OVW Grants for Outreach and Services to Underserved Populations (CFDA 16.889)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local, and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

About OVW Grants for Outreach and Services to Underserved Populations

This program is authorized by 34 U.S.C. § 20123. The Grants for Outreach and Services to Underserved Populations program (Underserved Program) is designed to develop and implement outreach strategies targeted at, and provide victim services to, adult and youth victims of sexual assault, domestic violence, dating violence, or stalking in underserved populations.¹ Survivors from underserved populations face challenges in accessing comprehensive and effective victim services, whether from the lack of inclusive, culturally relevant services that are accessible and fully can meet their needs, or because of their marginalization due to geographic location, religion, sexual orientation, gender identity, racial and ethnic identity, or special needs (such as language barriers, disabilities, alienage status, or age). The result is that survivors from underserved communities often do not receive appropriate services.

The Underserved Program supports projects to bridge these gaps. Funds may be used to: develop or enhance population specific victim services for underserved survivors; develop or enhance outreach strategies to reach underserved populations; build the capacity of population specific organizations to provide services to victims of sexual assault, domestic violence, dating violence, and stalking; build the capacity of mainstream organizations to provide population specific services; train and educate community partners and the criminal justice system on the needs of survivors from underserved populations; and develop culturally and linguistically appropriate materials for underserved survivors. However, this list is not exhaustive. Population specific organizations and experts from the relevant underserved communities should be central to development and implementation of the proposed project.

¹ The term "underserved populations" means populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age), and any other population determined to be underserved by the Attorney General or by the Secretary of Health and Human Services, as appropriate. See 34 U.S.C. § 12291(a)(39).

For additional information on the Underserved Program, including what past Underserved Program grantees have accomplished with their grant funds and to view the Underserved Program performance measures and grantee-reported data, see <http://muskie.usm.maine.edu/vawamei/underservedmain.htm>.

Program Scope

Activities supported by the Underserved Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the guide after an award is made, and the conditions of the award.

Purpose Areas

In FY 2018, funds under the Underserved Program may be used for the following statutory purposes:

1. Working with federal, state, tribal, territorial and local governments, agencies, and organizations to develop or enhance population specific services;
2. Strengthening the capacity of underserved populations to provide population specific services;
3. Strengthening the capacity of traditional victim service providers to provide population specific services;
4. Strengthening the effectiveness of criminal and civil justice interventions by providing training for law enforcement, prosecutors, judges and other court personnel on sexual assault, domestic violence, dating violence, or stalking in underserved populations; or
5. Working in cooperation with an underserved population to develop and implement outreach, education, prevention, and intervention strategies that highlight available resources and the specific issues faced by victims of sexual assault, domestic violence, dating violence, or stalking from underserved populations.

OVW Priority Areas

In FY 2018, OVW is interested in supporting the priority area identified below. Applications proposing activities in the following area will be given special consideration during the review process.

1. Increase support for survivors of sexual assault, including services, law enforcement response, and prosecution.

To meet this priority, applications **must**:

- a) Include a minimum of 75% focus of goals/objectives/activities on sexual assault victim services and/or training.
- b) Propose activities that address more than intimate partner sexual violence.
- c) Include services to and training on how to respond to a broad range of survivors (e.g., youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, clergy/spiritual leader, etc.). Applicants may focus project activities on victims within a certain age range.
- d) Reflect the “Types of Sexual Assault Services” as described in [Appendix F](#). This appendix is intended to describe the broad range of services that advocacy agencies may provide but is not exhaustive. Applicants do not need to provide all of the services as part of the grant project. However, the proposed goals, objectives, and activities

should generally reflect the types of services listed. Services made available to survivors of sexual assault must be representative of cultural and individual needs.

NOTE: Culturally specific organizations must propose 100% sexual assault projects² in order to be eligible under this solicitation and therefore will not be considered for this priority area. All other applicants are eligible to propose projects to meet this priority.

Activities that Compromise Victim Safety and Recovery and Undermine Offender Accountability

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;³
2. Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;
3. Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;
4. Procedures or policies that fail to include conducting safety planning with victims;
5. Project designs and budgets that fail to account for the access needs of individuals with disabilities, with limited English proficiency, or who are Deaf or hard of hearing;
6. Products or program services that are not accessible to individuals with disabilities, with limited English proficiency, or who are Deaf or hard of hearing;
7. Procedures or policies that deny victims access to services based on their involvement with the perpetrator;
8. Referrals to child protection services solely for a victim's failure to protect a minor child from witnessing domestic violence, except if required under state law; and
9. Materials that are not tailored to the dynamics of domestic violence or sexual assault, or the specific populations to be addressed by the grant.

This list is not exhaustive. Applications that propose any activities that compromise victim safety and recovery or undermine offender accountability may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by Underserved Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See "Research and Protection of Human Subjects" in the [Solicitation Companion Guide](#);

² Culturally specific organizations interested in OVW funding opportunities to support projects addressing domestic violence, dating violence, or stalking should consider applying to OVW's Culturally Specific Services Program (CSSP). Information about the CSSP and other OVW grant opportunities can be found on OVW's website www.justice.gov/ovw

³If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information."

2. Activities and services for children under the age of 11,⁴ except when providing ancillary services to a victim's child because there is a need and connection to providing victim services for the parent. For example, funds may be used to provide services to children of battered clients residing in a shelter;
3. Legal services for victims of sexual assault, domestic violence, dating violence, or stalking beyond the limited context of protection order proceedings (either temporary or long term relief), or for limited immigration matters that may impact and affect the victim's ability to maintain safety (such as U visas); and
4. Sexual Assault Forensic Medical Examiner programs.

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Unallowable Activities

OVW has determined the activities listed below to be unallowable, and they will not be supported by Underserved Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction.

Applicants that propose unallowable activities may receive a deduction in points during the review process or may be eliminated from consideration entirely.

An application that is deemed deficient in more than one of the aforementioned categories (activities that compromise victim safety, out-of-scope activities, unallowable activities) may not be considered for funding.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2018 funding, depending on the merits of the applications and on the availability of funding.

Award Period

The grant award period is 24 months. Budgets must reflect 24 months of project activity, and the total "estimated funding" on the SF-424 must reflect 24 months. Generally, the award period will start on October 1, 2018.

⁴ By statute, the Underserved Program is for youth and adult victims. Youth is defined as age 11 to 24 years old. See 34 U.S.C. § 12291(a)(45).

Award Amounts

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Awards under the Underserved Program for FY 2018 will be made for up to \$300,000 for the entire 24 months.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to awarding a grant.

The Underserved Program typically makes awards in the range of \$290,000 - \$300,000. OVW estimates that it will make up to 14 awards for an estimated \$4,200,000.

Awards will be made as grants.

Types of Applicants

In FY 2018, OVW will accept applications for the Underserved Program from the following:

New: applicants that have never received funding under the Underserved Program or whose previous funding expired more than 12 months ago.

Continuation: applicants that have an existing or recently closed (within the last 12 months) award under the Underserved Program. Continuation funding is not guaranteed.

Underserved Program grant recipients that received an FY 2017 award are NOT eligible to apply.

Additionally, current grantees with a substantial amount (50 percent or more) of funds remaining at the time of application submission without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2018.

C. Eligibility Information

Eligible Applicants

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible Entities

Eligible entities for this program are nonprofit, nongovernmental organizations that are:

1. Deaf programs, meaning a program that is run by and for Deaf individuals. The program may be a stand-alone Deaf domestic violence and/or sexual violence organization, a general Deaf services organization, or a Deaf domestic violence and/or sexual violence program administratively housed in a hearing victim service provider, as defined in the Violence Against Women Act, 34 U.S.C. § 12291(a)(43).
2. LGBT organizations, meaning an organization for which the primary purpose of the organization as a whole is to serve LGBT individuals.

3. Religious minority organizations, meaning an organization for which the primary purpose of the organization as a whole is to serve members of a religious minority who face barriers accessing and using victim services.
4. Culturally specific organizations, meaning an organization for which the primary purpose of the organization as a whole is to provide culturally specific services to American Indians (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians and other Pacific Islanders, Blacks, or Hispanics, proposing a project that focuses solely on serving sexual assault victims.
5. Disability programs, meaning a program that has received two continuation awards under the OVW Disability Grant Program.

Nonprofit Organization Requirement – 501(c)(3) Status

Any entity that is eligible for the Underserved Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 34 U.S.C. § 12291(b)(16)(B).

Nonprofit Organization Requirement – Offshore Accounts

Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the Underserved Program.

Cost Sharing or Match Requirement

This program has no match or cost sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applications for the Underserved Program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2018 solicitation. Applications that do not meet all of the program eligibility requirements below will not be considered for funding under the Underserved Program.

Required Partnerships

All applicants are required to have at least one partner, and should include agencies and organizations necessary to meet the goals of the proposed project. All applicants must document these partnerships in a Memorandum of Understanding (MOU) that must be submitted with the application. If the project proposes significant training activities, a Letter of Commitment (LOC) must also be submitted with the application. See the Memorandum of Understanding and Letter of Commitment section for more information.

Population Specific Applicants (Deaf Programs, LGBT Organizations, Religious Minority Organizations, Culturally Specific Organizations):

- a) Applicants that do not have demonstrated experience and expertise in providing victim services must partner with a victim service provider.
- b) Applicants that do have demonstrated experience and expertise in providing victim services must partner with at least one other organization, but it does not have to be a victim service provider.

Disability Program Applicants:

Applicants must identify whether the multidisciplinary partnership will have a state focus or a local focus. Additionally, the application must identify and support a multidisciplinary partnership comprised of, at a minimum, the following:

- a) At least one victim services provider or tribal organization serving victims of sexual assault, domestic violence, dating violence and/or stalking; and
- b) At least one nonprofit, nongovernmental organization or tribal organization serving individuals with disabilities and/or Deaf individuals.

In general, partners identified in the application as receiving a portion of the award are subrecipients and not contractors because they meet the criteria in 2 C.F.R. § 200.330 for distinguishing between subrecipients and contractors: they will be using federal funds to carry out a program for a public purpose specified in the authorizing statute for this program (as opposed to providing goods or services for the benefit of the applicant), will have their performance measured in relation to whether objectives of the grant program were met, and will have responsibility for programmatic decision making. For more information, see the [Solicitation Companion Guide](#).

Organization Definition (victim service provider)

A victim service provider is a nonprofit, nongovernmental or tribal organization or rape crisis center, including a state or tribal domestic violence and/or sexual assault coalition, that assists or advocates for sexual assault, domestic violence, dating violence, or stalking victims, including a domestic violence shelter, faith-based organization or other organization, with a documented history of effective work concerning sexual assault, domestic violence, dating violence, or stalking. Victim service providers should meet all of the following criteria: 1) provide direct services to victims of sexual assault, domestic violence, dating violence, or stalking as one of their primary purposes and have a demonstrated history of effective work in this field; 2) address a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence; and 3) not engage in or promote activities that compromise victim safety.

Limit on Number of Applications

OVW will consider only one application per organization in response to this solicitation. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

D. Application and Submission Information

Address to Request Application Package

The complete application package is available on [Grants.gov](#) or at the [OVW website](#). Applicants wishing to request a paper copy of the application materials should contact 202-307-6026 or ovw.underserved@usdoj.gov.

Pre-Application Information Session

OVW will conduct a web-based pre-application information session for entities interested in submitting an application for the Underserved Program. Participation in this session is optional. Interested applicants who do not participate are still eligible to apply. During this session, OVW

staff will review the Underserved Program requirements, review the solicitation, and allow for a brief question and answer period. The session is tentatively scheduled for:

- December 13, 2017, 2 p.m. - 4 p.m. E.T.

Anyone interested in submitting an application to the Underserved Program may register to participate in the pre-application information session. The total number of participants for the session may be limited. Registration is on a first-come-first-served basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many interested applicants as possible can join the session. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction.

A transcript of the session can be made available upon request for those unable to attend.

To register, contact Jocelyn Harrison at ovw.underserved@usdoj.gov or at 202-307-6026. Registration must be received at least two days prior to the start of the session. Participants are not registered until they receive a confirmation email. The webinar will be captioned. Interested applicants needing additional language assistance should contact Jocelyn Harrison at ovw.underserved@usdoj.gov or at 202-307-6026 as soon as possible, but no later than four weeks prior to the application deadline.

Content and Form of Application Submission

The information below (“**Letter of Registration**” through “**Additional Required Information**”) describes the full content and form of application submission.

Letter of Registration

Applicants intending to apply for FY 2018 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with [SAM](#) and with [Grants.gov](#). The letter should be submitted to OVW at ovw.underserved@usdoj.gov by December 29, 2017. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

Application Contents

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, the award may include special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline.

Applicants should not submit documents that were not specifically asked for in the solicitation. Providing information that was not requested will not increase the likelihood that an application will be selected for funding. All materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Formatting and Technical Requirements

Applications must follow the requirements below. Points may be deducted for applications that do not adhere to the following requirements:

1. Double spaced (Project Abstract, Summary Data Sheet and charts may be single space)
2. 8½ x 11 inch paper
3. One-inch margins
4. Type no smaller than 12 point, Times New Roman font
5. Page numbers
6. No more than 20 pages for the Project Narrative
7. Word documents in the following formats: Microsoft Word (.doc), PDF files (.pdf), or Text Documents (.txt).
8. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Application Requirements

Applications must include the following required documents and demonstrate that the program eligibility requirements have been met. OVW will not contact applicants for missing items on the list below. Applications that do not address all of the following components will be considered substantially incomplete and will not be considered for funding:

1. Project Narrative
2. Budget Detail Worksheet and Narrative
3. Memorandum of Understanding (MOU)
4. Letter(s) of Commitment, if applicable

In addition to the application being scored on the documents listed above, the Summary Data Sheet will also be scored.

Summary Data Sheet (5 Points Total)

The Summary Data Sheet should be one to four pages in length and may be single or double spaced. The Summary Data Sheet does not count toward the 20-page limit for the Project Narrative. Provide the following information:

1. Name, title, address, phone number, and e-mail address of the individual with authority to accept grants on behalf of the applicant.
2. Name, title, address, phone number, and e-mail address for the grant point-of-contact. This person must be an employee of the applicant.
3. Statement as to whether the applicant (i.e., the organization whose DUNS number is being used for the application) will serve as a fiscal agent/sponsor for an entity or entities that will ultimately implement the project, and that the applicant itself will not be involved with implementation of the project beyond issuing a subaward or subawards to other entities. If this is the case, the applicant must include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of [2 CFR Part 200](#), as well as all project deliverables. The applicant must also list all of the entities with which it will enter into agreements to implement the project, and should include a description of how these entities intend to accomplish the purposes of the award (if such a description is not already provided in a Memorandum of Understanding submitted as part of the application). Note that, in such situations, the fiscal agent/sponsor must be an eligible applicant for the program.

4. Statement as to whether the applicant has expended \$750,000 in federal funds in the applicant's past fiscal year. If so, specify the end date of the applicant's fiscal year.
5. Summary of current and recent OVW projects (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that has been closed within the last 12 months from the date this solicitation closes, the information must be provided in a table using the format found in [APPENDIX D](#). Failure to provide the required table will result in a loss of points.
6. Statement as to whether the applicant is a nonprofit organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code.
7. A list of other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2018 **to do similar work**. Provide this information in a table using the format found in [APPENDIX E](#).
8. Statement as to whether the applicant is a nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code.
9. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "Disclosures Related to Executive Compensation" in the [Additional Required Information](#) section.
10. The percentage of grant activities, should the application be funded, that will address each of the following issues (the total percentages should not exceed 100%):
 - Sexual assault;
 - Domestic violence;
 - Dating/teen dating violence; and/or
 - Stalking
11. Statement as to whether or not the proposed project intends to address the sexual assault priority area.
12. The type of eligible entity by which the applicant qualifies to apply for the Underserved Program (e.g., LGBT organization, religious minority organization, etc.).
13. The specific underserved population(s) the project proposes to serve. If serving people with disabilities, please specify the disability focus.
14. The proposed geographic service area (city, town, county, unincorporated area, or state).
15. List of all organizations participating on the project, including the name and type of organization.

Proposal Abstract (not scored)

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section.

Project Narrative (60 Points Total)

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative must include the following three sections:

Purpose of Application (20 points)

This section must:

1. Identify and describe the specific problem(s), target underserved population, and geographic service area that the proposed project will address;

2. Identify clear goal(s) and objective(s);
3. Illustrate that the goals and objectives clearly relate to the problems and needs, as identified in the “Purpose of the Application” section;
4. Identify and describe all project activities. The description should make clear what the activity (service, training, event, outreach, etc.) will look like, such as what it will include, how often it will be offered, where it will be offered/how it will be accessed, etc.
5. Applicants proposing to serve sexual assault victims should refer to the “Types of Sexual Assault Services” chart in [Appendix F](#) for further information on appropriate project activities;
6. Illustrate how the proposed activities relate to the attainment of the corresponding objective and are tailored to and reflective of the identified underserved population;
7. Include a project work plan that specifies each objective along with the major activities, the purpose area these relate to, and responsible staff and feasible time frames for each objective and activity;
8. Describe any products to be revised or developed, including why and how products will be tailored to meet the linguistic or cultural needs of the underserved population in the proposed service area;
9. Describe how victim safety and confidentiality will be ensured; and
10. Describe how the proposed project will be accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.

⁵ Applicants should use U.S. Census and other government data, as well as the Limited English Proficient Mapping Tool, available at www.lep.gov/maps/, to obtain this information.

Applicants that are eligible Disability Grant Program grantees must also:

11. Detail activities or strategies the multidisciplinary collaborative team will engage in to strengthen the collaborative relationship and work; and
12. Illustrate how the proposed activities and initiatives will build upon and/or enhance previously funded activities.

Who Will Implement the Project (15 points)

This section must:

1. Identify the key individuals and organizations involved in the proposed project;
2. Describe history, mission, and services provided by the applicant organization, and whether the primary focus of the applicant organization is to serve a specific community;
3. Describe each partner organization involved in the project, demonstrating a direct relationship to the stated need and that all partnership/team requirements have been met;
4. Identify the roles and responsibilities each key individual and organization will have in implementing the proposed project;
5. Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including the expertise necessary to appropriately serve the underserved populations identified in the Purpose of the Application section, and can successfully implement the proposed project activities;
6. If the project proposes to hire a new person, include a brief position description; and
7. Either demonstrate that the applicant organization has experience and expertise in providing victim services in the relevant underserved communities, or demonstrate the project partner meets the definition of victim service provider as described under the Program Requirements section.

Applicants that are eligible Disability Grant Program grantees must also:

8. Detail the ability of each multidisciplinary collaborative team member to engage in organizational capacity building and, if applicable, among their member programs and affiliated groups. Examples must be provided;
9. Describe the responsibilities of each multidisciplinary collaborative team member, as they correspond to the proposed activities; and
10. Demonstrate the capacity of the multidisciplinary collaborative team to successfully implement project activities.

Budget Detail Worksheet and Narrative (15 Points)

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the [DOJ Financial Guide](#).

Award Period and Amount

1. The grant award period is 24 months. Budgets must reflect 24 months of project activity.
2. Awards will be made for up to \$300,000.

Budget Requirements.

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$15,000 for states and \$20,000 for territories, Hawaii and Alaska. The \$15,000 or \$20,000 is for the entire 24-month project period and NOT per year. See [Training and Technical Assistance](#) in the [Funding Restrictions](#) section of the solicitation.
2. Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items.
3. Include funds or include other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See “[Accessibility](#)” under “F. [Federal Award Administration Information](#)” for more information.
4. Compensate all project partners as reflected in the MOU. See [Appendix A](#) for additional information on compensating project partners.
5. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331. See [Appendix A](#) and the [Solicitation Companion Guide](#) for more information.

For additional guidance, go to the [Funding Restrictions](#) section of this solicitation.

Memorandum of Understanding (MOU) and Letter(s) of Commitment (20 Points Total)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU **must** be a single document and **must** be signed and dated by the [Authorized Representative](#) of each proposed partner agency during the development of the application. If necessary, an MOU can include

multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
3. Clearly state that each project partner has reviewed the budget and is aware of the total amount being requested and the funding being requested for each project partner;
4. Describe in detail each organization involved, including the applicant organization;
5. Describe in detail all key people involved, including all grant-funded positions;
6. Demonstrate the capacity of all organizations and key people to implement their assigned responsibilities and project activities;
7. If the project proposes to hire a new person, include a description of the qualifications and experience that will be required, any training they will receive, and/or supervision;
8. Be detailed and specific about what will be done, and correspond to what is described in the Project Narrative;
9. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds;
10. Demonstrate a commitment to work together to achieve stated project goals and objectives; and
11. Specify the extent of each partner's participation in developing the application.

Applicants that are eligible Disability Grant Program grantees must also:

12. Clearly demonstrate the ability and willingness of each multidisciplinary team member to engage in organizational capacity building within their own organizations and, if applicable, among their member programs or affiliated groups; and
13. Clearly demonstrate the participation of decision-makers from each of the organizations in the multidisciplinary team.

An MOU is required with every application. If the proposed project includes significant levels of training, a Letter of Commitment is also required.

Letters of Commitment (if applicable)

Letters of Commitment are required, in addition to the MOU, when an applicant proposes to focus a significant amount of project activities on training for: 1) law enforcement; 2) prosecutors; or 3) judges and other court personnel.

A Letter of Commitment must:

1. Describe the specific training activities that the organizations are committing to participate in;
2. Provide the name of the organization sending appropriate personnel to receive training and include a clear and direct statement that the organization is committed to sending its personnel to receive training;

3. Provide the type of training the organization is committing to participate in (e.g., prosecutor training on culturally appropriate responses to sexual assault, law enforcement training on Deaf culture, or training judges on LGBT victims); and
4. Identify the type of personnel (law enforcement officers, prosecutors, government personnel, etc.) who will attend training, and specify the estimated number of personnel who will be sent to receive training. This must be shown as a number and the percentage of staff for the organization.

Letters of support **may not** be submitted in lieu of the Letters of Commitment. Applications failing to include Letters of Commitment, when applicable, may be removed from funding consideration or receive a significant point deduction.

In general, MOU partners that will be receiving funds to carry out a portion of the award should be treated as subrecipients and not contractors. For more information see 2 C.F.R. § 200.330, [Appendix A](#), and the [Solicitation Companion Guide](#).

Additional Required Information

The following documents will not be scored during the review process but they should be included with the application. Failure to include any of the information may result in the application being removed from consideration from funding. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

The following documents will be generated and completed during the application submission process:

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For “Type of Applicant,” do not select “other.” Pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for “Applicant” line should be zero. The individual who is listed in “**Authorized Representative**” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents should be uploaded and attached to your application:

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their

application. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the [Authorized Representative](#) and uploaded with the application in [Grants.gov](#).

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Financial Accounting Practices

Each applicant must prepare a response to the following questions. Be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of the application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 CFR 200.333-337.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant organization have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that

subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award; and that established subaward performance goals are achieved (2 CFR 200.330-332)? Please provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.

10. Does the applicant organization currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among Federal awards or other activities (2 CFR 200.430)? Budget estimates do not qualify as support for charges to Federal awards. Please provide a brief description of the organization's established timekeeping policies and procedures.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Entities, an entity that is eligible for the Underserved Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Duns & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicants must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applicant does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/portal/SAM/#1#1> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. **Organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Registration	Where to Register	Deadline
DUNS	DUNS	January 5, 2018
SAM	SAM	January 5, 2018
Grants.gov	Grants.gov	January 5, 2018

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS number, register online with the SAM and with Grants.gov immediately, but no later than **January 5, 2018**.

Submission Dates and Times

It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their applications being removed from consideration. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Applicants are strongly encouraged to begin the application submission process at least 48 hours, but no later than 24 hours, before January 26, 2018.

Applications submitted after **11:59 p.m. E.T. on January 26, 2018** will not be considered for funding, unless the applicant receives OVW permission to submit a late application. Applicants experiencing difficulties submitting an application should refer to Experiencing Technical Difficulties During Submission in the chart below.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the last version submitted before the deadline.

OVW Policy on Late Submissions

In limited circumstances, OVW will approve a request to submit an application after the due date. The chart below provides a description of the circumstances under which OVW will consider such requests. OVW will only consider a late submission request if all steps outlined below have been followed. Therefore, applicants are strongly encouraged to familiarize themselves with the late submission process. OVW’s approval of a late submission request is not an indication of the application’s final disposition. Applications approved for late submissions are still subject to all of the review process and criteria described in this solicitation.

Failure to begin registration or application submission in sufficient time to acquire the correct version of Adobe software is not an acceptable reason for late submission. Applicants should register with SAM and Grants.gov by January 5, 2018. To support applicants in submitting their proposals and promote a fair process, OVW recommends that applicants who may be in need of an extension of the due date must adhere to the following:

Process for Requesting Late Submission

Severe Inclement Weather or Natural Disaster	
<ol style="list-style-type: none"> 1. Document when the severe inclement weather or natural disaster occurred, the impacted area, and the specific impact on the applicant/partners (e.g., without power for “x” days, office closed for “x” days). 2. Contact OVW at the earliest possible date and provide the information described in #1. 3. Contact OVW at least 24 hours prior to the solicitation closing if needing to request a late submission. Applicants impacted by severe inclement weather or a national disaster occurring on the due date can contact OVW up to 72 hours after the due date but as soon as possible. 	<p>OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural disaster but will do its best.</p>

(See Other Submission requirements).

Intergovernmental Review - Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the [DOJ Financial Guide](#). The [DOJ Financial Guide](#) includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The guide also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subawards and contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the [DOJ Financial Guide](#). Primary recipients will be responsible for oversight of subrecipient/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable. OVW may approve the use of OVW funds to provide food and/or beverages for a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance. For additional guidance on food and beverage expenditures go to <http://www.justice.gov/ovw/grantees>.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance related to conference planning is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is available on the OVW website at <http://www.justice.gov/ovw/grantees>.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$15,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$20,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The \$15,000 or \$20,000 is for the entire 24-month project period and NOT per year. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts/Subawards" category. Label both costs as "OVW Technical Assistance." OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees. The amounts included in the budget should equal the full, required set-aside amount listed above.

These funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission. Applicants may budget for expenses in excess of the OVW estimate if they are aware of relevant non-OVW sponsored conferences for which they would like permission to use grant funds to support staff/project partner attendance.

Program Assessments

Grantees under this program are prohibited from using OVW funds to conduct research. Upon budget approval, they may use funds to assess their work for quality assurance and program improvement purposes only. Assessments for quality assurance and program improvement might include surveying training participants about the quality of training content and delivery or convening discussion forums with key stakeholders. Applicants considering proposing program assessments should refer to the [DOJ/OJP decision tree](#) to ensure that the activity does not qualify as human subjects research.

Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Other Submission Requirements

As discussed in the [Submission Dates and Times](#) section above, applications must be submitted electronically via [[Grants.gov](#) or [GMS](#)]. Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [Grants.gov](#). **The registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner.** Grants.gov is not the Office of Justice Programs' (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

The E-Business Point of Contact (E-Biz POC) within the applicant's organization must register the organization with [Grants.gov](#). The E-Biz POC oversees the organization's [Grants.gov](#) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the AOR for an organization.

The application process can move forward once the organization successfully registers with [Grants.gov](#). Registration is a one-time process.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parentheses ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Numbers (0-9)	Comma (,)	Semicolon (;)	Apostrophe (')
Underscore (_)	At sign (@)	Number sign (#)	Dollar sign (\$)
Hyphen (-)	Percent sign (%)	Plus sign (+)	Equal sign (=)
Space	When using the ampersand (&) in XML, applicants must use the “&#amp;#x26;” format.		
Period (.)			

OVW strongly suggests using simple titles for all documents, such as “FY 2018 OVW Project Narrative.” Visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

Submitting a Grant Application

Important Grants.gov update. Grants.gov has updated its application tool. The legacy PDF application package is being phased out and will be retired on December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace option now. For complete information and

instructions on using Workspace (and other changes), go to the Workspace Overview page at <https://www.grants.gov/web/grants/applicants/workspace-overview.html>.

To ensure a successful application submission, OVW strongly encourages applicants to start their applications at least 48, but no less than 24, hours before the deadline.

The [Grants.gov](https://www.grants.gov) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T. except federal holidays.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Underserved Program, scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 60 points, of which
 - A. Purpose of the project: 20 points
 - B. What will be done: 25 points
 - C. Who will implement: 15 points
3. Budget narrative and detail worksheet: 15 points
4. MOU and Letter of Commitment: 20 points

Review and Selection Process

Peer Review

OVW will subject all eligible applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points.)
2. Out-of-scope activities (deduct up to 25 points)
3. Past performance (deduct up to 25 points)
4. Formatting and Technical Requirements (deduct up to 5 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application's peer review score.

As a part of the programmatic review process described above, applicants will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds
11. Adherence to the requirements of the [DOJ Financial Guide](#)

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2018.

F. Federal Award Administration Information

Federal Award Notices

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the [Authorized Representative](#) and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#), scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a civil rights provision that applies to all FY 2018 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients' programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the [Solicitation Companion Guide](#). Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Reporting

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions, including the awarding of consultant contracts, should be conducted in a manner that provides maximum open, free and fair competition, and must follow 2 C.F.R. §§ 200.317-200.326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients.

MOU Partners/Subrecipients

MOU project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.330 that support their classification as subrecipients: they are using federal funds to carry out a program for a public purpose specified in the authorizing statute, they are responsible for adherence to program requirements, they are responsible for programmatic decision making, their performance is measured in relation to whether program objectives are met, and in some cases they may be responsible for determining who is eligible to receive assistance (services) under the grant award. In contrast, a contractor provides goods and services within normal business operations, provides similar good and services to many different purchasers, normally operates in a competitive environment, provides goods and services that are ancillary to the operation of the program, and programmatic requirements may not be applicable to the services they are providing. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to [2 CFR Part 200.330](#), as well as the [Solicitation Companion Guide](#).

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual costs incurred for the project rather than a fee for service. If a partner is a state or local governmental

agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

In many states and territories, state coalitions or state agencies define these core services by setting minimum standards of practice: the types of services that must be offered and the way services must be provided. These often include services such as 24-hour crisis intervention, hospital and legal accompaniment, and information and referrals for other needs.</p> <p>**Comprehensive Services provide the core services as well as additional opportunities for survivors to heal and communities to prevent violence. These include additional services that address the physical, social, emotional, and spiritual needs of sexual assault survivors and their allies. These services go beyond the most immediate, pressing needs to support more in-depth healing, empowerment and integration.</p>
