

2023 - 2024 REPORT TO CONGRESS On the Grants to Reduce Domestic Violence, Dating Violence, Sexual Assault, and Stalking on Campus Program

Background and Reporting Requirement

Congress created the Grants to Reduce Domestic Violence, Dating Violence, Sexual Assault, and Stalking on Campus Program (Campus Program, authorized by 34 U.S.C. § 20125) in recognition of the unique issues and challenges that colleges and universities face in preventing and responding to domestic violence, dating violence, sexual assault, and stalking. The Campus Program fosters a comprehensive, coordinated community approach that enhances victim safety, provides services for victims, and supports efforts to hold offenders accountable. The funding supports activities that develop and strengthen trauma-informed victim services and strategies to prevent, investigate, and respond to sexual assault, domestic violence, dating violence, and stalking.

The provisions at 34 U.S.C. § 20125(d)(4) require the Attorney General to submit an annual report to Congress addressing the number of grants and the amount of funds distributed; a summary of the purposes for which the grants were provided and an evaluation of the progress made under the grants; a statistical summary of the persons served, detailing the nature of victimization, and providing data on age, sex, race, ethnicity, language, disability, relationship to offender, geographic distribution, and type of campus; and an evaluation of the effectiveness of programs funded.

Most of the information required is reported to Congress as part of the Office on Violence Against Women (OVW)'s *Biennial Report to Congress on the Effectiveness of Grant Programs Under the Violence Against Women Act*. The forthcoming 2024 Biennial report, due to Congress on October 30, 2024, will contain appendices with Campus Program data spanning July 2022-June 2023.

Awards Funded

As required by the Violence Against Women Act, the Campus Program grantees that received awards in FY 2023 were geographically diverse and distributed between private and public institutions of higher education located in rural, urban, and suburban communities. In FY 2023 OVW also issued awards under a Campus Program set-aside for historically Black colleges and universities, Hispanic-serving Institutions, and Tribal colleges. Lists of grant recipients follow on the next page. FY 2024 awards will be issued in September 2024 and provided in future reports to Congress. The list of Campus Program grantees will also be posted online at <https://www.justice.gov/ovw/awards>.
