Program Description

Overview of OVW
OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

About this OVW Program
The OVW Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction Program (Tribal Jurisdiction Program) (CFDA# 16.025) is authorized by the Indian Civil Rights Act of 1968, as amended, 25 U.S.C. § 1304(f). This targeted solicitation under the Tribal Jurisdiction Program assists Indian tribes that currently are exercising special domestic violence criminal jurisdiction (SDVCJ) by providing financial support for discrete costs that result from the exercise of SDVCJ and related training and technical assistance (TTA).

Note: Tribes that have not yet begun to exercise SDVCJ and tribes that are currently exercising but are seeking funding to plan and complete broad-scale system improvements to strengthen the exercise of SDVCJ should apply for funding through the FY 2021 OVW Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction solicitation.

For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:
- OVW grant program information: OVW Grants and Programs webpage
- Program performance measures under the Measuring Effectiveness Initiative: VAWA Measuring Effectiveness Initiative webpage
- Examples of successful projects in OVW's most recent report to Congress on the effectiveness of VAWA grant programs: 2018 Biennial Report

Program Scope
Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the DOJ Financial Guide, including updates to the financial guide after an award is made, the Solicitation Companion Guide, and the conditions of the award.

Purpose Areas
Pursuant to 25 U.S.C. § 1304(f), funds under this targeted solicitation may be used to defray costs resulting from a tribe’s exercise of SDVCJ, including costs associated with law enforcement, prosecution, trial and appellate courts, probation systems, detention and correction facilities, alternative rehabilitation, culturally appropriate assistance for victims and their families, providing defense counsel to indigent criminal defendants, and empaneling juries.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability
OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the Solicitation Companion Guide.

Out-of-Scope Activities
The activities listed below are out of the scope of this targeted solicitation and will not be supported by this program’s funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

- Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of
Funds below). For information on distinguishing between research and assessments, see the Solicitation
Companion Guide.

2. Absent a change in applicable law and an approved grant award modification, prosecuting cases of sexual assault
that do not involve spouses, intimate partners, or dating partners.
3. Absent a change in applicable law and an approved grant award modification, prosecuting cases that do not involve
domestic violence, dating violence, and/or violations of a protection order.
4. Purchase or lease of vehicles.
5. Developing or substantially revising codes, court rules, procedures, or other activities focused on effecting system
changes or improvements. **Note:** Tribes seeking funding for these activities should apply under the FY 2021 OVW
Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction solicitation.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the
review process or may be eliminated from consideration. Applications that propose activities that better fit the parameters
of the FY 2021 OVW Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction
solicitation may be considered under that solicitation.

**Limited Use of Funds**
Grantees may use up to one percent of grant award funds to assess their work for internal improvement purposes only,
such as by convening a listening session to identify service gaps in the community or surveying training participants about
the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research
decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research.
The Solicitation Companion Guide also provides additional information on federal requirements related to research,
assessments, and surveys.

**Activities Requiring Prior Approval**
Activities listed below will require prior approval in order to be supported by grant funds (see the Solicitation Companion
Guide for more information on relevant requirements).

1. Surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is
necessary to determine whether the activity is within the scope of the award and meets the requirements of the
Paperwork Reduction Act.
2. Renovations, including such minor things as painting, carpeting, or installing lighting. In addition to obtaining prior
approval, recipients must follow all necessary steps to ensure that funded renovations are in compliance with the
National Environmental Policy Act (NEPA) and related laws, which may be time consuming and may include public
notice and consultation.

future fiscal year for applications submitted under this solicitation but not selected for FY 2021 funding, depending on the
merits of the applications and the availability of funding. OVW may offer to fund applications submitted under this targeted
solicitation under the FY 2021 OVW Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction
solicitation.
Types of Awards
Awards will be made as grants.

Award Period and Amounts
The award period is 24 months. Budgets must reflect 24 months of project activity, and the total "estimated funding" on the SF-424 must reflect 24 months. OVW anticipates that the award period will start on October 1, 2021.

Awards under this targeted solicitation will be made in the range of $150,000 - $200,000. OVW estimates that it will make up to 10 awards for an estimated $1,500,000.

Awards under this program for FY 2021 will be made for up to $200,000 for the entire 24 months. Awards may be made for a greater amount with sufficient justification, including the need to ensure accessibility for individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Types of Applications
In FY 2021, OVW will accept applications for this targeted solicitation from the following:

New: Tribes that have never received funding under this program and tribes that received funding under the OVW Tribal Jurisdiction program in FY 2016.

Continuation Applicants: Current OVW Tribal Jurisdiction program grantees that received new awards in FY 2017 or FY 2018 and meet the eligibility requirements of this solicitation may choose to apply for continuation funding under this targeted solicitation or the OVW FY 2021 Grants to Tribal Governments to Exercise Special Domestic Violence Criminal Jurisdiction Solicitation. Continuation funding is not guaranteed.

Recipients of a new 36 month award in FY 2019 or a new or continuation award in FY 2020 under the OVW Tribal Jurisdiction Program are NOT eligible to apply.

Note: Current OVW Tribal Jurisdiction Program grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2021 without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2021.

Mandatory Program Requirements
Applicants that receive funding under this program will be required to engage in the following activities:

1. OVW-sponsored TTA. This includes joining and actively participating in the Inter-tribal Technical Assistance Working Group (ITWG), in addition to other OVW TTA opportunities. The ITWG is a working group of tribal representatives who exchange views, information, and advice about how tribes may best exercise SDVCJ and address responses to domestic violence, dating violence, and violations of protection orders.
2. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation.

Eligibility Information
Eligible Applicants
Governments of Indian tribes that have jurisdiction over Indian country are eligible to apply for this program. See 25 U.S.C. § 1304(f).

“Indian tribe” means any tribe, band, or other group of Indians subject to the jurisdiction of the United States and recognized as possessing powers of self-government. 25 U.S.C. § 1301(1). “Indian country,” means (a) all land within the limits of any Indian reservation under the jurisdiction of the United States Government, notwithstanding the issuance of any patent, and, including rights-of-way running through the reservation, (b) all dependent Indian communities within the borders of the United States whether within the original or subsequently acquired territory thereof, and whether within or
without the limits of a state, and (c) all Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same. 18 U.S.C. § 1151.

Ineligible Entities and Disqualifying Factors
Applications submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding. In addition, an application deemed deficient in one or more of the following categories may not be considered for funding: 1. activities that compromise victim safety, 2. out-of-scope activities, 3. unallowable costs, 4. pre-award risk assessment, 5. completeness of application contents, and 6. timeliness. Failure to comply fully with all applicable unique entity identifier and SAM requirements (see Application and Submission section for more information on these requirements) will result in removal from consideration. An applicant with past performance issues, long-standing open audits, or an open criminal investigation also may not be considered for funding.

Cost Sharing or Matching
This program has no matching or cost-sharing requirement.

Other Program Eligibility Requirements
In addition to meeting the eligible entity requirements outlined above, applicants for this targeted solicitation must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2021 solicitation.

Certifications must take the form of a letter, on letterhead, signed, and dated by the authorized representative. Failure to provide required certifications may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. The signed certification letter must be uploaded as a separate attachment in JustGrants.

Information to Complete the Application for Federal Assistance (SF-424)

Application for Federal Assistance (SF-424)
Applicants must complete the SF-424 in Grants.gov. The SF-424 is generated when the applicant begins the submission process. For “Type of Applicant,” do not select “Other.” The amount of federal funding requested in the “Estimated Funding” section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation (“funding opportunity”) is not subject to Intergovernmental Review under Executive Order (E.O.) 12372. In completing the SF-424, an applicant is to answer question 19 by selecting the following response: “Program is not covered by E.O. 12372.”

Disclosure of Lobbying Activities (SF-LLL)
All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)
Applicants must complete this web-based form in JustGrants, which is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to review the Standard Applicant Information and make edits as needed, confirm the Authorized Representative, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

Proposal Abstract
The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including name of applicant, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract will be entered into a text box in JustGrants. The total point value for the Proposal Abstract section is 5 points.

Applicants are encouraged, but not required, to use the following template for the abstract.

The "Tribe Legal Name" is a federally recognized tribe located in "general geographic area (e.g., in the northwest corner of XYZ state)." The tribe began exercising SDVCJ in "year the tribe implemented SDVCJ" to ensure that victims find safety and justice and that non-Indians who commit crimes of domestic violence, dating violence, and violations of
protection orders within their jurisdiction are held accountable. These funds will support the tribe’s continued exercise of SDVCJ, including but not limited to: <add two or three key activities grant funds will support (e.g., providing indigent criminal defendants with licensed defense counsel; ensuring non-Indian SDVCJ defendants receive medical care while incarcerated; supporting the cost of incarcerating non-Indian SDVCJ defendants)>; <the following two activities will remain at the end of this sentence for all projects - do not delete> participating in the Inter-Tribal Technical Assistance Working Group (ITWG) on SDVCJ; and participating in on-site and other training and technical assistance opportunities. The timing for performance of this award is 24 months.

Proposal Narrative
The Proposal Narrative may not exceed 15 pages, double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the following three sections: 1) Purpose of the Proposal; 2) What Will Be Done; and 3) Who Will Implement the Proposal. The total point value for the proposal narrative section is 80 points. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Provide a bulleted list of need(s) to be addressed through this proposal that will enable the tribe to continue exercising SDVCJ consistent with requirements of the Indian Civil Rights Act, as amended, 25 U.S.C. §§ 1301–1304. This list should only include discrete needs directly related to exercising SDVCJ. The needs list must include training and technical assistance. Also, if the accessibility measures described immediately above were determined to be insufficient to support this project, “measures to ensure accessibility” must be included.

4. Provide data for the last two calendar years (or since the tribe has been exercising SDVCJ if the tribe’s implementation date is less than two years ago). If the data is not available, state why it is not available. Provide the:

- Total SDVCJ domestic/dating violence cases referred to the tribal prosecutor’s office.
- Total SDVCJ domestic/dating violence cases accepted for prosecution.
- Total SDVCJ criminal violation of a protection order cases referred to the tribal prosecutor’s office.
- Total SDVCJ criminal violation of a protection order cases accepted for prosecution.
- Total SDVCJ convictions by plea.
- Total SDVCJ convictions at trial (both bench trials and jury trials).
- Total SDVCJ jury trials and the verdicts (e.g., four jury trials – two acquittals, two convictions).

Note: This data is only requested to get a sense of the tribe’s current or recent SDVCJ caseload. This section will be scored based only on the completeness of the response. Tribes with lower numbers of SDVCJ cases will not be eliminated or penalized and tribes with higher numbers will not receive preference based solely on this data.

What Will Be Done (35 points)
The application must provide a clear link between the proposed activities and the need identified in the “Purpose of the Proposal” section above. The application must not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Clearly state the measurable goal(s), objectives, and activities that will enable the tribe to continue exercising SDVCJ consistent with requirements of the Indian Civil Rights Act, as amended, 25 U.S.C. §§ 1301 – 1304. Directly link each goal, objective, and activity to one or more of the needs identified in the previous section. Note: Participation in OVW TTA and the ITWG must be included as an activity. Further, if the needs identified in the previous section include measures to ensure accessibility, a goal with related objectives/activities must be included to address those needs.
2. Describe how progress toward achieving the project’s goal(s) will be measured. Identify targeted outcome(s), describe any tool(s) the applicant will use to track those outcomes and report them to OVW. Tools may include OVW performance progress reports and logic model templates (both available at www.vawamei.org).
3. Describe the plan to address victim safety concerns (e.g., confidentiality, safety planning, informed consent) that may arise from the use of technology. If the proposal does not include using grant funds to support technology, the applicant should specifically state such.

Who Will Implement the Proposal (10 points)

This section must:

1. Identify the key individuals and organizations, including project partners, involved in the proposed project. Include name, job title, and role within the proposed project.
2. Demonstrate that the individuals and organizations identified have the capacity to address the stated need(s) and can successfully implement the proposed project activities; attach job descriptions of all key personnel.

Budget and Associated Documentation

Applicants must complete the web-based form in JustGrants for the budget worksheet and budget narrative. Applicants also must upload the applicable associated documentation as described below under each heading. The budget worksheet and budget narrative are worth a total of 15 points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (Web-based Form)

Complete the budget worksheet and narrative form for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the OVW website at OVW website. Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Applicants may submit budgets up to $200,000 for a project period of 24 months. Awards may be made for a greater amount with sufficient justification, including the need to ensure accessibility for individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Include funds to attend OVW-sponsored TTA in the amount of $10,000. This amount is for the entire 24 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See Accessibility under Federal Award Administration Information for more information.
4. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient’s documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the OVW website.

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the DOJ Financial Guide, which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the OVW Website.

Funding Restrictions
The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs
The costs associated with the activities listed below are unallowable and must not be included in applicants’ budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting) without prior approval by OVW through the submission of a Programmatic Grant Award Modification.
5. Construction.

Food and Beverage/Costs for Refreshments and Meals
Generally, food and beverage costs are not allowable. Recipients must receive prior approval to use grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event; OVW may provide such approval if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant’s budget narrative. For additional information on restrictions on food and beverage expenditures, see OVW conference cost planning.

Conference Planning and Expenditure Limitations
Applicants’ budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at OVW conference cost planning.

Pre-Agreement Cost
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement. Applicants may attach a copy of the agreement to their
application in JustGrants or may submit it later if selected for funding. Applicants (other than state, local, and tribal governments) that do not have a current negotiated (including provisional), rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. State, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year also may choose to use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at Ovw.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Data Requested with Application

The Data Requested with Application should be uploaded as an attachment in JustGrants. The following responses must be included:

1. Name, title, address, telephone number, and email address for the grant point-of-contact. This person must be an employee of the applicant.
2. Statement as to whether the applicant (the organization whose DUNS number is being used for the application) will serve as a fiscal agent. A fiscal agent is an entity that does not participate in implementation of the project and passes all funds through to subrecipients, conducting minimal administrative activities. A fiscal agent applicant must list these subrecipients and include a statement acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of 2 C.F.R. Part 200, as well as all project deliverables. In such situations, the fiscal agent must be an eligible applicant for the program.
3. Statement as to whether the applicant has expended $750,000 in federal funds in the applicant’s past fiscal year. If so, specify the end date of the applicant’s fiscal year.
4. Statement as to whether the applicant is a recipient, or partner/subrecipient, on a current grant or pending application for this grant program. If a current grant, provide the year of the award and the role of the applicant on the award (recipient or project partner).
5. Statement as to whether any proposed project partner/subrecipient is a recipient, or partner/subrecipient, on a current grant or pending application for this grant program. If a current grant, provide the year of the award and the role of the partner(s) on the award (recipient or project partner/subrecipient).

Exercising SDVCJ Certification

The signed certification letter described in the Eligibility Information section of this solicitation should be uploaded as an attachment in JustGrants.

Additional Application Components

The following components will not be scored, and three of them - the Letter of Nonsupplanting and the Confidentiality Notice Form - may be submitted after an award is made. Failure to supply the other required disclosures and assurances may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Nonsupplanting

Applicants may submit this letter with their application, but they are not required to submit it until after an award is made. The letter is to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the OVW website.

Confidentiality Notice Form

All recipients are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants are not required to submit this form until after an award is made, but they may upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the OVW website. This form must be signed by the Authorized Representative.

Disclosures and Assurances

Review, complete, and submit all disclosures, assurances, and certifications as described below.
Disclosure of Lobbying Activities
All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

DOJ Certified Standard Assurances
Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

Applicant Disclosure of Duplication in Cost Items
Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that has been closed within the last 12 months from the date this solicitation closes, the information must be provided in a table using the sample format found on the OVW website. The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2021 to do similar work. Provide this information in a table using the sample format found on the OVW website. Both tables, if applicable, should be uploaded as attachments in JustGrants.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements
Applicants must read and acknowledge these DOJ certifications in JustGrants.

How to Apply
Applications must be submitted electronically via Grants.gov and JustGrants. Applicants that are unable to submit electronically must follow the instructions below under OVW Policy on Late Submissions. See Submission Dates and Times below for a list of steps for registering with all required systems and deadlines for completing each step.

Unique Entity Identifier and System for Award Management (SAM)
Federal regulations require that an applicant for federal funding: (1) be registered in SAM before submitting its application; (2) provide a valid unique entity identifier in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. In addition, OVW may not make an award to an applicant until the applicant has complied with all applicable unique entity identifier and SAM requirements and, if an applicant has not fully complied with these requirements by the time OVW is ready to make an award, then OVW may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200, 25.205.

The unique entity identifier that applicants for federal grants and cooperative agreements are required to have is a Data Universal Number System (DUNS) number. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic submission of grant applications.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with Grants.gov no later than March 15, 2021.

Submission Dates and Time
After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant’s Grants.gov transactions and assigns the Authorized Organization Representative (AOR). The AOR submits the SF-424 and SF-LLL to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found on the Grants.gov website.
In JustGrants, each applying entity will have an assigned Entity Administrator who is responsible for managing entity-level information and assigning roles in the system. The Entity Administrator is also the E-Biz POC designated in SAM.gov. See the JustGrants website for more information on registering with JustGrants.

It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the list below to ensure that all required steps and deadlines are met.

Failure to begin registration or application submission by the deadlines stated in the list below is not an acceptable reason for late submission.

**Applicant Actions with Required Dates/Deadlines**

1. **Obtain a DUNS number by March 15, 2021.** Apply for a DUNS number at [https://www.dnb.com](https://www.dnb.com) or call 1-866-705-5711.
2. **Register with SAM by March 15, 2021.** Access the SAM online registration through the [SAM homepage](https://www.sam.gov) and follow the online instructions for new SAM users. Organizations must update or renew their SAM registration at least once a year to maintain an active status.
3. **Register with Grants.gov by March 15, 2021.** Once the SAM registration is active, the applicant will be able to complete the Grants.gov registration.
4. **Submit Letter of Intent by March 15, 2021** to [OVW.TribalAffairs@usdoj.gov](mailto:OVW.TribalAffairs@usdoj.gov).
5. **If necessary, request hardcopy submission by March 23, 2021.** Applicants that cannot submit an application electronically due to lack of internet access must contact the program at 202-307-6026 or [OVW.TribalAffairs@usdoj.gov](mailto:OVW.TribalAffairs@usdoj.gov) to request permission to submit a hardcopy application.
6. **Download updated version of Adobe Acrobat at least 48 hours before the Grants.gov deadline.** Applicants are responsible for ensuring that the most up-to-date version of Adobe Acrobat is installed on all computers that may be used to download the solicitation and to submit the SF-424 and SF-LLL on Grants.gov. Go to the [Adobe Software Compatibility](https://www.adobe.com/products/acrobat/readstep2.html) page to verify that the Adobe software version is compatible with Grants.gov.
7. **Submit the SF-424 and SF-LLL in Grants.gov as early as possible, but no later than 24 – 48 hours prior to the Grants.gov deadline.** Applicants may find this funding opportunity on Grants.gov by using the CFDA number, Grants.gov opportunity number, or the title of this solicitation, all of which can be found on the cover page. Applicants will receive two notices from Grants.gov, one confirming receipt and another stating whether the forms were validated and successfully submitted or rejected due to errors. Submitting the SF-424 and SF-LLL well ahead of the Grants.gov deadline provides time to correct any rejections.
8. **Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline.** Within 24 hours of JustGrants receiving the SF-424 and SF-LLL from Grants.gov, the applicant will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant’s Authorized Representative(s) before an application can be submitted. More information on JustGrants roles is available on the JustGrants website.
9. **Submit the complete application package at least 24 – 48 hours prior to the JustGrants deadline.** Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants. The Application Submitter, Entity Administrator, and Authorized Representative(s) will receive an email from JustGrants confirming submission of the application.
10. **Confirm application receipt:** Applicants should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on behalf of the organization is the one who will receive these notifications. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the applicant’s responsibility to notify OVW of any problems with the application submission process. Submitting the application components at least 48 hours before each deadline (Grants.gov or JustGrants, as applicable) will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.

**OVW Policy on Late Submissions/Other Submission Requirements**

Applications submitted after 11:59 p.m. E.T. on March 30, 2021 will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the deadline. The lists below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application’s final disposition. Applications submitted after the deadline will result in an application not being considered for funding. Applicants should refer to the list below to ensure that all required steps and deadlines are met.

**Circumstances Under Which OVW Will Consider Late Submissions**

- **Late Submissions Accepted**
  - Completion of the Grants.gov registration.
  - Completion of the SF-424 and SF-LLL on Grants.gov.
  - Electronic submission of the application components on JustGrants.
  - Any other action that demonstrates the applicant's good faith effort to submit a complete application.

**Circumstances Under Which OVW Will Not Consider Late Submissions**

- **Late Submissions Not Accepted**
  - Submitting the application more than 48 hours after the Grants.gov deadline.
  - Submitting the complete application and components together after the Grants.gov deadline.
  - Submitting the application electronically by another person, such as a contractor, on behalf of the organization.
  - Submitting the application during or after the review process.
  - Submitting the application after being notified that it is incomplete or contains errors.

**Failure to Submit Application**

- **Failure to Submit Application**
  - Submitting the application after the deadline.
  - Submitting the complete application and components together after the Grants.gov deadline.
approved for late submission are still subject to the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

**Experiencing Technical Difficulties Beyond the Applicant’s Reasonable Control**

**Issue with SAM, Grants.gov, or JustGrants Registration**

1. Register and/or confirm existing registration at least three weeks prior to the application deadline to ensure that the individual who will be submitting the application has [SAM](https://www.sam.gov), Grants.gov, and JustGrants access and is the person registered to submit on behalf of the applicant.

2. Maintain documentation of when registration began, any issues related to registration, and all communication with technical support.

**Note:** Failure to begin the SAM, Grants.gov, or JustGrants registration process in sufficient time (i.e., by the date identified in this solicitation) is not an acceptable reason for late submission.

**Unforeseeable Technical Difficulties During the Submission Process**

1. Contact Grants.gov or JustGrants, as applicable, for Applicant/User Support at least 24 hours prior to the applicable deadline.

2. Maintain documentation of all communication with Grants.gov or JustGrants Applicant/User Support.

3. Prior to the applicable deadline, contact this program, via email at [OVW.TribalAffairs@usdoj.gov](mailto:OVW.TribalAffairs@usdoj.gov) indicating that the applicant is experiencing technical difficulties and would like permission to submit a late application. The email must include the following: a) a detailed description of the difficulty that the applicant is experiencing, b) the contact information (name, telephone, and email) for the individual making the late submission request, and c) in the case of JustGrants technical difficulties, the complete application packet (Proposal Narrative, Budget and Budget Narrative, Exercising SDVCJ Certification).

4. Within 24 hours after the applicable deadline, the applicant must email this program at [OVW.TribalAffairs@usdoj.gov](mailto:OVW.TribalAffairs@usdoj.gov) the following information: a) applicant’s DUNS number, b) Grants.gov or JustGrants Applicant/User Support tracking numbers, and c) other relevant documentation.

**Common foreseeable technical difficulties for which OVW will not approve a late submission:** (1) Using an outdated version of Adobe Acrobat; and (2) Attachment rejection (Grants.gov will reject attachments with names that contain certain unallowable characters).

**Note:** Through Grants.gov or JustGrants, OVW can confirm when submission began. Applicants that attempt final submission less than 24 hours before the deadline will not be considered for late submission. By beginning the final submission process 24–48 hours before the deadline, applicants should have sufficient time to receive notice of problems with their submissions and make necessary corrections.

**Severe Inclement Weather or Natural or Man-Made Disaster**

1. Contact this program at [OVW.TribalAffairs@usdoj.gov](mailto:OVW.TribalAffairs@usdoj.gov) as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners’ ability to submit the application by the deadline (e.g., without power for “x” days, office closed for “x” days). If the application is complete and ready for the submission at the time the applicant notifies OVW, the application should be included with the email.

2. Applicants impacted by severe weather or a natural or man-made disaster occurring on the deadline must contact OVW within 48 hours after the due date or as soon as communications are restored.

**Note:** OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

**Application Review Information**
Review Criteria
Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element must be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Tribal Jurisdictions Targeted solicitation, scoring will be as follows:

1. Proposal abstract: 5 points.
2. Proposal narrative: 80 points, of which:
   A. Purpose of the proposal: 35 points.
   B. What will be done: 35 points.
   C. Who will implement the proposal: 10 points.
3. Budget worksheet and budget narrative: 15 points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process
Applications will be subject to a peer review and a programmatic review.

Peer Review
OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review
All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program’s scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application’s peer review score.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the DOJ Financial Guide.

Prior to making an award, OVW is required to review and consider any information about applicants included in the...
designated integrity and performance system accessible through SAM (currently the Federal Award Performance and Integrity Information System or FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant’s comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees
Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high-risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates
It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2021.

Federal Award Administration Information

Federal Award Notices
Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). This award notification will include instructions on enrolling in Automated Standard Application for Payments (ASAP) and accepting the award. Recipients will be required to log into JustGrants to review, sign, and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients
Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision
The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under “Civil Rights Compliance.”

Accessibility
Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide under “Civil Rights Compliance.”

General Information about Post-Federal Award Reporting Requirements
OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and
administrative proceedings in FAPIIS, see the Solicitation Companion Guide and the award condition on recipient integrity and performance matters available on the OVW website.

Public Reporting Burden- Paper Work Reduction Act Notice
Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist
Applicants must submit a fully executed application to OVW, including all required supporting documentation. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
