OVW Rural Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program (CFDA 16.589)

A. Program Description

Overview
The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local, and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities’ capacity to provide justice for victims and hold offenders accountable.

About the OVW Rural Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program (Rural Program)
This program is authorized by the Violence Against Women Act (34 U.S.C. § 12341). Victims of sexual assault, domestic violence, dating violence, and stalking in rural communities face unique challenges and barriers to receiving assistance rarely encountered in urban areas. The geographic isolation, transportation barriers, economic structure, strong social and cultural pressures, and lack of available services in rural jurisdictions significantly compound the problems confronted by those seeking support and services to end the violence in their lives. These factors also complicate the ability of the criminal justice system to investigate and prosecute sexual assault, domestic violence, dating violence, and stalking cases. In addition, socio-cultural, economic, and geographic barriers make it difficult for victim services providers to identify and assist victims of these crimes.

The primary purpose of the Rural Program is to enhance the safety of rural victims of sexual assault, domestic violence, dating violence, and stalking and support projects uniquely designed to address and prevent these crimes in rural areas. OVW welcomes applications that propose innovative solutions to achieving this goal and encourages collaboration among criminal justice agencies, victim services providers, social services agencies, health professionals, and other community organizations to overcome the problems of sexual assault, domestic violence, dating violence, and stalking in rural communities. OVW also recognizes the richness of diversity in rural communities and areas across the country, and encourages applicants to implement innovative approaches, through capacity-building and partnerships, to address the critical needs of victims in a manner that affirms a victim’s culture, effectively addresses language and communication barriers, and ensures accessible services for all victims.

For additional information on the Rural Program, including what past Rural Program grantees have accomplished with their grant funds and to view the Rural Program performance measures and grantee-reported data, see http://muskie.usm.maine.edu/vawamei/ruralgraphs.htm.
Program Scope
Activities supported by the Rural Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, including updates to the guide after an award is made, and the conditions of the award.

Purpose Areas
In FY 2018, funds under the Rural Program may be used for the following statutory purposes:

1. To identify, assess and appropriately respond to child, youth, and adult victims of sexual assault, domestic violence, dating violence, and stalking in rural communities, by encouraging collaboration among sexual assault, domestic violence, dating violence and stalking victim service providers; law enforcement agencies; prosecutors; courts; other criminal justice service providers; human and community service providers; educational institutions; and health care providers, including sexual assault forensic examiners;
2. To establish and expand nonprofit, nongovernmental, state, tribal, territorial, and local government victim services in rural communities to child, youth, and adult victims; and/or
3. To increase the safety and well-being of women and children in rural communities by:
   A. dealing directly and immediately with sexual assault, domestic violence, dating violence and stalking occurring in rural communities; and
   B. creating and implementing strategies to increase awareness and prevent sexual assault, domestic violence, dating violence and/or stalking.

For many applicants, the Rural Program is one of the few sources of funding to support the provision of core services for victims of sexual assault, domestic violence, dating violence, and stalking. For this reason, OVW will only fund applications that propose projects that implement a collaborative response, support victim services, and/or create a direct response to these crimes in rural communities. Proposed projects must devote at least 70% of their project activities and budget to Rural Program purpose areas 1, 2 and/or 3(A). Applicants may apply to address purpose area 3(B), but no more than 30% of the project budget and activities may be dedicated to prevention and awareness activities.

In addition to these purpose areas, Rural Program grantees must implement one or more strategies as outlined in the authorizing statute:

1. Implementing, expanding, and establishing cooperative efforts and projects among law enforcement officers, prosecutors, victim service providers, and other related parties to investigate and prosecute incidents of sexual assault, domestic violence, dating violence, and stalking, including developing multidisciplinary teams focusing on high risk cases with the goal of preventing domestic and dating violence homicides;
2. Providing treatment, counseling, advocacy, legal assistance, and other long-term and short-term victim and population specific services to adult and minor victims of domestic violence, dating violence, sexual assault, and stalking in rural communities, including assistance in immigration matters;
3. Working in cooperation with the community to develop education and prevention strategies directed toward such issues;

---

1 OVW may approve project budgets that allocate a higher than 30% for prevention and awareness activities where strong justification is provided by the applicant.
4. Developing, enlarging, or strengthening programs addressing sexual assault, including sexual assault forensic examiner programs, Sexual Assault Response Teams, law enforcement training, and programs addressing rape kit backlogs; and

5. Developing programs and strategies that focus on the specific needs of victims of domestic violence, dating violence, sexual assault, and stalking who reside in remote rural and geographically isolated areas, including addressing the challenges posed by the lack of access to shelters and victims services, limited law enforcement resources and training, and providing training and resources to Community Health Aides involved in the delivery of Indian Health Service programs.

Mandatory Program Requirements

Applicants that receive funding under the Rural Program will be required to engage in the following activities:

1. Provide services within statutorily defined rural areas and communities.

By statute, at least 75% of the total amount of funding made available for this program must be allocated to eligible entities located in “rural states.” The term “rural” state means a state that has a population density of 57 or fewer persons per square mile or a state in which the largest county has fewer than 250,000 people, based on the most recent decennial census.

However, regardless of whether an application is submitted by an entity from a rural state or a non-rural state, all applicants must target services in a rural area or community. The statute defines the terms “rural area” and “rural community” as:

(A) any area or community, respectively, no part of which is within an area designated as a standard metropolitan statistical area by the Office of Management and Budget;

(B) any area or community, respectively, that is--

   (i) within an area designated as a metropolitan statistical area or considered as part of a metropolitan statistical area; and

   (ii) located in a rural census tract; or

(C) any federally recognized Indian tribe.

2. Document the targeted rural areas and communities to be served.

All applicants, whether from statutorily defined rural states or non-rural states, must submit the eligibility and service area documentation as identified in Appendix G. The only exception is for applicants who are federally recognized Indian tribes and therefore are statutorily rural-eligible, regardless of their location. Documentation is not required for these tribes.

---

VAWA also requires that OVW award 25% of appropriated Rural Program funds to meaningfully address sexual assault in rural communities. Applicants, however, are not required to address sexual assault within their individual applications.

OVW Priority Areas

In FY 2018, OVW is interested in supporting the priority areas identified below. Applications proposing activities in the following areas will be given special consideration.

1. Improve services for and/or the response to victims of sex trafficking and other severe forms of trafficking in persons who have also experienced domestic violence, sexual assault, dating violence, or stalking.

OVW will give special consideration to Rural Program applications that address services and/or responses to victims of sex trafficking or other forms of trafficking in persons who have also experienced sexual assault, domestic violence, dating violence, and stalking. Under the definitions and grant conditions applicable to the Rural Grant Program pursuant to VAWA, as amended, victim services and legal assistance includes services and assistance to victims of domestic violence, dating violence, sexual assault, or stalking who are also victims of severe forms of trafficking in persons. 34 U.S.C. § 12291 (b) (14) This means that applicants can apply to serve individuals who are both victims of trafficking and victims of domestic violence, dating violence, sexual assault, or stalking. Applicants proposing to serve trafficking victims must specify this in their application and must demonstrate capacity to serve this population, either through their own expertise and experience or through partnerships with organizations and/or agencies that have such expertise and experience. Applicants must also partner with federal, state, and/or local law enforcement and prosecution to develop comprehensive response protocols to ensure that trafficking victims are identified and referred for appropriate services. Applicants must identify how they will engage in outreach to trafficked victims of sexual assault, domestic violence, dating violence and stalking and tailor services to address the unique needs of these victims. An example of an appropriate project under this priority area could be training judges, advocates, law enforcement officers, prosecutors, and others who work with victims of sexual assault, domestic violence, dating violence, and stalking to recognize when those victims may also be victims of sex trafficking or other severe forms of trafficking in persons. Another example might include incorporating education and awareness activities into a community coordinated response. OVW will determine whether the applicant’s proposal to address trafficking merits special consideration under this priority area.

2. Increase support for survivors of sexual assault, including services, law enforcement response, and prosecution.

6 “Severe forms of trafficking in persons” is defined in 22 U.S.C. §7102 as:
   a. Sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such an act has not attained 18 years of age; or
   b. The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
OVW will give special consideration to applications that meaningfully address sexual assault such as supporting staff positions of adult or pediatric Sexual Assault Nurse Examiners (SANEs) and/or Sexual Assault Forensic Examiners (SAFEs) training for these professionals, and programs that serve child sexual abuse/assault victims. Applicants are also encouraged to consider other areas addressing sexual assault, such as counseling for sexual assault survivors; the establishment or enhancement of Sexual Assault Response Teams; specialized personnel or units such as law enforcement or prosecution; specialized training related to responding, investigating or prosecuting sexual assault cases; programs addressing rape kit backlogs; and programs that involve implementation of the Prison Rape Elimination Act (PREA) standards in working with incarcerated victims.

Applications that focus primarily (75% or more of their proposed goals, objectives, activities and budget) on developing, enlarging, or strengthening programs addressing sexual assault in rural communities or areas will be considered to be meaningfully addressing this issue and given special consideration during the recommendation process.

3. **Meaningfully increase access to OVW programming for specific marginalized and/or underserved populations (based on race, ethnicity, sexual orientation, gender identity, disability, age, etc.).**

OVW recognizes the diversity within the population in rural America and the existing gaps among current Rural Program grantees in providing services that fully reflect the rural communities that they serve. OVW encourages applicants to consider projects that would increase services to underserved populations and ensure that services are representative of their community demographics. OVW will give special consideration to applications that propose to increase support for underserved populations, such as African Americans, the elderly, and immigrants. OVW also encourages applicants to consider ways in which they will ensure that organizations and programs focus on incorporating representatives from marginalized communities in their respective coordinated community responses and/or on their multidisciplinary teams.

Applications that focus primarily (75% or more of their proposed goals, objectives, activities and budget) on developing, enlarging, or strengthening programs addressing sexual assault, domestic violence, dating violence, and/or stalking in African American, elderly or immigrant rural communities or areas will be considered to be meaningfully addressing the issue and given special consideration during the recommendation process.

**Activities that Compromise Victim Safety and Recovery and Undermine Offender Accountability**

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health
condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;  
2. Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;  
3. Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;  
4. Procedures or policies that fail to include conducting safety planning with victims;  
5. Project designs and budgets that fail to account for the access needs of individuals with disabilities, with limited English proficiency, or who are Deaf or hard of hearing;  
6. The use of pre-trial diversion programs without prior OVW review and approval of the program or the automatic placement of offenders in such programs;  
7. Offering or ordering anger management programs for offenders as a substitute for batterer’s intervention programs. Effective batterer intervention programs should use court monitoring to hold offenders accountable;  
8. Procedures or policies that deny victims and non-abusing parents or caretakers and their children access to services based on their involvement with the perpetrator;  
9. Dissemination of information, education, or prevention materials that place blame on the victim or focus primarily on changing victim behavior;  
10. Policies or practices that discourage accepting cases when victims do not have physical evidence;  
11. Policies and procedures that fail to account for the physical safety of victims;  
12. Promoting nuisance abatement ordinances, crime-free housing ordinances, or crime-free lease addenda (often associated with crime-free housing programs) that require or encourage the eviction of tenants or residents who may be victims of domestic violence, sexual assault, dating violence, or stalking;  
13. Policies or procedures that require testing of sexual assault forensic evidence in cases where the victim obtained a medical forensic exam but has not chosen to participate in the criminal justice system.

This list is not exhaustive. Applications that propose any activities that compromise victim safety and recovery or undermine offender accountability may receive a deduction in points during the review process or may be eliminated from consideration entirely.

**Out-of-Scope Activities**

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by Rural Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See “Research and Protection of Human Subjects” in the Solicitation Companion Guide.
2. Child abuse or family violence issues such as violence perpetrated by a child against a parent or violence perpetrated by a sibling against another sibling.

---

7 If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section “Violence Against Women Act Non-Discrimination Provision” under “F. Federal Award Administration Information.”

8 See also the U.S. Department of Housing and Urban Development’s 2016 guidance on how such ordinances and addenda may violate the Fair Housing Act.
3. Services to children for anything other than child sexual assault or services beyond ancillary services provided to a victim’s child when there is an inextricable link between a parent’s victimization and the child’s need for services and in connection to providing victim services for the parent. For example, funds may be used to provide services to children of battered clients residing in a shelter.

4. Education and prevention for students not specifically related to sexual assault, domestic violence, dating violence, and/or stalking, such as “bullying” or “character building” educational programs.

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Unallowable Activities
OVW has determined the activities listed below to be unallowable, and they will not be supported by Rural Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction.

Applicants that propose unallowable activities may receive a deduction in points during the review process or may be eliminated from consideration entirely.

An application that is deemed deficient in more than one of the aforementioned categories (activities that compromise victim safety, out-of-scope activities, unallowable activities) may not be considered for funding.

B. Federal Award Information

Availability of Funds
All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2018 funding, depending on the merits of the applications and on the availability of funding.

Award Period
The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2018.
Award Amounts
Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Funding levels under the Rural Program for FY 2018 are as follows:

1. Continuation applications will be limited to $750,000 for the entire 36 months
2. New applications will be limited to $500,000 for the entire 36 months

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to awarding a grant.

The Rural Program typically makes awards in the range of $350,000 - $750,000. The amount of the award varies among current grantees and is largely based upon the needs of the targeted service area as defined by the grantee, the geographic area that is to be served, and the scope of the project. OVW estimates that it will make up to 50 awards for an estimated $35,000,000.

Awards will be made as grants.

Types of Applicants
In FY 2018, OVW will accept applications for the Rural Program from the following:

New: applicants that have never received funding under the Rural Program or whose previous funding expired more than 12 months ago.

Continuation: applicants that have an existing or recently closed (within the last 12 months) award under the Rural Program and/or an applicant that received funding under this program in FY 2015 or earlier that does not qualify as a new applicant as defined above. Continuation funding is not guaranteed.

Rural Program grant recipients that received an FY 2016 or FY 2017 award(s) are NOT eligible to apply.

Additionally, current grantees with a substantial (50%) amount of funds remaining at the time of application submission without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2018.

C. Eligibility Information

Eligible Applicants
It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible Entities

1. States;
2. Indian tribes;
3. Territories;
4. Local governments; and
5. Nonprofit (public or private) entities, including tribal nonprofit organizations.

**Nonprofit Organization Requirement – Offshore Accounts**
Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the Rural Program.

**Cost Sharing or Match Requirement**
This program has no match or cost sharing requirement.

**Other Program Eligibility Requirements**
In addition to meeting the eligible entity requirements outlined above, applications for the Rural Program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2018 solicitation. Applications that do not meet all of the program eligibility requirements below will not be considered for funding under the Rural Program.

**Documentation of Eligible Service Area**
To be eligible to receive Rural Program funding, an applicant must demonstrate that it proposes to serve a rural area or rural community. Every application (other than those submitted by federally recognized Indian tribes) must include the proper printed documentation demonstrating that the proposed service area meets this eligibility requirement. Instructions to complete the documentation process can be found in Appendix G.

1. Applications must propose to serve a rural area or rural community, as defined by 34 U.S.C. § 12291(a)(26) to mean (a) any area or community, respectively, no part of which is within an area designated as a standard metropolitan statistical area by the Office of Management and Budget; (b) any area or community, respectively, that is (i) within an area designated as a metropolitan statistical area or considered part of a metropolitan statistical area; and (ii) located in a rural census tract; or (c) any federally recognized Indian tribe. Note that all areas outside of this definition cannot be served with funding from this Program.
2. Carefully read the directions outlined in Appendix G and submit documentation for all areas the application proposes to serve, i.e. every county and/or census tract. If proposing to serve a town or city or area within a county, the application must clearly identify which census tract(s) in that county those communities are in and include corresponding documentation that demonstrates they are eligible rural census tracts.
3. The only documentation that will be accepted is described in Appendix G. Other types of documentation (from other sources, showing different information, etc.) will NOT be accepted.

**Delivery of Legal Assistance**
Any grantee or sub grantee providing legal assistance with funds awarded under this program shall certify in writing that:

1. any person providing legal assistance with funds through this program (A) has demonstrated expertise in providing legal assistance to victims of domestic violence, dating violence, sexual assault, or stalking in the targeted population; or (B)
i. is partnered with an entity or person that has demonstrated expertise described in subparagraph (A); and

ii. has completed, or will complete, training in connection with domestic violence, dating violence, sexual assault or stalking and related legal issues, including training on evidence-based risk factors for domestic and dating violence homicide;

2. any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a tribal, state, territorial, or local domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate tribal, state, territorial, and local law enforcement officials;

3. any person or organization providing legal assistance with funds through this program has informed and will continue to inform state, local, or tribal domestic violence, dating violence, sexual assault or stalking programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and

4. the grantee’s organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, domestic violence, dating violence, or child sexual abuse is an issue.

This certification shall take the form of a letter, on letterhead, signed and dated by the authorized representative. Failure to provide a letter certifying to these requirements may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. The signed certification letter must be uploaded as a separate attachment in Grants.gov. A sample certification letter can be found in Appendix F.

Required Partnerships
In general, partners identified in the application as receiving a portion of the award are subrecipients and not contractors because they meet the criteria in 2 C.F.R. § 200.330 for distinguishing between subrecipients and contractors: they will be using federal funds to carry out a program for a public purpose specified in the authorizing statute for this program (as opposed to providing goods or services for the benefit of the applicant), will have their performance measured in relation to whether objectives of the grant program were met, and will have responsibility for programmatic decision making. For more information, see the Solicitation Companion Guide.

1. Eligible applications must include a victim service provider as the lead applicant and/or a formal project partner, as demonstrated through a required Memorandum of Understanding (MOU) or Letters of Support (for state, tribal, territory or local court applicants only, if applicable). A victim service provider is a nonprofit, nongovernmental organization, tribal organization, or rape crisis center, including a state or tribal domestic violence and/or sexual assault coalition, domestic violence shelter, faith-based organization, or other organization, with a documented history of effective work

---

9 For the purposes of this grant program, a rape crisis center means a nonprofit, nongovernmental, or tribal organization, or governmental entity in a state other than a territory that provides intervention and related assistance, as specified in 34 U.S.C. § 12511(b)(2)(C), to victims of sexual assault without regard to their age. In the case of a governmental entity, the entity may not be part of the criminal justice system (such as a law enforcement agency) and must be able to offer a comparable level of confidentiality as a nonprofit entity that provides similar victim services. 34 U.S.C. §12291(a)(25)
concerning domestic violence, dating violence, sexual assault, or stalking. Victim service providers should meet all of the following criteria: 1) provide direct services to victims of sexual assault, domestic violence, dating violence, or stalking as one of their primary purposes and have a demonstrated history of effective work in this field; 2) address a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence; and 3) do not engage in or promote activities that compromise victim safety.

2. Eligible applications, including those submitted by a victim service provider, must include at least one project partner, and should include agencies and organizations necessary to implement the proposed project. These partners may include victim service providers addressing sexual assault, domestic violence, dating violence, and/or stalking; law enforcement agencies; prosecutors; courts; other criminal justice service providers; human and community service providers; educational institutions; and/or health care providers, including sexual assault forensic examiners. See 34 U.S.C. § 12341(a)(1).

3. Trafficking Priority Required Partnership: Applicants applying under the trafficking priority area must include a local, state, and/or federal law enforcement agency and a local, state, and/or federal prosecutor’s office as a project partner as outlined in a memorandum of understanding.

Limit on Number of Applications
OVW will consider only one application per organization in response to this solicitation. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

D. Application and Submission Information

Address to Request Application Package
The complete application package is available on Grants.gov or at the OVW website. Applicants wishing to request a paper copy of the application materials should contact ovw.rural@usdoj.gov or 202 532-4629.

Pre-Application Information Session
OVW will pre-record a pre-application information session for entities interested in submitting an application for the Rural Program. Listening to this session is optional. Interested applicants who do not participate are still eligible to apply. During this session, OVW staff will review the Rural Program requirements, review the solicitation, and address frequently asked questions. The session is tentatively scheduled to be available by Thursday, January 11, 2018 on the OVW website.

The pre-recorded session will be captioned in English. Interested applicants needing additional language assistance should contact the Rural Program at ovw.rural@usdoj.gov or 202 532-4629 as soon as possible.

Anyone interested in submitting an application to the Rural Program is encouraged to listen to the recorded Pre-Application Information Session and contact the Rural Program at 202 532-4629 or ovw.rural@usdoj.gov with any additional questions. A transcript of the session can be made available upon request.
Content and Form of Application Submission
The information below ("Letter of Registration" through "Additional Required Information") describes the full content and form of application submission.

Letter of Registration
Applicants intending to apply for FY 2018 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with SAM and with Grants.gov. The letter should be submitted to OVW at ovw.rural@usdoj.gov by January 11, 2018. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See Appendix B for a sample Letter of Registration.

Application Contents
This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, the award may include special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline.

Applicants should not submit documents that were not specifically asked for in the solicitation. Providing information that was not requested will not increase the likelihood that an application will be selected for funding. All materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Formatting and Technical Requirements
Applications must follow the requirements below. Points may be deducted for applications that do not adhere to the following requirements:

1. Double spaced (Project Abstract, Summary Data Sheet and charts may be single space)
2. 8½ x 11 inch paper
3. One-inch margins
4. Type no smaller than 12 point, Times New Roman font
5. Page numbers
6. No more than 20 pages for the Project Narrative
7. Word documents in the following formats: Microsoft Word (.doc), PDF files (.pdf), or Text Documents (.txt).
8. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Application Requirements
Applications must include the following required documents and demonstrate that the program eligibility requirements have been met. OVW will not contact applicants for missing items on the list below. Applications that do not address all of the following components will be considered substantially incomplete and will not be considered for funding:

1. Project Narrative
2. Budget Detail Worksheet and Narrative
3. Memorandum of Understanding (MOU)/Letter of Support (Court applicants, if applicable)
4. Eligible Service Area Documentation

In addition to the application being scored on the documents listed above, the Summary Data Sheet will also be scored.

Summary Data Sheet (5 Points Total)
The Summary Data Sheet should be one to four pages in length and may be single or double spaced. The Summary Data Sheet does not count toward the 20 page limit for the Project Narrative. Provide the following information:

1. Name, title, address, phone number, and e-mail address of the individual with authority to accept grants on behalf of the applicant.
2. Name, title, address, phone number, and e-mail address for the grant point-of-contact. This person must be an employee of the applicant.
3. Statement as to whether the applicant (i.e., the organization whose DUNS number is being used for the application) will serve as a fiscal agent/sponsor for an entity or entities that will ultimately implement the project, and that the applicant itself will not be involved with implementation of the project beyond issuing a subaward or subawards to other entities. If this is the case, the applicant must include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of 2 CFR Part 200, as well as all project deliverables. The applicant must also list all of the entities with which it will enter into agreements to implement the project, and should include a description of how these entities intend to accomplish the purposes of the award (if such a description is not already provided in a Memorandum of Understanding submitted as part of the application). Note that, in such situations, the fiscal agent/sponsor must be an eligible applicant for the program.
4. Statement as to whether the applicant has expended $750,000 in federal funds in the applicant’s past fiscal year. If so, specify the end date of the applicant’s fiscal year.
5. Summary of current and recent OVW projects (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that has been closed within the last 12 months from the date this solicitation closes, the information must be provided in a table using the format found in APPENDIX D. Failure to provide the required table will result in a loss of points.
6. A list of other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2018 to do similar work. Provide this information in a table using the format found in APPENDIX E.
7. Statement as to whether the applicant is a nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code.
8. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service’s three-step safe-harbor procedure to establish a rebuttable presumption that its executives’ compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see “Disclosures Related to Executive Compensation” in the Additional Required Information section.
9. The percentage of grant activities, should the application be funded, that will address each of the following issues (the total percentages should not exceed 100%):
   • Sexual assault;
• Domestic violence;
• Dating/teen dating violence; and
• Stalking.

10. Identify what, if any, of the FY 2018 Rural Program Priority areas are being addressed:

- Improve services for and/or the response to victims of sex trafficking and other severe forms of trafficking in persons who have also experienced domestic violence, sexual assault, dating violence, or stalking. Please specify if any of the following activities will be addressed: training for professionals to identify and respond to trafficking; building a coordinated community response to trafficked victims of sexual assault, domestic violence, dating violence, and stalking; legal assistance for such victims; and emergency shelter for such victims. List any other activities addressed within this priority area.

- Meaningfully increased support for sexual assault, including services, law enforcement response and prosecution. Specify if any of the following activities will be addressed:
  1. Sexual Assault Nurse Examiners/Sexual Assault Forensic Examiners
  2. Sexual Assault service delivery – development or enhancement
  3. Sexual Assault Response/Resource Team development or enhancement
  4. Investigating and/or prosecuting sexual assault crimes
  5. Programs addressing rape kit backlog
  6. Programs addressing implementation of PREA standards
  7. List any other activities to be addressed within this priority area.

- Meaningfully increase access to OVW programming for specific underserved populations. Specify if any of the following activities will be addressed:
  1. Services for African American victims
  2. Services for elderly victims
  3. Services for immigrant victims
  4. Services for people with Limited English Proficiency, including developing or enhancing Language Access Plans
  5. List any other activities to be addressed within this priority area.

12. Describe how the proposed project will be accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.

Who Will Implement the Project (10 points)
The application must identify the key individuals and organizations involved in the proposed project. This section must demonstrate that the individuals and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities.

This section must:

1. Identify the key individuals and organizations involved in the proposed project;

2. Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including the expertise necessary to appropriately serve any marginalized and/or underserved populations identified in the Purpose of the Application section, and can successfully implement the proposed project activities;

3. Identify all project partners, specify their respective roles and responsibilities, and describe the collaborative relationship to be developed or enhanced;

7. Clearly demonstrate that staff, partners, and consultants carrying out project activities and/or providing services that are culturally specific are reflective of the communities to be served through their knowledge or experience relevant to the targeted communities.

Budget Detail Worksheet and Narrative (15 Points)
All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in Appendix A. When preparing the Budget Detail Worksheet and Narrative, use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the DOJ Financial Guide.

Award Period and Amount
The FY 2018 Rural Program award period is 36 months and will generally begin on October 1, 2018. Funding levels under the Rural Program for FY 2018 are as follows:

1. Continuation applications will be limited to $750,000
2. New applications will be limited to $500,000

**Budget Requirements.**
Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds to attend OVW-sponsored training and technical assistance in the amount of $10,000 for states and $15,000 for territories, Hawaii, and Alaska. The $10,000 or $15,000 is for the entire 36-month project period and NOT per year. See [Training and Technical Assistance](#) in the Funding Restrictions section of the solicitation.
2. Include funds or include other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See “Accessibility” under “F. Federal Award Administration Information” for more information.
3. Compensate all project partners as reflected in the MOU/Letters of Support. See [Appendix A](#) for additional information on compensating project partners.
4. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331. See [Appendix A](#) and the Solicitation Companion Guide for more information.

For additional guidance, go to the Funding Restrictions section of this solicitation.

**Memorandum of Understanding (MOU) (20 Points Total)**
For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner agency during the development of the application. If necessary, an MOU can include...
multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
3. Clearly state that each project partner has reviewed the budget and is aware of the total amount being requested and the funding being requested for each project partner;
4. Directly mirror the project as described in “What Will Be Done” in the “Application Requirements” section (goals, objectives and activities) and corresponding Budget;
5. Include all relevant agencies or organizations that are necessary and will collaborate to implement the goals, objectives or activities included within the proposed project;
6. Specify the extent of each partner’s participation in developing the application;
7. Demonstrate a commitment on the part of all project partners to work together to achieve stated project goals;
8. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training);
9. Adequately demonstrate the correlation between the issue(s) to be addressed and the expertise of proposed organizations and key staff/positions;
10. Signatories should include their titles and agencies under their signatures. A sample MOU is available at: http://www.justice.gov/sites/default/files/ovw/legacy/2008/10/21/sample-mou.pdf; and,
11. Indicate approval of the proposed project budget by all signing parties.

Applicants applying under the trafficking priority area must also:

1. Clearly identify which organization(s) has the expertise in providing services to victims of trafficking. Include how many years the organization(s) has been providing services for victims of trafficking;
2. Detail the personnel designated to provide legal and/or support services to victims of trafficking, including: a) the name and title of each person; and b) how many years each staff person has been providing services to victims of trafficking;
3. Include both a local, state, and/or federal law enforcement agency and a local, state, and/or federal prosecutor’s office as MOU partners. Note that federal law enforcement agencies and U.S. Attorney’s Offices cannot receive Rural Program grant funds and should not be compensated in the budget.

Letter(s) of Support (for state, tribal, territories and local courts if applicable) (20 Points Total)

Court applicants, if they are precluded from entering into MOUs, may submit letters of support. Each letter of support must clearly identify what service gaps exist, how the project will bridge the gap(s), and how the court that submitted the letter will be involved with implementing project activities. The letters should clearly demonstrate what role the court, victim service providers, or other service providers will have in achieving the goals and objectives of the project.
In general, MOU partners that will be receiving funds to carry out a portion of the award should be treated as subrecipients and not contractors. For more information see 2 C.F.R. § 200.330, Appendix A, and the Solicitation Companion Guide.

Additional Required Information

The following documents will not be scored during the review process but they should be included with the application. Failure to include any of the information may result in the application being removed from consideration from funding. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

The following documents will be generated and completed during the application submission process:

Application for Federal Assistance (SF-424)
Applicants must complete the SF-424 online. For “Type of Applicant,” do not select “other.” Pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. This program does not requires a match; therefore, the values for “Applicant’ line should be zero. The individual who is listed in “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)
Carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.
All applicants must complete the Disclosure of Lobbying Activities (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents should be uploaded and attached to the application:

Applicant Financial Capability Questionnaire (if applicable)
All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year’s audit report at a later time. The form can be found at http://www.justice.gov/ovw/how-apply.

Confidentiality Notice Form
All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the Authorized Representative and uploaded with the application in Grants.gov
Disclosure of Process Related to Executive Compensation
An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization’s managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization’s compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service’s three-step safe-harbor procedure to establish a rebuttable presumption that its executives’ compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Financial Accounting Practices
Each applicant must prepare a response to the following questions. Be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant’s responses to assist in evaluating the adequacy of the organization’s financial
management system and to identify areas of need for training and technical assistance. This section of the application should be no more than two pages and should be a separate attachment to the online application in Grants.gov.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant’s policies and procedures that ensure funds will be tracked appropriately.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.

3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization’s process for tracking expenditures, including tracking budgeted versus actual amounts.

4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant’s policy for requesting payments for grant awards.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant’s internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 CFR 200.333-337.

7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant organization have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award; and that established subaward performance goals are achieved (2 CFR 200.330-332)? Provide a brief description of the organization’s policies and procedures on subrecipient management and monitoring.

10. Does the applicant organization currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees’ salaries among Federal awards or other activities (2 CFR 200.430)? Budget estimates do not qualify as support for charges to Federal awards. Provide a brief description of the organization’s established timekeeping policies and procedures.
This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting
Applicants must submit a letter to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)
Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company Duns & Bradstreet (D&B). Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicants must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant
should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website http://www.dnb.com/us/ or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at https://www.sam.gov/portal/SAM#/1#1 and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to Grants.gov and complete the registration. Organizations must update or renew their SAM registration at least once a year to maintain an active status.

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS number, register online with the SAM and with Grants.gov immediately, but no later than January 11, 2018.

Submission Dates and Times
It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their applications being removed from consideration. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Applicants are strongly encouraged to begin the application submission process at least 48 hours, but no later than 24 hours, before January 31, 2018.

2. The Authorized Organization Representative should receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will either notify the Authorized Organization Representative that the application was successfully submitted, or it will notify the Authorized Organization Representative that there was an error with the application submission.

OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on January 31, 2018**. Applications submitted after **11:59 p.m. E.T. on January 31, 2018** will not be considered for funding, unless the applicant receives OVW permission to submit a late application. Applicants experiencing difficulties submitting an application should refer to Experiencing Technical Difficulties During Submission in the chart below.

**OVW Policy on Duplicate Applications**

If an applicant submits multiple versions of an application, OVW will review the last version submitted before the deadline.
OVW Policy on Late Submissions

In limited circumstances, OVW will approve a request to submit an application after the due date. The chart below provides a description of the circumstances under which OVW will consider such requests. OVW will only consider a late submission request if all steps outlined below have been followed. Therefore, applicants are strongly encouraged to familiarize themselves with the late submission process. OVW's approval of a late submission request is not an indication of the application's final disposition. Applications approved for late submissions are still subject to all of the review processes and criteria described in this solicitation.

Failure to begin registration or application submission in sufficient time to acquire the correct version of Adobe software is not an acceptable reason for late submission. Applicants should register with SAM and Grants.gov by January 11, 2018. To support applicants in submitting their proposals and promote a fair process, applicants who may be in need of an extension of the due date must adhere to the following:

5. Respond promptly to communication from OVW requesting the complete application package, applicant DUNS Number, Grants.gov helpdesk tracking numbers, and any other relevant documentation.

1. By beginning the application submission process 24-48 hours before the deadline, applicants should have sufficient time to receive notice of problems with their submissions and make necessary corrections.

2. Applicants are responsible for ensuring that the most up-to-date version of Adobe Acrobat is installed on all computers that may be used to submit the proposal. This should be done at least 48 hours before the deadline.

3. To ensure that attachments are not rejected, attachment names should only include allowable characters. (See Other Submission requirements).

Intergovernmental Review - Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the state Single Point of Contact (SPOC) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_s poc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The guide also outlines the successful administration of grant funds.
Any recipient of an award will be responsible for monitoring subawards and contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subrecipient/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals
Generally, food and beverage costs are not allowable. OVW may approve the use of OVW funds to provide food and/or beverages for a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance. For additional guidance on food and beverage expenditures go to http://www.justice.gov/ovw/grantees.

Conference Planning and Expenditure Limitations
Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance related to conference planning is available at http://www.justice.gov/ovw/grantees. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is available on the OVW website at http://www.justice.gov/ovw/grantees.
Training and Technical Assistance
All applicants are required to allocate funds in the amount of $10,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate $15,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The $10,000 or $15,000 is for the entire 36-month project period and NOT per year. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee’s travel costs should be included in the “Travel” category, while travel costs for the project partner(s) must be included in the “Consultants/Contracts/Subawards” category. Label both costs as “OVW Technical Assistance.” OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees. The amounts included in the budget should equal the full, required set-aside amount listed above.

These funds can only be used for OVW-designated technical assistance, unless otherwise approved by OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person’s roles and responsibilities are linked to the project’s overall mission. Applicants may budget for expenses in excess of the OVW estimate if they are aware of relevant non-OVW sponsored conferences for which they would like permission to use grant funds to support staff/project partner attendance.

Program Assessments
Grantees under this program are prohibited from using OVW funds to conduct research. Upon budget approval, they may use funds to assess their work for quality assurance and program improvement purposes only. Assessments for quality assurance and program improvement might include surveying training participants about the quality of training content and delivery or convening discussion forums with key stakeholders. Applicants considering proposing program assessments should refer to the DOJ/OJP decision tree to ensure that the activity does not qualify as human subjects research.

Pre-Agreement Cost Approval
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.

Other Submission Requirements
As discussed in the Submission Dates and Times section above, applications must be submitted electronically via Grants.gov. Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. In order to apply for a grant, the applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. Complete instructions can be found at Grants.gov. The registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner. Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any
point during this process, they should call the Grants.gov Customer Support Hotline at 1-800-518-4726.

The E-Business Point of Contact (E-Biz POC) within the applicant’s organization must register the organization with Grants.gov. The E-Biz POC oversees the organization’s Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for an organization.

The application process can move forward once the organization successfully registers with Grants.gov. Registration is a one-time process.

Note: Grants.gov limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. Grants.gov is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

OVW strongly suggests using simple titles for all documents, such as “FY 2018 OVW Project Narrative.” Visit the Grants.gov website to review the most up-to-date guidelines about the use of specific characters.

Submitting a Grant Application

Important Grants.gov update. Grants.gov has updated its application tool. The legacy PDF application package is being phased out and will be retired on December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace option now. For complete information and instructions on using Workspace (and other changes), go to the Workspace Overview page at https://www.grants.gov/web/grants/applicants/workspace-overview.html.

To ensure a successful application submission, OVW strongly encourages applicants to start their applications at least 48, but no less than 24, hours before the deadline.

The Grants.gov Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T. except federal holidays.
E. Application Review Information

Criteria
Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element must be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Rural Program, scoring will be as follows:

1. Summary data sheet: (5) points
2. Project narrative: (60) points, of which
   A. Purpose of the project: (15) points
   B. What will be done: (35) points
   C. Who will implement: (10) points
3. Budget narrative and detail worksheet: (15) points
4. MOU/Letter of Support (Court applicants, if applicable): (20) points

Review and Selection Process

Peer Review
OVW will subject all eligible applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review
All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program’s scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to give special consideration to applications fully addressing OVW priority areas and to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points.)
2. Out-of-scope activities (deduct up to 25 points)
3. Past performance (deduct up to 25 points)
4. Formatting and Technical Requirements (deduct up to 5 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application’s peer review score.

As a part of the programmatic review process described above, applicants will be reviewed for past performance and risk based on the elements listed below.
1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the DOJ Financial Guide.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees
Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates
It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2018.

F. Federal Award Administration Information

Federal Award Notices
Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the Authorized Representative, scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.
Administrative and National Policy Requirements

Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements, including those requirements enumerated below. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the Solicitation Companion Guide.

Terms and conditions for OVW awards, including awards under this program are available at http://www.justice.gov/ovw/grantees. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a civil rights provision that applies to all FY 2018 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance
with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide. Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

**Reporting**

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

**G. Federal Awarding Agency Contact(s)**

For assistance with the requirements of this solicitation, contact the OVW Rural Program at (202) 307-6026 or ovw.rural@usdoj.gov.

**H. Other Information**

**Application Checklist**

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

**Public Reporting Burden - Paperwork Reduction Act Notice**

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.
APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet
Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.

Consultants/Contracts
Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant’s rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of $650 per day. Please note that this does not mean that the rate can or should be as high as $650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than $650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the “Consultants/Contracts” category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions, including the awarding of consultant contracts, should be conducted in a manner that provides maximum open, free and fair competition, and must follow 2 C.F.R. §§ 200.317-200.326. All sole-source procurements (those not awarded competitively) in excess of $150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients.

MOU Partners/Subrecipients
MOU project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.330 that support their classification as subrecipients: they are using federal funds to carry out a program for a public purpose specified in the authorizing statute, they are responsible for adherence to program requirements, they are responsible for programmatic decision making, their performance is measured in relation to whether program objectives are met, and in some cases they may be responsible for determining who is eligible to receive assistance (services) under the grant award. In contrast, a contractor provides goods and services within normal business operations, provides similar good and services to many different purchasers, normally operates in a competitive environment, provides goods and services that are ancillary to the operation of the program, and programmatic requirements may not be applicable to the services they are providing. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330, as well as the Solicitation Companion Guide.

Compensation for Partners
In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget must include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual costs.
incurred for the project rather than a fee for service. If a partner is a state or local governmental agency and the partnership duties are conducted within the course of the agency’s “regular” scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Rent
Rent is generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property. In this case, only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs
Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization’s fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs
Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate.

Purchase and/or Lease of Vehicles
The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Non-Federal contributions
Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.
Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Note: The following budget is an example intended to assist you in preparing your application budget. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of $10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: $ 212,700

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker’s Compensation, and Unemployment Compensation.

Travel estimates are based upon the tribe’s formal written travel policy.
TOTAL TRAVEL:  $12,000

D. Equipment – List non-expendable items that are to be purchased. (Note: Organization’s own capitalization policy for classification of equipment should be used.) Expendable items should be included in the “Supplies” category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “Contractual” category. Explain how the equipment is necessary for the success of the project. The Sexual Assault Training manuals will be purchased from the Sexual Assault Resource Center and will be used in conjunction with the on-site training that will be provided by the Consultant/Trainer.

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and
stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages $200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to $500 to assist with rent and utility payments or security deposits.

**TOTAL OTHER COSTS:** $84,900

I. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than $35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.

APPENDIX G
Rural Eligibility Determination and Documentation Process
Rural Eligibility Determination and Documentation Process

All applicants, whether from statutorily defined rural States or non-rural States, must submit the eligibility and service area documentation as identified in Appendix G. The only exception is for applicants who are federally recognized Indian tribes who are statutorily rural-eligible, regardless of their location, and documentation is not required.

For the purpose of the Rural Program, a rural area or community is defined as: (a) any area or community, respectively, no part of which is within an area designated as a standard metropolitan statistical area by the Office of Management and Budget; or (b) any area or community, respectively, that is (i) within an area designated as a metropolitan statistical area or considered part of a metropolitan statistical area; and (ii) located in a rural census tract. Rural grant funds may not be used to serve victims residing in census tracts that are not rural.

The following instructions will assist applicants in determining whether the areas in which they are proposing to serve is designated as “rural” using the definitions above. Once eligibility is determined, the following instructions describe how to obtain the necessary documentation confirming your eligibility which is required to be included with your application. Applications that do not provide the required documentation supporting the rural eligibility determination will not be considered for funding. If multiple service areas are proposed, supporting documentation is required for all proposed service areas.

If the application is proposing to serve a fully rural county, it must include the one-page print out from HRSA that identifies that county is fully eligible. If the application is proposing to serve a county that is partially rural, it must include a print out from the Census factfinder that shows the rural and urban population for each and every census tract in that county, and note which census tracts the project will serve. NO OTHER FORMS OF DOCUMENTATION WILL BE ACCEPTED.

Determining Eligibility

The following is a step-by-step guide to determine the eligibility of the proposed service area.

1. Identify the county(ies) to be served by this project.
2. Click on the following link: http://datawarehouse.hrsa.gov/RuralAdvisor/RuralHealthAdvisor.aspx
3. Select the State or Territory in the drop down menu.
4. Select the county in the drop down menu.
5. One of three messages will appear (Example 1: Yes! All locations in this county are eligible, Example 2: Some parts of this county are eligible, or Example 3: No location in this county is eligible).

EXAMPLE 1
Yes! All locations in this county (Charles Mix County, South Dakota) are eligible for Rural Health Grants.

Your eligibility has been determined for this county.

Documenting Eligibility for Example 1:
For all counties found fully eligible at this point, print out this web page documenting eligibility (displaying the above message in green) and attach to the application as Rural Service Area Documentation. No further information is needed for this county.

This process needs to be completed for each and every service area. If an applicant has additional service areas, go back to Step 1 and complete the same process for each area.

**EXAMPLE 2**

Some parts of this county (Pennington County, South Dakota) are eligible for Rural Health Grants. Use the hyperlink above to check by specific address.  

[Note] For this message, applicants must go to the Census FactFinder website. DO NOT attempt to document the service area by clicking on the referenced hyperlink and entering an address. Using the HRSA website to demonstrate an “address” is considered rural by this site DOES NOT meet the documentation requirements for OVW.

**EXAMPLE 3**

No location in this county (Minnehaha County, South Dakota) is eligible for Rural Health Grants.

**Documenting Eligibility for Examples 2 and 3:**

Although this county has been determined (in whole or in part) as ineligible as a service area through the initial tool, there may be census tracts within the county that are eligible. To determine eligibility of census tracts, complete the following:

1. For all counties found partially eligible or ineligible (Examples 2 and 3), proceed to the following: [http://factfinder.census.gov/faces/nav/jsf/pages/index.xhtml](http://factfinder.census.gov/faces/nav/jsf/pages/index.xhtml)
2. Click on “Advanced Search” Tab above
3. On the left column click on “Geographies”
4. Under “Select a geographic type” select “census tract” (140) – [NOTE: Should be the 6th link down]
5. Under “Select a state” select your state
6. Under “Select a county” select your county
7. Under “Select one or more geographic areas,” and click “Add to Your Selections,” select “All census tracts”
8. Close (“x”) that screen and Search “rural” under “Refine Your Search Results”
9. Select “P2” “Urban and Rural”
10. Click “View”
    The resulting information will show the following for each census tract within that county:
    a. total population
    b. urban population
    c. rural population
11. **Print out all the pages** from this website that identify the total population, urban population, and rural population to document this information for all census tracts within this county. This documentation must be attached to the application.  
12. Any census tracts in which more than 50% of the total population is listed as “rural” are eligible service areas.

---

11 Include the print outs for all census tracts within a county so it is clear how many census tracts within a county are being targeted by the proposed project.
