3. PROGRAM DESCRIPTION

Statutory Authority/Program Goals and Objectives

Per 34 U.S.C. § 12511(e), funds must be used to support the establishment, maintenance, and expansion of programs and projects within Indian country and Alaska Native villages that provide direct intervention and related assistance to those victimized by sexual assault. For the purposes of this program, direct intervention and related assistance may include 24-hour hotline services, accompaniment and advocacy through medical, criminal justice, and social support systems, crisis intervention, direct payments to assist victims and family/household members, sexual assault forensic exams, and multidisciplinary teams focused on improving the response to sexual assault crimes.⁹

Expected outcomes: OVW will measure success by reviewing a recipient's submission of performance reports and data, and the extent to which project implementation reflects progress toward the goals and objectives of this NOFO. See the [VAWA Measuring Effectiveness Initiative](#) for more information.

Unallowable activities: For information on program-specific unallowable activities and costs to help you develop your application and budget consistent with program requirements, see the [Application Companion Guide](#) and [Budget](#) section of this NOFO.

Agency Funding Priorities

OVW may give priority consideration to applicants that propose projects designed to advance the following public-safety priorities (as applicable within the scope of this NOFO):

1. Combatting human trafficking and transnational crime, particularly crimes linked to illegal immigration, transnational criminal organizations, and cartel operations, including projects that strengthen law enforcement investigation and prosecution while supporting safety and justice for trafficking victims who have also suffered domestic/dating violence, sexual assault, and/or stalking.
2. Projects primarily dedicated to direct victim services, particularly in small towns and rural, remote, and Tribal communities.

Note: Addressing these priorities is one of many factors that OVW considers in making funding decisions. Receiving priority consideration does not guarantee funding.

⁸ See 34 U.S.C. § 12291(b)(15)(B)(ii).

⁹ See, e.g., 34 U.S.C. § 12511(b)(2)(C) (providing a non-exhaustive list of services that may constitute intervention and related assistance).
