**OVW Training and Services to End Violence  
Against Women with Disabilities Grant Program  
(CFDA 16.529)**

***A. Program Description***

**Overview of OVW**

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

**Statutory Authority**

This program is authorized by 34 U.S.C. § 20122.

**About the OVW Training and Services to End Violence Against Women with Disabilities Grant Program (Disability Grant Program)**

The goal of the Disability Grant Program (DGP) is to create sustainable change within and between organizations that improves the response to individuals with disabilities and Deaf individuals who are victims of domestic violence, dating violence, stalking, and sexual assault and to hold perpetrators of such crimes accountable. DGP funds are used to establish and strengthen multidisciplinary collaborative relationships; increase organizational capacity to provide accessible, safe, and effective services to individuals with disabilities and Deaf individuals who are victims of violence and abuse; identify needs within the grantee's organization and/or service area; and develop a plan to address those identified needs that builds a strong foundation for future work.

For additional information about this program, see <https://www.justice.gov/ovw/grant-programs> and <http://muskie.usm.maine.edu/vawamei/disabilitymail.htm>.

## Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the financial Guide after an award is made, the section of the [Solicitation Companion Guide](#) on post-award requirements for all federal award recipients, and the conditions of the award.

## Purpose Areas

Pursuant to 34 U.S.C. § 20122(b), funds under this program must be used for one or more of the following purposes:

1. To provide personnel, training, technical assistance, advocacy, intervention, risk reduction (including using evidence-based indicators to assess the risk of domestic and dating violence homicide) and prevention of domestic violence dating violence, stalking, and sexual assault against individuals with disabilities.
2. To conduct outreach activities to ensure that individuals with disabilities who are victims of domestic violence, dating violence, stalking, or sexual assault receive appropriate assistance.
3. To conduct cross-training for victim service organizations, governmental agencies, courts, law enforcement, and nonprofit, nongovernmental organizations serving individuals with disabilities about risk reduction, intervention, prevention and the nature of domestic violence, dating violence, stalking, and sexual assault for individuals with disabilities.
4. To provide technical assistance to assist with modifications to existing policies, protocols, and procedures to ensure equal access to the services, programs, and activities of victim service providers for individuals with disabilities.
5. To provide training and technical assistance on the requirements of shelters and victim service providers under Federal anti-discrimination laws, including the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*) and section 794 of title 29 (Section 504 of the Rehabilitation Act of 1973).
6. To modify facilities, purchase equipment, and provide personnel so that shelters and victim service organizations can accommodate the needs of individuals with disabilities.<sup>1</sup>
7. To provide advocacy and intervention services for individuals with disabilities who are victims of domestic violence, dating violence, stalking, or sexual assault.
8. To develop model programs providing advocacy and intervention services within organizations serving individuals with disabilities who are victims of domestic violence, dating violence, stalking, or sexual assault.

## OVW Priority Areas

In FY 2020, OVW is interested in supporting the priority areas identified below. Applications proposing activities in the following areas will be given special consideration.

1. Reduce violent crime against women and promote victim safety through investing in law enforcement, increasing prosecution, and promoting effective prevention.
2. Increase efforts to combat stalking.
3. Address the specific challenges that rural communities face in responding to domestic violence, dating violence, sexual assault, and stalking.

---

<sup>1</sup>Grantees that modify facilities under purpose area 6 will be required to work with OVW to meet the requirements of relevant laws such as the National Environmental Policy Act and the National Historic Preservation Act.

4. Serve sexual assault survivors. To qualify for this priority, applications must propose a sexual assault focus and include a sexual assault service provider as a member of the multidisciplinary collaborative team.

### **Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability**

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration entirely. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

### **Out-of-Scope Activities**

The activities listed below are out of the program scope, and they will not be supported by this program's funding. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects. (This does not include assessments conducted only for internal improvement purposes (up to one percent of the award). For information on distinguishing between research and assessments, see the heading on this topic in the [Funding Restrictions](#) section of this solicitation and the [Solicitation Companion Guide](#).)
2. Public service campaigns.
3. Projects that focus on children.

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

### **Activities Requiring Prior Approval**

Activities listed below will require prior approval in order to be supported by grant funds (see the [Solicitation Companion Guide](#) for more information on relevant requirement):

1. Surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act.
2. Renovations, including such minor things as painting, carpeting, or installing lighting (i.e., National Environmental Policy Act (NEPA) compliance).

## ***B. Federal Award Information***

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2020 funding, depending on the merits of the applications and the availability of funding.

### **Award Period and Amounts**

The award period is 36 months for new applications and 24 months for continuation applications. Budgets must reflect 36 or 24 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 or 24 months. OVW anticipates that the award period will start on October 1, 2020.

This program typically makes awards in the range of \$325,000 - \$500,000. OVW estimates that it will make up to 12 awards for an estimated \$4,972,061.

Funding levels under this program for FY 2020 are:

1. New, state-focused \$500,000 for 36 months.
2. New, local-focused or tribal-focused \$425,000 for 36 months.
3. Continuation, state-focused \$400,000 for 24 months.
4. Continuation, local-focused \$325,000 for 24 months.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Awards will be made as cooperative agreements. Cooperative agreements are a form of award under which OVW expects to have ongoing substantial involvement in award activities. For this program, the substantial involvement includes, but is not limited to, regular contact (electronic, telephonic, and in person) between OVW and grant recipients, OVW review and approval of all products and materials, and grant recipient participation in proactive technical assistance, such as attending and participating in new grantee orientation and training institutes, webinars, and site visits.

### **Types of Applications**

In FY 2020, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding expired more than 24 months ago.

Continuation: Applicants that have an existing or recently closed (within the last 24 months) award under this program. If an applicant received an award under this program previously, but it has been more than 24 months since the award has been active, then the applicant can choose to submit either a new or a continuation application, but neither type of funding is guaranteed.

Recipients of a new DGP award for 36 months in FY 2018 or FY 2019 or a continuation award for 24 months in FY 2019 are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2019 award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal.

**Note:** OVW will not fund the same entity, as either a lead recipient or partner/subrecipient, on more than two discretionary awards in FY 2020, absent extenuating circumstances. This award limit applies across all OVW programs but does not include awards made for nationwide projects, such as those made under OVW's Training and Technical Assistance Initiative.

Additionally, current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2020 without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2020.

Sub-Type: In addition to new and continuation applications, OVW has determined that applicants for this program must also identify as one of the sub-types listed below:

1. New, state-focused project.
2. New, local-focused or tribal-focused project.
3. Continuation, state-focused project.
4. Continuation, local-focused project.

### **Mandatory Program Requirements**

Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored training and technical assistance.
2. OVW-sponsored assessment or program evaluation, if applicable.

### **New Applicants**

#### Planning & Development and Implementation Phases

OVW mandates that new grantees engage in an intensive, structured process that includes a planning and development phase prior to an implementation phase. New grantees must work closely with OVW and the OVW-designated technical assistance (TA) provider throughout the award. Project activities during the planning and development phase have been predetermined by OVW. Applicants should not propose activities beyond those listed below. Implementation phase activities will be identified in the strategic plan drafted during the planning and development phase. These activities will directly respond to the needs identified in the planning and development phase.

The requirements during the planning and development phase of the project include the creation of the following materials:

1. Collaboration charter.
2. Project focus memo.
3. Needs assessment plan and tools (includes implementing performance indicators).
4. Needs assessment report.
5. Strategic plan.

#### Technical Assistance

TA under this program is proactive and mandatory. Multidisciplinary collaborative teams (MCT) must participate in all TA events supported by OVW related to this program. TA will be delivered through, but not limited to, frequent, regular contact with the TA provider, site visits, telephone/video conference calls, grantee meetings, and web-based TA. New grantees should expect a high level of involvement with the TA provider for the duration of their awards.

#### Decision-Maker Participation

The Executive Director, CFO/CEO, Board of Directors and other decision-makers from all organizations involved with the project must be involved in an active and meaningful manner

throughout the life of the project. They should expect to attend meetings and engage in collaborative discussions at various points throughout the project. They should also be prepared to implement systemic changes within their organization to improve services and responses to individuals with disabilities and Deaf individuals who have experienced violence and abuse. This participation must be outlined in the Memorandum of Understanding (MOU).

### **Continuation Applicants**

#### Scope of Activities

Continuation applicants must propose projects that will either enhance the previously funded project or replicate the previously funded project in a different community. Specifically, proposed activities must build upon successful initiatives undertaken and funded during the previous award period.

#### Critical Assessment

Continuation grantees will be required to reexamine proposed activities to ensure that they enhance and build upon initiatives undertaken and funded during the previous award period. This review will take place within six months of the project start date.

#### Purpose Areas

Continuation applicants may not propose to engage solely in providing direct services and are encouraged to include activities that address purpose area three (cross-training for victim service organizations, governmental agencies, courts, law enforcement, and nonprofit, nongovernmental organizations serving individuals with disabilities about risk reduction, intervention, prevention, and the nature of domestic violence, dating violence, stalking, and sexual assault for individuals with disabilities). If applicants propose to use grant funds to support direct services, the proposal must also include: (1) an overall coordinated response to domestic violence, dating violence, stalking, and sexual assault against individuals with disabilities and/or Deaf individuals, and (2) a proposal to engage in a least one DGP purpose area other than the provision of direct services.

#### Decision-Maker Participation

The Executive Director, CFO/CEO, Board of Directors and other decision-makers from all organizations involved with the project must be involved in an active and meaningful manner throughout the life of the project. They should expect to attend meetings and engage in collaborative discussions at various points throughout the project. They should also be prepared to implement systemic changes within their organization to improve services and responses to individuals with disabilities and Deaf individuals who have experienced violence and abuse. This participation must be outlined in the MOU.

OVW does not consider public universities to be “states” for purposes of eligibility for the DGP. However, some universities are affiliated with nonprofit organizations that may otherwise qualify under the statute. Please contact the Disability Grant Program Specialist at (202) 307-6026 if you need further information regarding the eligibility requirements for public universities.

<sup>3</sup> A unit of local government is any city, county, township, town, borough, parish, village, or other general purpose political subdivision of a state. 34 U.S.C. § 12291(a)(40). 9. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "Disclosure of Process Related to Executive Compensation" in the [Additional Required Information](#) section.
10. The percentage of grant activities, should the application be funded, that will address each of the following issues (the total percentages should not exceed 100%):
  - Domestic violence.
  - Dating violence.
  - Sexual assault.
  - Stalking.
11. Statement as to whether the applicant is a recipient, or partner/subrecipient, on a current grant or pending application for this grant program. If a current grant, provide the year of the award and the role of the applicant on the award (recipient or project partner).
12. Statement as to whether any proposed project partner/subrecipient is a recipient, or partner/subrecipient, on a current grant or pending application for this grant program. If a current grant, provide the year of the award and the role of the partner(s) on the award (recipient or project partner/subrecipient).
13. Statement as to whether the applicant proposes to address the OVW priorities.
14. Statement as to whether it is a new or continuation application.
15. Project focus (state, tribal, or local).
16. Disability focus (general or specific type of disability).
17. List MCT members. Specify if each organization is a domestic violence, sexual assault dual program/coalition, or a disability organization.

### **Proposal Abstract (not scored but used throughout the review process)**

The Proposal Abstract must provide a short summary (**no more** than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section.

### **Project Narrative for New Applicants (65 Points Total)**

As referenced in the [Mandatory Program Requirements](#) section, new grantees are required to engage in an intensive, structured process. Activities have been predetermined by OVW. Applicants should submit proposals that respond to the elements listed below.

The Project Narrative may not exceed 15 pages, double-spaced. The Project Narrative must include the following two sections:

### Purpose of Application (35 points)

This section must:

1. State whether the application proposes a state, local, or tribal project.
2. Identify the type of disability the project will address. Disability type may be general or a specific type of disability. Demographic information for the identified disability type must be included.
3. Detail the specific challenges that funding from this grant program, following the intensive, structured process, will address.
4. To qualify for the OVW rural priority, describe what makes the geographic service area rural (using U.S. Census or other appropriate government data) and how isolated the area is from needed services.

### Who Will Implement the Project (30 points)

This section must:

1. Identify each MCT member organization.
2. Clearly demonstrate that the partnership requirements, as outlined in the [Other Program Eligibility Requirements](#) section, have been met. Applications must include the following:
  - Discipline of each organization.
  - Mission statement from each organization.
  - Individuals (if known) participating in the project.
  - Identify the crime areas that the victim service organization addresses and the services provided by the organization as they relate to the crime areas.
  - Identify the type(s) of disability that the disability organization addresses and the services provided by the organization.
3. Describe why each organization was selected to serve on the MCT.
4. Describe in detail the ability of each member of the MCT to create change within their organization.

### **Project Narrative for Continuation Applicants (65 Points Total)**

Continuation applicants must propose projects that will either enhance the previously funded project or replicate the previously funded project in a different community. Specifically, proposed activities must build upon the successful initiatives funded during the previous award.

The Project Narrative may not exceed 20 pages in length, double-spaced. The Project Narrative is comprised of the following three sections:

#### Purpose of the Application (20 Points)

This section must:

1. State whether the application proposes a state, local, or tribal project.
2. Describe the type of disability the project will continue to address. If the project proposes to include an additional type of disability, state what type of disability will be included and a justification for why this change is proposed.
3. Briefly state the challenges addressed during the previous DGP award.

4. Identify and describe the challenges that will be addressed in the proposed project.
5. To qualify for the OVW rural priority, describe what makes the geographic service area rural (using U.S. Census or other appropriate government data) and how isolated the area is from needed services.

#### What Will Be Done (30 points)

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of Application" section above. The application must not include any of the activities listed as unallowable costs in the [Funding Restrictions](#) section of this solicitation.

Continuation applicants must propose activities that address remaining challenges, as identified in the strategic plan developed in the prior DGP award.

This section must:

1. Briefly describe the activities that were completed under the previous DGP award.
2. Detail the activities from the strategic plan that will be addressed in the proposal. The applicant must justify why each activity was chosen and provide a description of the expected outcomes.
3. Describe the approach to addressing the challenge or need identified in the Purpose of the Application section.
4. *Performance measurement.* Describe how the applicant will measure its progress in achieving the project's goal(s)/vision. Identify targeted outcome(s) and describe any tool(s) the applicant will use to track those outcomes and report them to OVW. Tools may include OVW performance progress reports and logic model templates (both available at [www.vawamei.org](http://www.vawamei.org)).

#### Who Will Implement the Project (15 Points)

This section must:

1. Identify each MCT member organization. Applications must include the following:
  - Discipline of each organization.
  - Mission statement from each organization.
  - Individuals (if known) participating in the project.

  - Identify the type(s) of disability that the disability organization addresses and the services provided by the organization.
  - Identify organizations that are new to the MCT. An explanation must be provided for the addition of new organizations.
2. Demonstrate that the organizations involved with the project have the capacity to successfully implement the proposed activities. Examples must be provided for the following:
  - Successful changes made by the MCT.
  - Challenges faced by the MCT.
  - How the MCT addressed the identified challenges.
  - The outcome of the actions taken by the MCT.

- Lessons learned by the MCT as a result of addressing challenges and implementing changes under the previous DGP award.

### **Budget Detail Worksheet and Narrative (10 Points)**

All applications must include a detailed budget and budget narrative. See the sample Budget Detail Worksheet and the Creating a Budget webinar available on the OVW website at <https://www.justice.gov/ovw/resources-applicants>. Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

### Award Period and Amount

1. New, state-focused project, 36 months, \$500,000
2. New, local-focused project or tribal focused, 36 months, \$425,000
3. Continuation, state-focused project, 24 months, \$400,000
4. Continuation, local-focused project, 24 months, \$325,000

The budget and budget narrative will be reviewed separately from the proposed project narrative. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the project narrative.
2. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$15,000 for applicants located in the 48 contiguous states and \$20,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 24 or 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Include costs to support the needs assessment (if applicable).
4. Include costs to support pilot sites (if applicable).
5. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See [Accessibility](#) under [Federal Award Administration Information](#) for more information.
6. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.
7. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to

the procurement standards in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.331, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the [Solicitation Companion Guide](#) on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, go to the [Funding Restrictions](#) section of this solicitation and the sample Budget Detail Worksheet on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

### **Memorandum of Understanding (MOU) (20 Points Total)**

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.331). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the [Authorized Representative](#) of each proposed partner organization during the development of the application. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must clearly:

1. Identify the MCT members and provide a brief history of the collaborative relationship among those members, including when and under what circumstances the relationship began and when each member entered into the relationship.
2. State the roles and responsibilities each MCT member will assume to ensure the success of the proposed project.
3. State that each MCT member has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
4. Demonstrate the commitment of each MCT member to work together to achieve stated project goals.
5. Detail the resources each MCT member will contribute to the project.
6. Demonstrate the ability and willingness of each MCT member to engage in organizational capacity building and, if applicable, among their member programs or affiliated groups.
7. Demonstrate the participation of decision-makers from each of the organizations that comprise the MCT.

### **Additional Required Information**

The following documents will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

*The following documents will be generated and completed during the application submission process:*

#### Application for Federal Assistance (SF-424)

Applicants must complete the SF-424. The SF-424 is generated when the applicant begins the submission process. For “Type of Applicant,” do not select “other.” The amount of federal funding requested in the “Estimated Funding” section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as “**Authorized Representative**” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

*Intergovernmental Review:* This solicitation (“funding opportunity”) is subject to Executive Order (E.O.) 12372. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: [https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental\\_-Review-\\_SPOC\\_01\\_2018\\_OFFM.pdf](https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_-Review-_SPOC_01_2018_OFFM.pdf). If the state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. (An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the response that the “Program is subject to E.O. 12372 but has not been selected by the state for review.”)

#### Assurances and Disclosure of Lobbying Activities

Review the assurances and disclosure forms online. Applicants will be prompted to compile these forms online during the application submission process. All applicants must complete both the *Assurances – Non-Construction Programs* (SF-424B) form and the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

*The following documents must be uploaded and attached **separately** to the application:*

#### Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire. In addition, applicants may be required to submit their current year’s audit report at a later time. The questionnaire can be found at <https://www.justice.gov/ovw/file/866126/download>.

#### Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as

amended. Applicants must submit the acknowledgement form available on the OVW website at [http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality\\_acknowledgement\\_form\\_42015.pdf](http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf). This form must be signed by the [Authorized Representative](#).

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(16)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Pre-Award Risk Assessment

Each applicant must respond to the questions below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to

questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This section of the application should be no more than four pages.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.333-200.337.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.330-200.332)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available at <https://www.justice.gov/ovw/resources-applicants>.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Applicants, an entity that is eligible for the DGP based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

**Unique Entity Identifier (DUNS Number), System for Award Management (SAM), and Grants.gov Registration**

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) number to submit an application. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

Federal regulations require that an applicant (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with these requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant. See 2 C.F.R. §§ 25.200, 25.205.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](#) uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applicant does not have an EIN, then **the applicant**

should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with [Grants.gov](http://Grants.gov) no later than December 20, 2019.

**Submission Dates and Times**

It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

**Failure to begin the registration or application submission by the deadlines stated in the chart below is not an acceptable reason for late submission.**

**OVW Policy on Late Submissions**

Applications submitted after **11:59 p.m. E.T.** on January 16, 2020 will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the due date. The charts below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application's final disposition. Applications approved for late submission are still subject to all of the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

### **Funding Restrictions**

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

#### Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations, except as allowed under purpose area 6.
5. Construction.

#### Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable. OVW may approve the use of grant funds to provide a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative, and grantees may only use funds to purchase food and/or beverages if OVW approves the specific expenditures in advance. For additional information on restrictions on food and beverage expenditures go to <https://www.justice.gov/ovw/conference-planning>.

Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the OVW conference approval process.

#### Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events.

Information on conference planning, minimization of costs, and conference reporting is available at <https://www.justice.gov/ovw/conference-planning>. This includes requirements pertaining to:

1. Cost of Logistical Conference Planning.
2. Cost of Programmatic Conference Planning.
3. Conference Space and Audio-Visual Equipment and Services.
4. Prohibition on Trinkets at Conferences.
5. Prohibition on Entertainment at Conferences.
6. Food and Beverages at Conferences.
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences.
8. Conference Reporting.

Budget clearance does not constitute prior approval to hold a conference. Recipients must seek approval of these costs through the conference approval process.

#### Research and Assessments

Grantees under this program are prohibited from using OVV funds to conduct research, which is defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out of scope.

However, grantees may use funds (up to one percent of the award) to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community, or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVV research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

#### Pre-Agreement Cost Approval

OVV generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVV. See the [DOJ Financial Guide](#) for more information on pre-award costs.

#### **Other Submission Requirements**

As discussed in the [Submission Dates and Times](#) section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. The applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with [Grants.gov](#). The E-Biz POC oversees the applicant's [Grants.gov](#) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at [Grants.gov](#).

**This registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner. The**

**application process can move forward once the applicant successfully registers with [Grants.gov](https://www.grants.gov).** Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call [Grants.gov](https://www.grants.gov) Applicant Support at **1-800-518-4726** or **support@grants.gov**.

**Note: [Grants.gov](https://www.grants.gov) limits the use of specific characters in names of attachment files.** Valid file names include only the characters shown in the table below. [Grants.gov](https://www.grants.gov) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parentheses ( )	Curly braces { }	Square brackets [ ]
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Numbers (0-9)	Comma ( , )	Semicolon ( ; )	Apostrophe ( ‘ )
Underscore ( _ )	At sign (@)	Number sign (#)	Dollar sign (\$)
Hyphen ( - )	Percent sign (%)	Plus sign (+)	Equal sign (=)
Space	When using the ampersand (&) in XML, applicants must use the “&#amp;” format.		
Period ( . )			

**Use simple titles for all documents, such as “Project Narrative.” Visit the [Grants.gov](https://www.grants.gov) website to review the most up-to-date guidelines about the use of specific characters.**

### Submitting a Grant Application

In 2017, Grants.gov updated its application tool. The legacy PDF application package was phased out and retired as of December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace format. For complete information and instructions on using Workspace (and other changes), go to the Workspace Overview page at <https://www.grants.gov/web/grants/applicants/workspace-overview.html>.

The [Grants.gov](https://www.grants.gov) Applicant Support can be reached at 1-800-518-4726 and is available 24/7, except federal holidays.

## E. Application Review Information

### Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the DGP, scoring will be as follows:

1. Summary data sheet: (5) points.
2. Project narrative: (65) points.
3. Budget detail worksheet and narrative: (10) points.

4. MOU: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

### **Review and Selection Process**

Applications will be subject to a peer review and a programmatic review.

#### Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

#### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 50 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application's peer review score.**

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below:

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.

8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the [DOJ Financial Guide](#).
12. Timely completion of the planning and development phase.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.205.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

#### High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

#### **Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2020.

## ***F. Federal Award Administration Information***

#### **Federal Award Notices**

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the [Authorized Representative](#) and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#), scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

#### **Administrative and National Policy Requirements**

##### Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information

pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available at <https://www.justice.gov/ovw/award-conditions>. These terms are subject to change prior to the issuance of the awards.

#### Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

#### Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

#### **Reporting**

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.
