OVW State and Territorial Sexual Assault and Domestic Violence Coalitions Program (CFDA 16.556)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

About the OVW State and Territorial Sexual Assault and Domestic Violence Coalitions Program

The State and Territorial Sexual Assault and Domestic Violence Coalitions (Coalitions Program) program is authorized by 34 U.S.C. § 10441(c).

This grant program supports the enhancement of coalitions by funding specific projects and is a set-aside program under OVW's STOP Violence Against Women Formula Grant Program. State and territorial domestic violence and sexual assault coalitions play a critical role in advancing the goals of VAWA, serving as a collective voice to end violence against women through collaboration with federal, state, and local organizations. Statewide sexual assault coalitions provide direct support to member rape crisis centers through funding, training and technical assistance, public awareness activities, and public policy advocacy (e.g., state coalitions might work with law enforcement, prosecution, and community organizations to enhance their responses to victims of sexual assault). Statewide domestic violence coalitions provide comparable support to member domestic violence shelters and other domestic violence victim service providers. For approximately one-third of states and territories, these support services are provided through a dual sexual assault and domestic violence coalition. For the small number of states and territories where more than one state or territorial sexual assault and/or domestic violence coalition exists, only those coalitions that meet statutory eligibility requirements will be eligible. A current list of eligible state and territorial sexual assault, domestic violence and dual coalitions can be found at: <http://www.justice.gov/ovw/local-resources>.

This program also includes a statutory set aside from the Sexual Assault Services Program (SASP), specifically for state and territorial sexual assault coalitions (34 U.S.C. § 12511(d)(3)(B)) In recognition of the important role that sexual assault coalitions play in enhancing and supporting local programs, ten percent of the SASP funding stream is set aside for state, territorial and tribal sexual assault coalitions to assist in supporting the maintenance and expansion of such coalitions.

For additional information on the Coalitions Program, including what past Coalitions Program grantees have accomplished with their grant funds and to view the Coalitions Program performance measures and reporting data, see <http://muskie.usm.maine.edu/vawamei/statecoalitionsmain.htm>.

Program Scope

Activities supported by the Coalitions Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the guide after an award is made, the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Grant Recipients,” and the conditions of the award.

Purpose Areas

In FY 2018, funds under the Coalitions Program may be used for the following statutory purposes:¹

1. Coordinating state and territorial victim services activities; and
2. Collaborating and coordinating with federal, state, territorial, and local entities engaged in violence against women activities.

Examples of activities that may be supported include:

- a. Providing training and technical assistance to member agencies;
- b. Expanding the technological capacity of coalitions and/or member agencies;
- c. Developing or enhancing appropriate standards of services for member programs, including culturally appropriate services for underserved populations;
- d. Conducting statewide, regional and/or community-based meetings or workshops for victim advocates, survivors, legal service providers, and criminal justice representatives;
- e. Bringing local programs together to identify gaps in services and to coordinate activities;
- f. Increasing the representation of underserved populations in coordination activities, including providing financial assistance to organizations that serve underserved communities to participate in planning meetings, task forces, committees, etc.;
- g. Engaging in activities that promote coalition-building at the local and/or state level; or
- h. Coordinating with federal, state and territorial and/or local law enforcement agencies to develop or enhance strategies to address identified problems.

Eligible sexual assault coalitions or dual sexual assault and domestic violence coalitions will receive additional funding from SASP’s state and territorial sexual assault coalitions set-aside to support the maintenance and expansion of state and territorial sexual assault coalitions.

Grant funds may be used for the following statutory purposes:²

¹ (34 U.S.C. § 10441(c))
² (34 U.S.C. § 12511(d)(2))

- a. Working with local sexual assault programs and other providers of direct services to encourage appropriate responses to sexual assault within the state or territory;
- b. Working with judicial and law enforcement agencies to encourage appropriate responses to sexual assault cases;
- c. Working with courts, child protective services agencies, and children's advocates to develop appropriate responses to child custody and visitation issues when sexual assault has been determined to be a factor;
- d. Designing and conducting public education campaigns;
- e. Planning and monitoring the distribution of grants and grant funds to their state or territory; or
- f. Collaborating with and informing federal, state, or local public officials and agencies to develop and implement policies to reduce or eliminate sexual assault.

OVW Priority Areas

In FY 2018, OVW is interested in supporting the priority areas identified below. Applicants are strongly encouraged to address one or more of these priorities in their activities.

1. Improve services for and/or the response to victims of sex trafficking and other severe forms of trafficking in persons who have also experienced domestic violence, sexual assault, dating violence, or stalking.
2. Increase support for survivors of sexual assault, including services, law enforcement response, and prosecution.
3. Meaningfully increase access to OVW programming for specific marginalized and/or underserved populations (based on race, ethnicity, sexual orientation, gender identity, disability, age, etc.).
4. Increase the use of promising, evidence-based, and evidence-building practices, where available.

Activities that Compromise Victim Safety and Recovery and Undermine Offender Accountability

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;³
2. Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;
3. Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;

³If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information."

4. Procedures or policies that fail to include conducting safety planning with victims;
5. Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;
6. Policies or procedures that require victims to report the crime to law enforcement, participate in the criminal justice system, or seek a protection or restraining order against the offender, and penalize them for failing to do so;
7. Training and technical assistance that does not reflect an understanding of domestic violence, dating violence, sexual assault and stalking, and the experience of survivors, that fails to incorporate the experiences and unique needs of underserved communities, or that includes or promotes practice that may re-victimize survivors;
8. Procedures or policies that deny individuals access to services based on their relationship to the perpetrator; and
9. Materials that are not tailored to the dynamics of sexual assault or domestic violence, or the underserved and/or culturally specific population to be addressed by the grant.

This list is not exhaustive. Any activities that propose any activities that compromise victim safety and recovery or undermine offender accountability will need to be removed from the application prior to final approval of an award by OVW.

Out of Scope Activities

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by Coalitions Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See “Research and Protection of Human Subjects” in the [Solicitation Companion Guide](#)).
2. Direct services for victims.

Any out of scope activities will need to be removed from the application prior to the receipt of an award

Unallowable Activities

The activities listed below are unallowable, and they will not be supported by the Coalitions Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction.

Any unallowable activities will need to be removed from the application prior to the receipt of an award.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in FY 2018, or in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available.

Award Period

The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total “estimated funding” on the SF-424 must reflect 12 months. Generally, the award period will start on September 1, 2018.

Award Amounts

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Sexual Assault Coalitions:

Awards to sexual assault coalitions in each state, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Northern Mariana Islands, and the Virgin Islands under the State and Territorial Coalitions Program for FY 2018 will be made for \$90,931 and awards under the SASP Program state and territorial coalitions set aside for FY 2018 will be made for \$56,250. The total budget submitted by a sexual assault coalition must clearly identify the different funding streams and should equal \$147,181.

Dual coalitions must ensure an equitable distribution of funds in their budgets to sexual assault and domestic violence related activities. The total budget submitted by a dual coalition must clearly identify the different funding streams and should equal \$238,112.

OVW estimates that it will make up to 87 awards for an estimated \$13,334,272.

All awards will be made as grants. All awards will be considered new awards.

Demonstrate that the individuals and organizations identified have the capacity to address the stated need, including the expertise necessary to appropriately address any marginalized and/or underserved populations identified in the Purpose of the Application section, and can successfully implement the proposed project activities; and
3. Identify any partners and explain how these partners will support the proposed project.

Budget Detail Worksheet and Narrative

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the [DOJ Financial Guide](#).

Award Period and Amount

The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total “estimated funding” (block 15) on the SF-424 must reflect 12 months.

Awards under the State and Territorial Coalitions Program for FY 2018 will be made for the following amounts:

1. Sexual Assault Coalitions - \$147,181
2. Domestic Violence Coalitions - \$90,931
3. Dual Sexual Assault and Domestic Violence Coalitions - \$238,112

Budget Requirements.

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$5,000 for states and \$8,000 for territories, Hawaii and Alaska. The \$5,000 is for the entire 12 months. See [Training and Technical Assistance](#) in the [Funding Restrictions](#) section of the solicitation.

2. Include funds or include other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See “F. [Federal Award Administration Information.](#)”
3. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. Keep in mind that the awarding and monitoring of contracts must follow documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329, and the issuance of subawards must meet the requirements of 2 C.F.R. § 200.331. See [Appendix A](#) and the [Solicitation Companion Guide](#) for more information.
4. The budget must clearly identify which expenses are allocated to the SASP coalitions funding.
5. Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items; and
6. Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs.

Additional Required Information

The following documents must be included with the application. Failure to include any of the information may result in a delay in access to funds. Some documents will be generated during the submission process while other documents will be uploaded and attached to the application.

The following documents will be generated and completed during the application submission process:

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For “Type of Applicant,” do not select “other.” Pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for “Applicant” line should be zero. The individual who is listed in “**Authorized Representative**” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents should be uploaded and attached to your application:

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the Authorized Representative and uploaded with the application in GMS.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that

reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Financial Accounting Practices

Each applicant must prepare a response to the following questions. Be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of the application should be no more than three pages and should be a separate attachment to the online application in [GMS](#).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 CFR 200.333-337.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant organization have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award; and that established subaward performance goals are achieved (2 CFR 200.330-332)? Please provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant organization currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among Federal awards or other activities (2 CFR 200.430)? Budget estimates do not qualify as support for charges to Federal awards. Please provide a brief description of the organization's established timekeeping policies and procedures.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in a delay in access to funds.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [GMS](#). Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This must be a separate attachment to the application in [GMS](#).

Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to receive a State and Territorial Coalitions Program award. A

DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal regulations require that applicants must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and System for Award Management (SAM) requirements. If an applicant has not fully complied with the requirements by the time OVW is ready to make an award, then the recipient will be prohibited from obligating, expending, or drawing down any funds under this award until: (1) the recipient acquires current registration with the SAM, (2) the recipient notifies OVW in writing of its current SAM registration, and (3) a Grant Adjustment Notice (GAN) is issued that removes the withholding special condition from the award.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [GMS](#) uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applicant does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
2. Access the [SAM](#) online registration through the [SAM](#) homepage and follow the online instructions for new [SAM](#) users.
3. Complete and submit the online registration. If the applicant already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [GMS](#) and complete the registration. Registering in GMS refers to initiating or starting an application, resulting in an application number. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Registration	Where to Register	Deadline

Submission Dates and Times

It is important that applicants read this section carefully. It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. OVW will contact applicants for missing items. However, failure to submit all required documents may result in a

delay in access to funds. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Grants Management System

Applicants are required to submit applications through [GMS](#). This is not Grants.gov. In order to apply for a grant through [GMS](#), go to <https://grants.ojp.usdoj.gov/gmsexternal/> and either sign in using the applicant's current [GMS](#) ID and password or register as a new user. Once the applicant has logged into [GMS](#), they should select the program for which they intend to apply and follow the instructions. Training materials are available on the main [GMS](#) homepage.

Applicants are strongly encouraged to begin the application submission process at least 48 hours but no later than 24 hours before June 7, 2018.

Application Action	Contact Information	Date
Solicitation Availability	OVW Website	May 3 – June 7, 2018
Request Permission to Submit a Hardcopy Application Due to Lack of Internet Access	For applicants who cannot submit an application electronically, contact Kevin Sweeney at 202-514-7909 or Kevin.Sweeney@usdoj.gov	June 7, 2018

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on June 7, 2018.**

OVW Policy on Duplicate Applications

If an applicant submits multiple versions of an application, OVW will review one application only. The applicant will be contacted for any missing documents.

OVW Policy on Late Submissions

To ensure timely award processing, applicants must submit the application by June 7, 2018. Applicants anticipating late submission should contact OVW at 202-514-7909 to provide an explanation for the delay and an anticipated submission date. Applications submitted after the deadline may result in a delay in access to funds.

Intergovernmental Review - Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the [DOJ Financial Guide](#). The [DOJ Financial Guide](#) includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The guide also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subawards and contracts including under the grant in accordance with all applicable statutes, regulations, and the [DOJ Financial Guide](#). Primary recipients will be responsible for oversight of subrecipient spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable. OVW may approve the use of OVW funds to provide food and/or beverages for a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance. For additional information on approval for food and beverage expenditures go to <https://www.justice.gov/ovw/grantees#conference>.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, and policies (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, and policies related to conference planning, minimization of costs, and conference cost reporting is available at <https://www.justice.gov/ovw/grantees#conference>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences

7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Training and Technical Assistance

All applicants are strongly encouraged to allocate funds in the amount of \$5,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$8,000 to account for higher travel costs. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts/Subawards" category. Label both costs as "OVW Technical Assistance." OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees. The amounts included in the budget should equal the full, required set-aside amount listed above.

These funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission. Applicants may budget for expenses in excess of the OVW estimate if they are aware of relevant non-OVW sponsored conferences for which they would like permission to use grant funds to support staff/project partner attendance.

Program Assessments

Grantees under this program are prohibited from using OVW funds to conduct research. Upon budget approval, they may use funds to assess their work for quality assurance and program improvement purposes only. Assessments for quality assurance and program improvement might include surveying training participants about the quality of training content and delivery or convening discussion forums with key stakeholders. Applicants considering proposing program assessments should refer to the [DOJ/OJP decision tree](#) to ensure that the activity does not qualify as human subjects research.

Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Other Submission Requirements

As discussed in the "[Submission Dates and Times](#)" section above, applications must be submitted electronically via [GMS](#). Applicants that are unable to submit electronically must follow the instructions in the [OVW Policy on Late Submission](#) section above.

E. Application Review Information

Criteria, Review, and Award Process

This is a formula grant program; therefore, applications are not subject to a peer review. However, applicants must submit all information requested in the Application Requirements and

Additional Required Information sections of this solicitation. If any information is missing, OVW will contact the applicant to request prompt submission of relevant documents. Failure to include required information at the time of submission may result in a delay receiving an award or in access to funds. Applications will be subject to a programmatic review to ensure that all applications are complete and do not contain any activities that may compromise victim safety, unallowable activities, or out of scope activities.

Each OVW grantee agrees to follow the financial and administrative requirements in the Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee may experience a delay in access to funds or may have additional conditions placed on its award.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely result in a delay in access to funds, and possibly a high risk designation on future OVW awards until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will received an award notification by October 1, 2018. The anticipated award start date will be September 1, 2018.

F. Federal Award Administration Information

Federal Award Notices

Recipients will receive OVW award notifications electronically from [GMS](#). This award notification will be sent to the individuals listed as the [Authorized Representative](#) and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#), scanning of the fully-executed award document, and returning the scanned document to OVW via facsimile or email.

Administrative and National Policy Requirements

Information for All Federal Award Grantees

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Grant Recipients."

Terms and conditions for OVW awards, including awards under this program are available at <https://www.justice.gov/ovw/grantees#award-conditions>. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2018 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance".

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to recipients' programs and activities and ensuring that these programs and activities are readily accessible to qualified individuals with disabilities, including Deaf or hard of hearing individuals. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance". Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Reporting

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

G. Federal Awarding Agency Contact(s)

For assistance with the requirements of this solicitation, contact Kevin Sweeney at 202-514-7909 or Kevin.Sweeney@usdoj.gov.

Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, ensure that only documents pertinent to this solicitation are included with this application. Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

APPENDIX A

Budget Information & Sample Budget Detail Worksheet

Budget Information

Cost information for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions, including the awarding of consultant contracts, should be conducted in a manner that provides maximum open, free and fair competition, and must follow 2 C.F.R. §§ 200.317-200.326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients.

MOU Partners/Subrecipients

MOU project partners are generally considered subrecipients for time spent working on program objectives. The following MOU project partner responsibilities are consistent with the characteristics in 2 C.F.R. § 200.330 that support their classification as subrecipients: they are using federal funds to carry out a program for a public purpose specified in the authorizing statute, they are responsible for adherence to program requirements, they are responsible for programmatic decision making, their performance is measured in relation to whether program objectives are met, and in some cases they may be responsible for determining who is eligible to receive assistance (services) under the grant award. In contrast, a contractor provides goods and services within normal business operations, provides similar good and services to many different purchasers, normally operates in a competitive environment, provides goods and services that are ancillary to the operation of the program, and programmatic requirements may not be applicable to the services they are providing. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to [2 CFR Part 200.330](#), as well as the [Solicitation Companion Guide](#).

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that

partners are generally considered a subrecipient and would be reimbursed for their actual costs incurred for the project rather than a fee for service. If a partner is a state or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Note: The following budget is an example intended to assist you in preparing your application budget. The sample expenses may not fit the purposes or activities of this particular grant program.

D. Equipment – List non-expendable items that are to be purchased. (Note: Organization's own capitalization policy for classification of equipment should be used.) Expendable items should be included in the "Supplies" category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "Contractual" category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

The Victim Assistance Kits will be provided to victims of domestic violence, dating violence, sexual assault, and stalking who seek assistance from the program. The kits contain toiletries and other necessities. The estimated cost is based on previous kit prices from other programs. We estimate that at least 75 kits will be needed.

The Sexual Assault Training manuals will be purchased from the Sexual Assault Resource Center and will be used in conjunction with the on-site training that will be provided by the Consultant/Trainer.

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The

project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.

TOTAL OTHER COSTS: \$ 84,900

I. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.

<u>Description</u>	<u>Computation</u>	<u>Cost</u>
13.25% of Direct Salaries (Excluding Fringe Benefits)	\$212,700 x 13.25%	\$28,183

TOTAL INDIRECT COSTS: \$ 28,183

The Indirect Cost Rate Agreement was approved by the Department of the Interior, the applicant’s cognizant federal agency on January 1, 2017. (A copy of the fully executed, negotiated agreement is attached).
