Grants.gov Opportunity Number: O-OVW-2024-172046

Brief Instructions

This completed TSASP Proposal Project Form may be submitted to fulfill the Proposal Narrative application requirements for the FY24 Tribal Sexual Assault Services Program grant application. This document may be saved and uploaded to JustGrants with the applicant's application as a Word or PDF file. The file should be Saved As/Named: APPLICANTNAME_TGPSTART_NARRATIVE. This document should not exceed 15 pages when submitted.

Please note that **ALL** three sections within this template must be completed if submitting as the application Proposal Narrative. The three sections include:

- Purpose of Proposal
- What Will Be Done
- Who Will Implement

This Proposal Narrative Sample is not a requirement, and applicants may choose to submit the Standard Proposal Narrative. Guidance can be found on pp 13-14 of the FY24 Tribal Sexual Assault Services Program Solicitation found on the [OVW Open Solicitations page](#).

The grants.gov deadline for this solicitation is 11:59 pm ET, August 13, 2024 and the JustGrants deadline is 8:59pm ET, August 15, 2024.

Purpose of the Proposal

Complete this section in its entirety.

Purpose of the Proposal	
Applicant Name:	
1. Briefly describe the services currently offered for victims of sexual assault in the proposed service area. Consider including the current victim advocacy program, law enforcement, civil and criminal courts, sexual assault forensic exams and follow-up health care services, and mental health services for adults and children.	

What Will be Done

What will be Done	
1. State whether the proposed project will establish new programming and/or expand existing programming.	

<p>2. State the project goals, objectives, and related activities. Include the project timeline (listed by year and either month or quarter) and list the staff or partner(s) responsible for each activity.</p>	
<p>3. If not addressed in the original project:</p> <p>a. Describe how the proposed project will improve accessibility for people with disabilities and people who are Deaf or hard of hearing.</p> <p>b. Describe how the proposed project will improve accessibility for people with limited English proficiency.</p> <p>c. Describe how survivors and other people with relevant lived experiences have helped formulate and/or will be involved in shaping and implementing the project. Involving people with lived experience is a way to ensure that an approach is informed by people who have direct experience with the issues the approach is trying to alleviate. An example of involving people with lived experience is asking survivors who</p>	

<p>have obtained protection orders to help develop a brochure explaining the steps for requesting a protection order. For more information about engaging people with lived experience, see this brief from the Department of Health and Human Services.</p>
