(CFDA 16.588)

A. Program Description

Overview
The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

About the OVW STOP Formula Grant Program
This program is authorized by 34 U.S.C § 10441 et seq. The Services * Training * Officers * Prosecutors (STOP) Violence Against Women Formula Grant Program (STOP Formula Grant Program) supports communities, including American Indian Tribes and Alaska Native villages, in their efforts to develop and strengthen effective responses to sexual assault, domestic violence, dating violence, and stalking. For additional information about this program see https://www.justice.gov/ovw/grant-programs and https://www.vawamei.org/grant-program/stop-formula-grant-program/.

Program Scope
Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, including updates to the guide after an award is made, the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients,” and the conditions of the award.

Purpose Areas
Pursuant to 34 U.S.C. § 10441(b), funds under this program must be used for one or more of the following purposes:

1. Training law enforcement officers, judges, other court personnel, and prosecutors to more effectively identify and respond to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking, including the appropriate use of nonimmigrant status under subparagraphs (T) and (U) of section 101(a)(15) of the Immigration and Nationality Act (8 U.S.C. § 1101(a)).
2. Developing, training, or expanding units of law enforcement officers, judges, other court personnel, and prosecutors specifically targeting violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
3. 4. Developing, installing, or expanding data collection and communication systems, including computerized systems, linking police, prosecutors, and courts or for the purpose of identifying, classifying, and tracking arrests, protection orders, violations of
protection orders, prosecutions, and convictions for violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.

5. Developing, enlarging, or strengthening victim services and legal assistance programs, including sexual assault, domestic violence, dating violence, and stalking programs, developing or improving delivery of victim services to underserved populations, providing specialized domestic violence court advocates in courts where a significant number of protection orders are granted, and increasing reporting and reducing attrition rates for cases involving violent crimes against women, including crimes of sexual assault, domestic violence, dating violence, and stalking.

6. Developing, enlarging, or strengthening programs addressing the needs and circumstances of Indian tribes in dealing with violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.

7. Supporting formal and informal statewide, multidisciplinary efforts, to the extent not supported by state funds, to coordinate the response of state law enforcement agencies, prosecutors, courts, victim services agencies, and other state agencies and departments, to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.

8. Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention, and providing expert testimony and treatment of trauma related to sexual assault.

11. Maintaining core victim services and criminal justice initiatives, while supporting complementary new initiatives and emergency services for victims and their families.

12. Supporting the placement of special victim assistants (to be known as “Jessica Gonzales Victim Assistants”) in local law enforcement agencies to serve as liaisons between victims of sexual assault, domestic violence, dating violence, and stalking and personnel in local law enforcement agencies in order to improve the enforcement of protection orders. Jessica Gonzales Victim Assistants shall have expertise in sexual assault, domestic violence, dating violence, or stalking and may undertake the following activities:

States and territories must notify and provide OVW with a list of subgrantee recipients awarded STOP funds under the Crystal Judson Domestic Violence Protocol Program, and ensure that all subgrantees satisfy the requirements of this paragraph.

20. Developing, enhancing, or strengthening prevention and educational programming to address sexual assault, domestic violence, dating violence, or stalking, with not with not more than 5 percent of the amount allocated to a state to be used for this purpose.

**OVW Priority Areas**

In FY 2019, OVW is interested in supporting the priority areas identified below. In shaping their strategies for FY 2019, OVW encourages states and territories to develop and support projects that:
1. Reduce violent crime against women and promote victim safety.
2. Increase the response to victims of human trafficking.
3. Include substance abuse professionals in a coordinated community response to VAWA crimes and increase victim access to substance abuse services.
4. Increase efforts to combat stalking.

**Activities that Compromise Victim Safety and Recovery and Undermine Offender Accountability**

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Information on activities that compromise victim safety and recovery and undermine offender accountability may be found in the Solicitation Companion Guide.

Any activities that compromise victim safety and recovery or undermine offender accountability will need to be removed from the application prior to final approval by OVW. States and territories will also need to ensure that subgrantees do not engage in such activities.

**Out-of-Scope Activities**

Research projects are out of the program scope, and they will not be supported by this program’s funding. (This does not include program assessments conducted only for internal improvement purposes. See “Research and Protection of Human Subjects” in the Solicitation Companion Guide.)

Any out of scope activities will need to be removed from the application. States and territories will also need to ensure that subgrantees do not engage in such activities.

**B. Federal Award Information**

**Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future.

**Award Period and Amounts**

The award period is 24 months. The total “estimated funding” on the SF-424 must reflect 24 months. Generally, the award period will start on July 1, 2019.

By statute (34 U.S.C. § 10446(b)), of the amount appropriated for the STOP Formula Grant Program, OVW will award a base amount of $600,000 to each state and territory. Funds remaining after the allocated base amount will be distributed among the states and territories according to population. The most accurate and complete data compiled by the United States Bureau of the Census are used to determine the populations.

OVW will make a maximum of 56 awards.

Awards will be made as grants.

**Rape Survivor Child Custody Act**

In FY 2019, states and territories may apply for additional funds (up to ten percent of the three-year average of combined STOP Formula Grant Program and Sexual Assault Services (SAS)
Formula Program funds, with 75 percent of that amount supplementing the SAS Formula Program award and 25 percent supplementing the STOP Formula Grant Program award) if the state meets the requirements of the Rape Survivor Child Custody Act (RSCCA). To qualify, the state or territory must have a law that allows the mother of a child conceived through rape to seek court-ordered termination of the parental rights of the rapist with regard to that child, which the court is authorized to grant upon clear and convincing evidence of rape. The effective date of the qualifying statute must be on or before October 1, 2019. States may receive the additional funding under the RSCCA up to four times.

States and territories that received RSCCA funds in FY 2016, 2017, or 2018 that wish to receive them again in FY 2019 must submit a letter addressed to the Director of OVW certifying that no changes have been made to state law and that the state is still in compliance with the requirements of the RSCCA. This certification letter must be signed by the state Attorney General or another state official with authority to make binding legal determinations.

States and territories that did not receive RSCCA funding in FY 2016, 2017, or 2018 that applied for RSCCA funding in FY 2016, 2017, or 2018 but did not meet the requirements of the law, or states and territories that are applying for RSCCA funding for the first time in FY 2019, must submit a legal opinion stating that the state or territory meets the requirements of the law and citing any statutory or case law or other authorities relied on in making the determination. This legal opinion may be in the form of a letter addressed to the Director of OVW and must be signed by the state Attorney General or another state official with authority to make binding legal determinations. Although the information provided by the state will inform OVW’s decision, OVW will make the final eligibility determination.

States and territories must submit the legal opinion or the certification letter to OVW at OVW.RSCCA@usdoj.gov by 11:59 pm ET April 18, 2019. OVW will not be able to consider any application or certification submitted after this date.

If the state or territory is awarded the additional funds, such funds will be subject to all of the requirements of the STOP Formula Grant Program. Because this requirement applies to both STOP Formula Grant Program and SAS Formula Program, OVW encourages the state administrators for the two programs to coordinate their responses.

C. Eligibility Information

Applications that are submitted by ineligible entities will not be considered for funding. Pursuant to 34 U.S.C. § 12291(b)(16)(iii), an applicant that is found to have an unresolved audit finding (not closed or resolved within 12 months of the final audit report from the Inspector General of the Department of Justice) is not eligible for funding during the following two fiscal years.

Eligible Applicants

Eligible entities for this program are limited to any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands. Specifically, only the designated state office, pursuant to 28 C.F.R. § 90.11, may apply.
Cost Sharing or Match Requirement
There is a 25 percent match requirement imposed on grant funds under this program. Pursuant to 34 U.S.C. § 10446(f), a grant made under this program may not cover more than 75 percent of the total costs of the projects being funded. Subgrants to victim service providers for victim services can be excluded from the total costs. For a subgrant to qualify under this exclusion, the recipient must be an organization that is recognized by the Internal Revenue Service (IRS) as a tax exempt organization described in section 501(c)(3) of Title 26 of the United States Code (unless it is a tribal governmental organization or a governmental rape crisis center not in a territory). Subgrants to tribes can also be excluded from the total costs. The applicant must identify the source of the 25 percent non-federal portion of the budget and how match funds will be used. Applicants may satisfy the required match with either cash or in-kind services.

In addition, victim service providers and tribes cannot be required to provide match. Such victim service providers must have IRS 501(c)(3) status (unless they are tribal governmental organizations or governmental rape crisis centers not in territories).

For more information, please contact your OVW Program Manager or consult OVW’s Frequently Asked Questions (FAQs) About STOP Formula Grants.

Further information on the calculation, documentation, and auditing of the match requirement can be found in the DOJ Financial Guide and on OVW’s website. For more information and ideas regarding match, please see the Match Requirement for STOP Formula Grants on OVW’s website.

Other Program Eligibility Requirements
In addition to meeting the eligible entity requirements outlined above, applications for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2019 solicitation. Applications that do not meet the eligibility requirements below may result in a delay in funding.

Certification of Compliance with the Statutory Eligibility Requirements of the Violence Against Women Act as Amended, STOP Formula Grant Program
To be eligible for funds, states and territories must certify that they are in compliance with the statutory eligibility requirements of the Program. The Certification of Compliance with the Statutory Eligibility Requirements of the Violence Against Women Act as Amended form must be signed and submitted annually by the Authorized Representative to demonstrate compliance with these requirements. This form can be found on the OVW website at https://www.justice.gov/ovw/resources-applicants.

In the subsequent years (FYs 2018, 2019, and 2020), states, and territories are required to submit information on any updates or changes to their plans, as well as updated demographic information. Implementation plan updates include any changes to goals or priority areas, any revisions to plans for how to use the funds, any new planning committee members and related documentation from them, and any changes to the state’s or territory’s grant-making strategy and efforts to meet the needs of underserved populations.

If there are revisions to the four-year plan, the state or territory must submit a revised implementation plan or a letter identifying the changes and submit the revised implementation plan or letter with the application. If the four-year implementation plan submitted in FY 2017 has not changed, the state or territory must so indicate in a letter (referred to as a No Amendments Letter) and submit that letter with the application.

Note: States or Territories that submit revised implementation plans must develop those plans through deliberative consultation and coordination with the full list of entities required for implementation plan consultation: domestic violence and sexual assault coalitions (or dual coalitions), law enforcement, prosecution, state and local courts, state and federally recognized tribes, representatives from underserved populations, including culturally specific populations, victim service providers, and population specific organizations. States and territories must demonstrate through the plan that they have consulted and coordinated in a meaningful way with this full list of entities.

Note: If a state chooses to submit a completely new plan for FY 2019, the plan should cover the two-year period of FYs 2019 - 2020. Otherwise, subsequent plans should cover a four-year period, with the next plan due to OVW in FY 2021 and covering FYs 2021-2025.

**Confidentiality Notice Form**
All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must submit the acknowledgement form available on the OVW website at [http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf](http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf). This form must be signed by the Authorized Representative.

**Pre-Award Risk Assessment**
Each applicant must respond to the questions below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This section of the application should be no more than four pages.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant’s policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization’s process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant’s policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.333-200.337.

7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.330-200.332)? Provide a brief description of the organization’s policies and procedures on subrecipient management and monitoring.

10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees’ salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization’s established timekeeping policies and procedures.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting
Applicants must submit a letter to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available at https://www.justice.gov/ovw/resources-applicants.
Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique, nine-character identification number provided by the commercial company Duns & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS Number should be available within two business days.

Federal regulations require that an applicant (1) be registered in SAM prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. See 2. C.F.R. §§ 25.200, 25.205.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. Additionally, these processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM no later than April 16, 2019.

Submission Dates and Times

It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in a delay in access to funds. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Complete Application Submission Process | GMS | May 05, 2019 11:59 p.m. E.T.

**Grants Management System**

Applicants are required to submit applications through GMS. This is not Grants.gov. In order to apply for a grant through GMS, go to https://grants.ojp.usdoj.gov/gmsexternal/ and either sign in using the applicant’s current GMS ID and password or register as a new user. Once applicants have logged into GMS, they should select the program for which they intend to apply and follow the instructions. Training materials are available on the main GMS homepage. **Note:** GMS does not provide acknowledgement of receipt after the application is submitted.

**OVW Policy on Late Submissions**

To ensure timely award processing, applicants must submit the application by May 05, 2019 11:59 p.m. E.T. Applicants anticipating late submission should contact OVW at 202-307-6026 or latonya.eaddy@usdoj.gov to provide an explanation for the delay and an anticipated submission date. Submitting the application after the deadline may result in a delay in access to funds.

**Intergovernmental Review - Single Point of Contact Review**

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the state Single Point of Contact (SPOC) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant must enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 that refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at https://www.whitehouse.gov/wp-content/uploads/2017/11/SPOC-Feb.-2018.pdf

**Funding Restrictions**

The following information is provided to allow applicants to develop an application and administer grant funds consistent with program requirements. OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the DOJ Financial Guide, which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.331, which includes oversight of subrecipient spending and monitoring performance measures and outcomes attributable to grant funds.

**Unallowable Costs**

The activities listed below are unallowable, and costs for them must not be supported with grant funds.

1. Lobbying, except with explicit statutory authorization
2. Fundraising
3. Purchase of real property
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting)
5. Construction

**Food and Beverage/Costs for Refreshments and Meals**

Generally, food and beverage costs are **not** allowable. OVW may approve the use of grant funds to provide a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be submitted to OVW, and grantees may only use funds to purchase food and/or beverages if OVW approves the specific expenditures in advance. For additional information on restrictions on food and beverage expenditures go to [https://www.justice.gov/ovw/conference-planning](https://www.justice.gov/ovw/conference-planning).

**Conference Planning and Expenditure Limitations**

Applicants must comply with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [https://www.justice.gov/ovw/conference-planning](https://www.justice.gov/ovw/conference-planning).

This includes requirements pertaining to:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Prohibition on Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

**Program Assessments**

Grantees under this program are prohibited from using OVW funds to conduct research. They may use funds to assess their work for quality assurance and program improvement purposes only, such as by surveying training participants about the quality of training content and delivery or convening discussion forums with key stakeholders. Applicants considering such assessments must refer to the [DOJ/OJP decision tree](https://www.justice.gov/ovw/conference-planning) to ensure that the activity does not qualify as human subjects research. For additional information on federal requirements related to assessments or surveys, see the [Solicitation Companion Guide](https://www.justice.gov/ovw/conference-planning).
Pre-Agreement Cost Approval
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.

Other Submission Requirements
As discussed in the Submission Dates and Times section above, applications must be submitted electronically via GMS. Applicants that are unable to submit electronically must follow the instructions in that section.

E. Application Review Information

Criteria, Review, and Award Process
This is a formula grant program; therefore, applications are not subject to a peer review. However, applicants must submit all information requested in the Application Contents and Additional Required Information sections of this solicitation. If any required elements are missing, OVW will contact the applicant to request prompt submission of relevant documents. Failure to include required information at the time of submission may result in a delay in funding.

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the DOJ Financial Guide, the grantee may experience a delay in funding or may have additional conditions placed on its award under this solicitation.

High Risk Grantees
Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely experience a delay in funds, and possibly receive a high risk designation on future OVW awards until all issues are resolved.

Anticipated Announcement and Federal Award Dates
It is anticipated that all applicants will receive an award notification by October 1, 2019. The anticipated award start date will be July 1, 2019.

F. Federal Award Administration Information

Federal Award Notices
Successful applications will receive OVW award notifications electronically from GMS. This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the Authorized Representative, scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.
Administrative and National Policy Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available at https://www.justice.gov/ovw/award-conditions. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a civil rights provision that applies to all FY 2019 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under “Civil Rights Compliance.”

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide under “Civil Rights Compliance.”

Reporting

Formula grantees are required to submit annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all grantees. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

G. Federal Awarding Agency Contact(s)

For assistance with the requirements of this solicitation, contact the following: for programmatic questions, contact the POC for this program at 202-307-6026 or latonya.eaddy@usdoj.gov, for financial questions, contact 1-888-514-8556 or OVW.GFMD@usdoj.gov, and for technical support, contact the OVW GMS Support at 1-866-655-4482.

H. Other Information

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents
that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
