the following document for more information on how to appropriately allocate and break down the cost of rent in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Audit Costs

Costs for audits not required or performed in accordance with 2 C.F.R. Part 200 Subpart F – Audit Requirements are unallowable. If the applicant agency did not meet the applicable expenditure threshold (see 2 C.F.R. § 200.501) during the organization's fiscal year, they may not charge the cost of any audit performed to the grant.

Indirect Costs

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not

have a current negotiated (including provisional) indirect cost rate, except for those non-Federal entities described in Appendix VII to Part 200 paragraph (d)(1)(B), may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC). Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information. Applicants may also choose to waive indirect costs.

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs. However, some programs allow for purchasing vehicles on a case-by-case basis. Refer to the program solicitation to determine whether vehicles can be purchased or leased. A lease/purchase analysis must be submitted with the application if requesting a vehicle.

Non-Federal contributions

Any non-federal contributions can be discussed in the Proposal Narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

If the applicant voluntarily decides to provide matching funds through the use of in-kind contributions and includes this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide these mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to OVW to close out the grant award.

Cost Allocations

Costs for shared items, those not used solely for the award, should be equitably distributed to the funding sources that receive a benefit from the items. For example, when budgeting for general office supplies, it is important to note that the full cost cannot be allocated to the project. Instead, an allocation method should be used to share the cost among all staff who use the supplies. Refer to the following document for information on allocating shared costs in the budget: Cost Allocation Information, available at <https://www.justice.gov/ovw/resources-applicants>.

Accessibility

The program solicitation requires that the applicant include sufficient funds to provide language access or describe other resources available to the applicant to ensure meaningful access for persons with limited English proficiency, including by offering translation and interpretation services, and to provide access for people with disabilities or who are Deaf/hard of hearing.

Determining how much to budget for accessibility requires that recipients analyze the following:

- Available data about the local population to understand the language and accessibility needs in their service area;
- Historical data on screening and serving individuals who are LEP, Deaf or Hard of Hearing, or disabled; and
- Costs or documented estimates of language and other accessibility services and modifications in the service area. For resources and assistance in this process, visit <https://www.justice.gov/atj> and <https://www.lep.gov/>.

Recipients should make every effort to use these funds for their budgeted purpose of providing accessibility, and not reallocate them for other purposes later in the project.

Sample Budget Narrative

Purpose: The Sample Budget Narrative may be used to assist with preparing the budget and narrative. Applicants may use this form or the format of their choice (plain sheets, Excel document, the applicant’s own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to the applicant’s project may be deleted.

Note: The following budget is an example intended to assist applicants in preparing their budgets. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$65,000 x 50% x 3 years	\$97,500
Bilingual Shelter Manager	\$70,000 x 100% x 3 years	\$210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$13,500

Sample narrative: The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Bilingual Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant for the project will spend 10% of their time on the project, providing administrative and clerical support for activities directly related to this project.

TOTAL PERSONNEL: \$ 321,000

B. Fringe Benefits – Fringe benefits must be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker’s Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator		
Employer’s FICA	\$97,500 x 7.65%	\$ 7,459
Health Insurance	\$4,800/year x 50% x 3 years	\$ 7,200

Worker's Compensation	\$97,500 x 1.00%	\$ 975
Unemployment Compensation	\$97,500 x 0.50%	\$ 488
Bilingual Shelter Manager		
Employer's FICA	\$210,000 x 7.65%	\$16,065
Health Insurance	\$4,800/year x 100% x 3 years	\$14,400
Worker's Compensation	\$210,000 x 1.00%	\$ 2,100
Unemployment Compensation	\$210,000 x 0.50%	\$ 1,050
Administrative Assistant		
Employer's FICA	\$ 13,500 x 7.65%	\$ 1,033
Health Insurance	\$4,800/year x 10% x 3 years	\$ 1,440
Worker's Compensation	\$ 13,500 x 1.00%	\$ 135
Unemployment Compensation	\$ 13,500 x 0.50%	\$ 68

Sample Narrative: We request fringe benefits for the Program Coordinator, Bilingual Shelter Manager, and Administrative Assistant. Each employee's share of Health Insurance cost is prorated based on their projected time on the project.

TOTAL FRINGE BENEFITS: \$ 52,413

C. Travel – Project staff travel expenses should be itemized by purpose (e.g., training, field interviews, advisory group meeting, etc.) and include the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). For training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of travel policies applied, either the applicant's policy or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	TBD	TBD	\$12,000
Local Program Mileage	XYZ County		150 miles/month x \$0.655/mile x 36 months	\$ 3,537

Sample narrative: According to the requirements in the solicitation for this program, \$12,000 out of the total \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the travel cost for staff. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The exact locations of the trainings are currently unknown. However, travel estimates have been made using our formal written travel policy.

It is expected that the Program Coordinator will use a privately owned vehicle for local program mileage when traveling between the program shelter, main office, and all partner organizations. The rate for mileage reimbursement is calculated based on the current GSA Mileage Reimbursement Rate of \$0.655/mile and is estimated to be around 150 miles per month for a period of 36 months.

TOTAL TRAVEL: \$ 15,537

D. Equipment – List tangible personal property with a useful life of more than one year that needs to be purchased to support the project. It is important to follow the applicant’s own capitalization policy for equipment classification. For high-cost items and information technology systems, applicants should perform an analysis (and attach it to the application) that compares the cost of purchasing versus leasing equipment items, to determine the most economical approach. Rented or leased equipment items should be listed in the “Procurement Contracts” category. Describe in the narrative how the equipment is necessary for the success of the project.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$1,500/camera x 2 cameras	\$ 3,000

Sample narrative: The portable video cameras and tripod package will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking. Our capitalization threshold is \$1,000, so these items are classified as Equipment.

TOTAL EQUIPMENT: \$ 3,000

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any expendable or consumable materials that are used during the project period that are not equipment.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$250/month x 53% x 36 months	\$4,770
Postage	\$ 100/month x 53% x 36 months	\$1,908
Program Supplies	\$ 50/month x 36 months	\$1,800
75 Client Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Sample narrative: Office supplies and postage are needed for the general operation of the program and are shared amongst all office staff. The FTE allocation rate for shared costs incurred by all staff in this budget is 53% (based on total FTEs in the office is 3FTEs, and total FTEs in this budget is 1.6FTEs, so $1.6 / 3 = 0.53$, or 53%). Monthly costs for Office Supplies at \$250/month and Postage at \$100/month are estimated based on historical data. Charges to the

grant will be based on the actual supplies purchased and actual percentage of staff time worked on the project (not budgeted amounts).

Program Supplies are estimated at a cost of \$50/month, based on historical data. The program supplies will be used for direct program activities such as art supplies and educational handouts/brochures for healing circles and group meetings for survivors.

The Client Assistance Kits will be provided to clients who receive services for domestic violence, dating violence, sexual assault, and stalking. These kits will contain toiletries and other personal hygiene products. We estimate the need for 75 kits, and the cost is based on similar kits provided by other programs.

TOTAL SUPPLIES: \$10,353

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with OVW before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		<u>\$ 0</u>

G. Subawards (subgrants): Describe project activities for which subrecipients/MOU partners will receive compensation under the award, including services for clients. Include any compensation for partner/subrecipient travel in this section as well.

<u>Subrecipient Name</u>	<u>Computation</u>	<u>Cost</u>
XYZ Survivor Services Organization		
Advocate	\$40,000 per year x .25 FTE x 3 years	\$30,000
Advocate	Benefits x 28% of FTE salary	\$ 8,400
OVW-Mandated Training and Technical Assistance	Location and cost TBD	\$ 4,000
Subtotal XYZ Survivor Services Organization Subaward		\$42,400

Sample narrative: The MOU partner XYZ Survivor Services Organization will offer advocacy services, such as safety planning and court accompaniment services. To cover the cost of travel for their staff, \$4,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated, in line with the budget requirements set forth in the solicitation. However, the training session locations are currently unknown. Travel estimates are based on the subrecipient’s formal written travel policy.

123 Housing Provider		
Permanent housing advocate	\$40,000 per year x .10 FTE x 3 years	\$12,000
Permanent housing advocate	Benefits x 28% of FTE salary	\$ 3,360
Rent subsidies	\$150/month x 36 months x 15 clients/families	\$81,000

OVW-Mandated Training and Technical Assistance Location and cost TBD \$ 4,000

Subtotal 123 Housing Provider Subaward \$100,360

Sample narrative: The MOU partner, 123 Housing Provider, will provide rent subsidies for clients and their dependents, permanent housing placement services, and advocacy. The rent subsidy rates are based on our experience with available community housing.
