OVW Sexual Assault Services Culturally Specific Services Program (CFDA 16.023)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local, and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

About the OVW Sexual Assault Services Culturally Specific Program

This program is authorized by 34 U.S.C. § 12511(c). Survivors of sexual assault from culturally specific communities frequently confront unique challenges, such as linguistic and cultural barriers, when seeking assistance. In order to provide the most appropriate services to such victims, the Sexual Assault Services Culturally Specific Program (hereinafter referred to as the SAS Culturally Specific Program) supports nonprofit organizations that focus primarily on culturally specific communities and have experience in the area of sexual assault or who partner with an organization having such expertise. The goal of the SAS Culturally Specific Program is to create, maintain, and expand sustainable sexual assault services provided by culturally specific organizations, which are uniquely situated to respond to the needs of sexual assault victims from culturally specific communities.

For additional information on the SAS Culturally Specific Program, including what past SAS Culturally Specific Program grantees have accomplished with their grant funds and to view the SAS Culturally Specific Program performance measures and grantee-reported data, see <http://muskie.usm.maine.edu/vawamei/saspculturalmain.htm>.

Program Scope

Activities supported by the SAS Culturally Specific Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the guide after an award is made, and the conditions of the award.

Purpose Areas

In FY 2018, funds under the SAS Culturally Specific Program may be used to support the establishment, maintenance, and expansion of culturally specific intervention and related assistance for victims of sexual assault.

Mandatory Program Requirements

Sexual Assault Victim Services

For the purposes of the SAS Culturally Specific Program, proposed activities regarding sexual assault victim services **must** extend beyond intimate partner sexual violence and include services to a broad range of survivors (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, or clergy/spiritual leader). Applications proposing projects to serve only survivors of intimate partner sexual violence will be considered out of scope and removed from further funding consideration.

Applicants that receive funding under the SAS Culturally Specific Program will be required to provide intervention services and related assistance, which may include, but are not necessarily limited to:

- 24-hour hotline services providing crisis intervention services and referral;
- Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings;
- Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members;
- Information and referral to assist the sexual assault victim and family or household members;
- Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities; and
- Development and distribution of materials on issues related to the services offered.

OVW Priority Areas

In FY 2018, OVW is interested in meaningfully increasing access to OVW programming for specific marginalized and/or underserved populations (based on race, ethnicity, sexual orientation, gender identity, disability, age, etc.). The SAS Culturally Specific Program is implementing this priority by encouraging applications that propose to develop and/or enhance culturally specific services for victims from underserved Black/African American communities.

Activities that Compromise Victim Safety and Recovery and Undermine Offender Accountability

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;¹
2. Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;

¹If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information."

3. Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;
4. Procedures or policies that fail to include conducting safety planning with victims;
5. Project designs and budgets that fail to account for the access needs of individuals with disabilities, with limited English proficiency, or who are Deaf or hard of hearing;
6. Requiring mediation or counseling for couples as a systemic response to domestic violence or sexual assault, or in situations in which child sexual abuse is alleged;
7. Procedures or policies that deny access to services based on the victim's relationship to the perpetrator; and
8. Materials that are not tailored to the dynamics of sexual assault or the culturally specific population to be addressed by the proposed project.

This list is not exhaustive. Applications that propose any activities that compromise victim safety and recovery or undermine offender accountability may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by SAS Culturally Specific Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See "Research and Protection of Human Subjects" in the [Solicitation Companion Guide](#)).
2. Activities focused on prevention efforts and public education (e.g., bystander intervention, social norms campaigns, presentations on healthy relationships)
3. Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
4. Sexual Assault Forensic Medical Examiner programs
5. Sexual Assault Response Team coordination
6. Providing training to allied professionals and the community (e.g., law enforcement, child protection services, prosecution, other community based organizations)

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Unallowable Activities

OVW has determined the activities listed below to be unallowable, and they will not be supported by SAS Culturally Specific Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting);
5. Construction.

Applicants that propose unallowable activities may receive a deduction in points during the review process or may be eliminated from consideration entirely.

An application that is deemed deficient in more than one of the aforementioned categories (activities that compromise victim safety, out-of-scope activities, unallowable activities) may not be considered for funding.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2018 funding, depending on the merits of the applications and on the availability of funding.

Award Period

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2018.

Award Amounts

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Awards under the SAS Culturally Specific Program for FY 2018 will be made for up to \$300,000 for the entire 36 months.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to awarding a grant.

The SAS Culturally Specific Program typically makes awards in the range of \$290,000 to \$320,000. OVW estimates that it will make up to 12 awards for an estimated \$3,500,000.

Awards will be made as grants.

Types of Applicants

In FY 2018, OVW will accept applications for the SAS Culturally Specific Program from the following:

New: applicants that have never received funding under the SAS Culturally Specific Program or whose previous funding expired more than 12 months ago.

Continuation: applicants that have an existing or recently closed (within the last 12 months) award under the SAS Culturally Specific Program. Continuation funding is not guaranteed.

SAS Culturally Specific Program grant recipients that received FY 2016 or 2017 awards are NOT eligible to apply.

Additionally, current grantees with a substantial amount (50% or more) of funds remaining at the time of application submission without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2018.

C. Eligibility Information

Eligible Applicants

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible Entities

Eligible entities for the SAS Culturally Specific Program are private nonprofit organizations for which the primary purpose of the organization as a whole is to provide culturally specific services to one or more of the following racial and ethnic communities:

- American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.²

Additionally, the applicant organization must meet the following requirements:

1. Have an advisory board or steering committee and staffing which is reflective of the targeted culturally specific community. **Note:** To determine whether the organization has an advisory board or steering committee and staffing that is reflective of the targeted culturally specific community, OVW will consider whether the advisory board, steering committee, and staff include members with knowledge or experience relevant to the targeted community. If federal funds are used for filling any of these positions, organizations may consider an applicant's knowledge or experience relevant to the targeted community, as well as language skills needed to work with a particular population, but organizations may not consider a person's race and/or ethnicity as a basis for hiring decisions.
2. Have documented organizational experience in the area of sexual assault intervention *or* have entered into a partnership with an organization having such experience; and
3. Have expertise in the development of community-based, linguistically and culturally specific outreach and intervention services relevant for the specific communities to which assistance would be provided **or** have the capacity to link to existing services in the community tailored to the needs of culturally specific populations. As defined in the Violence Against Women Act, 34 U.S.C. § 12291(a)(7), "culturally specific services" means "community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities."

Note: If the culturally specific program is one division within a larger organization with other focuses (for example, a sexual assault organization with a division that focuses on Hispanic victims), the organization is not eligible because providing culturally specific services is not the

² The Violence Against Women Reauthorization Act of 2013 defines "culturally specific" as "primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. § 300u-6(g))." 34 U.S.C. § 12291(a)(6). Section 300u-6(g)(1) defines the term "racial and ethnic minority group" to mean "American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics." Therefore, applicants must demonstrate that the primary purpose of the organization as a whole is to provide services to one or more of these minority groups.

primary purpose of the organization as a whole.

Nonprofit Organization Requirement – 501(c)(3) Status

To be eligible for the SAS Culturally Specific Program, an entity must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 34 U.S.C. § 12291(b)(16)(B).

Nonprofit Organization Requirement – Offshore Accounts

Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the SAS Culturally Specific Program.

Cost Sharing or Match Requirement

This program has no match or cost sharing requirement.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applications for the SAS Culturally Specific Program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2018 solicitation. Applications that do not meet all of the program eligibility requirements below will not be considered for funding under the SAS Culturally Specific Program.

Required Partnerships

In general, partners identified in the application as receiving a portion of the award are subrecipients and not contractors because they meet the criteria in 2 C.F.R. § 200.330 for distinguishing between subrecipients and contractors: they will be using federal funds to carry out a program for a public purpose specified in the authorizing statute for this program (as opposed to providing goods or services for the benefit of the applicant), will have their performance measured in relation to whether objectives of the grant program were met, and will have responsibility for programmatic decision making. For more information, see the [Solicitation Companion Guide](#).

All applicants must meet one of the following categories as it relates to partnership requirements:

1. Category I – a) The applicant is a culturally specific organization AND b) the agency has a demonstrated history of providing sexual assault victim services, *beyond intimate partner sexual violence*, for a minimum of three (3) years. Therefore, no partnership is required.
2. Category II – a) The applicant is a culturally specific organization and will be partnering with another culturally specific organization(s) that would otherwise be eligible to apply independently under the SAS Culturally Specific Program; AND b) either the applicant agency or partner(s) has a demonstrated history of providing sexual assault victim services, *beyond intimate partner sexual violence*, for a minimum of three (3) years.
3. Category III – The applicant is a culturally specific organization with less than three (3) years of experience providing sexual assault victim services *beyond intimate partner sexual violence*. The applicant will be partnering with a sexual assault victim services organization that is otherwise NOT eligible to apply independently under the SAS Culturally Specific Program. In such a case, partner compensation is limited to \$30,000 for the three-year award period. These funds should be used to provide technical assistance on sexual assault and related victim services to the applicant/lead agency.

Partnership Category	Applicant is a Culturally Specific Organization	Sexual Assault Victim Services Experience*	Partner Organization
Category I	Yes	Minimum of 3 years	None required
Category II	Yes	Minimum of 3 years – held by either applicant <i>or</i> partner agency	Another culturally specific organization. No cap on partner compensation.
Category III	Yes	Less than 3 years	Non-culturally specific sexual assault victim services organization. Compensation capped at \$30,000.

***NOTE:** Sexual assault victim services experience must include working with survivors beyond the context of intimate partner violence.

Limit on Number of Applications

OVW will consider only one application per organization in response to this solicitation. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

D. Application and Submission Information

Address to Request Application Package

The complete application package is available on Grants.gov or at the OVW website. Applicants wishing to request a paper copy of the application materials should contact OVW.SASP.Cultural@usdoj.gov.

Pre-Application Information Sessions

OVW will conduct 2 web-based pre-application information sessions for entities interested in submitting an application for the SAS Culturally Specific Program. Participation in these sessions is optional. Interested applicants who do not participate are still eligible to apply. During these sessions, OVW staff will review the SAS Culturally Specific Program requirements, review the solicitation, and allow for a brief question and answer period. These sessions are tentatively scheduled for:

1. **Friday, January 12, 2018 from 2 p.m. to 4 p.m. E.T.**
2. **Friday, January 19, 2018 from 2 p.m. to 4 p.m. E.T.**

Anyone interested in submitting an application to the SAS Culturally Specific Program may register to participate in a pre-application information session. The total number of participants for each session may be limited. Registration is on a first-come-first-served basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many interested applicants as possible can join a session. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction.

To register, contact Charlayna Brady at Charlayna.brady@usdoj.gov. Registration must be received at least 1 day prior to the start of the session. Participants are not registered until they receive a confirmation email. Webinars will be captioned in English and Spanish. Interested applicants needing additional language assistance should contact Charlayna Brady at Charlayna.brady@usdoj.gov as soon as possible.

Content and Form of Application Submission

The information below (“**Letter of Registration**” through “**Additional Required Information**”) describes the full content and form of application submission.

Letter of Registration

Applicants intending to apply for FY 2018 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with SAM and with Grants.gov. The letter should be submitted to OVW at OVW.SASP.Cultural@usdoj.gov by January 24, 2018. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

Application Contents

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, the award may include special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline.

Applicants should not submit documents that were not specifically asked for in the solicitation. Providing information that was not requested will not increase the likelihood that an application will be selected for funding. All materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Formatting and Technical Requirements

Applications must follow the requirements below. Points may be deducted for applications that do not adhere to the following requirements:

1. Double spaced (Project Abstract, Summary Data Sheet and charts may be single space)
2. 8½ x 11 inch paper
3. One-inch margins
4. Type no smaller than 12 point, Times New Roman font
5. Page numbers
6. No more than 20 pages for the Project Narrative
7. Word documents in the following formats: Microsoft Word (.doc), PDF files (.pdf), or Text Documents (.txt).
8. Headings and sub-headings that correspond to the sections identified in this section of the solicitation.

Application Requirements

Applications must include the following required documents and demonstrate that the program eligibility requirements have been met. OVW will not contact applicants for missing items on the list below. Applications that do not address all of the following components will be considered substantially incomplete and will not be considered for funding:

1. Project Narrative
2. Budget Detail Worksheet and Narrative
3. Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE)

In addition to the application being scored on the documents listed above, the Summary Data Sheet will also be scored.

Summary Data Sheet (5 Points Total)

The Summary Data Sheet should be one to four pages in length and may be single or double spaced. The Summary Data Sheet does not count toward the 20 page limit for the Project Narrative. Provide the following information:

1. Name, title, address, phone number, and e-mail address of the individual with authority to accept grants on behalf of the applicant.
2. Name, title, address, phone number, and e-mail address for the grant point-of-contact. This person must be an employee of the applicant.
3. Statement as to whether the applicant (i.e., the organization whose DUNS number is being used for the application) will serve as a fiscal agent/sponsor for an entity or entities that will ultimately implement the project, and that the applicant itself will not be involved with implementation of the project beyond issuing a subaward or subawards to other entities. If this is the case, the applicant must include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of [2 CFR Part 200](#), as well as all project deliverables. The applicant must also list all of the entities with which it will enter into agreements to implement the project, and should include a description of how these entities intend to accomplish the purposes of the award (if such a description is not already provided in a Memorandum of Understanding submitted as part of the application). Note that, in such situations, the fiscal agent/sponsor must be an eligible applicant for the program.
4. Statement as to whether the applicant has expended \$750,000 in federal funds in the applicant's past fiscal year. If so, specify the end date of the applicant's fiscal year.
5. Summary of current and recent OVW projects (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that has been closed within the last 12 months from the date this solicitation closes, the information must be provided in a table using the format found in [APPENDIX D](#). Failure to provide the required table will result in a loss of points.
6. Statement as to whether the applicant is a nonprofit organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code.
7. A list of other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2018 **to do similar work**. Provide this information in a table using the format found in [APPENDIX E](#).
8. Statement as to whether the applicant is a nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code.

9. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "Disclosures Related to Executive Compensation" in the [Additional Required Information](#) section.
10. Statement as to whether the application addresses the priority area of developing and/or enhancing culturally specific services for victims from underserved Black/African American communities.
11. Culturally specific population(s) served by the organization and the culturally specific populations to be served under the grant project.
12. The number of individuals on the lead agency's advisory board, steering committee, and staff and whether they reflect the targeted culturally specific community either through knowledge or experience relevant to that community.
13. Statement as to whether the applicant is submitting an MOE or an MOU. If the applicant is submitting an MOU, please list the name(s) of MOU project partner(s) and the Partnership Category (II or III) (see "[Memorandum of Understanding \(MOU\) or Memorandum of Exemption \(MOE\)](#)" in the "[Content and Form of Application Submission](#)" section).
14. The full mission statement of the applicant organization.

Proposal Abstract (not scored)

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section.

Project Narrative (60 Points Total)

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative must include the following three sections:

Purpose of Application (20 points)

This section must:

1. Describe a) the service area for the project and b) the target population including geographic location, population, and demographic information (including any marginalized and/or underserved populations);³
2. Describe the problem of sexual assault within the local community (please use local statistics or narrative accounts whenever possible);
3. Describe the current level of sexual assault victim services in the community (from mainstream organizations as well as other culturally specific organizations) and the proximity of those services to the lead applicant and target population;
4. Describe in detail the gaps in current services and how the target population is currently underserved;
5. Describe the barriers individuals from the identified culturally specific group who are victims of sexual assault experience while attempting to seek services;

³ Applicants should use U.S. Census and other government data, as well as the Limited English Proficient Mapping Tool, available at www.lep.gov/maps/, to obtain this information.

6. Clearly state the need for the project. The need must directly relate to the culturally specific population to be served; and
7. Describe how the target population would benefit from the project, including how the project activities will address the identified gaps.

What Will Be Done (20 points)

The application must provide a clear link between the proposed activities and the need identified in the “Purpose of Application” section above.

NOTE: Goals and activities **cannot** focus solely on serving survivors of intimate partner sexual violence, but **must** include services to a range of survivors (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, clergy/spiritual leader). In consideration of funding limitations and agency needs, applicants may choose to focus goals and objectives on a certain age range.

This section must:

1. Detail the goals and objectives, describing the specific tasks and activities necessary to accomplish each. Activities must be directly related to:
 - a. The needs of the identified culturally specific population; and
 - b. The types of direct intervention and related assistance for sexual assault victims as described in the table below. Applicants do not need to provide all of the services listed below as part of their projects; however, the proposed goals, objectives, and activities should generally reflect the types of services listed. The table is intended to describe the broad range of services that advocacy agencies may provide, but is not exhaustive. Different cultural expressions of trauma may require culturally congruent responses. Services made available to survivors of sexual assault should be representative of the specific community’s needs.⁴
2. Provide a tentative time line for the implementation of the proposed activities.
3. Describe whether the project will focus on a specific age demographic in the delivery of services to sexual assault victims (e.g., child and youth victims of sexual assault, adult victims, or sexual assault across the lifespan).
4. List current activities that address victim safety and recovery.
5. Provide a plan to address victim safety and recovery in the proposed project.
6. Describe how the proposed project will be accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency. Applicants should consider the accessibility of services, products, outreach materials, websites, and trainings. Applicants can describe how they meet these accessibility concerns with current service delivery and whether these access options will be extended to victims requesting services under this project. Alternatively, applicants can include funds in their budgets to help improve accessibility.

***Core Services** are the basic services sexual assault service agencies provide to sexual violence survivors and the community. They are the essential services that meet the immediate needs of survivors. In many states and territories, state coalitions or state agencies define these core services by setting minimum standards of practice: the types of

⁴ Information about core and comprehensive services was taken from the “Building Comprehensive Sexual Assault Services Programs” publication created by the National Sexual Assault Coalition Resource Sharing Project and the National Sexual Violence Resource Center. The resource was developed as part of the OVW Sexual Assault Demonstration Initiative and supported by Grant No. 2009-TA-AX-K011.

****Comprehensive Services** include core services as well as additional opportunities for survivors to heal and communities to prevent violence. These include services that address the physical, social, emotional, and spiritual needs of sexual assault survivors and their allies. These services go beyond the most immediate, pressing needs to support more in-depth healing, empowerment, and integration.

Who Will Implement the Project (20 points)

This section must:

1. Identify the key individuals and organizations involved in the proposed project.
2. Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including the expertise necessary to appropriately serve any marginalized and/or underserved populations identified in the Purpose of the Application section, and can successfully implement the proposed project activities.
3. Describe the mission and the range of services provided by the organization.

⁶ Although critically important, these are not services and are generally out of scope activities under this program, and therefore cannot be supported with grant funds.

⁷ Although critically important, these are not services and are generally out of scope activities under this program, and therefore cannot be supported with grant funds.

4. Detail the overall experience and expertise of the organization.
5. Detail how the organization primarily focuses on the identified culturally specific community.
6. Describe how the various services provided are reflective of and responsive to the culturally specific community served and the needs of survivors.
7. Detail the organization's expertise in developing community-based services that include culturally relevant and linguistically specific services for the identified community(ies) to be served. If the organization does not have this expertise, provide in detail the organization's capacity to link to existing services within the community that provide such services tailored to the needs of the identified culturally specific population.
8. Clearly state whether the applicant organization has the required expertise providing sexual assault services along with a brief description of that expertise. If the applicant organization does not have this expertise, clearly state which partnering organization does along with a brief description of that expertise. NOTE: additional details about the level and range of organizational sexual assault expertise will be required in the [Memorandum of Understanding or Memorandum of Exemption section](#).
9. Describe how the organization's advisory board or steering committee members and staff are reflective of the identified culturally specific community through their knowledge or experience relevant to the targeted community.
10. Detail the expertise of the advisory board or steering committee as it relates to addressing sexual assault in the identified culturally specific community.
11. Detail the experience and expertise of key personnel who will be directly involved with the project, including job responsibilities of any new hires. Information provided should directly address whether such experience/expertise includes providing sexual assault services and to what extent this experience extends beyond intimate partner sexual violence.
12. If applicable, detail the experience and expertise of key personnel of any project partners. Information provided should directly address whether such experience/expertise includes providing sexual assault services and to what extent this experience extends beyond intimate partner sexual violence.

Budget Detail Worksheet and Narrative (15 Points)

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the [DOJ Financial Guide](#).

Award Period and Amount

1. The grant award period is 36 months. Budgets must reflect 36 months of project activity.
2. Awards for FY 2018 will be made for up to \$300,000. Proposed budgets should not exceed this amount.

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the

budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$12,000 for organizations located in a United States Territory, Hawaii, or Alaska and \$10,000 for organizations in all other states. The \$10,000 or \$12,000 is for the entire 36 months and NOT per year. See [Training and Technical Assistance](#) in the [Funding Restrictions](#) section of the solicitation.
2. Include funds or explain that the organization has other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See "[Accessibility](#)" under "F. [Federal Award Administration Information](#)" for more information.
3. Compensate all project partners as reflected in the MOU. If a Category III partnership, the MOU partner compensation is limited to \$30,000 for the three-year award period. These funds should be used to provide technical assistance on sexual assault and related victim services to the lead agency. See [Appendix A](#) for additional information on compensating project partners.
4. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331. See [Appendix A](#) and the [Solicitation Companion Guide](#) for more information.

For additional guidance, go to the [Funding Restrictions](#) section of this solicitation.

Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE) (20 Points Total)

SAS Culturally Specific Program applicants are required to submit either an MOU or MOE depending on whether the organization has expertise in providing intervention services to sexual assault victims *beyond intimate partner sexual violence*. SAS Culturally Specific Program applicants that possess and can demonstrate sexual assault services expertise within the organization, with the provision of such services for at least three (3) years, do NOT need to partner with any outside organization and should submit an MOE.

An applicant that submits an MOE but does not demonstrate the required expertise in sexual assault victim services, *beyond intimate partner sexual violence*, will be removed from further consideration for funding. Therefore, if there is any uncertainty as to whether the applicant meets the MOE criteria, the applicant is encouraged to submit an MOU, which outlines a partnership with an organization that has sexual assault services expertise.

SAS Culturally Specific Program applicants that do NOT have the required sexual assault services expertise, beyond intimate partner sexual violence, within their organization must partner with an outside sexual assault victim services organization with a demonstrated history of providing such services for no less than three (3) years, and submit an MOU.

SAS Culturally Specific Program applicants should determine their partnership requirements (if any) under one of the applicant categories. Please see "[Required Partnerships](#)" for details regarding the types of partnerships.

Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU **must** be a single document and **must** be signed and dated by the [Authorized Representative](#) of each proposed partner agency during the development of the application. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
3. Clearly state that each project partner has reviewed the budget and is aware of the total amount being requested and the funding being requested for each project partner;
4. Clearly identify which organization has the expertise in providing sexual assault services. This organization **must** demonstrate a minimum of three (3) years experience in providing sexual assault victim services *beyond intimate partner sexual violence*. **Specifically address the following** for the organization with the demonstrated sexual assault expertise:
 - a) Explain the overall mission of the organization;
 - b) State how many years the organization has been in operation;
 - c) Detail the personnel designated to provide sexual assault victim services, including:
 - The name and title of the each staff person;
 - How many years each staff person has been providing sexual assault services AND how long each person has worked for the organization; and
 - A brief description of each staff person's main job responsibilities.
 - d) State how many years the organization has been providing sexual assault victim services to survivors beyond intimate partner sexual violence;
 - e) State how many survivors of intimate partner sexual violence were served in the past three years;
 - f) Detail how many survivors of sexual violence, other than intimate partner sexual violence, were served in the past three years (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, or clergy/spiritual leader);

- g) Indicate what types of services were provided to survivors as described in [item f](#) above, with a break down of the types of services, as follows:

Type of Service	Number of victims provided with service. Non-intimate sexual violence victims only.
Advocate-based counseling	
Crisis intervention	
Legal advocacy (criminal and/or civil)	
Medical advocacy, including accompaniment for forensic medical exams	
Advocacy regarding immigration matters and/or language access	
Support groups (e.g., adults sexually abused as children, adult sexual assault survivors, teens/adolescents, male survivors, significant others)	
Holistic healing (e.g., culturally-based ceremonies, yoga, sewing circles, art/creative expression groups)	
Clinical therapy provided by a licensed professional	
Other (Describe in detail.)	

- h) Describe the service area in which the sexual assault victim services are provided (e.g., county/city-wide, multiple counties/cities, culturally-specific population); and
- i) Describe whether these services are provided to victims across the lifespan (e.g. children, youth, adults);
- Describe how the sexual assault services to be provided will be responsive to the culturally-specific needs of the community and sexual assault survivors;
 - Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds; and
 - Describe how the organizations will work together to achieve stated project goals and objectives.

In general, MOU partners that will be receiving funds to carry out a portion of the award should be treated as subrecipients and not contractors. For more information see 2 C.F.R. § 200.330, [Appendix A](#), and the [Solicitation Companion Guide](#).

Memorandum of Exemption (MOE)

The MOE should be a single document and it should be signed and dated by the Authorized Representative of the applicant agency during the development of the application.

NOTE: If the applicant agency has provided services to survivors of intimate partner sexual violence **only**, **OR** has provided sexual assault services beyond intimate partner sexual violence for **less than three (3) years**, then it **must** partner with another agency with expertise in sexual assault victim services beyond intimate partner sexual violence and submit an MOU – not an MOE.

The MOE must:

1. Explain the overall mission of the organization.
2. State how many years the organization has been in operation.
3. State how many years the organization has been providing sexual assault victim services.
4. Detail the personnel designated to provide sexual assault victim services, including:
 - a) The name and title of the each staff person;
 - b) How many years each staff person has been providing sexual assault services AND how long each person has worked for the organization; and
 - c) A brief description of each staff person’s main job responsibilities.
5. State how many survivors of intimate partner sexual violence were served in the past three years.
6. Detail how many survivors of sexual violence, other than intimate partner sexual violence, were served in the past three years (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, or clergy/spiritual leader).
7. Indicate what types of services were provided to survivors as described in item 6, with a break down of the types of services, as follows:

Type of Service	Number of victims provided with service. Non-intimate sexual violence victims only.
Advocate-based counseling	
Crisis intervention	
Legal advocacy (criminal and/or civil)	
Medical advocacy, including accompaniment for forensic medical exams	
Advocacy regarding immigration matters and/or language access	
Support groups (e.g., adults sexually abused as children, adult sexual assault survivors, teens/adolescents, male survivors, significant others)	
Holistic healing (e.g., culturally-based ceremonies, yoga, sewing circles, art/creative expression groups)	
Clinical therapy provided by a licensed professional	
Other (Describe in detail.)	

8. Describe the service area in which the sexual assault victim services are provided (e.g., county/city-wide, multiple counties/cities, culturally-specific population).
9. Describe whether these services are provided to victims across the lifespan (e.g. children, youth, adults).
10. Describe how the sexual assault services provided are responsive to the culturally-specific needs of the community and sexual assault survivors.

Additional Required Information

The following documents will not be scored during the review process but they should be included with the application. Failure to include any of the information may result in the application being removed from consideration from funding. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

The following documents will be generated and completed during the application submission process:

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For “Type of Applicant,” do not select “other.” Pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for “Applicant” line should be zero. The individual who is listed in “**Authorized Representative**” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents should be uploaded and attached to the application:

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year’s audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the [Authorized Representative](#) and uploaded with the application in [Grants.gov](#).

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Financial Accounting Practices

Each applicant must prepare a response to the following questions. Be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of the application should be no more than two pages and should be a separate attachment to the online application in [Grants.gov](https://www.grants.gov).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a

brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 CFR 200.333-337.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant organization have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award; and that established subaward performance goals are achieved (2 CFR 200.330-332)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant organization currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among Federal awards or other activities (2 CFR 200.430)? Budget estimates do not qualify as support for charges to Federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in Grants.gov. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Entities, an applicant for the SAS Culturally Specific Program must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Duns & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicants must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applicant does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the [SAM](#) online registration through the [SAM](#) homepage and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [Grants.gov](#) and complete the registration. **Organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Registration	Where to Register	Deadline
DUNS	DUNS	January 31, 2018
SAM	SAM	January 31, 2018
Grants.gov	Grants.gov	January 31, 2018

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS number, register online with the SAM and with [Grants.gov](#) immediately, but no later than January 31, 2018.

Submission Dates and Times

It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their applications being removed from consideration. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Applicants are strongly encouraged to begin the application submission process at least 48 hours, but no later than 24 hours, before February 15, 2018.

The other will either notify the Authorized Organization Representative that the application was successfully submitted, or it will notify the Authorized Organization Representative that there was an error with the application submission. <p>OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process.</p>	<p>February 15, 2018</p> <p>Applicants are strongly encouraged to begin the application submission process at least 48 hours but no later than 24 hours before the deadline</p>

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on February 15, 2018**. Applications submitted after **11:59 p.m. E.T. on February 15, 2018** will not be considered for funding, unless the applicant receives OVW permission to submit a late application. Applicants experiencing difficulties submitting an application should refer to Experiencing Technical Difficulties During Submission in the chart below.

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review the last version submitted before the deadline.

OVW Policy on Late Submissions

In limited circumstances, OVW will approve a request to submit an application after the due date. The chart below provides a description of the circumstances under which OVW will consider such requests. OVW will only consider a late submission request if all steps outlined below have been followed. Therefore, applicants are strongly encouraged to familiarize themselves with the late submission process. OVW’s approval of a late submission request is not an indication of the application’s final disposition. Applications approved for late submissions are still subject to all of the review processes and criteria described in this solicitation.

Failure to begin registration or application submission in sufficient time to acquire the correct version of Adobe software is not an acceptable reason for late submission. Applicants should register with SAM and Grants.gov by January 31, 2018. To support applicants in submitting their proposals and promote a fair process, applicants who may be in need of an extension of the due date must adhere to the following:

Process for Requesting Late Submission

Severe Inclement Weather or Natural Disaster	
<ol style="list-style-type: none"> 1. Contact OVW at the earliest possible date and provide the information described in #1. 3. Contact OVW at least 24 hours prior to the solicitation closing if needing to request a late submission. Applicants impacted by severe inclement weather or a national disaster occurring on the due date can contact OVW up to 72 hours after the due date but as soon as possible. 	<p>OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural disaster but will do its best.</p>

This should be done at least 48 hours before the deadline. 3. To ensure that attachments are not rejected, attachment names should only include allowable characters. (See Other Submission requirements).

Intergovernmental Review - Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state](#)

Single Point of Contact (SPOC) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The guide also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subawards and contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subrecipient/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable. OVW may approve the use of OVW funds to provide food and/or beverages for a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance. For additional guidance on food and beverage expenditures go to <http://www.justice.gov/ovw/grantees>.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance related to conference planning is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning

3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is available on the OVW website at <http://www.justice.gov/ovw/grantees>.

Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$10,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$12,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The \$10,000 or \$12,000 is for the entire 36 months and NOT per year. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts/Subawards" category. Label both costs as "OVW Technical Assistance." OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees. The amounts included in the budget should equal the full, required set-aside amount listed above.

These funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission. Applicants may budget for expenses in excess of the OVW estimate if they are aware of relevant non-OVW sponsored conferences for which they would like permission to use grant funds to support staff/project partner attendance.

Program Assessments

Grantees under this program are prohibited from using OVW funds to conduct research. Upon budget approval, they may use funds to assess their work for quality assurance and program improvement purposes only. Assessments for quality assurance and program improvement might include surveying training participants about the quality of training content and delivery or convening discussion forums with key stakeholders. Applicants considering proposing program assessments should refer to the [DOJ/OJP decision tree](#) to ensure that the activity does not qualify as human subjects research.

Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Other Submission Requirements

As discussed in the [Submission Dates and Times](#) section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [Grants.gov](#). **The registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner.** Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

The E-Business Point of Contact (E-Biz POC) within the applicant’s organization must register the organization with [Grants.gov](#). The E-Biz POC oversees the organization's [Grants.gov](#) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the AOR for an organization.

The application process can move forward once the organization successfully registers with [Grants.gov](#). Registration is a one-time process.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parentheses ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Numbers (0-9)	Comma (,)	Semicolon (;)	Apostrophe (‘)
Underscore (_)	At sign (@)	Number sign (#)	Dollar sign (\$)
Hyphen (-)	Percent sign (%)	Plus sign (+)	Equal sign (=)
Space	When using the ampersand (&) in XML, applicants must use the “&#amp;” format.		
Period (.)			

OVW strongly suggests using simple titles for all documents, such as “FY 2018 OVW Project Narrative.” Visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

Submitting a Grant Application

Important Grants.gov update. Grants.gov has updated its application tool. The legacy PDF application package is being phased out and will be retired on December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace option now. For complete information and

instructions on using Workspace (and other changes), go to the Workspace Overview page at <https://www.grants.gov/web/grants/applicants/workspace-overview.html>.

To ensure a successful application submission, OVW strongly encourages applicants to start their applications at least 48, but no less than 24, hours before the deadline.

The [Grants.gov](https://www.grants.gov) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T. except federal holidays.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the SAS Culturally Specific Program, scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 60 points, of which
 - A. Purpose of the project: 20 points
 - B. What will be done: 20 points
 - C. Who will implement: 20 points
3. Budget narrative and detail worksheet: 15 points
4. MOU/MOE: 20 points

Review and Selection Process

Peer Review

OVW will subject all eligible applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points.)
2. Out-of-scope activities (deduct up to 25 points)
3. Past performance (deduct up to 25 points)
4. Formatting and Technical Requirements (deduct up to 5 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim

safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application's peer review score.

As a part of the programmatic review process described above, applicants will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds
11. Adherence to the requirements of the [DOJ Financial Guide](#)

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2018.

F. Federal Award Administration Information

Federal Award Notices

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the [Authorized Representative](#) and the Point of Contact on the SF-424 for

the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#), scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a civil rights provision that applies to all FY 2018 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights

obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients' programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the [Solicitation Companion Guide](#). Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Reporting

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

G. Federal Awarding Agency Contact(s)

Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions, including the awarding of consultant contracts, should be conducted in a manner that provides maximum open, free and fair competition, and must follow 2 C.F.R. §§ 200.317-200.326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients.

MOU Partners/Subrecipients

MOU project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.330 that support their classification as subrecipients: they are using federal funds to carry out a program for a public purpose specified in the authorizing statute, they are responsible for adherence to program requirements, they are responsible for programmatic decision making, their performance is measured in relation to whether program objectives are met, and in some cases they may be responsible for determining who is eligible to receive assistance (services) under the grant award. In contrast, a contractor provides goods and services within normal business operations, provides similar good and services to many different purchasers, normally operates in a competitive environment, provides goods and services that are ancillary to the operation of the program, and programmatic requirements may not be applicable to the services they are providing. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to [2 CFR Part 200.330](#), as well as the [Solicitation Companion Guide](#).

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual costs incurred for the project rather than a fee for service. If a partner is a state or local governmental

agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Note: The following budget is an example intended to assist you in preparing your application budget. The sample expenses may not fit the purposes or activities of this particular grant program.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$23,500 x 100% x 3 years	\$ 70,500
Investigator	\$45,000 x 100% x 3 years	\$135,000
Administrative Assistant	\$10/hr. x 20 hrs/month x 36 months	\$ 7,200

The Program Coordinator will coordinate the tribe’s Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: \$ 212,700

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The

project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.

TOTAL OTHER COSTS: \$ 84,900

I. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.

<u>Description</u>	<u>Computation</u>	<u>Cost</u>
13.25% of Direct Salaries (Excluding Fringe Benefits)	\$212,700 x 13.25%	\$28,183
