Program Description

Overview of OVW
OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority
Any awards under this solicitation will be made under the statutory authority provided by a full-year Department of Justice appropriations act for FY 2021.

About this OVW Program
The CY Program solicitation is one of two solicitations issued under the Consolidated Youth and Engaging Men (CYEM) Program (CFDA# 16.888), which is authorized by annual federal appropriations acts. The other program solicitation is the Grants to Engage Men and Boys as Allies in the Prevention of Violence Against Women and Girls Program (EM). Applicants interested in developing projects to engage men and boys as allies should submit a proposal under the OVW Fiscal Year (FY) 2021 EM solicitation.

The CY Program supports comprehensive, community-based efforts to develop or expand prevention, intervention, treatment, and response strategies to address the needs of children and youth impacted by domestic violence, dating violence, sexual assault, and stalking.

For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:
- OVW grant program information: OVW Grants and Programs webpage.
- Program performance measures under the Measuring Effectiveness Initiative: VAWA Measuring Effectiveness Initiative webpage.
- Examples of successful projects in OVW's most recent report to Congress on the effectiveness of VAWA grant programs: 2018 Biennial Report.

Program Scope
Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the DOJ Financial Guide, including updates to the financial guide after an award is made, the
Purpose Areas
In FY 2021, funds under this program must be used for one of the following purposes. Applicants may select only one purpose area.

1. Services and Training to Address Children Exposed to Domestic Violence, Dating Violence, Sexual Assault, and Stalking (within ages 0-10).
2. Creating Safer Communities for Youth: Prevention, Intervention, Treatment, and Response Services for Youth Impacted by Domestic Violence, Dating Violence, Sexual Assault, and Stalking (within ages 11-24).
3. Providing School-Based Services: Prevention, Intervention, and Response to Dating Violence, Sexual Assault, and Stalking (within ages 5-19).

OVW Priority Areas
In FY 2021, OVW is interested in supporting the priority area(s) identified below. Applications proposing activities in the following areas will be given special consideration.

1. **Reduce violent crime against women and promote victim safety through investing in law enforcement, increasing prosecution, and promoting effective prevention.** To qualify for this purpose area, applicants must propose projects that promote pro-child/child-first programs to enhance the safety and well-being of children and youth who are victims of, or exposed to, domestic violence, dating violence, sexual assault, and stalking. Applicants proposing to address this priority area must partner with law enforcement. Additional partners may include prosecutors, school systems, including early childhood education programs, and youth serving community based organizations to coordinate care and intervention services and prevention strategies.

2. **Empower victims to become survivors by focusing on long-term safety and sustainable economic independence.** To qualify for this priority area, applicants must propose project activities that go beyond immediate victim services such as crisis counseling, short/long term counseling, medical or court accompaniment, etc. Examples of ways applicants might address this priority include youth engagement through the development of youth action committees, or developing strong partnerships with workforce development, job training, or educational programs.

3. **Increase efforts to combat stalking.** To qualify for this priority area, applicants must propose projects where at least 50 percent of the training, educational, and outreach activities address stalking or cyberstalking, including the intersection of these crimes with dating violence.

**Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability**
OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions.
Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the Solicitation Companion Guide.

Out-of-Scope Activities
The activities listed below are out of the program scope and will not be supported by this program’s funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the Solicitation Companion Guide.

2. Child Protective Service Investigations: Grant funds may not be used to support child protective service investigations of abuse or neglect.

3. Legal Representation: Grant funds may not be used to provide legal representation except in the limited context of protection order proceedings.

4. Supervised Visitation or Exchange: Grant funds may not be used to support supervised visitation or exchange services.

5. Perpetrator Services: Grant funds may not be used to provide support services for perpetrators of domestic violence, dating violence, sexual assault, or stalking, such as counseling, batterer intervention, or anger management.

7. Substance Abuse: Grant funds may not be used to implement prevention programs that focus primarily on alcohol and substance abuse as prevention strategies.

9. Athletics: Grant funds may not be used to support an individual’s or group of individuals’ participation on athletic teams or events, including full-time salaries for individuals who serve as coaches or leaders of athletic teams.

10. Technical Assistance (TA): Grant funds may not be used for the provision of TA to other entities.

11. Trademarks: Grant funds may not be used to research, apply for, or register trademarks.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

**Limited Use of Funds**
Grantees may use up to three percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the Solicitation Companion Guide to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

**Activities Requiring Prior Approval**
Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Successful applications to the CY solicitation will be awarded under the CYEM Program.

Types of Applications

Recipients of CYEM funding in FY 2019 or FY 2020 are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2021 CY proposal. Likewise, an organization that is a partner/subrecipient on an FY 2019 or FY 2020 CYEM award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2021 CY proposal.
Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2021 without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2021.

Mandatory Program Requirements
Applicants that receive funding under this program will be required to engage in the following activities:

The CCR must meet regularly to design a strategic plan, discuss project goals and activities, review successes and challenges, and ensure project activities are coordinated across the community served.
4. Provide crisis intervention for children, youth, and community members at all educational, outreach, and training events not specifically targeted to first responders or allied professionals.
5. Engage in a planning phase prior to project implementation. The planning phase is generally six months for new grantees and three months for continuation grantees. To complete the required planning activities, recipients will have access to $75,000 of the total award funding.

Information to Complete the Application for Federal Assistance (SF-424)

Application for Federal Assistance (SF-424)
Applicants must complete the SF-424 in Grants.gov. The SF-424 is generated when the applicant begins the submission process. For “Type of Applicant,” do not select “Other.” The amount of federal funding requested in the “Estimated Funding” section of this form must match the amount of federal funding requested in the budget section of the application package. This program does not require a match; therefore, the values for the Applicant line should be zero. The individual who is listed as “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget’s website for the names and addresses of state Single Points of Contact (SPOC) under Intergovernmental Review. If the applicant’s state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, such an applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: “Program is subject to E.O. 12372 but has not been selected by the state for review.”

Disclosure of Lobbying Activities (SF-LLL)
All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Standard Applicant Information (JustGrants 424 and General Agency Information)
Applicants must complete this web-based form in JustGrants, which is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to review the Standard Applicant Information and make edits as needed, confirm the Authorized Representative, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.
Proposal Abstract
The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, is used throughout the review process. The total point value for the proposal abstract section is 5 points.

Applicants are encouraged, but not required, to use the following template for the abstract.

<Applicant Legal Name>, in partnership with <list the MOU partners>, will implement a <choose one: children exposed to violence, community-based, or school-based> project. Through this <choose one: new award or supplemental award>, the project will: 1) establish a coordinated community response team to oversee and guide project activities; 2) complete a community needs assessment and develop a strategic plan that outlines the implementation phase of the project; 3) provide direct services that address the emotional, cognitive, and physical effects of trauma on <choose: child, youth, or student> victims of <choose all that are applicable to the project: domestic violence, dating violence, sexual assault, or stalking>; 4) develop and deliver training to law enforcement and <list others that will receive training such as judges, prosecutors, teachers, etc.> to appropriately respond to and support <choose: child, youth, or student> victims; 5) develop and deliver <list educational programs> that address the prevention of and response to the crimes previously listed for <list the organizations/institutions/systems>; 6) develop and deliver prevention programming for <choose: children, youth, and/or students> that is inclusive of <list strategies such as youth-led strategies, by-stander intervention, etc.>; and 7) <add additional activities specific to the purpose area addressed (refer to the program requirements for the purpose area being addressed as well as the list under “what will be done” section)>. The timing for performance of this award is 36 months.

Proposal Narrative
The Proposal Narrative may not exceed 20 pages, double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the following three sections. The total point value for the proposal narrative section is 55 points. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

3. How the applicant will move to project sustainability; continuation applicants must provide specific details.

4. How the proposed project will address the OVW priority area(s), if applicable.

5. How the proposed project will establish or support a multidisciplinary CCR to respond to children and/or youth exposed to and/or impacted by domestic violence, dating violence, sexual assault, and/or stalking, including current and future members of the CCR, frequency of CCR meetings, and which organization or program is the lead of the CCR.

6. Continuation applicants must provide details about the CCR created or enhanced through the initial award including:

3. Provide detailed information that demonstrates the applicant and its partners are based in the community where the project will be implemented.
Budget and Associated Documentation

Applicants must complete the web-based form in JustGrants for the budget worksheet and budget narrative. Applicants also must upload the applicable associated documentation as described below under each heading. The budget worksheet and budget narrative are worth a total of 15 points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (Web-based Form)

Complete the budget worksheet and narrative form for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the OVW website at OVW website. Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Applicants should carefully consider the resources needed to implement the project and present a realistic budget that accurately reflects the costs involved for a 36-month budget. Proposed budgets should not exceed $500,000, should address only one Purpose Area, and no more than 30 percent of the budget may be focused on activities related to sex trafficking.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Include funds to attend OVW-sponsored TTA in the amount of $30,000 for applicants located in the 48 contiguous states and $35,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
3. Designate no more than 10 percent of total funding for supplemental services such as childcare, transportation assistance, clothing, or hygiene products, if applicable.
4. Designate no more than 10 percent of total funding for media purchases (e.g., billboards, bus/subway advertisements, and/or radio/TV public service announcements).
5. Include funds to implement the planning phase activities and develop the strategic plan.
6. Include funds or describe other resources available to the applicant to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. See Accessibility under Federal Award Administration Information.
7. Compensate all project partners for their full level of effort and involvement in the project, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](https://www.ovw.gov).

8. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee’s own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient’s documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](https://www.ovw.gov).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](https://www.ovw.gov), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](https://www.ovw.gov).

**Funding Restrictions**

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

**Unallowable Costs**

The costs associated with the activities listed below are unallowable and must not be included in applicants’ budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

**Food and Beverage/Costs for Refreshments and Meals**

Generally, food and beverage costs are **not** allowable. Recipients must receive prior approval to use grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event; OVW may provide such approval if one of the following applies:

1. The location of the event is not in close proximity to food establishments, despite efforts
to secure a location near reasonably priced and accessible commercial food establishments.

2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.

3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.

4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant’s budget narrative. For additional information on restrictions on food and beverage expenditures, see OVVW conference cost planning.

Conference Planning and Expenditure Limitations
Applicants’ budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at OVVW conference cost planning.

Pre-Agreement Cost
OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the DOJ Financial Guide for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)
Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally-approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments) that do not have a current negotiated (including provisional), rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely. State, local, and tribal governments that have never negotiated an indirect cost rate with the federal government and receive less than $35 million in direct federal funding per year also may choose to use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate should contact OVW’s Grants Financial Management Division at OVVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Financial Management Questionnaire (including applicant disclosure of high-risk status)
Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year’s audit report at a later time.

Pre-Award Risk Assessment

Each applicant must respond to the questions below in a document uploaded and attached to its application in JustGrants. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed below. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item. This document should be no more than four pages and may be single or double-spaced.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant’s policies and procedures that ensure funds will be tracked appropriately.

2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.

3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization’s process for tracking expenditures, including tracking budgeted versus actual amounts.

4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant’s policy for requesting payments for grant awards.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant’s internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. §§ 200.334-200.338.

7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. § 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.

8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and...
regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual’s qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW’s Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. §§ 200.331-200.333)? Provide a brief description of the organization’s policies and procedures on subrecipient management and monitoring.

10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees’ salaries among federal awards or other activities (2 C.F.R. § 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization’s established timekeeping policies and procedures.

11. Is the applicant designated as high risk by a federal agency outside of DOJ? (“High risk” includes any status under which a federal awarding agency provides additional oversight due to the applicant entity’s past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization’s managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization’s compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service’s three-step safe-harbor procedure to establish a rebuttable presumption
that its executives' compensation is reasonable. If the applicant states that it uses the safe-
harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(16)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Data Requested with Application

The Data Requested with Application should be uploaded as an attachment in JustGrants. The total point value for the Data Requested with Application section is 5 points. The following responses must be included:

1. Name, title, address, telephone number, and email address for the grant point-of-contact. This person must be an employee of the applicant.
2. Statement as to whether the applicant (the organization whose DUNS number is being used for the application) will serve as a fiscal agent. A fiscal agent is an entity that does not participate in implementation of the project and passes all funds through to subrecipients, conducting minimal administrative activities. A fiscal agent applicant must list these subrecipients and include a statement
acknowledging that, should an award be made, the applicant will be responsible for all applicable statutory, fiscal, and programmatic requirements, including those of 2 C.F.R. Part 200, as well as all project deliverables. In such situations, the fiscal agent must be an eligible applicant for the program.

3. Statement as to whether the applicant has expended $750,000 in federal funds in the applicant’s past fiscal year. If so, specify the end date of the applicant’s fiscal year.

4. Statement as to whether the applicant is a nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code.

5. Statement as to whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "Disclosure of Process Related to Executive Compensation" in the Additional Required Information section of this solicitation.

6. Statement as to whether the applicant is a recipient, or partner/subrecipient, on a current grant or pending application for this grant program. If a current grant, provide the year of the award and the role of the applicant on the award (recipient or project partner).

7. Statement as to whether any proposed project partner/subrecipient is a recipient, or partner/subrecipient, on a current grant or pending application for the CYEM program. If a current grant, provide the year of the award and the role of the partner(s) on the award (recipient or project partner/subrecipient).

8. Statement as to whether the application addresses the reduce violent crime against women and promote victim safety through investing in law enforcement, increasing prosecution, and promoting effective prevention priority area.

9. Statement as to whether the application addresses the empower victims to become survivors by focusing on long-term safety and sustainable economic independence priority area.

10. Statement as to whether the application addresses the increase efforts to combat stalking priority area.

11. Statement indicating whether the applicant is a victim service provider, community-based organization, child or youth serving agency or organization, state coalition, unit of local government, agency of a unit of local government, or a tribe or tribal organization.

12. Statement as to whether the application addresses purpose area one, two, or three.

13. The specific ages of the children and/or youth the application addresses.

14. The local community where the project will be implemented (e.g., the name of the
city, town, county, village, parish, or township).

15. The name(s) and type of entity (i.e., victim service provider, community-based organization) of each required partner.

16. The percentage of grant activities, should the application be funded, that will address each of the following issues (the total percentages should not exceed 100%):

- Domestic Violence.
- Stalking.
- Sexual Assault.
- Dating Violence.
- Sex Trafficking.

Memoranda of Understanding (MOUs) and Other Supportive Documents

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **20 points**. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the OVW website.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.

2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.

3. State that each project partner has reviewed the budget, is aware of the total amount
being requested, and is being fully compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.

4. Identify the individuals from each partner who will be responsible for implementing project activities and describe how they will work with other project staff.

5. Address the specific activities for the proposed project.

6. Include the printed name, title, and agency, for the applicant and all partners (including required partners), under each signature at the end of the MOU document. For project partners that are schools or school districts, the following signatures must be included in the MOU:
   - A school district must include the signature of the superintendent/chief executive officer.
   - A single school or group of schools must include the signatures of all participating school principals and/or all relevant superintendents/chief executive officers.

Additional Application Components
The following components will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Nonsupplanting
Applicants must attach a letter to OVW’s Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the OVW website.

Confidentiality Notice Form
All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the OVW website. This form must be signed by the Authorized Representative.

Disclosures and Assurances
Review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities
All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

DOJ Certified Standard Assurances
Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

Applicant Disclosure of Duplication in Cost Items
Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that has been closed within the last 12 months from the date this solicitation closes, the information must be provided in a table using the sample format found on the OVW website. The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2021 to do similar work. Provide this information in a table using the sample format found on the OVW website. Both tables, if applicable, should be uploaded as attachments in JustGrants.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements
Applicants must read and acknowledge these DOJ certifications in JustGrants.

How to Apply
Applications must be submitted electronically via Grants.gov and JustGrants. Applicants that are unable to submit electronically must follow the instructions below under OVW Policy on Late Submissions. See Submission Dates and Times below for a list of steps for registering with all required systems and deadlines for completing each step.

Unique Entity Identifier and System for Award Management (SAM)
Federal regulations require that an applicant for federal funding: (1) be registered in SAM before submitting its application; (2) provide a valid unique entity identifier in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. In addition, OVW may not make an award to an applicant until the applicant has complied with all applicable unique entity identifier and SAM requirements and, if an applicant has not fully complied with these requirements by the time OVW is ready to
make an award, then OVW may determine that the applicant is not qualified to receive an award. See 2 C.F.R. §§ 25.200, 25.205.

The unique entity identifier that applicants for federal grants and cooperative agreements are required to have is a Data Universal Number System (DUNS) number. A DUNS number is a unique, nine-character identification number provided by the commercial company Dun & Bradstreet (D&B). Once an applicant has applied for a DUNS number through D&B, its DUNS number should be available within two business days.

SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. Grants.gov uses SAM to establish roles and IDs for electronic submission of grant applications.

If the applicant already has an Employer Identification Number (EIN), the SAM registration will take up to two weeks to process. If the applicant does not have an EIN, then the applicant should allow two to five weeks for obtaining an EIN from the Internal Revenue Service. There is no fee associated with these processes. These processes cannot be expedited. OVW strongly discourages applicants from paying a third party to apply or register on their behalf in an attempt to expedite these processes. To ensure all applicants are able to apply by the deadline for this solicitation, applicants must have obtained a DUNS number and registered online with the SAM and with Grants.gov no later than March 9, 2021.

**Submission Dates and Time**

After applicants obtain their DUNS number and register with SAM, they can begin the Grants.gov registration process. The applying organization must complete the Grants.gov registration process prior to beginning an application for a federal grant. The E-Business Point of Contact (E-Biz POC) must register the applicant organization with Grants.gov. The E-Biz POC oversees the applicant’s Grants.gov transactions and assigns the Authorized Organization Representative (AOR). The AOR submits the SF-424 and SF-LLL to Grants.gov and must register with Grants.gov as well. In some cases the E-Biz POC is also the AOR for the applicant. Complete instructions can be found on the [Grants.gov website](https://www.grants.gov).

In JustGrants, each applying entity will have an assigned Entity Administrator who is responsible for managing entity-level information and assigning roles in the system. The Entity Administrator is also the E-Biz POC designated in SAM.gov. See the [JustGrants website](https://www.justgrants.gov) for more information on registering with JustGrants.

It is the applicant’s responsibility to ensure that the application is complete and submitted by the deadline. Failure to meet the submission deadline will result in an application not being considered for funding. Applicants should refer to the list below to ensure that all required steps and deadlines are met.

**Failure to begin registration or application submission by the deadlines stated in the list below is not an acceptable reason for late submission.**
Applicant Actions with Required Dates/Deadlines

1. **Obtain a DUNS number by March 1, 2021.** Apply for a DUNS number at [https://www.dnb.com](https://www.dnb.com) or call 1-866-705-5711.

2. **Register with SAM by March 1, 2021.** Access the SAM online registration through the [SAM homepage](#) and follow the online instructions for new SAM users. Organizations must update or renew their SAM registration at least once a year to maintain an active status.

3. **Register with Grants.gov by March 9, 2021.** Once the SAM registration is active, the applicant will be able to complete the Grants.gov registration.

4. **Submit Letter of Intent by February 18, 2021** to the CYEM POC at ovw.consolyouth@usdoj.gov and 202-514-0390.

5. **If necessary, request hardcopy submission by March 9, 2021.** Applicants that cannot submit an application electronically due to lack of internet access must contact the program at 202-514-0390 or ovw.consolyouth@usdoj.gov to request permission to submit a hardcopy application.

6. **Download updated version of Adobe Acrobat at least 48 hours before the Grants.gov deadline.** Applicants are responsible for ensuring that the most up-to-date version of Adobe Acrobat is installed on all computers that may be used to download the solicitation and to submit the SF-424 and SF-LLL on Grants.gov. Go to the [Adobe Software Compatibility](#) page to verify that the Adobe software version is compatible with Grants.gov.

7. **Submit the SF-424 and SF-LLL in Grants.gov as early as possible, but no later than 24 – 48 hours prior to the Grants.gov deadline.** Applicants may find this funding opportunity on Grants.gov by using the CFDA number, Grants.gov opportunity number, or the title of this solicitation, all of which can be found on the cover page. Applicants will receive two notices from Grants.gov, one confirming receipt and another stating whether the forms were validated and successfully submitted or rejected due to errors. Submitting the SF-424 and SF-LLL well ahead of the Grants.gov deadline provides time to correct any rejections.

8. **Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline.** Within 24 hours of JustGrants receiving the SF-424 and SF-LLL from Grants.gov, the applicant will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant’s Authorized Representative(s) before an application can be submitted. More information on JustGrants roles is available on the [JustGrants website](#).

9. **Submit the complete application package at least 24 – 48 hours prior to the JustGrants deadline.** Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application.
as needed prior to hitting the Submit button at the end of the application in JustGrants. The Application Submitter, Entity Administrator, and Authorized Representative(s) will receive an email from JustGrants confirming submission of the application.

10. **Confirm application receipt:** Applicants should closely monitor their email and JustGrants accounts for any notifications from Grants.gov or JustGrants about a possible failed submission. The user who is authorized to submit applications on behalf of the organization is the one who will receive these notifications. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the applicant’s responsibility to notify OVW of any problems with the application submission process. **Submitting the application components at least 48 hours before each deadline (Grants.gov or JustGrants, as applicable) will enable the applicant to receive notice of a failed submission and provide an opportunity to correct the error before the applicable deadline.**

**OVW Policy on Late Submissions/Other Submission Requirements**

Applications submitted after **11:59 p.m. E.T. on March 23, 2021** will not be considered for funding, unless the applicant receives OVW permission to submit a late application. In limited circumstances, OVW will approve a request to submit an application after the deadline. The lists below provide a description of the circumstances under which OVW will consider such requests. Approval of a late submission request is not an indication of the application’s final disposition. Applications approved for late submission are still subject to the review process and criteria described in this solicitation.

To ensure fairness for all applicants, OVW requires that applicants requesting late submission adhere to the following:

**Experiencing Technical Difficulties Beyond the Applicant’s Reasonable Control**

**Issue with SAM, Grants.gov, or JustGrants Registration**

1. Register and/or confirm existing registration at least three weeks prior to the application deadline to ensure that the individual who will be submitting the application has SAM, Grants.gov, and JustGrants access and is the person registered to submit on behalf of the applicant.

2. Maintain documentation of when registration began, any issues related to registration, and all communication with technical support.

**Note:** Failure to begin the SAM, Grants.gov, or JustGrants registration process in sufficient time (i.e., by the date identified in this solicitation) is not an acceptable reason for late submission.

**Unforeseeable Technical Difficulties During the Submission Process**

1. Contact Grants.gov or JustGrants, as applicable, for Applicant/User Support at least 24 hours prior to the applicable deadline.
2. Maintain documentation of all communication with Grants.gov or JustGrants Applicant/User Support.

3. Prior to the applicable deadline, contact this program, via email at ovw.consolyouth@usdoj.gov indicating that the applicant is experiencing technical difficulties and would like permission to submit a late application. The email must include the following: a) a detailed description of the difficulty that the applicant is experiencing, b) the contact information (name, telephone, and email) for the individual making the late submission request, and c) in the case of JustGrants technical difficulties, the complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU, Proposal Abstract, and Information Requested with Application).

4. Within 24 hours after the applicable deadline, the applicant must email this program at ovw.consolyouth@usdoj.gov the following information: a) applicant's DUNS number, b) Grants.gov or JustGrants Applicant/User Support tracking numbers, and c) other relevant documentation.

Common foreseeable technical difficulties for which OVW will not approve a late submission: (1) Using an outdated version of Adobe Acrobat; and (2) Attachment rejection (Grants.gov will reject attachments with names that contain certain unallowable characters).

Note: Through Grants.gov or JustGrants, OVW can confirm when submission began. Applicants that attempt final submission less than 24 hours before the deadline will not be considered for late submission. By beginning the final submission process 24-48 hours before the deadline, applicants should have sufficient time to receive notice of problems with their submissions and make necessary corrections.

Severe Inclement Weather or Natural or Man-Made Disaster

1. Contact this program at ovw.consolyouth@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners’ ability to submit the application by the deadline (e.g., without power for “x” days, office closed for “x” days). If the application is complete and ready for the submission at the time the applicant notifies OVW, the application should be included with the email.

2. Applicants impacted by severe weather or a natural or man-made disaster occurring on the deadline must contact OVW within 48 hours after the due date or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted
Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element must be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the CY Program, scoring will be as follows:

1. Proposal Abstract: (5) points;
2. Data Requested with Application: (5) points;
3. Proposal narrative: (55) points, of which:
   A. Purpose of the proposal: (10) points.
   B. What will be done: (30) points.
   C. Who will implement the proposal: (15) points.
4. Budget worksheet and budget narrative: (15) points.
5. MOU: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program’s scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 50 points).
2. Out-of-scope and unallowable activities (deduct up to 50 points).
3. Past performance (deduct up to 50 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. An applicant with considerable past performance issues may receive a deduction in points as described above or be removed from consideration entirely regardless of the application’s peer review score.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Demonstrated effectiveness of the current project indicated by timely progress toward meeting project goals and objectives.
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas.
3. Adherence to all special conditions of existing grant award(s) from OVW.
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports.
5. Completion of close-out of prior awards in a timely manner.
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award.
7. Receipt of financial clearances on all current or recent grants from OVW.
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit.
9. Adherence to the Office of Management and Budget single-audit requirement.
10. Timely expenditure of grant funds.
11. Adherence to the requirements of the DOJ Financial Guide.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM (currently the Federal Award Performance and Integrity Information System or FAPIIS). Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant’s comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award
decisions are final and not subject to appeal.

High-Risk Grantees
Based on DOJ’s assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated “high-risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates
It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2021.

Federal Award Administration Information
Federal Award Notices
Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). This award notification will include instructions on enrolling in Automated Standard Application for Payments (ASAP) and accepting the award. Recipients will be required to log into JustGrants to review, sign, and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements
Information for All Federal Award Recipients
Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the Solicitation Companion Guide entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available on the OVW website. These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision
The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived
race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility
Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons with limited English proficiency have meaningful access to recipients’ programs and activities and that these programs and activities are readily accessible to individuals with disabilities. More information on these obligations is available in the Solicitation Companion Guide under “Civil Rights Compliance.”

General Information about Post-Federal Award Reporting Requirements
OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS, see the Solicitation Companion Guide and the award condition on recipient integrity and performance matters available on the OVW website.

Other Information

Public Reporting Burden- Paper Work Reduction Act Notice
Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist
Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant’s responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
