**OVW Grants to Engage Men and Boys as Allies  
in the Prevention of Violence Against Women  
and Girls Program  
(CFDA #16.888)**

***A. Program Description***

**Overview of OVW**

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

**Statutory Authority**

This program is authorized by the Consolidated Appropriations Act, 2020, Pub. L. No. 116-93, 133 Stat. 2317, 2404 (2019).

**About the OVW Grants to Engage Men and Boys as Allies in the Prevention of Violence Against Women and Girls Program (EM Program)**

The EM Program supports projects that create educational programming and community organizing to encourage men and boys to work as allies with women and girls to prevent domestic violence, dating violence, sexual assault, and/or stalking. For additional information about this program, see <https://www.justice.gov/ovw/grant-programs> and <https://www.vawamei.org/grant-program/consolidated-youth-program/>.

Note: Applicants interested in developing projects to serve children and youth impacted by domestic violence, dating violence, sexual assault, and stalking should submit a proposal under the OVW Fiscal Year (FY) 2020 Grants to Prevent and Respond to Domestic Violence, Dating Violence, Sexual Assault, and Stalking Against Children and Youth Program.

**Program Scope**

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this

solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the section of the [Solicitation Companion Guide](#) on post-award requirements for all federal award recipients, and the conditions of the award.

### **Purpose Areas**

In FY 2020, applicants must use funds under the EM Program to develop and/or implement strategies that engage and mobilize men and boys at individual, group, relational, and societal levels to prevent domestic violence, dating violence, sexual assault, and/or stalking, through one or more of the following purposes:

1. Develop and/or implement programming to recruit and train men and boys to serve as role models, positive influencers, change agents, and/or mentors to address and prevent domestic violence, dating violence, sexual assault, and/or stalking.
2. Integrate education on domestic violence, dating violence, sexual assault, and/or stalking, into established support and/or enrichment programs (e.g., mentoring, youth services, sports, fraternal, faith-based, fatherhood, re-entry, and educational) to assist men and/or boys in developing healthy relationships, challenging social norms that support violence against women and girls, becoming active bystanders, and understanding the intersection of the four VAWA crimes and other types of violence (e.g., gang initiation, gun violence).
3. Develop and implement a train-the-trainer program for community organizations or programs and/or governmental agencies or programs to incorporate education and/or training into their existing work with male clients to prevent violence against women and girls.

### **OVW Priority Areas**

In FY 2020, OVW is interested in supporting the priority areas identified below. Applications proposing activities in the following areas will be given special consideration.

1. Increase efforts to combat stalking.

To qualify for this priority area, applicants must propose projects where at least 50% of the activities address stalking and/or cyberstalking, including the intersection of stalking and/or cyberstalking with dating violence.

2. Address the specific challenges that rural communities face in responding to domestic violence, dating violence, sexual assault, and stalking.

To qualify for this priority area, applicants must describe what makes the geographic service area rural (using U.S. Census or other appropriate government data) and how they will address specific challenges in rural communities.

### **Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability**

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration entirely. Information on activities that

compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

### **Out-of-Scope Activities**

The activities listed below are out of the program scope, and they will not be supported by this program's funding. See also the list of unallowable costs in the [Funding Restrictions](#) section of this solicitation.

1. Research projects: This does not include assessments conducted only for internal improvement purposes (up to three percent of the award). For information on distinguishing between research and assessments, see the heading on this topic in the [Funding Restrictions](#) section of this solicitation and the [Solicitation Companion Guide](#).
2. Direct Victim Services: Grant funds may not be used to provide direct victim services, such as victim advocacy, short or long-term counseling, transitional housing, or medical/court accompaniment.
3. Supervised Visitation or Exchange: Grant funds may not be used to support supervised visitation or exchange services.
4. Perpetrator Services: Grant funds may not be used to provide support services for perpetrators of domestic violence, dating violence, sexual assault, or stalking such as counseling, batterer intervention, or anger management.
5. Sexual Harassment, Bullying, and Gender Norms: Grant funds may not be used to develop and/or provide training, products, or policies that focus primarily on sexual harassment, bullying, hazing, or gender norms.
6. Substance Abuse: Grant funds may not be used to implement prevention programs that focus primarily on alcohol and substance abuse as prevention strategies.
7. Ceremonies, Celebrations, and Entertainment: Grant funds may not be used to support award ceremonies or other celebratory events, or the purchase of tickets for entertainment activities such as sporting events, movies, concerts, or museums.
8. Athletics: Grant funds may not be used to support an individual or group of individuals' participation on athletic teams or events, including full-time salaries for individuals who serve as coaches or leaders of athletic teams.
9. Technical Assistance (TA): Grant funds may not be used for the provision of TA and training to other entities.
10. Trademarks: Grant funds may not be used to research, apply for, or register trademarks.
11. Service Area: Grant funds may not be used to conduct or support regional or statewide activities or projects. Applicants must ensure that proposed projects support local, community-specific strategies only, and the applicant and its project partners must be based in the project's service area.

Applications that propose activities that are deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration entirely.

### **Activities Requiring Prior Approval**

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

## ***B. Federal Award Information***

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2020 funding, depending on the merits of the applications and the availability of funding.

### **Award Period and Amounts**

The award period is 36 months. Budgets must reflect 36 months of project activity, and the total “estimated funding” on the SF-424 must reflect 36 months. OVW anticipates that the award period will start on October 1, 2020.

This program typically makes awards up to \$350,000. OVW estimates that it will make up to 11 awards for an estimated \$3,200,000.

Awards under this program for FY 2020 will be made for up to \$350,000 for the entire 36 months.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Awards will be made as grants.

### **Types of Applications**

In FY 2020, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under the Consolidated Grant Program to Address Children and Youth Experiencing Domestic and Sexual Assault and Engage Men and Boys as Allies (CYEM Program) or whose previous funding expired more than 12 months ago.

Continuation: Applicants that have an existing or recently closed (within the last 12 months) award under the CYEM Program. Continuation funding is not guaranteed.

Recipients of an FY 2018 or FY 2019 award under the CYEM Program are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2018 or FY 2019 award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2020 proposal.

Additionally, current CYEM grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2020 without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2020.

### **Mandatory Program Requirements**

Applicants that receive funding under this program will be required to engage in the following activities:

1. Attend OVW-sponsored training and TA.
2. Participate in an OVW-sponsored assessment or program evaluation, if applicable.
3. Create or expand a multi-disciplinary team (MDT) to oversee and guide project activities. The MDT must meet regularly to design and implement the needs assessment, develop the strategic plan, discuss project goals and activities, review successes and challenges, and ensure project activities are coordinated across the community served.
4. Provide crisis intervention for children, youth, and community members at all educational, outreach, and training events not specifically targeted to first responders or allied professionals.
5. Cross train project staff, partner organizations/programs, and MDT members to expand their knowledge and skills to better understand each other's role(s) as well as improve the project and activities.
6. Engage in a planning phase prior to project implementation. The planning phase is generally six months for new grantees and three months for continuation grantees. To complete the required planning activities, recipients will have access to \$50,000 of funding. The planning phase activities must include:

During the planning phase, new grantees must:

- A. Conduct a community strengths and needs assessment.
- B. Develop a strategic plan for implementing project activities. The strategic plan must include all project partners, including men's organizations or programs, and be submitted to OVW for review and approval.
- C. Submit recipient and project partners' policies related to securing background checks of staff and volunteers who interact with children and youth, client confidentiality, parental consent, and mandatory reporting. If no policies exist, the policies must be developed and submitted to OVW.

During the planning phase, continuation grantees must:

- A. Revise and update the initial strategic plan to reflect the continuation project. The strategic plan must include all project partners, including men's organizations or programs, and be submitted to OVW for review and approval.
- B. Submit any **new** project partner's policies related to securing background checks of staff and volunteers who interact with children and youth, client confidentiality, parental consent, and mandatory reporting. If no policies exist, the policies must be developed and submitted to OVW.

**Proposal Abstract (not scored but used throughout the review process)**

The Proposal Abstract must provide a short summary (**no more** than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goals and intended outcomes), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Do not summarize past accomplishments in this section.

### **Project Narrative (60 Points Total)**

The Project Narrative may not exceed 15 pages, double-spaced. The Project Narrative must include the following three sections:

#### **Purpose of Application (15 points)**

This section must:

2. Describe the local community to be served, including the geographic location and the populations in the service area, including, to qualify for the OVW rural priority, what makes the geographic service area rural (using U.S. Census or other appropriate government data) and how isolated the area is from needed services.
3. Describe existing and/or previous community efforts focused on engaging men and boys as allies in preventing violence against women and girls.
4. Describe the gaps in the existing community efforts focused on engaging men as role models and leaders in preventing violence against women and girls.

#### **What Will Be Done (30 points)**

The application must provide a clear link between the proposed activities and the need identified in the "Purpose of Application" section above. The application must not include any of the activities listed as unallowable costs in the [Funding Restrictions](#) section of this solicitation.

This section must describe:

1. The approach to addressing the challenge or need identified in the Purpose of the Application section, including, to qualify for the OVW rural priority, how the project will address the challenges associated with the remoteness of the service area.
2. How the applicant will measure its progress in achieving the project's goal(s)/vision. Identify targeted outcome(s) and describe any tool(s) the applicant will use to track the outcomes and report them to OVW. Tool(s) may include OVW performance progress reports and logic model templates (both available at [www.vawamei.org](http://www.vawamei.org)).
3. How the applicant will move to project sustainability.
4. How the proposed project will establish or support an MDT to address the prevention of domestic violence, dating violence, sexual assault, and/or stalking through the engagement and mobilization of men and boys working as allies. Describe current and future members, frequency of meetings, and which organization or program is the lead.
  - a. Continuation applicants must provide details about the MDT created or enhanced through the initial CYEM Program award including:
    - i. The current status of the MDT that existed under the initial CYEM Program award, including whether it still exists, and if not, when it ended and why, or, if the MDT still meets, how often it meets, and the number of agencies and organizations regularly attending MDT meetings.
    - ii. Identify key participants of the MDT.
    - iii. Detail efforts by the MDT to engage men and boys as allies in the prevention of violence against women.
    - iv. Identify any activities engaged in by the MDT under the initial CYEM award that have been sustained.

5. How the project will provide appropriate crisis intervention and referrals for participants who identify themselves as victims during project activities, including prevention education, community awareness events, and/or other activities that target youth and the general community.
6. How the applicant and project partners will conduct and complete the planning phase, including the community strengths and needs assessment, and development of the strategic plan.
7. The policies in place or to be developed that address the following: a) confidentiality; b) parental consent; c) background checks; and d) mandatory reporting, if applicable. This includes both the applicant and project partners.
8. How the applicant will ensure the cross training of project staff, partner organizations/programs, and MDT members. Cross training should focus on expanding knowledge for project staff, partner organizations/programs, and MDT members to understand the roles and responsibilities of one another, enhance their knowledge and skills to effectively engage with men and boys, and increase their understanding of the intersectionality of issue areas that potentially may cause violence against women and girls.
9. All tangible products to be developed with grant funds (e.g., a video, a brochure, a theater piece, PSA, or curriculum).
10. If applicant is submitting a continuation application, how the proposed project enhances and/or expands the current project.
11. How the proposed project will reach each population in the service area identified in the Purpose of the Application section.

In addition, for the specific purpose area(s) the proposed project will address, this section must describe:

#### Purpose Area 1

1. The process for identifying males to serve as role models, positive influencers, change agents, and/or mentors.
2. How the project will incorporate a clear “call to action” for men and/or boys to work as allies to prevent violence against women and girls.
3. The specific model and/or strategies that will be utilized to meet the goals and objectives of the proposed project (e.g., A Call to Men, MOST Clubs, Coaching Boys Into Men, etc.).

#### Purpose Area 2

How the project goals and objectives will integrate education on domestic violence, dating violence, sexual assault, and/or stalking, into existing male-focused programs.

#### Purpose Area 3

How the project will implement a train-the-trainer program and what it will involve.

#### Who Will Implement the Project (15 points)

This section must:

1. Identify the key individuals and organizations, including project partners, involved in the proposed project.
2. Demonstrate that the individuals and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities; attach resumes or job descriptions of all key personnel.

3. Provide detailed information that demonstrates the applicant and its partners are based in the community where the project will be implemented.

### **Budget Detail Worksheet and Narrative (15 Points)**

All applications must include a detailed budget and budget narrative. See the sample Budget Detail Worksheet and the Creating a Budget webinar available on the OVW website at <https://www.justice.gov/ovw/resources-applicants>. Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

#### Award Period and Amount

Applicants should carefully consider the resources needed to implement the project and present a realistic budget that accurately reflects the costs involved for a 36-month budget. Proposed budgets should not exceed \$350,000 and no more than 30 percent of the budget may be focused on activities related to sex trafficking.

The budget and budget narrative will be reviewed separately from the proposed project narrative. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the project narrative.
2. Include funds to attend OVW-sponsored training and TA in the amount of \$40,000 for applicants located in the 48 contiguous states and \$45,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Designate no more than ten percent of the total funding for media purchases (billboards, bus/subway advertisements, and/or radio/TV public service announcements, etc.).
4. Include funds to conduct the community strengths and needs assessment and develop the strategic plan.
5. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See [Accessibility](#) under [Federal Award Administration Information](#) for more information.
6. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.
7. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.330, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a

contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.331, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the [Solicitation Companion Guide](#) on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, go to the [Funding Restrictions](#) section of this solicitation and the sample Budget Detail Worksheet on the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

### **Memorandum of Understanding (MOU) (20 Points Total)**

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.331). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU **must** be a single document and **must** be signed and dated by the [Authorized Representative](#) of each proposed partner organization during the development of the application. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. Include the organizational mission statement for the applicant and project partner(s).
3. State the roles and responsibilities each partner will assume to ensure the success of the proposed project.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Identify the individuals from each partner who will be responsible for implementing project activities and describe how they will work with other project staff.
6. Address the activities for the proposed project.
7. Specify the extent of each partner's participation in developing the application. List the individuals involved in developing the proposed project and application.
8. Include the printed name, title, and agency, for the applicant and all partners (including required partners), under each signature at the end of the MOU document. For project

partners that are schools or school districts, the following signatures must be included in the MOU:

- a. A school district must include the signature of the superintendent/chief executive officer.
- b. A single school or group of schools must include the signatures of all participating school principals and/or all relevant superintendents/chief executive officers.

### **Additional Required Information**

The following documents will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some documents will be generated during the application submission process while other documents will be uploaded and attached to the application.

*The following documents will be generated and completed during the application submission process:*

#### Application for Federal Assistance (SF-424)

Applicants must complete the SF-424. The SF-424 is generated when the applicant begins the submission process. For "Type of Applicant," do not select "other." The amount of federal funding requested in the "Estimated Funding" section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as "**Authorized Representative**" must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

*Intergovernmental Review:* This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: [https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental-Review-SPOC\\_01\\_2018\\_OFFM.pdf](https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental-Review-SPOC_01_2018_OFFM.pdf). If the state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. (An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the response that the "Program is subject to E.O. 12372 but has not been selected by the state for review.")

#### Assurances and Disclosure of Lobbying Activities

Review the assurances and disclosure forms online. Applicants will be prompted to compile these forms online during the application submission process. All applicants must complete both the *Assurances – Non-Construction Programs* (SF-424B) form and the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

*The following documents must be uploaded and attached **separately** to the application:*

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire. In addition, applicants may be required to submit their current year's audit report at a later time. The questionnaire can be found at <https://www.justice.gov/ovw/file/866126/download>.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must submit the acknowledgement form available on the OVW website at [http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality\\_acknowledgement\\_form\\_42015.pdf](http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf). This form must be signed by the Authorized Representative.

Disclosure of Process Related to Executive Compensation (if applicable)

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Summary Data Sheet mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(16)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website at <https://www.justice.gov/ovw/resources-applicants>.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

#### Pre-Award Risk Assessment

Each applicant must respond to the questions below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This section of the application should be no more than four pages.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.333-200.337.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the [DOJ Financial Guide](#) for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management

Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.330-200.332)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.

#### Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. This includes state, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

#### Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available at <https://www.justice.gov/ovw/resources-applicants>.

#### **Unique Entity Identifier (DUNS Number), System for Award Management (SAM), and Grants.gov Registration**

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) number to submit an application. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

Federal regulations require that an applicant (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with these requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant. See 2 C.F.R. §§ 25.200, 25.205.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](http://www.grants.gov) uses SAM to establish roles and IDs for electronic grant applicants.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applicant does not have an EIN, then **the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited.** OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with [Grants.gov](http://www.grants.gov) no later than March 11, 2020.

**Submission Dates and Times**

It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

**Failure to begin the registration or application submission by the deadlines stated in the chart below is not an acceptable reason for late submission.**

**OVW Policy on Late Submissions**

Applications submitted after **11:59 p.m. E.T.** on April 14, 2020 will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the due date. The charts below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application’s final disposition. Applications approved for late submission are still subject to all of the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

### Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

#### Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants’ budgets:

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

#### Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable. OVW may approve the use of grant funds to provide a working meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant’s budget narrative, and grantees may only use funds to purchase food and/or beverages if OVW approves the specific expenditures in advance. For additional information on restrictions on food and beverage expenditures go to <https://www.justice.gov/ovw/conference-planning>.

### Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at <https://www.justice.gov/ovw/conference-planning>. This includes requirements pertaining to:

1. Cost of Logistical Conference Planning.

### Research and Assessments

Grantees under this program are prohibited from using OVW funds to conduct research, which is defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out of scope.

However, grantees may use funds (up to three percent of the award) to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community, or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The [Solicitation Companion Guide](#) also provides additional information on federal requirements related to research, assessments, and surveys.

### Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

### **Other Submission Requirements**

As discussed in the [Submission Dates and Times](#) section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions in that section.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. The applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with [Grants.gov](#). The E-Biz POC oversees the applicant's [Grants.gov](#) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found at [Grants.gov](#).

This registration process generally takes between three and five business days and may take as long as four weeks if all steps are not completed in a timely manner. The application process can move forward once the applicant successfully registers with [Grants.gov](https://www.grants.gov). If applicants experience difficulties at any point during this process, they should call [Grants.gov](https://www.grants.gov) Applicant Support at 1-800-518-4726.

**Note: [Grants.gov](https://www.grants.gov) limits the use of specific characters in names of attachment files.** Valid file names include only the characters shown in the table below. [Grants.gov](https://www.grants.gov) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

**Use simple titles for all documents, such as “Project Narrative.” Visit the [Grants.gov](https://www.grants.gov) website to review the most up-to-date guidelines about the use of specific characters.**

### Submitting a Grant Application

In 2017, Grants.gov updated its application tool. The legacy PDF application package was phased out and retired as of December 31, 2017. Grants.gov Workspace is now the standard application method for applying for grants. Applicants should familiarize themselves with the Workspace format. For complete information and instructions on using Workspace (and other changes), go to the Workspace Overview page at <https://www.grants.gov/web/grants/applicants/workspace-overview.html>.

The [Grants.gov](https://www.grants.gov) Applicant Support can be reached at 1-800-518-4726 and is available 24/7, except federal holidays.

## E. Application Review Information

### Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the EM program, scoring will be as follows:

1. Summary data sheet: (5) points.
2. Project narrative: (60) points, of which:

- A. Purpose of the project: (15) points.
- B. What will be done: (30) points.
- C. Who will implement: (15) points.
3. Budget detail worksheet and narrative: (15) points.
4. MOU: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

### **Review and Selection Process**

Applications will be subject to a peer review and a programmatic review.

#### Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

#### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 50 points).
2. Out-of-scope and unallowable activities (deduct up to 50 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application's peer review score.**

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.

6. Appropriate use of and active participation in OVW-sponsored workshops and other TA events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the [DOJ Financial Guide](#).

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.205.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

#### High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

#### **Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2020.

## ***F. Federal Award Administration Information***

### **Federal Award Notices**

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not Grants.gov). This award notification will be sent to the individuals listed as the [Authorized Representative](#) and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to log in; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#), scanning the fully executed award document, and returning the scanned document to OVW via facsimile or email.

## **Administrative and National Policy Requirements**

### Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available at <https://www.justice.gov/ovw/award-conditions>. These terms are subject to change prior to the issuance of the awards.

### Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

### Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the [Solicitation Companion Guide](#) under “Civil Rights Compliance.”

## **Reporting**

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if reports are delinquent.

The estimated average time to complete and file this form is 30 hours.
