Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

34 U.S.C. 20122

About this OVW program

This program is authorized by 34 U.S.C. § 20122. The goal of the Disability Grant Program (CFDA# 16.529) is to create sustainable change within and between organizations that improves the response to individuals with disabilities and Deaf individuals who are victims of domestic violence, dating violence, sexual assault, and stalking, and to hold perpetrators of such crimes accountable. Specifically, the purpose of the program is to provide training, consultation, and information on domestic violence, dating violence, stalking, sexual assault, and abuse by caregivers against individuals with disabilities and Deaf people and to enhance direct services to such individuals. Disability Grant Program funds are used to establish and strengthen multidisciplinary collaborative relationships; increase organizational capacity to provide accessible, safe, and effective services to individuals with disabilities and Deaf individuals who are victims of violence and abuse; identify needs within the grantee's organization and/or service area; and develop a plan to address those identified needs that builds a strong foundation for future work. For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

What's New About this OVW Program

- The Violence Against Women Act Reauthorization Act of 2022 revised the definition of victim services to include legal services. Applicants may now request grant funds to provide legal services if appropriate. New grantees may plan for providing accessible legal services if it fits with the collaborative team composition and services they offer. Legal services will be allowed for continuation grantees, but a project cannot focus solely on direct legal services. Additionally, such services must be linked to the activities identified in the strategic plan developed from the initial, or

subsequent, Disability Grant Program award(s).

- VAWA 2022 also expanded the scope of the program to include “caregiver abuse.” Applicants may now propose to address this form of abuse.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

Pursuant to 34 U.S.C. § 20122(b), funds under this program must be used for one or more of the following purposes:

1. To provide personnel, training, technical assistance, advocacy, intervention, risk reduction (including using evidence-based indicators to assess the risk of domestic and dating violence homicide) and prevention of domestic violence, dating violence, sexual assault, and stalking against individuals with disabilities and Deaf people.
2. To conduct outreach activities to ensure that individuals with disabilities and Deaf people who are victims of domestic violence, dating violence, sexual assault, or stalking receive appropriate assistance.
3. To conduct cross-training for victim service organizations, governmental agencies, courts, law enforcement and other first responders, and nonprofit, nongovernmental organizations serving individuals with disabilities about risk reduction, intervention, prevention and the nature of domestic violence, dating violence, sexual assault, and stalking for individuals with disabilities and Deaf people.
4. To provide technical assistance to assist with modifications to existing policies, protocols, and procedures to ensure equal access to the services, programs, and activities of victim service providers for individuals with disabilities and Deaf people.
5. To provide training and technical assistance on the requirements of shelters and victim service providers under Federal anti-discrimination laws, including the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.) and section 794 of Title 29 (Section 504 of the Rehabilitation Act of 1973).
6. To modify facilities, purchase equipment, and provide personnel so that shelters and victim service organizations can accommodate the needs of individuals with disabilities and Deaf people;
7. To provide advocacy and intervention services for individuals with disabilities and Deaf people who are victims of domestic violence, dating violence, stalking, or sexual assault.
8. To develop model programs to enhance the capacity of organizations serving individuals with disabilities and Deaf people who are victims of domestic violence, dating violence, sexual assault, or stalking.

Note: Grantees that modify facilities under purpose area 6 will be required to work with OVW to meet the requirements of relevant laws such as the National Environmental Policy Act and the National Historic Preservation Act.

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area(s) identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address a priority area. Applications proposing activities in the following areas will be given special consideration:

1. Advance racial equity as an essential component of ending sexual assault, domestic violence, dating violence, and stalking. To qualify for special consideration, applications must propose to have a culturally specific organization as a member of the multidisciplinary collaborative team.
2. Strengthen efforts to prevent and end sexual assault, including victim services and civil and criminal justice responses. To qualify for special consideration, applications must propose a sexual assault focus and include a sexual assault service provider as a member of the multidisciplinary collaborative team.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the Solicitation Companion Guide.
2. Public service campaigns.
3. Projects that focus on children.

4. For projects providing legal assistance, criminal defense of victims charged with crimes, except for representation in postconviction relief proceedings with respect to the conviction of a victim relating to or arising from domestic violence, dating violence, sexual assault, or stalking.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to one percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

Activities Requiring Prior Approval

Activities listed below will require prior approval in order to be supported by grant funds (see the [Solicitation Companion Guide](#) for more information on relevant requirements).

1. Surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act.
2. Renovations, including such minor things as painting, carpeting, or installing lighting. In addition to obtaining prior approval, recipients must follow all necessary steps to ensure that funded renovations are in compliance with the National Environmental Policy Act (NEPA) and related laws, which may be time consuming and may include public notice and consultation.

There is no guarantee that funds will be available in the future. OVW may elect to make awards in a future fiscal year for applications submitted under this solicitation but not selected for FY 2023 funding, depending on the merits of the applications and the availability of funding.

Type of Award

Awards will be made as cooperative agreements. Cooperative agreements are a form of award under which OVW expects to have ongoing substantial involvement in award activities. For this program, the substantial involvement includes participating in project meetings, developing and approving final agendas, reviewing and approving faculty, products, and curricula, and identifying participants. Recipients must be willing to work closely with OVW on the implementation of their project and be willing to modify project activities at OVW's request in order to address the needs of grantees and/or emerging issues.

Award Period(s) and Amount(s)

The award period is 36 months for new awards and 24 for continuation awards months. Budgets must reflect 36 or 24 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 or 24 months. OVW anticipates that the award period will start on October 1, 2023.

This program typically makes awards in the range of \$325,000 - \$500,000. OVW estimates that it will make up to 12 awards for an estimated \$5,359,567.

Funding levels under this program for FY 2023 are:

1. New, state-focused \$500,000 for the entire 36 months.
2. New, local-focused or tribal-focused \$425,000 for the entire 36 months.
3. Continuation, state-focused \$400,000 for the entire 24 months.
4. Continuation, local-focused or tribal-focused \$325,000 for the entire 24 months.

OVW has the discretion to make awards for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to making an award.

Types of Applications

In FY 2023, OVW will accept applications for this program from the following:

New: Applicants that have never received funding under this program or whose previous funding under this program expired on or before March 9, 2022.

Continuation: Applicants that have an existing or recently closed (after March 9, 2022) award under this program. If an applicant received an award under this program previously, but it has not been active since March 9, 2022, then the applicant can choose to submit either a new or a continuation application. Continuation funding is not guaranteed.

Organizations that received a "New" award under this program in FY 2021 or 2022 are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2023 proposal. Organizations that received a "Continuation" award under this program in FY 2022 are NOT eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2023 proposal. Likewise, an organization that is a partner/subrecipient on an FY 2022 award is not eligible to apply as the lead applicant or as a partner/subrecipient on an FY 2023 proposal.

Note: Current grantees with a substantial amount of unobligated funds remaining (50 percent or more of the previous award) as of March 31, 2023, without adequate justification may not be considered for funding or may receive a reduced award amount if selected for funding in FY 2023.

Sub-Type: In addition to identifying as a new or continuing applicant, applicants for this program must also identify as one of the sub-types listed below.

1. New, state-focused project.
2. New, local-focused or tribal-focused project.
3. Continuation, state-focused project.
4. Continuation, local-focused or tribal-focused project.

New grantees must work closely with OVW and the OVW-designated TA provider throughout the award. **Project activities during the planning and development phase have been predetermined by OVW. Applicants should not propose activities beyond those listed below.** Therefore, new grantees will not be funded to provide direct services. Additionally, new applicants should not propose preexisting projects or plans. What will be done will be determined through the process outlined below. The purpose of the Disability Program is to create a new project and enhance/develop a new collaboration.

Implementation phase activities will be identified in the strategic plan drafted during the planning and development phase. These activities will directly respond to the needs identified in the planning and development phase. The requirements during the planning

coordinated response to domestic violence, dating violence, stalking, and sexual assault against individuals with disabilities and/or Deaf individuals, and (2) a proposal to engage in a least one Disability Grant Program purpose area other than the provision of direct services.

Decision-Maker Participation

The Executive Director, CFO/CEO, Board of Directors and other decision-makers from all organizations involved with the project must be involved in an active and meaningful manner throughout the life of the project. They should expect to attend meetings and engage in collaborative discussions at various points throughout the project. They should also be prepared to implement systemic changes within their organization to improve services and responses to individuals with disabilities and Deaf individuals who have experienced violence and abuse. This participation must be outlined in the MOU.

Technical Assistance

Various TA opportunities will be offered. Continuation grantees must participate in OVW-sponsored TA.

Both New and Continuation Applicants

Applicants that receive funding under this program will be required to engage in the following activities:

1. Collection and reporting of performance indicators. Forms, instructions, training, and related tools for each OVW program are available on the [VAWA Measuring Effectiveness Initiative](#) webpage.
2. OVW may conduct a program assessment or evaluation necessitating grantee involvement. Therefore, recipients may be expected to dedicate some OVW-funded time and resources to participating in an assessment or evaluation.

applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) must match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and

Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.

9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

The Summary Data Sheet must be uploaded as an attachment in JustGrants and should be one to four pages in length (single or double spaced). The Summary Data Sheet does not count toward the 10 or 15-page limit for the Proposal Narrative. Several of the items below are required for every applicant for OVW funding and therefore may not be obviously relevant or specifically drafted for this program.

Applicants should provide the most accurate answers. Responses to these items alone will not result in removal from consideration or determine eligibility for any funding priorities described in the solicitation for this program. Provide the following information:

For additional information about the safe-harbor procedure, see Disclosure of Process Related to Executive Compensation in the Budget and Associated Documentation section of this solicitation. **Note: Applicants that use the safe-harbor procedure must upload the required Disclosure of Process Related to Executive Compensation in the Budget/Financial Attachments section of JustGrants.**

9. Statement as to whether the applicant is a sexual assault victim service provider (defined as a victim service provider for which the primary purpose of the organization is to provide intervention and related assistance to victims of sexual assault without regard to their age).
10. Statement as to whether the application proposes to focus on a rural community or area (as defined by 34 U.S.C. 12291(a)(32)).

14. Statement as to whether any proposed project partner(s)/subrecipient(s) on this application is also a recipient, or partner/subrecipient, on a current grant or another pending application for this grant program. If yes, the applicant is required to provide

Proposal Narrative

Proposal Narrative for New Applicants

The Proposal Narrative may not exceed 10 pages, double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the two sections below. The total point value for the proposal narrative section is **70 points**. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal (40 points)

As stated in the Mandatory Program Requirements section of this solicitation, new grantees are required to engage in an intensive, structured process that includes a planning and development phase prior to an implementation phase. **Project activities during the planning and development phase have been predetermined by OVW.** Therefore, this project must focus on developing a collaboration and **will not fund direct services. Additionally, preexisting projects or ideas will not be funded under this program.** The purpose of the Disability Program is to create a new project and enhance/develop a new collaboration.

This section must:

1. Identify whether the application proposes a state, local, or tribal project.
2. Identify the type of disability the project will address.
3. Detail why funding is needed to support this collaborative project to address domestic violence, dating violence, sexual assault, and stalking against individuals with disabilities and Deaf individuals in the community or state.

Who Will Implement the Proposal (30 points)

As stated in About this OVW Program section of this solicitation, the goal of the Disability Grant Program is to create sustainable change within and between organizations that improves the response to individuals with disabilities and Deaf individuals who are victims of domestic violence, dating violence, sexual assault, and stalking. This is achieved, in part, by establishing and strengthening multidisciplinary collaborative relationships. Therefore, the individual and organizations involved should demonstrate a commitment to one another and to the project. This section must provide a clear link to the rationale provided in the Purpose of the Proposal section.

This section must:

1. Identify each multidisciplinary collaborative team member organization.
2. Describe why each organization was selected to serve on the multidisciplinary collaborative team.
3. Demonstrate that the multidisciplinary collaborative team is committed to adhering to the structure of the Disability Grant Program (participation in a planning and developing phase, implementing a strategic plan, and a commitment to the multidisciplinary collaborative team).
4. Demonstrate that the multidisciplinary collaborative team is committed to addressing the need described in the Purpose of the Proposal section.

Proposal Narrative for Continuation Applicants

The Proposal Narrative may not exceed 15 pages, double-spaced, and reviewers will not read beyond this page limit. The Proposal Narrative must include the three sections below. The total point value for the proposal narrative section is **(70 points)**. Applicants must upload the Proposal Narrative as an attachment in JustGrants.

Purpose of the Proposal (20 points)

This section must:

1. Identify whether the application proposes a state, local, or tribal project.
2. Identify the type of disability the project will address.
3. Briefly describe the needs/challenges identified in the strategic plan that were addressed during the previous award(s).
4. List the needs/challenges identified in the strategic plan that were not addressed during the previous award(s).

What Will Be Done (35 points)

This section must provide a clear link to the information provided in the Purpose of the Proposal section. The application must not include any of the activities listed as unallowable costs in the Funding Restrictions section of this solicitation.

This section must:

1. Describe the activities to be implemented. The activities should directly link to the needs/challenges identified in the strategic plan that were not addressed in the previous award(s).
2. Describe anticipated outcomes of the proposed activities.
3. Describe how the proposed project will be inclusive of traditionally underserved populations, such as communities of color, individuals with limited English proficiency, older adults, and LGBTQ+ communities.

Who Will Implement the Proposal (15 points)

This section must:

1. Identify each multidisciplinary collaborative team member, including the organization they are affiliated with, involved in the project. The applicant must identify any new members of the multidisciplinary collaborative team (organization(s) or individual(s)) from previous award.
2. State the roles and responsibilities of each multidisciplinary collaborative team member for the proposed project.
3. Demonstrate that the multidisciplinary collaborative team members have the capacity to implement the proposed activities.

Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **10** points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

1. New, state-focused project: 36 months, \$500,000
2. New, local-focused project or tribal focused: 36 months, \$425,000
3. Continuation, state-focused project: 24 months, \$400,000
4. Continuation, local-focused or tribal-focused project: 24 months, \$325,000

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU. For more information on compensating project partners, see the sample Budget Detail Worksheet on the [OVW website](#).
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are limited in their English proficiency because of their national origin. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to the applicant to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.

5. Include funds to attend OVW-sponsored TTA in the amount of **\$15,000** for applicants located in the 48 contiguous states and **\$20,000** for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 24 or 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
6. Include compensation for individuals with disabilities for participation in the project, such as with the needs assessment or implementation activities.
7. Include costs to support pilot sites (if applicable).
8. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#)

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting), except as allowed under purpose area 6.
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of the conference.

Recipients must receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Note: Budget clearance does not constitute prior approval of food and beverage costs. Recipients must seek approval of these costs through the OVW conference approval process.

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Note: Budget clearance does not constitute prior approval to hold a conference. Recipients must seek approval of these costs through the conference approval process.

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost

rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as

to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Supporting Documents

Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities among two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **20** points. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the OVW website.

The MOU must clearly:

1. Identify the Multidisciplinary Collaborative Team (MCT) members.
2. Provide a brief history of the collaborative relationship among the MCT partners. If this is the first time the MCT members are collaborating, explain that.
3. Describe the roles and responsibilities each Multidisciplinary Collaborative Team member will assume to ensure the success of the proposed project. See: Mandatory

Program Requirements.

4. Detail the resources each Multidisciplinary Collaborative Team member will contribute to the project.
5. Demonstrate the participation of decision-makers from each of the organizations that comprise the Multidisciplinary Collaborative Team.
6. Demonstrate the ability and willingness of each Multidisciplinary Collaborative Team member to engage in organizational capacity building and, if applicable, among their member programs or affiliated groups.
7. State that each Multidisciplinary Collaborative Team member has reviewed the budget, is aware of the total amount being requested, and is being fully compensated for their work under the grant.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to supply this information will result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Proof of 501(c)(3) Status (Nonprofit Organizations Only)

As noted under Eligible Applicants, an entity that is eligible for this program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to attach a determination letter from the Internal Revenue Service recognizing their tax-exempt status. OVW cannot make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Disclosure and Assurances

Review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the [OVW website](#). The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient.

Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 to do similar work. Provide this information in a table using the sample format found on the [OVW website](#). Both tables, if applicable, should be uploaded as attachments in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)

3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the “OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by February 9, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is three days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to

proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov). To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at OVW.Disabilities@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at OVW.Disabilities@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at OVW.Disabilities@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU) and all documentation

supporting the technical difficulty to this program at OVW.Disabilities@usdoj.gov by **9:00 p.m. E.T. on March 9, 2023**.

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.
4. Contact this program, via email at OVW.Disabilities@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on March 9, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:
 - A detailed description of the technical difficulty the applicant is experiencing.
 - The contact information (name, telephone, and email) for the individual making the request.
 - The applicant's UEI number.

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on March 9, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at OVW.Disabilities@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as

soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Disability Program, scoring will be as follows:

1. Proposal narrative: (70) points, of which:

New Applicants

- A. Purpose of the proposal: (40) points.
- B. Who will implement the proposal: (30) points.

Continuation Applicants

- A. Purpose of the proposal: (20) points.
- B. What will be done: (35) points.
- C. Who will implement the proposal: (15) points.

- 2. Budget worksheet and budget narrative: (10) points.
- 3. MOU: (20) points.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers,

[external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with individuals with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by individuals with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 25 points).
2. Out-of-scope and unallowable activities (deduct up to 25 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration entirely regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.

7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.
18. Timely completion of the planning and development phase program specific information.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through SAM.gov. Applicants may review and comment on information about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants

(not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically.

Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
