<u>Non-competitive Continuation</u>	Only Tribal Governments Program grantees that received a new, 36-month award in FY 2022 are eligible to apply for a 24-month non-competitive continuation award. <i>Note: FY 2022 grantees can choose to apply for a new competitive 36-month award instead of a 24-month continuation award.</i>	\$400,000 - \$1,000,000	24 months

2. ELIGIBILITY

Eligible Applicants

Entities that are eligible to apply are:

Indian Tribal Governments

- The governing body of an Indian Tribe, or
- A Tribe, band, pueblo, nation, or other organized group or community of Indians, including any Alaska Native Village or regional or village corporation (as defined in, or established pursuant to, the Alaska Native Claims Settlement Act (43 U.S.C. §§ 1601 et seq.)), that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians (34 U.S.C. § 12291(a)(43)).

Tribal Designees

- A Tribal Designee is an organization that is acting as the authorized designee of an Indian Tribal Government, as defined above.

Tribal Consortia

- A Tribal Consortium is a coalition of two or more separate Indian Tribes that join together for the purpose of participating in self-governance.

Note: A Tribe may apply through an authorized Tribal Designee, as part of a Tribal Consortium, or submit an application as a lead applicant. A Tribe may not apply as both a lead applicant and through an authorized Tribal Designee, or as part of a Tribal Consortium, within the same fiscal year.

Other Eligibility Requirements

In addition to being an eligible entity, applicants also must meet the requirements below.

Tribal Resolution or Equivalent Documentation

(ONLY required of Tribal Designees and Consortiums)

A Tribal Designee or Consortium applicant must have the authority to apply on behalf of a Tribe or Consortium. Information on the documentation necessary to demonstrate this authority is provided in the [Additional Application Components](#) section of this NOFO.

Collaboration with a Qualified Partner

All applicants must demonstrate that their proposal was developed in consultation with a “qualified partner.”

- A “qualified partner” is one of the following:
 - A nonprofit, nongovernmental Indian victim services program, such as a domestic violence shelter program or rape crisis center;
 - A nonprofit, nongovernmental Tribal domestic violence and/or sexual assault coalition; or
 - An advisory committee that includes women/survivors from the community to be served by the proposed project.
- **Information about the qualified partner must be noted on the [Summary Data Sheet](#), including a description of how the applicant collaborated with the partner in the development of the application. A separate letter from the qualified partner is not required.**

Note: A Tribal government with a domestic violence/sexual assault program must also have a nongovernmental qualified partner. The qualified partner cannot be the Tribal government's domestic violence/sexual assault program.

Eligibility for Each Application Type

This year, OVW will accept three types of applications. Below is an overview of the application types and which applicants are eligible for each.

New Applications

All applicants, other than FY 2023 and FY 2024 Tribal Governments Program grantees, are eligible to apply as new applicants. Applicants that have never received funding under this program should consider whether to apply as a new applicant or as a START applicant (see below) based on their current capacities. Applicants applying for new awards will apply for a 36-month project period. This program does not have an award floor or an award cap. However, new award application budgets typically range between \$400,000 and \$1,200,000.

Non-competitive Continuation Applications

Current grantees that received a new, 36-month award under this program in FY 2022 are the only applicants eligible to apply as continuation applicants. Continuation project periods are for 24 months. This program does not have an award floor or an award cap. However, non-competitive continuation

application budgets typically range between \$400,000-\$1,000,000. Continuation applications are non-competitive, meaning they do not go through peer review. Nonetheless, they do go through programmatic review and continuation funding is not guaranteed. See [Review and Selection Process](#) for more information.

FY 2022 grantees can elect to apply for a new *competitive* 36-month award instead of the non-competitive 24-month continuation award.

Note: Current recipients with 50% or more of their current award funds unobligated as of March 31, 2025, may not be funded under this NOFO or may get smaller awards than requested.

Strengthening Tribal Advocacy Responses Track (START)

This application option is for Tribal governments that have never, or not recently, received funding through the OVW Tribal Governments Program. START grantees will focus on capacity building early in the project period and will receive additional training, technical assistance, and support. START grantees will engage in a comprehensive assessment process that identifies the strengths and gaps of their community's responses to domestic violence, sexual assault, dating violence, stalking, and sex trafficking. Following the assessment, a customized project implementation plan will be developed in consultation with OVW. START award periods are for 36 months. Although this program does not have an award floor or ceiling, awards typically range between \$400,000 – \$1,200,000.

Disqualifying Factors

An application may be removed for any of the following disqualifying factors:

5. [Not meeting unique entity identifier and SAM.gov requirements](#)
6. [Past performance issues](#)
7. Nonprofit organizations: holding money in offshore accounts for the purpose of avoiding the tax described in section 511(a) of the Internal Revenue Code. See 34 U.S.C. § 12291(b)(15)(B)(ii).

Program-Specific Unallowable Costs

Applications proposing activities described below may have points deducted during the review process or may be removed from consideration.

1. **Research projects.** Funds under this program may not be used to conduct research, defined by 28 C.F.R. § 46.102(d) as a systematic investigation designed to develop or contribute to generalizable knowledge. However, assessments conducted for internal improvement purposes only may be allowable. For information on distinguishing between research and assessments, see the [Application Companion Guide](#).
2. **Child abuse.** Grant funds may not be used to directly address child abuse, child endangerment, other family violence issues (such as violence perpetrated by a child against a parent or by a sibling against another sibling), or neglect or exploitation. Services can be provided to children as part of providing services to the child's parent (or legal guardian) who is a victim of sexual assault, domestic violence, dating violence, stalking, or sex trafficking. **Note that services for youth ages 11 and older who are victims of domestic violence, sexual assault, dating violence, stalking, and sex trafficking are permitted.**

Grant funds under this program also may not be used for the following costs:

- Lobbying, except with explicit statutory authorization.
- Fundraising.
- Purchase of real property.
- Construction.

Limited Use of Funds

Recipients of an award under this program may use up to three percent of the funds to assess the need for internal improvements (e.g., convening listening sessions to identify service gaps in the community, surveying participants about the quality of the training). The OVW research decision tree in the [Application Companion Guide](#) describes how applicants can ensure that such assessments are not prohibited human subjects research.

Activities Requiring Prior Approval

OVW must approve the following activities before recipients use grant funds to support them (see the [Application Companion Guide](#) for more information):

- Surveys, regardless of their purpose, to ensure they are within the scope of the award and meet the requirements of the [Paperwork Reduction Act](#).
- Renovations, including such minor activities as painting, carpeting, or installing lighting. Recipients must also ensure that funded renovations comply with the [National Environmental Policy Act \(NEPA\)](#) and related laws, which may be time-consuming and include public notice and consultation.

Budget and Associated Documentation

Applicants must submit a budget narrative and upload the applicable associated documentation under each heading, as described below.

Budget Narrative (10 points)

Applicants must upload a detailed budget narrative in JustGrants.

- The budget should be reasonable and necessary, based on the resources needed to implement the proposed project in the applicant's specific geographic location.
- The budget narrative will be reviewed separately from the proposal narrative. Budgetary requirements vary among programs.
- OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#).

OVW may make awards for greater or lesser amounts than requested. OVW may also negotiate the scope of work and budget with applicants before or after making an award.

OVW strongly encourages applicants to use the sample budget narrative which can be downloaded [here](#). For additional information on budget requirements and allowable costs, see the [Budget Information](#) and the [Creating a Budget](#) webinar on the OVW website.

Example from the downloadable Sample Budget Narrative: [FOUND HERE](#)

A. Personnel - List each position by title and employee name, if available. Show the annual salary rate and the percentage of time devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

Name/Position	Computation	Cost
Program Coordinator	\$65,000 x 50% x 3 years	\$ 97,500
Shelter Manager	\$70,000 x 100% x 3 years	\$ 210,000
Administrative Assistant	\$45,000 x 10% x 3 years	\$ 13,500
Total Personnel		\$ 321,000

Sample Narrative:

The Program Coordinator will dedicate 50% of their time to the project by coordinating and organizing regular council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Shelter Manager will dedicate 100% of their time to the project by providing direct client assistance, coordinating services and case management for clients, and managing the temporary shelter activities.

The Administrative Assistant will spend 10% of their time on the project by providing administrative and clerical support for activities directly related to this project.

The budget must:

- 1. Provide total amount.** Have a total amount that is the same as the total “estimated funding” on the [SF-424](#) and reflect the total [number of months for the award](#) type requested.
- 2. Provide line item descriptions.** Describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project.
- 3. Clearly link activities.** Present a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
- 4. Compensate project partners.** Fairly and reasonably compensate all project partners for their full level of effort.
- 5. Include language access funds.** Include sufficient funds to provide language access, identify other funds that the applicant has budgeted for language access for this project, or describe other resources that the applicant has available to ensure meaningful access for persons with limited English proficiency. See the [Accessibility](#) section of this NOFO for more information.
If an applicant has Tribal resources that address these requirements this information must be provided in the budget narrative and note that no grant funds will be needed to meet these needs.
- 6. Include accessibility funds.** Include sufficient funds to provide access for people with disabilities or who are Deaf/hard of hearing, identify other funds that the applicant has

budgeted for access for this project, or describe other resources that the applicant has available to ensure meaningful access for such people. See the [Accessibility](#) section of this NOFO for more information.

If an applicant has Tribal resources that address these requirements this information must be provided in the budget narrative and note that no grant funds will be needed to meet these needs.

7. **Include OVW-sponsored training and technical assistance (TTA) travel.** Include funds to attend OVW-sponsored TTA in the amount of \$30,000 for new and START applicants (36-month projects) located in the 48 contiguous states and \$35,000 for applicants located in Alaska. Non-competitive continuation applicants (24-month projects) should include funds in the amount of \$20,000 for applicants located in the 48 contiguous states and \$25,000 for applicants located in Alaska. This amount is for the entire project period and NOT per year. Applicants also may budget expenses more than the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
8. **Identify subawards and contracts.** Distinguish clearly between subawards and contracts in allocating any grant funds to other entities.
 - a. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an Memorandum of Understanding (MOU) partner; a contract is for the purpose of obtaining goods and services for the recipient's use.
 - b. The substance of the relationship is more important than the form of the agreement in determining whether the entity receiving federal funds is a subrecipient or a contractor.
 - c. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and oversight requirements in 2 C.F.R. §§ 200.317-200.327.
 - d. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. §§ 200.328-200.329 & 200.332, which includes oversight of subrecipient spending and overall performance to ensure that the goals of the subaward are achieved.

For more information on distinguishing between subawards and contracts, see the Budget Information on the [OVW website](#) and the [Application Companion Guide](#).

Conference Planning and Food/Beverage Costs

When developing their budgets, applicants should consider requirements for using federal funds for conferences (which includes meetings, retreats, seminars, symposiums, trainings, and other similar events). Specifically, recipients **must** receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event.

Food for victims is not subject to prior approval but must be approved as part of the recipient's budget. See [OVW Conference Cost Guidelines](#) for additional information.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants that do not have a current federal negotiated indirect cost rate (including provisional rate), may elect to charge a de minimis rate of up to 15% of modified total direct costs (MTDC).

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Nonprofits Only: Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an [Applicant Financial Capability Questionnaire](#) and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Nonprofits Only: Disclosure of Process for Setting Executive Compensation (if applicable)

Nonprofit organizations that use the Internal Revenue Service's (IRS) Safe Harbor Procedure (described below) must submit a special disclosure to OVW (required by 34 U.S.C. § 12291(b)(15)(B)(iii)). All other applicants may skip this section.

IRS Safe Harbor Procedure: A nonprofit organization that provides unreasonably high compensation to certain executives may subject both the organization's managers and those who receive the compensation to additional federal taxes. However, the IRS may treat executive compensation levels as reasonable if the nonprofit organization satisfies certain rules set out in IRS regulations. These rules concern the organization's process for making compensation decisions and are known as the "three-step safe-harbor procedure" to create a "rebuttable presumption" of reasonableness for compensation of an organization's executives. See 26 C.F.R. § 53.4958-6.

The special disclosure must describe the process the applicant uses to determine the compensation of its officers, directors, trustees, and key employees.

It must be uploaded as an attachment to the application in JustGrants, titled "Disclosure of Process Related to Executive Compensation." A sample [disclosure letter](#) is available on the OVW website.

Additional Application Components

The following documents will not be scored but must be uploaded and attached to the application in JustGrants.

Tribal Resolution or Equivalent Documentation

(ONLY required of Tribal Designees and Consortiums)

A Tribal designee or consortium applicant must include with its application a Tribal resolution or other document(s) demonstrating authority to apply from each Tribe or Tribal consortium member. The Tribal resolution or equivalent documentation must state that the applicant is authorized to submit an application on behalf of the Tribe(s). It must be current and signed by the authorized representative(s) from the applicant and Tribe(s).

Instead of a Tribal resolution, a Tribal consortium may submit a copy of bylaws or other governance documents that allow the consortium's action, without explicit support from all consortium members. This documentation must show authority for the application, contain authorized signatures, and be submitted by the application due date.

If a Tribal designee or consortium applicant cannot get a resolution (or equivalent legal authorization) before the application deadline then they can instead include a letter explaining how they tried to get a resolution. However, OVW will not make an award until the applicant has provided a qualifying resolution or equivalent legal authorization. If a resolution or equivalent is not received by June 1, 2025 then funding may be denied or delayed.

Confidentiality Acknowledgment Form

All applicants are required to acknowledge that they have received notice that recipients and subrecipients must comply with the confidentiality and privacy requirements of VAWA, as amended.

Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#).

Note: This form must be signed by the Authorized Representative.

Summary Data Sheet

This [questionnaire](#) should be downloaded, completed, and uploaded as an attachment in JustGrants.

Disclosures and Assurances

All applicants must review, complete, and submit all disclosures, assurances, and certifications in JustGrants as described below.

Disclosure of Lobbying Activities (if applicable)

JustGrants will prompt applicants to indicate whether they are required to submit a lobbying disclosure under 31 U.S.C. § 1352.

Applicants are required to submit a lobbying disclosure form (Standard Form/[SF-LLL](#)) **IF** they have paid or will pay any person to lobby in connection with the award for which they are applying **AND** their application is for more than \$100,000. This disclosure requirement is not applicable to such payments by an Indian Tribe, Tribal organization, or any other Indian organization that are permitted by other federal law.

For this requirement, lobbying means influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress. (See 28 C.F.R. part 69.)

Summary of Other Federal Funding (if applicable)

Applicants will answer a yes/no question in JustGrants that asks whether they have any of the following:

1. An OVW grant or cooperative agreement that is open or that closed within 12 months of the date this funding opportunity closes;
2. A subaward under an OVW grant or cooperative agreement that is open or that closed within 12 months of the date this funding opportunity closes;
3. A pending OVW application as either the lead applicant/potential recipient or as a partner/potential subrecipient;
4. A federal award to do the same or similar work; or
5. A pending federal application to do the same or similar work.

Applicants answering yes will complete a table in JustGrants with basic information about each applicable award or application.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants, a copy of which is available [here](#).

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants, a copy of which is available [here](#).

5. SUBMISSION REQUIREMENTS AND DEADLINE

Address to Request Application Package

The complete application package (this NOFO, including links to required forms) is available on Grants.gov and on the [OVW website](#). Applicants wishing to request a paper copy of these materials should contact OVW at 202-307-6026 or OVW.TribalGovernment@usdoj.gov.

Prior to Application Submission

Account Registration and Management

Entities applying for the first time must register in the systems described below. Entities that have previously applied for DOJ funding must ensure their accounts in these systems are active and up to date.

System for Award Management (SAM) and Unique Entity Identifier (UEI): Applicants must be registered with SAM.gov before applying. SAM.gov assigns a UEI that the applicant must include in the application. Applicants must continue to maintain an active registration in SAM.gov whenever they have a federal award or an application under consideration by a federal agency.

OVW strongly encourages all applicants to begin the registration process below or ensure that all accounts are active and up to date, by **March 20, 2025**. **Failure to do so may result in missing the application deadline and therefore not being considered for funding.**

Website	Registration Guidance
SAM.gov	Visit the SAM website for details and resources for first-time registration or renewal of an existing registration. Registration takes an average of 2 to 3 weeks .
Grants.gov	Registration with Grants.gov takes an average of 1 week .
JusticeGrants.usdoj.gov	Registration with JustGrants needs to be completed ONLY after successful submission of Step 1 of the application as described below under How to Apply.

Note: Registration time frames are estimates. Applicants experiencing registration challenges should contact the system's [help desk](#) and refer to the [OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes](#) section below for guidance on how to proceed.

How to Apply

To view the complete checklist of application items: [Application Checklist](#).

Applicants must make every effort to submit their application electronically in Grants.gov and JustGrants by the deadlines below.

Step 1: Grants.gov

Deadline to submit form SF-424: 11:59 PM ET on April 8, 2025

The SF-424 form is generated when the applicant begins the submission process in [Grants.gov](#).

Submission Tips:

- **Submit early**: OVW strongly encourages all applicants to begin the submission process at least 48 hours prior to the Grants.gov application deadline.
- **Form preview**: To view the form before completing it in Grants.gov, applicants should click the Package tab under the funding opportunity for which they are applying and select Preview. Preview then provides links to the form.
- **Type of applicant**: For Type of Applicant (box 9), do not select Other.
- **Federal funding requested**: The amount of federal funding requested in the “Estimated Funding” section of this form (box 18a) should match the amount of federal funding requested in the budget of the application.
- **Required match**: This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero.
- **Authorized Representative**: The individual who is listed as “Authorized Representative” (box 21) must have the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.
- **Question 19**: This funding opportunity is not subject to Intergovernmental Review under Executive Order (E.O.) 12372. In completing the SF-424, an applicant is to answer question 19 by selecting the following response: “Program is not covered by E.O. 12372.”

Step 2: JustGrants

Deadline to submit the full application:
8:59 PM ET on April 10, 2025

The [full application](#) must be completed in [JustGrants](#).

Submission Tips:

- JustGrants functions best using a PC with a Chrome or Edge web browser
- Applicants begin Step 2 of the application submission process by reviewing the Standard Applicant Information in JustGrants
- Make edits as needed, confirming:
 - The Authorized Representative
 - Verifying the legal name and address
 - Entering the ZIP code(s) for the areas served by the project

Note: OVW encourages applicants to review the [JustGrants](#) website for more information, resources, and training.

OVW Policy for Applicants Experiencing Technical Difficulties

Technical difficulties are issues that are beyond the applicant's control. OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM.gov or Grants.gov

1. Contact [SAM.gov or Grants.gov support](#) as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Before the Grants.gov deadline, notify the [OVW contact](#) by email, stating the applicant is experiencing technical difficulties with SAM.gov or Grants.gov and describe the issue. The applicant should provide regular updates to the OVW contact.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify the [OVW contact](#) by email before the [Grants.gov deadline](#).
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant **must** email the complete application (SF-424, Proposal Narrative, Budget Narrative) and all documentation confirming the technical difficulty to the [OVW contact](#) by the [JustGrants deadline](#).

Technical difficulties while applying in JustGrants

1. Contact OVW JustGrants Support at OVW.JustGrantsSupport@usdoj.gov or 866-655-4482 as soon as the applicant is aware of a problem. OVW JustGrants Support is a separate Help Desk from OJP and COPS and is dedicated to OVW applicants.
2. Maintain documentation of all communication with OVW JustGrants Support.
3. Work with OVW JustGrants Support to resolve the technical difficulty.
4. Email the [OVW contact](#) before the [JustGrants deadline](#). If an applicant must submit their application by email due to a technical difficulty, they must do so by the JustGrants deadline, but **no earlier than 4 hours prior to the deadline**. The email must include the following:
 - A detailed description of the technical difficulty.
 - The contact information (name, telephone, and email) for the person making the request.
 - The applicant's UEI number.
 - JustGrants application numbers and User Support tracking numbers.
 - The complete application (SF-424, Proposal Narrative, and Budget Narrative).

OVW does not guarantee that applications submitted by email will be considered for funding, even if the email is received before the JustGrants deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants deadline. OVW may then ask applicants to coordinate with OVW to submit applications in Grants.gov and JustGrants.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

Cases of severe inclement weather or natural or man-made disaster are the only circumstances under which OVW may accept applications after the deadline. In such circumstances:

1. Email the [OVW contact](#) listed in this NOFO as soon as the applicant is aware of severe weather or disaster that may prevent the applicant from submitting the application on time. The email should describe the weather event or disaster, including when it occurred or is likely to occur, the impacted area, and the impact on the applicant and/or partners' ability to ensure the application is submitted before the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, then attach the application to the email.
2. After following step 1, contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests.

Within 30 days of receiving a request for late submission, OVW will notify the applicant of a decision to approve or deny it.

6. APPLICATION REVIEW INFORMATION

Responsiveness Review

Criteria that make an application or project ineligible are listed in the [Application Contents](#) and [Eligibility](#) sections of this NOFO. Additional information about circumstances that may result in removal from consideration is provided below under [Review and Selection Process](#) and [Risk Review](#).

Review Criteria

Scoring details can be found in the [Application Contents](#) section of this NOFO. Each section of the application will be reviewed and scored separately. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

New and START applications receive a peer review and a programmatic review. Although non-competitive continuation applications do not go through peer review, they will be scored according to the review criteria as part of the programmatic review for purposes of determining award amounts.

Peer Review

OVW's [peer review process](#) is based on the criteria outlined in this NOFO. OVW may use internal reviewers, external reviewers, or a combination of both.

OVW peer reviewers typically are current practitioners or recent retirees from varied professions with expertise in the subject matter of this funding opportunity. To ensure that applications are reviewed by people with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers. All reviewers are required to adhere to OVW's peer review conflict of interest policy, which is designed to identify and resolve any issues that may call into question a reviewer's impartiality or objectivity regarding an application.

Programmatic Review

The programmatic review consists of assessing the application for the following:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 10 points).
2. Out-of-scope and unallowable activities (deduct up to 10 points).
3. Past performance (deduct up to 25 points).

4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration regardless of the application’s peer review score.**

Past Performance Review

As part of the programmatic review, applicants with current or recently closed OVW awards under this program will be reviewed for past performance, based on the following:

Subject	Factors
General	<ul style="list-style-type: none"> • Compliance with terms of conditions of existing award(s) from OVW • Timely response to OVW requests
Programmatic Compliance	<ul style="list-style-type: none"> • Following the grant program’s statutory purposes and requirements • Implementation of project according to plan, within original period of performance, and as designed without unjustified modification • Attendance at/participation in all required training and technical assistance events • Timely resolution of issues identified during programmatic monitoring • Development of deliverables that support project goals and are of acceptable quality
Financial Compliance	<ul style="list-style-type: none"> • Drawdown of funds in line with level of project activities completed • Uninterrupted access to funds • Timely resolution of issues identified during financial monitoring
Reporting	<ul style="list-style-type: none"> • Timely submission of financial and performance reports • Submission of complete and accurate performance reports
Closeout	<ul style="list-style-type: none"> • Timely resolution of issues necessary to close out prior awards • Completion of closeout within 120 days of project end date

All award decisions will be made by the OVW Director unless there is a written delegation of authority to another official. The OVW Director may consider factors including but not limited to: reaching underserved populations, geographic diversity, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

Risk Review

OVW reviews information related to applicant risk as described in 2 C.F.R. § 200.206(b). OVW uses the applicant's responses to the questions listed in [Appendix B](#) to conduct this assessment. OVW also must review and consider integrity and performance information about applicants that is available in SAM.gov. Applicants may review and comment on information about themselves that currently appears in SAM.gov and was entered by a federal awarding agency. OVW will consider the applicant's comments, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

High-Risk Recipients

Based on DOJ's assessment of each recipient's current or past funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a recipient may be designated "high-risk." Awards to high-risk recipients may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met.

Note: Current or prior recipients, whether designated high-risk or not, that have substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

7. AWARD NOTICES

OVW notifies applicants through JustGrants (not Grants.gov) when they receive an award. Successful applicants then log into JustGrants to review and accept the award. The Authorized Representative must acknowledge that they have read and understood all sections of the award instrument and they must submit the required declaration and certification to accept the award. These steps must be completed electronically in JustGrants.

See the [Key Dates](#) section of this NOFO for when unsuccessful applicants should receive a letter addressed to their Authorized Representative with information on how to receive feedback on their application.

Availability of Funds

All awards are subject to the availability of appropriated funds as well as any modifications or additional requirements imposed by law. There is no guarantee that funds will be available in the future. Depending on availability of funding and an application's merit, OVW may fund an application not selected under this funding opportunity in a future fiscal year or under another OVW program.

8. POST-AWARD REQUIREMENTS AND ADMINISTRATION

Administrative, National Policy, and Other Legal Requirements

Recipients must comply with all award conditions and all applicable requirements of federal statutes and regulations. See the “Requirements for All OVW Applicants and Recipients” section of the [Application Companion Guide](#) for more information.

[Terms and conditions](#) for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Civil Rights and Accessibility

Recipients may not discriminate either in *employment* (subject to an exemption for certain faith-based organizations) or in the *delivery of services or benefits* based on race, color, national origin, sex, religion, sexual orientation, gender identity, or disability, and in the delivery of services or benefits based on age. See the [Application Companion Guide](#) for more information. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. For additional information, see [Frequently Asked Questions: Non-Discrimination Grant Condition in the Violence Against Women Act of 2013](#).

Recipients also must take reasonable steps to ensure that persons with limited English proficiency (LEP individuals) have meaningful access to recipients’ programs and activities and ensure that their programs and activities are readily accessible to people with disabilities, as well as people who are Deaf or hard of hearing.

Supporting victim safety and recovery requires programs to be accessible to people with disabilities and those who are Deaf or hard of hearing, to provide language access to LEP individuals, to ensure that any sex-segregated or sex-specific services are comparable, and generally to serve all survivors free from discrimination.

Post-Award Reporting Requirements

OVW recipients must submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Performance report forms will be provided to all award recipients. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in SAM, see the [Application Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

9. OTHER INFORMATION

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, easily understood, and not unnecessarily burdensome. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Appendix A: Sample Proposal Narrative

A completed Sample Proposal Narrative may be submitted to meet the Proposal Narrative application requirements for the FY 2025 Tribal Governments Program grant application. The Sample Proposal Narrative document may be saved and uploaded to JustGrants with the applicant's application as a Word or PDF file.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.

Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
