Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

34 U.S.C. 12464

About this OVW program

This program is authorized by 34 U.S.C. § 12464. The Grants to Support Families in the Justice System Program (referred to as the Justice for Families Program) (CFDA # 16.021) was authorized in the Violence Against Women Reauthorization Act of 2013 (VAWA 2013) to improve the response of the civil and criminal justice system to families with a history of domestic violence, dating violence, sexual assault, and stalking, or in cases involving allegations of child sexual abuse. The program supports the following activities for improving the capacity of courts and communities to respond to families affected by the targeted crimes: court-based and court-related programs; supervised visitation and safe exchange by and between parents; training for people who work with families in the court system; civil legal services; and the provision of resources in juvenile court matters. For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. § 12464, funds under this program must be used for one or more of the six purposes discussed below. Although the statute contains eight distinct purpose areas, OVW is limiting applicants to addressing only purpose areas 1, 3, 4, 5, 6, and 8. OVW is interested in funding projects that take a coordinated approach to helping families victimized by domestic violence, dating violence, sexual assault, and stalking as they

specialized courts, consolidated courts, dockets, intake centers, or interpreter services); b) community-based initiatives within the court system (such as court watch programs, victim assistants, pro se victim assistance programs, or community-based supplementary services); c) offender management, monitoring, and accountability programs; d) safe and confidential information-storage and information-sharing databases within and between court systems; e) education and outreach programs to improve community access, including enhanced access for underserved populations; and f) other projects likely to improve court responses to domestic violence, dating violence, sexual assault, and stalking. For a standard project, applicants proposing activities under purpose area 5 are not required to propose activities under any other purpose area. (However, OVW will not consider applications that only propose pro se victim assistance programs (purpose area 5 (b)) or only propose education and outreach programs (purpose area 5(e)). **Applicants may apply to implement additional purpose areas if they choose. For a comprehensive project, purpose area 5 must be included.**

(Purpose Area 6) Civil legal assistance: Provide civil legal assistance and advocacy services, including legal information and resources in cases in which the victim proceeds pro se, to:

- a. victims of domestic violence; and
 - b. nonoffending parents in matters:
 - i. that involve allegations of child sexual abuse;
 - ii. that relate to family matters, including civil protection orders, custody, and divorce;
- and
- iii. in which the other parent is represented by counsel.

Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5 for a standard project. This purpose area must be included in a comprehensive project. In addition, a project in which the primary focus is on providing civil legal assistance is not appropriate for the Justice for Families Program and will be removed from consideration. At least 50% of all proposed activities and budget items in the application must be targeted toward activities other than civil legal services. All costs supporting civil legal services, including indirect costs and pro se victim assistance programs that provide civil legal assistance proposed under purpose area 5(b), will be counted toward this cap on civil legal assistance.

(Purpose Area 8) Training within the civil justice system: Improve training and education to assist judges, judicial personnel, attorneys, child welfare personnel, and legal advocates in the civil justice system. **Applicants proposing activities under this purpose area must also propose activities under purpose area 1 and/or 5.**

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority areas identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applications proposing activities in the following areas will be given special consideration.

1. Advance racial equity as an essential component of ending sexual assault, domestic violence, dating violence, and stalking. *To receive special consideration under this priority area, applicants must either be a culturally specific, community-based organization or tribal organization or formally partner with a culturally specific, community-based organization or tribal organization as a meaningful part of their project narrative, Memorandum of Understanding/Letter of Commitment, and in the budget. Applicants addressing this priority area are required to provide documentation, such as a mission statement, to prove they are or the project partner is a culturally specific, community-based organization or tribal organization.*
2. Increase access to justice for all survivors of sexual assault, domestic violence, dating violence, and stalking, including through exploration of survivor-centered criminal justice system reform. *To receive special consideration under this priority area, applicants must address purpose area 5(a) by developing a voluntary, safe settlement process for child-related relief, such as parenting plans that account for survivor safety, in their project activities. Grantees implementing activities addressing this priority area will be required to engage in a planning period, in collaboration with OVW and the JFF technical assistance providers, prior to implementing the safe settlement process. Applicants addressing this priority area should refer to ["Defining Child-Related Relief in Civil Protection Orders to Enhance Safety,"](#) a document developed through the OVW Family Court Enhancement Project.*
3. Improve outreach, services, civil and criminal justice responses, prevention, and support for survivors of sexual assault, domestic violence, dating violence, and stalking from underserved communities, particularly LGBTQ and immigrant communities. *To receive special consideration under this priority area, applicants must include project activities that advance meaningful language access beyond simply hiring a bilingual staff person or having materials translated.*

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or

contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope.

Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the Solicitation Companion Guide.

2. Mediation requiring offenders and victims being physically present in the same place, in cases where domestic violence, dating violence, sexual assault, or stalking is an issue.
3. Parent education programs.
4. Individual, group, and family counseling.
5. Telephonic and/or virtual monitoring of supervised visitation. (OVW will grant temporary exceptions to grantees experiencing extreme impediments, such as the COVID-19 pandemic or a natural disaster, to in-person supervised visitation.)
6. Supervised visitation and exchange services unrelated to domestic violence, dating violence, child sexual abuse, sexual assault, or stalking.
7. Legal representation in child protection cases, except for cases in which the legal services are provided to a victim of domestic violence and the proceedings relate to or arise out of the abuse or violence committed against the victim.
8. Legal representation in child sexual abuse cases, except for cases in which the legal services are provided to nonoffending parents and relate to family matters, including civil protection orders, custody, and divorce, and in which the other parent is represented by counsel.
9. Criminal defense of victims charged with crimes, except for representation in post-conviction relief proceedings with respect to the conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, or stalking.
10. Support of law reform initiatives, including, but not limited to, impact litigation.
11. Direct victim assistance such as emergency housing and transportation not directly related to accessing supervised visitation or legal assistance services.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to two percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Grantees may not fund civil legal services and pro se victim assistance programs that exceed 50% of the total project costs and activities.

Activities Requiring Prior Approval

Activities listed below will require prior approval in order to be supported by grant funds (see the [Solicitation Companion Guide](#) for more information on relevant requirements).

1. Surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act.
2. Renovations, including such minor things as painting, carpeting, or installing lighting. In addition to obtaining prior approval, recipients must follow all necessary steps to ensure that funded renovations are in compliance with the National Environmental Policy Act (NEPA) and related laws, which may be time consuming and may include public notice and consultation.

Data Requested with Application

All applicants must complete and submit, as an attachment, the Pre-Award Risk Assessment and the Summary Data Sheet in JustGrants. These documents are not scored.

Pre-Award Risk Assessment

Each applicant must respond to each question. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire. This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer

of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the name(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **15** points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Budgets should cover a project period of 36 months starting October 1, 2023 and ending on September 30, 2026. Budget requests should not exceed \$600,000 for standard projects and \$700,000 for comprehensive projects.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU/LOC. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin. See Accessibility under the

Federal Award Administration Information section of this solicitation for more information. *If addressing priority area 3, "Underserved communities," provide funds to address the language needs identified in the project narrative.*

4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
5. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities.
6. Include funds to attend OVW-sponsored TTA in the amount of \$15,000 for standard projects and \$20,000 for comprehensive projects for applicants located in the 48 contiguous states and \$20,000 for standard projects and \$25,000 for comprehensive projects for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
7. If addressing priority area 2, "Access to justice," include at least a 12-month planning period for activities related to a voluntary, safe settlement process for child-related relief in civil protection orders.
8. Applicants that propose to fund civil legal services and pro se victim assistance programs must not submit proposed budgets where those costs exceed 50% of the total project costs and activities.
9. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying except with explicit statutory authorization.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting) without prior approval by OVW.
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference.

Recipients must receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from

OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Supporting Documents

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities among two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU and/or Letter of Commitment (LOC) documents are worth a total of **20** points. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the [OVW website](#).

Applicants must have formal partnerships, delineated in the MOU (or LOC) with both 1) a nonprofit, nongovernmental, or tribal domestic violence and/or sexual assault victim service

provider and 2) a court (as outlined in the "Required Partnerships" section under Eligibility Information).

If addressing priority area 1, "Advance racial equity," a culturally specific, community-based organization or tribal organization must be a formal partner delineated in the MOU (or LOC).

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section. *If addressing priority area 3, "Underserved communities," demonstrate how the proposed partnership can address the language needs identified in the Purpose of the Proposal section.*
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Demonstrate meaningful collaboration with a state, tribal, or local court system and a nonprofit, nongovernmental or tribal domestic violence and/or sexual assault victim service provider.
6. Demonstrate a meaningful partnership among all signing parties.
7. Specify the extent of each partner's participation in developing the application.
8. Identify the individuals who will be responsible for developing and implementing project activities and describe how they will work together.
9. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training).
10. Demonstrate that the project has commitments from entities that will receive training if the applicant proposes training under purpose area 3 or 8 (training for court-based, court-related personnel or those within the civil justice system).

If a court is unable to sign an MOU, the court may submit a letter of commitment (LOC) in lieu of signing the MOU as described below:

- If the court is the lead applicant and unable to sign an MOU, all project partners should submit LOCs and no MOU is required.
- If the court is a project partner and unable to sign an MOU, the lead applicant should still submit an MOU signed by the applicant and any other non-court partners and the court partner should submit an LOC.
- If the domestic violence and/or sexual assault victim service provider is the lead

applicant and the only project partner is the court, the court should submit an LOC but the lead applicant is not required to submit an MOU or LOC.

The LOC must clearly:

1. Identify the name of the organization and provide a brief description of the collaborative relationship with the applicant.
2. Highlight the expertise of the individual or organization's staff who will be affiliated with this project.
3. State the roles and responsibilities the organization would assume to ensure the success of the proposed project.
4. Demonstrate how the proposed partnership can address the needs of the traditionally underserved population(s) identified in the Purpose of the Proposal section. *If addressing priority area 3, "Underserved communities," demonstrate how the proposed partnership can address the language needs identified in the Purpose of the Proposal section.*
5. Demonstrate a commitment to work with the applicant and its partners to achieve the stated project goals.
6. State that the organization has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for its work under the grant or is agreeing to be partially compensated or receive no compensation from the grant (not applicable to courts submitting LOC as lead applicant).
7. Specify the extent of the organization's participation in developing the application.
8. Describe the resources that would be contributed to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training).
9. Describe the collaboration, activities, and/or resources the partner(s) will contribute to addressing the identified traditionally underserved population(s).
10. Demonstrate that the project has commitments from entities that will receive training if the applicant proposes training under purpose area 3 or 8 (training for court-based, court-related personnel or those within the civil justice system).

Note: LOCs submitted in lieu of an MOU under circumstances other than those defined above will not be accepted.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to supply this information may result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Support

Letters of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Applicants, an entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501 (c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501 (a) of the Code. All such applicants are required to attach a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Disclosure and Assurances

Review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

All applicants must complete and submit the *Disclosure of Lobbying Activities* (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the [OVW website](#). The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 to do similar work. Provide this information in a table using the sample format found on the [OVW website](#). Both tables, if applicable, should be uploaded as attachments in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the “OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by January 23, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is 3 days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov). To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at OVW.JFF@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.JFF@usdoj.gov
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at OVW.JFF@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU/LOC) and all documentation supporting the technical difficulty to this program at OVW.JFF@usdoj.gov by **9:00 p.m. E.T. on February 16, 2023**.

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.
4. Contact this program, via email at OVW.JFF@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on February 16, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:
 - A detailed description of the technical difficulty the applicant is experiencing.
 - The contact information (name, telephone, and email) for the individual making the request.
 - The applicant's UEI number.
 - JustGrants application numbers and User Support tracking numbers.
 - The complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU/LOC).

It is not guaranteed that applications submitted via email will be considered for funding,

even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on February 16, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.JFF@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Justice for Families Program, scoring will be as follows:

1. Proposal narrative: 65 points, of which:

- A. Purpose of the proposal: 10 points.
 - B. What will be done: 45 points.
 - C. Who will implement the proposal: 10 points.
2. Budget worksheet and budget narrative: 15 points.
 3. MOU/LOC: 20 points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, [external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise on issues such as, tribal communities, colleges and universities, rural areas, urban areas, disabled and elderly populations, and service provisions to victims, including those provided by the faith community, as they relate to violence against women. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. Because it is our goal to have applications reviewed by individuals with up-to-date, and on-the-ground knowledge of violence against women issues, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 10 points).
2. Out-of-scope and unallowable activities (deduct up to 10 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).
5. Activities and budget items targeted toward civil legal services exceeding the 50% limitation described under Purpose Area 6 (deduct up to 10 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in**

performance, a grantee may be designated “high-risk.” Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled “Post-Award Requirements for All Federal Award Recipients.”

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under “Civil Rights Compliance.”

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who

are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Other Information

Public Reporting Burden-Paper Work Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Note: Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
