OVW Sexual Assault Services Culturally Specific Program
(CFDA 16.023)

A. Program Description

Overview of OVW
OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority
This program is authorized by 34 U.S.C. § 12511(c).

About the OVW Sexual Assault Services Culturally Specific Program
The Sexual Assault Services Culturally Specific Program (SAS Culturally Specific Program) supports nonprofit organizations that focus primarily on culturally specific communities and have experience in the area of sexual assault or who partner with an organization having such expertise. The goal of the SAS Culturally Specific Program is to establish, maintain, and expand sustainable, culturally appropriate services that address the unique needs and challenges of victims of sexual assault from culturally specific communities. For additional information about this program, see https://www.justice.gov/ovw/grant-programs and http://muskie.usm.maine.edu/vawamei/saspcculturalmain.htm.

Program Scope
Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, including updates to the financial guide after an award is made, the section of the Solicitation Companion Guide on post-award requirements for all federal award recipients, and the conditions of the award.
Purpose Areas
Pursuant to 34 U.S.C. § 12511(c), funds under this program must be used to support the establishment, maintenance, and expansion of culturally specific intervention and related assistance for victims of sexual assault.

Pursuant to 34 U.S.C. § 12511(b)(2)(C), such intervention and related assistance may include:

- 24-hour hotline services providing crisis intervention services and referral.
- Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings.
- Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members.
- Information and referral to assist the sexual assault victim and family or household members.
- Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities.
- Development and distribution of materials on issues related to the services described above.

Pursuant to 34 U.S.C. 12291(a)(7), “culturally specific services” means community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities.

OVW Priority Area
In FY 2020, OVW is interested in supporting the priority area identified below. Applications proposing activities in the following area will be given special consideration:

- Address the specific challenges that rural communities face in responding to sexual assault.

To receive special consideration under this priority, applicants must clearly identify how they will address specific challenges in rural communities.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability
OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration entirely. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the Solicitation Companion Guide.

Out-of-Scope Activities
The activities listed below are out of the program scope, and they will not be supported by this program’s funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects (This does not include assessments conducted only for internal improvement purposes (up to three percent of the award). For information on
distinguishing between research and assessments, see the heading on this topic in the Funding Restrictions section of this solicitation and the Solicitation Companion Guide.

2. Activities focused on prevention efforts and public education (e.g., bystander intervention, social norms campaigns, presentations on healthy relationships).

3. Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews.

4. Sexual Assault Forensic Medical Examiner programs.

5. Sexual Assault Response Team coordination.

6. Providing training to allied professionals and the community (e.g., law enforcement, child protection services, prosecution, or other community-based organizations).

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the Solicitation Companion Guide for more information).

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2020 funding, depending on the merits of the applications and the availability of funding.

Award Period and Amounts

The award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. OVW anticipates that the award period will start on October 1, 2020.

This program typically makes awards in the range of $290,000 - $300,000. OVW estimates that it will make up to 12 awards for an estimated $3,750,000.

Awards under this program for FY 2020 will be made for up to $300,000 for the entire 36 months.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Awards will be made as grants.

Types of Applications

In FY 2020, OVW will accept applications for this program from the following:
New: Applicants that have never received funding under this program or whose previous funding expired more than 12 months ago.

Continuation: Applicants that have an existing or recently closed (within the last 12 months) award under this program. Continuation funding is not guaranteed.

Recipients of an FY 2018 or 2019 award under this program are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2018 or 2019 award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal.

Note: OVW will not fund the same entity, as either a lead recipient or partner/subrecipient, on more than two discretionary awards in FY 2020, absent extenuating circumstances. This award limit applies across all OVW programs but does not include awards made for nationwide projects, such as those made under OVW’s Training and Technical Assistance (TTA) Initiative.

Additionally, current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2020 without adequate justification may not be considered for funding, or may receive a reduced award amount if selected for funding in FY 2020.

Mandatory Program Requirements
Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored TTA.
2. An OVW-sponsored assessment or program evaluation, if applicable.
3. Sexual assault victim services that extend beyond intimate partner sexual assault.
   Applications proposing projects to serve only victims of intimate partner sexual assault will be removed from further funding consideration.

C. Eligibility Information

Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding. In addition, an application that is deemed deficient in one or more of the following categories may not be considered for funding: 1. activities that compromise victim safety, 2. out-of-scope activities, 3. unallowable costs, 4. pre-award risk assessment, 5. completeness of application contents, and 6. timeliness. An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Eligible Applicants
The following entities are eligible to apply for this program:

Eligible entities for the SAS Culturally Specific Program are private nonprofit organizations for which the primary purpose of the organization as a whole is to provide culturally specific services to one or more of the following racial and ethnic communities:
American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.¹

**Note:** If an organization has a culturally specific division (for example, a sexual assault organization with a division that focuses on Hispanic victims), the organization is not eligible because providing culturally specific services is not the primary purpose of the organization as a whole.

Additionally, the applicant must meet requirements 34 U.S.C. § 12511(c)(2)(B),(C), and (D):

- Have documented organizational experience in the area of sexual assault intervention or have entered into a formal partnership with an organization having such expertise.
- Have expertise in the development of community-based, linguistically and culturally specific outreach and intervention services relevant for the specific communities to whom assistance would be provided or have the capacity to link to existing services in the community tailored to the needs of culturally specific populations.
- Have an advisory board or steering committee and staffing which is reflective of the targeted culturally specific community.
  **Note:** To determine whether the applicant meets this requirement, OVW will consider whether the advisory board, steering committee, and staff include members with knowledge or experience relevant to the targeted community. If federal funds are used for filling any of these positions, recipients may consider a job applicant’s knowledge or experience relevant to the targeted community, as well as language skills needed to work with a particular population, but recipients may not consider a person’s race and/or ethnicity as a basis for hiring decisions.

Faith-based and community organizations that meet the eligibility requirements are eligible to receive awards under this solicitation (see “Faith-Based Organizations” on the OVW website for more information).

**Note:** Any entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code. See 34 U.S.C. § 12291(b)(16)(B)(i).

**Note:** Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from this program. See 34 U.S.C. § 12291(b)(16)(B)(ii).

**Cost Sharing or Matching**
This program has no match or cost sharing requirement.

**Other Program Eligibility Requirements**
In addition to meeting the eligible entity requirements outlined above, applications for this program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2020 solicitation.

---

Required Partnerships
In order to meet the statutory eligibility requirements in 34 U.S.C. § 12511(c)(2), all applicants must be in one of the following categories as with respect to partnerships:

1. Category I: a) The applicant is a culturally specific organization AND b) the applicant agency has a demonstrated history of providing sexual assault victim services, beyond intimate partner sexual assault, for a minimum of three years. No partnership is required.

2. Category II: a) The applicant is a culturally specific organization and will be partnering with another culturally specific organization(s) that would otherwise be eligible to apply independently under the SAS Culturally Specific Program AND b) either the applicant or its partner(s) has a demonstrated history of providing sexual assault victim services, beyond intimate partner sexual assault, for a minimum of three years.

3. Category III: The applicant is a culturally specific organization with less than three years of experience providing sexual assault victim services beyond intimate partner sexual assault. The applicant will be partnering with an organization with a demonstrated history of providing sexual assault victim services that is otherwise NOT eligible to apply independently under the SAS Culturally Specific Program. In such a case, partner compensation is limited to $30,000 for the three-year award period. The partner must use these funds to provide TA on sexual assault and related victim services to the applicant.

D. Application and Submission Information

Address to Request Application Package
The complete application package (this solicitation, including links to required forms) is available on Grants.gov and on the OVW website. Applicants wishing to request a paper copy of these materials should contact OVW.SASP.Cultural@usdoj.gov or 202-307-6026.
Pre-Application Information Sessions
OVW will conduct two optional web-based pre-application information sessions for entities interested in submitting an application for this program. During these sessions, OVW staff will review this program’s requirements, review the solicitation, and allow for a brief question and answer period. These sessions are tentatively scheduled for:

1. Friday, January 10, 2020 from 2 p.m. to 4 p.m. E.T.
2. Monday, January 13, 2020 from 2 p.m. to 4 p.m. E.T.

The total number of participants for each session may be limited, and therefore interested participants from the same agency/jurisdiction are expected to participate together. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction to allow as many interested applicants as possible to participate.

Participation in a pre-application information session is optional. Interested applicants that do not participate in a session are still eligible to apply.

To register, contact SAS Culturally Specific Program at OVW.SASP.Cultural@usdoj.gov or at 202-307-6026. Registration must be received at least one day prior to the start of the session. Participants are not registered until they receive a confirmation email. Webinars will be captioned in English and Spanish. Interested applicants needing additional language assistance should contact this program’s POC at OVW.SASP.Cultural@usdoj.gov or at 202-307-6026 as soon as possible, but no later than December 31, 2019.

For additional information about the safe-harbor procedure, see "Disclosure of Process Related to Executive Compensation" in the Additional Required Information section.

2. Include funds to attend OVW-sponsored TTA in the amount of $10,000 for applicants located in the 48 contiguous states and $12,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See Accessibility under Federal Award Administration Information for more information.
4. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. If a Category III partnership, the MOU partner compensation is limited to $30,000 for the three-year award period. These funds should be used to provide TA on sexual assault and related victim services to the lead agency. For more information on compensating project partners, see the sample Budget Detail Worksheet on the OVW website at https://www.justice.gov/ovw/resources-applicants.
5. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient’s documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.331, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the DOJ Financial Guide, which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, go to the Funding Restrictions section of this solicitation and the sample Budget Detail Worksheet on the OVW website at https://www.justice.gov/ovw/resources-applicants.

Memorandum of Understanding (MOU) (20 Points Total)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.331). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. State the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
4. Identify which organization has the expertise in providing sexual assault services. This organization must demonstrate a minimum of three years experience in providing sexual assault victim services beyond intimate partner sexual assault. Specifically address the following for the organization with the demonstrated sexual assault expertise:
   a) Explain the overall mission of the organization.
   b) State how many years the organization has been in operation.
   c) Detail the personnel designated to provide sexual assault victim services, including:
      ▪ The name and title of the each staff person.
      ▪ How many years each staff person has been providing sexual assault services AND how long each person has worked for the organization.
      ▪ A brief description of each staff person’s primary job responsibilities.
d) State how many years the organization has been providing sexual assault victim services to victims beyond intimate partner sexual assault.
e) State how many victims of intimate partner sexual assault were served by the organization in the past three years.
f) State how many victims of sexual assault, other than intimate partner sexual assault, were served by the organization in the past three years (e.g., adults abused as children, child and youth victims, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, or clergy/spiritual leader).
g) Indicate the types of services provided to victims included in item f above, with any available data on the number of non-intimate partner sexual assault victims receiving each type of service.
h) Describe the service area in which the sexual assault victim services are provided (e.g., county/city-wide, multiple counties/cities, or culturally-specific population).
i) Describe whether these services are provided to victims across the lifespan (e.g., children, youth, or adults).

5. Describe how the sexual assault services to be provided will be responsive to the culturally-specific needs of the community and sexual assault victims.
6. Describe the resources each partner will contribute to the project, either through time, in-kind contributions, or grant funds.
7. Describe how the applicant and partner(s) will work together to achieve stated project goals and objectives.

Memorandum of Exemption (MOE)
SAS Culturally Specific Program applicants that can demonstrate sexual assault expertise within the organization, in providing services for at least three years, do NOT need to partner with any outside organization and should submit an MOE.

The MOE must be a single document, signed and dated by the Authorized Representative of the applicant during the development of the application.

The MOE must:

1. Explain the overall mission of the applicant.
2. State how many years the applicant has been in operation.
3. State how many years the applicant has been providing sexual assault victim services.
4. Detail the personnel designated to provide sexual assault victim services with grant funds, including:
   a) The name and title of the each staff person.
   b) How many years each staff person has been providing sexual assault services AND how long each person has worked for the applicant.
   c) A brief description of each staff person’s primary job responsibilities.
5. State how many victims of intimate partner sexual assault were served by the applicant in the past three years.
6. Detail how many victims of sexual assault, other than intimate partner sexual assault, were served in the past three years (e.g., adults abused as children, child and youth victims, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, or clergy/spiritual leader).
7. Indicate the types of services provided to victims included in item 6 above, with any available data on the number of non-intimate partner sexual assault victims receiving each type of service.

8. Describe the service area in which the sexual assault victim services are provided (e.g., county/city-wide, multiple counties/cities, or culturally-specific population).

9. Describe whether these services are provided to victims across the lifespan (e.g., children, youth, or adults).

10. Describe how the sexual assault services provided are responsive to the culturally-specific needs of the community and sexual assault victims.

An applicant that submits an MOE but does not demonstrate the required expertise is not eligible for funding and will be removed from further consideration. Therefore, if there is any uncertainty as to whether the applicant meets the MOE criteria, the applicant is encouraged to submit an MOU, which outlines a partnership with an organization that has sexual assault services expertise. For additional information on the types of partnerships, see Required Partnerships.

Additional Required Information

The following documents will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

*The following documents will be generated and completed during the application submission process:*

**Application for Federal Assistance (SF-424)**

Applicants must complete the SF-424. The SF-424 is generated when the applicant begins the submission process. For “Type of Applicant,” do not select “other.” The amount of federal funding requested in the “Estimated Funding” section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

**Intergovernmental Review:** This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: [https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf](https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf). If the state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. (An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the response that the “Program is subject to E.O. 12372 but has not been selected by the state for review.”)

**Assurances and Disclosure of Lobbying Activities**

Review the assurances and disclosure forms online. Applicants will be prompted to compile these forms online during the application submission process. All applicants must complete both
the Assurances – Non-Construction Programs (SF-424B) form and the Disclosure of Lobbying Activities (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

The following documents must be uploaded and attached separately to the application:

Applicant Financial Capability Questionnaire (if applicable)
All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire. In addition, applicants may be required to submit their current year’s audit report at a later time. The questionnaire can be found at https://www.justice.gov/ovw/file/866126/download.

Confidentiality Notice Form
All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the Authorized Representative.

Disclosure of Process Related to Executive Compensation (if applicable)
An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization’s managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization’s compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(16)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews
and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website at https://www.justice.gov/ovw/resources-applicants.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Pre-Award Risk Assessment
Each applicant must respond to the questions below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This section of the application should be no more than four pages.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant’s policies and procedures that ensure funds will be tracked appropriately.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.

3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization’s process for tracking expenditures, including tracking budgeted versus actual amounts.

4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant’s policy for requesting payments for grant awards.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant’s internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.333-200.337.

7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit
Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.330-200.332)? Provide a brief description of the organization’s policies and procedures on subrecipient management and monitoring.

10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees’ salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization’s established timekeeping policies and procedures.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Letter of Nonsupplanting
Applicants must submit a letter to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available at https://www.justice.gov/ovw/resources-applicants.

Proof of 501(c)(3) Status (Nonprofit Organizations Only)
As noted under Eligible Applicants, an entity that is eligible for the SAS Culturally Specific Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Unique Entity Identifier (DUNS Number), System for Award Management (SAM), and Grants.gov Registration
Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) number to submit an application. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.
Federal regulations require that an applicant (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with these requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant. See 2 C.F.R. §§ 25.200, 25.205.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with Grants.gov no later than January 28, 2020.

Submission Dates and Times
It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Failure to begin the registration or application submission by the deadlines stated in the chart below is not an acceptable reason for late submission.

### Request Hardcopy Submission (if necessary)

Applications that cannot submit an application electronically due to lack of internet access must contact the POC at 202-307-6026 or OVW.SASP.Cultural@usdoj.gov to request permission to submit a hardcopy application.

### Begin Application Submission Process

Applications must be submitted electronically via Grants.gov.

Begin 24 – 48 hours prior to the application deadline.

### Confirm Application Receipt

Authorized Organization Representatives (AORs) should closely monitor their email for any notification from Grants.gov about a possible failed submission. **The AOR is a user role within Grants.gov for a user who is authorized to submit applications on behalf of the organization.**

The AOR should receive a minimum of two emails from Grants.gov. One will confirm receipt of the application package. The other will contain either a notice that the application was successfully submitted or a notice that there was an error with the application submission.

OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the applicant’s responsibility to notify OVW of any problems with the application submission process.

### OVW Policy on Late Submissions

Applications submitted after **11:59 p.m. E.T. on February 12, 2020** will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the due date. The charts below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application’s final disposition. Applications approved for late submission are still subject to all of the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

| Unforeseeable Technical Difficulties During the Application Submission Process | 1. Contact Grants.gov for TA at least 24 hours prior to the application deadline.  
2. Maintain documentation of all communication with Grants.gov Applicant Support.  
3. Prior to the application deadline, contact the POC for this program, via email at OVW.SASP.Cultural@usdoj.gov indicating that the applicant is experiencing technical difficulties and would like permission to submit a late application. The email must include the following:  
• A detailed description of the difficulty that the applicant is experiencing.  
• The contact information (name, telephone, and email) for the individual making the late submission request.  
• The complete application packet (Project Narrative, Budget and Budget Narrative, MOU/MOE.  
4. Within 24 hours after the application deadline, the applicant must email the POC for this program at OVW.SASP.Cultural@usdoj.gov the following information:  
• Applicant’s DUNS number.  
• Grants.gov Applicant Support tracking numbers.  
• Other relevant documentation. | Common foreseeable technical difficulties for which OVW will not approve a late submission request include:  
a. Using an outdated version of Adobe Acrobat.  
b. Attachment rejection. (To ensure that attachments are not rejected, attachment names should only include allowable characters. See “Other Submission Requirements”).  
Through Grants.gov, OVW can confirm when submission began. Applicants that start the submission process less than 24 hours before the deadline will not be considered for late submission. By beginning the application submission process 24-48 hours before the deadline, applicants should have sufficient time to receive notice of problems with their submissions and make necessary corrections. |
Submission of the required documents to the POC is not an approval of a late application submission request. OVW will review the information provided, consider the request, and inform the applicant of its decision within 30 days of the request.

Funding Restrictions
The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs
The costs associated with the activities listed below are unallowable and must not be included in applicants’ budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals
Generally, food and beverage costs are not allowable. OVW may approve the use of grant funds to provide a working meal at a meeting, conference, training, or other event, if one of the following applies:
1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant’s budget narrative, and grantees may only use funds to purchase food and/or beverages if OVW approves the specific expenditures in advance. For additional information on restrictions on food and beverage expenditures go to https://www.justice.gov/ovw/conference-planning.

Conference Planning and Expenditure Limitations
Applicants’ budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at https://www.justice.gov/ovw/conference-planning. This includes requirements pertaining to:

2. Cost of Programmatic Conference Planning.
4. Prohibition on Trinkets at Conferences.
5. Prohibition on Entertainment at Conferences.
6. Food and Beverages at Conferences.
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences.
8. Conference Reporting.

Research and Assessments
Grantees under this program are prohibited from using OVW funds to conduct research, which is defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out of scope.

However, grantees may use funds (up to three percent of the award) to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community, or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Pre-Agreement Cost Approval
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.
Other Submission Requirements

As discussed in the Submission Dates and Times section above, applications must be submitted electronically via Grants.gov. Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant’s Grants.gov transactions and assigns the AOR. The AOR submits the application to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at Grants.gov.

This registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner. The application process can move forward once the applicant successfully registers with Grants.gov. Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call Grants.gov Applicant Support at 1-800-518-4726.

Note: Grants.gov limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. Grants.gov is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Submitting a Grant Application

In 2017, Grants.gov updated its application tool. The legacy PDF application package was phased out and retired as of December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace format. For complete information and instructions on using Workspace (and other changes), go to the Workspace Overview page at https://www.grants.gov/web/grants/applicants/workspace-overview.html.

The Grants.gov Applicant Support can be reached at 1-800-518-4726 and is available 24/7, except federal holidays.
E. Application Review Information

Criteria
Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element must be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the SAS Culturally Specific Program, scoring will be as follows:

1. Summary data sheet: (5) points.
2. Project narrative: (60) points, of which:
   A. Purpose of the project: (20) points.
   B. What will be done: (20) points.
   C. Who will implement: (20) points.
3. Budget detail worksheet and narrative: (15) points.
4. MOU/MOE: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process
Applications will be subject to a peer review and a programmatic review.

Peer Review
OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review
All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program’s scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as
described above or be removed from consideration entirely regardless of the application's peer review score.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other TA events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the [DOJ Financial Guide](#).

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant’s comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.205.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

**High-Risk Grantees**

Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

**Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2020.
F. Federal Award Administration Information

Federal Award Notices
Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the Authorized Representative, scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

Administrative and National Policy Requirements
Information for All Federal Award Recipients
Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available at https://www.justice.gov/ovw/award-conditions. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision
The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility
Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide under "Civil Rights Compliance."

Reporting
OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.
G. Federal Awarding Agency Contact(s)
For assistance with the requirements of this solicitation, contact the following: for programmatic questions, contact the POC for this program at 202-307-6026 or OVW.SASP.Cultural@usdoj.gov, for financial questions, contact 1-888-514-8556 or OVW.GFMD@usdoj.gov, and for TA, contact 1-800-518-4726 for Grants.gov. H. Other Information

Application Checklist
Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).

Public Reporting Burden - Paperwork Reduction Act Notice
Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms
and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.
