Program Description

Overview of OVW

OVW is a component of the United States Department of Justice (DOJ). Created in 1995, OVW administers grant programs authorized by the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of domestic violence, dating violence, sexual assault, and stalking. OVW grants support coordinated community responses to hold offenders accountable and serve victims.

Statutory Authority

Any awards under this solicitation will be made under the Consolidated Appropriations Act, 2023 (Public Law No: 117-328).

About this OVW program

This program is authorized by the Consolidated Appropriations Act, 2023 (Public Law No: 117-328). The CY Program solicitation is one of two solicitations issued under the Consolidated Youth and Engaging Men (CYEM) Program (CFDA# 16.888). The other program solicitation is the Grants to Engage Men and Boys as Allies in the Prevention of Violence Against Women and Girls (EM) Program. Applicants interested in developing projects to engage men and boys as allies should submit a proposal under the OVW Fiscal Year (FY) 2023 EM solicitation. Applicants and project partners who apply to both CY and EM grant programs are only eligible to receive one award.

The CY Program supports comprehensive, community-based efforts to develop or expand prevention, intervention, treatment, and response strategies to address the needs of children and youth impacted by domestic violence, dating violence, sexual assault, stalking, and sex trafficking.

For additional information about this program and related performance measures, including how awards contribute to the achievement of program goals and objectives, see:

- OVW grant program information: [OVW Grants and Programs Webpage](#).
- Program performance measures under the Measuring Effectiveness Initiative: [VAWA Measuring Effectiveness Initiative webpage](#).
- Program-specific sections in OVW's [most recent report to Congress](#) on the effectiveness of VAWA grant programs.

What's New About this OVW Program

Culturally-specific organizations such as Urban Indian organizations and Native Hawaiian organizations are highlighted in the list of eligible applicants although these organizations have historically been eligible to apply to the CYEM program.

Program Scope

Activities supported by this program are determined by statute, federal regulations, and

OVW policies. If an applicant receives an award, the funded project is bound by this solicitation, the [DOJ Financial Guide](#), including updates to the financial guide after an award is made, the [Solicitation Companion Guide](#), and the conditions of the award.

Purpose Areas

In FY 2023, applicants may apply for funding under only one of the following purpose areas:

1. Providing services and Training to Address Children Exposed to Domestic Violence, Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 0-10).
2. Creating Safer Communities for Youth: Prevention, Intervention, Treatment, and Response Services for Youth Impacted by Domestic Violence, Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 11-24).
3. Providing School-Based Services: Prevention, Intervention, and Response to Dating Violence, Sexual Assault, Stalking, and Sex Trafficking (within ages 5-19).

OVW Priority Areas

In FY 2023, OVW has five programmatic priorities, of which the priority area(s) identified below are applicable to this program. Applicants are strongly encouraged, but not required, to address one or more priority area. Applications proposing activities in the following areas will be given special consideration during the review process.

1. Advance racial equity as an essential component of ending sexual assault, domestic violence, dating violence, stalking, and sex trafficking. To receive special consideration under this priority area, applicants must partner with and equitably compensate culturally specific, community-based organizations (if the applicant is not a culturally specific, community-based organization) and include project activities that specifically engage, promote, and serve culturally specific communities in the application. To receive special consideration under this priority, applicants must also provide documentation, such as a mission statement, to prove that they meet this requirement and are "by and for" the community they serve or that their culturally specific, community-based organization partner meets this requirement. The partnership(s) and mission statement must be documented in the Memorandum of Understanding (MOU). See Mandatory Program Requirements for further details about implementation of this priority by funded applicants.
2. Expand economic justice and financial advocacy for survivors of sexual assault, domestic violence, dating violence, and stalking, including as a tool for violence prevention. To receive special consideration under this priority area, applicants must include activities that promote and secure economic justice and financial advocacy for survivors and partner with community-based organization(s) (if the lead applicant is not such an organization) that provide wrap-around services to improve the economic and financial statuses of homeless, runaway, foster care, and emancipated youth victims of domestic violence, dating violence, sexual assault, stalking, and sex trafficking, such as: providing assistance with general education development, employment skills, creating and managing a personal and/or household budget, housing assistance, and/or job placement assistance. The

partnership(s) must be documented in the MOU. See Mandatory Program Requirements for further details about implementation of this priority by funded applicants.

3. Improve outreach, services, civil and criminal justice responses, prevention, and support for survivors of sexual assault, domestic violence, dating violence, stalking, and sex trafficking from underserved communities, particularly LGBTQ and immigrant communities. To receive special consideration under this priority area, applicants must partner with and equitably compensate population specific, community-based organizations (if the applicant is not a population specific, community-based organization) and include activities that engage, promote, and serve the underserved community(ies) to be addressed in project activities. To receive special consideration under this priority, applicants must also provide documentation, such as a mission statement, to prove that they meet this requirement and are "by and for" the community they serve or that their population-specific, community-based partner meets this requirement. The partnership(s) and mission statement must be documented in the MOU. See Mandatory Program Requirements for further details about implementation this priority by funded applicants.

The Children and Youth and Engaging Men (CYEM) program is committed to prioritizing training and technical assistance to applicants, particularly those from culturally specific organizations or who represent underserved populations, who propose to address one or more priority area but who do not receive funding in FY 2023.

"Culturally specific" means primarily directed toward racial and ethnic minority groups, defined in section 1707(g) of the Public Health Services Act (42 U.S.C. § 300u-6(g)) as American Indian (including Alaska Natives, Eskimos, and Aleuts), Asian Americans, Native Hawaiians and other Pacific Islanders, Blacks, and Hispanics.

"Population specific organization" means a nonprofit, nongovernmental organization that primarily serves members of a specific underserved population and has demonstrated experience and expertise providing targeted services to members of that underserved population.

Program Specific Priority

Due to the rise in youth experiencing online harm and abuse, including the sharing on non-consensual intimate images and cyberstalking, special consideration will be given to applicants who address online harm and abuse in their proposed activities.

Activities that Compromise Victim Safety and Recovery or Undermine Offender Accountability

OVW does not fund activities that jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions. Applications that propose any such activities may receive a deduction in points during the review process or may be eliminated from consideration. Please note that OVW will

support survivor-centered alternative pathways to justice and non-criminal approaches to accountability that fall within the statutory scope of this program. Information on activities that compromise victim safety and recovery or undermine offender accountability may be found in the [Solicitation Companion Guide](#).

Out-of-Scope Activities

The activities listed below are out of the program scope and will not be supported by this program's funding. See also the list of unallowable costs in the Funding Restrictions section of this solicitation.

1. Research projects. Funds under this program may not be used to conduct research, defined in 28 C.F.R. § 46.102 as a systematic investigation designed to develop or contribute to generalizable knowledge. Surveys and focus groups, depending on their design and purpose, may constitute research and therefore be out-of-scope. Prohibited research does not include assessments conducted for internal improvement purposes only (see Limited Use of Funds below). For information on distinguishing between research and assessments, see the [Solicitation Companion Guide](#).
2. Child Protective Service Investigations: Grant funds may not be used to support child protective service investigations of abuse or neglect.
3. Legal Representation: Grant funds may not be used to provide legal representation except in the limited context of protection order proceedings.
4. Supervised Visitation or Exchange: Grant funds may not be used to support supervised visitation or exchange services.
5. Perpetrator Services: Grant funds may not be used to provide support services for perpetrators of domestic violence, dating violence, sexual assault, or stalking, such as counseling, batterer intervention, or anger management.
6. Sexual Harassment, Bullying, and Hazing: Grant funds may not be used to develop or provide training, products, or policies that focus primarily on sexual harassment, bullying, or hazing.
7. Substance Abuse: Grant funds may not be used to implement prevention programs that focus primarily on alcohol and substance abuse as prevention strategies.
8. Ceremonies, Celebrations, and Entertainment: Grant funds may not be used to support award ceremonies, class graduations and other celebratory events, or the purchase of tickets for entertainment activities such as sporting events, movies, concerts, or museums.
9. Athletics: Grant funds may not be used to support an individual's or group of individuals' participation on athletic teams or events, including full-time salaries for individuals who serve as coaches or leaders of athletic teams.
10. Technical Assistance (TA): Grant funds may not be used for the provision of TA to other entities.
11. Trademarks: Grant funds may not be used to research, apply for, or register trademarks.
12. Service Area: Grant funds may not be used to conduct or support regional or statewide activities or projects.

Applications that propose activities deemed to be substantially out-of-scope may receive a deduction in points during the review process or may be eliminated from consideration.

Limited Use of Funds

Grantees may use up to three percent of grant award funds to assess their work for internal improvement purposes only, such as by convening a listening session to identify service gaps in the community or surveying training participants about the quality of training content and delivery. Applicants considering such assessments must refer to the OVW research decision tree in the [Solicitation Companion Guide](#) to ensure that the activity does not qualify as human subjects research. The Solicitation Companion Guide also provides additional information on federal requirements related to research, assessments, and surveys.

In addition, applicants may designate no more than 10 percent of total funding for supplemental services such as childcare, transportation assistance, clothing, or hygiene products, if applicable and no more than 10 percent of total funding for media purchases such as, billboards, bus/subway advertisements, and/or radio/TV public service announcements.

Although the 2022 reauthorization of VAWA expands the definition of “victim services or services” to include legal assistance, OVW has determined that under the FY 2023 CY solicitation, OVW will not fund legal assistance except in the limited context of protection order proceedings.

Activities Requiring Prior Approval

Recipients must receive prior approval before using grant funds to support surveys, whether conducted as part of a program or needs assessment, or for any other purpose. Prior approval is necessary to determine whether the activity is within the scope of the award and meets the requirements of the Paperwork Reduction Act (see the [Solicitation Companion Guide](#) for more information).

5. Provision of crisis intervention for children, youth, and community members at all educational, outreach, and training events not specifically targeted to first responders or allied professionals.
6. A planning phase prior to project implementation. The planning phase is generally six months for new grantees and three months for continuation grantees. To complete the required planning activities, recipients will have access to \$75,000 of the total award funding during this period.

If no policies exist, the policies must be developed and submitted to OVW for approval.

A sample MOU can be found on the OVW website: [Sample Memorandum of Understanding](#).

Information to Complete the Application for Federal Assistance (SF-424)

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 in Grants.gov. The SF-424 is generated when the applicant begins the submission process in Grants.gov. For Type of Applicant (box 9), do not select "Other". The amount of federal funding requested in the "Estimated Funding" section of this form (box 18a) must match the amount of federal funding requested in the budget of the application. This program does not require a match; therefore, the value for the Applicant line (box 18b) should be zero. The individual who is listed as "**Authorized Representative**" (box 21) must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Intergovernmental Review (SF-424 Question 19): This solicitation ("funding opportunity") is subject to Executive Order (E.O.) 12372, Intergovernmental Review of Federal Programs. Applicants must check the Office of Management and Budget's website for the names and addresses of state [Single Points of Contact](#) (SPOC) under Intergovernmental Review. If the applicant's state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state's process under E.O. 12372. In completing the SF-424, such an applicant is to make the appropriate selection in response to question 19 once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the following response: "Program is subject to E.O. 12372 but has not been selected by the state for review."

Disclosure of Lobbying Activities (SF-LLL)

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov. Applicants that expend any funds for lobbying activities must provide the information requested on the SF-LLL. **Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.**

Standard Applicant Information (JustGrants 424 and General Agency Information)

This section in the JustGrants application is pre-populated with the SF-424 data submitted in Grants.gov. Applicants are required to review the Standard Applicant Information and make edits as needed, confirm the Authorized Representative, verify the legal name and address, and enter the ZIP code(s) for the areas affected by the project.

Proposal Abstract

The Proposal Abstract must provide a short summary (no more than two pages double-spaced) of the proposed project, including names of applicant and partners, project title, purpose of the project (including goal and intended outcome), primary activities for which funds are requested, who will benefit (including geographic area to be served), products and deliverables, and how the applicant will measure progress in completing project goals and objectives. Applicants must not summarize past accomplishments in this section. The Proposal Abstract, which is to be entered into a text box in JustGrants, will not be scored but is used throughout the review process.

Data Requested with Application

All applicants must complete and submit, as an attachment, the Pre-Award Risk Assessment and the Summary Data Sheet in JustGrants. These documents are not scored.

Pre-Award Risk Assessment

Each applicant must respond to each question. Do not submit responses from a prior fiscal year without updating them to be responsive to all questions listed in the questionnaire. This information will be used for a mandatory pre-award risk assessment. Failure to provide

this information or to respond to questions from OVW regarding this information in a timely manner could result in the application being removed from consideration or a delay in access to funds. Provide complete responses that address all questions included for each numbered item.

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Provide a brief description of the applicant's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Provide a brief list of the topics covered in the applicant's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Provide a short summary of the applicant's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Provide a brief description of the applicant's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy and confirm that the policy complies with federal regulations. Information on Record Retention and Access can be found at 2 C.F.R. 200.334-200.338.
7. Does the applicant or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Applicants are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 C.F.R. 200.112 and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 C.F.R. Part 200)? Provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the applicant is notified of its award to coordinate training.
9. Does the applicant have policies and procedures in place to manage subawards and monitor activities of subrecipients as necessary to ensure that subawards are used for authorized purposes, in compliance with laws, regulations, and terms and conditions of the award, and that established subaward performance goals are

- achieved (2 C.F.R. 200.331-200.333)? Provide a brief description of the organization's policies and procedures on subrecipient management and monitoring.
10. Does the applicant currently require employees to maintain time distribution records that accurately reflect the work performed on specific activities or cost objectives in order to support the distribution of employees' salaries among federal awards or other activities (2 C.F.R. 200.430)? Budget estimates do not qualify as support for charges to federal awards. Provide a brief description of the organization's established timekeeping policies and procedures.
 11. Is the applicant designated as high risk by a federal agency outside of DOJ? (High risk includes any status under which a federal awarding agency provides additional oversight due to the applicant entity's past performance, or other programmatic or financial concerns with the applicant entity.) If so, provide the names(s) of the federal awarding agency, the date(s) the agency notified the applicant entity of the high risk designation, contact information for the high risk point of contact at the federal agency, and the reason for the high risk status, as set out by the federal agency.

Summary Data Sheet

The Summary Data Sheet must be uploaded as an attachment in JustGrants and should be one to four pages in length (single or double spaced). The Summary Data Sheet does not count toward the 20-page limit for the Proposal Narrative. Several of the items below are required for every applicant for OVW funding and therefore may not be obviously relevant or specifically drafted for this program. Budget and Associated Documentation

Applicants must submit a detailed budget and budget narrative and must upload the applicable associated documentation as described below under each heading. OVW strongly encourages the use of a spreadsheet (e.g., excel, numbers, etc.) for the budget attachments. The budget worksheet and budget narrative are worth a total of **20** points and will be reviewed separately from the proposal narrative. The associated documentation will not be scored, but failure to include it may result in removal from consideration or a delay in access to funding.

Budget Worksheet and Budget Narrative (attachment)

Attach in JustGrants a detailed budget and budget narrative for all applicable cost

categories. The budget narrative must describe each line item requested in the budget and explain all costs included in the budget, including how the costs of goods and services are determined and how they will fulfill the objectives of the project. See the sample budget and the Creating a Budget webinar available on the [OVW website](#). Keep in mind that budgetary requirements vary among programs. Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location.

Award Period and Amount

Applicants should carefully consider the resources needed to implement the project and present a realistic budget that accurately reflects the costs involved for a 36-month budget. Proposed budgets should not exceed \$500,000 and should address only one Purpose Area.

The budget must:

1. Display a clear link between the specific project activities and the proposed budget items. The budget should not contain items that are not supported by the proposal narrative.
2. Compensate all project partners for their full level of effort, unless otherwise stated in the MOU (e.g., staff assigned to the project, reimbursement for travel, office expenses based on full time employees assigned to the project, staff development opportunities). For more information on compensating project partners, see the sample Budget Detail Worksheet on the OVW website.
3. Include sufficient funds to fully provide language access or describe other resources available to the applicant to ensure meaningful access for persons who are with limited in their English proficiency because of their national origin. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
4. Include sufficient funds to fully provide access for individuals with disabilities or who are Deaf/hard of hearing or describe other resources available to ensure meaningful access for such individuals. See Accessibility under the Federal Award Administration Information section of this solicitation for more information.
5. Compensate survivors and individuals with applicable lived experiences related to the project (such as involvement in the justice system, homelessness, or substance use) who participate as consultants, in an advisory capacity, in focus groups, or in other work activities.
6. Include funds to attend OVW-sponsored TTA in the amount of \$30,000 for applicants located in the 48 contiguous states and \$40,000 for applicants located in the territories, Hawaii, and Alaska. This amount is for the entire 36 months and NOT per year. Applicants also may budget expenses in excess of the required amount if they are aware of relevant non-OVW sponsored conferences or training for which they would like permission to use grant funds to support staff/project partner attendance.
7. Designate no more than ten percent of the total funding for media purchases (billboards, bus/subway advertisements, and/or radio/TV public service announcements, etc.).
8. Include funds to conduct the community strengths and needs assessment and develop the strategic plan/logic model.

9. Distinguish clearly between subawards and contracts in allocating any grant funds to other entities. Pursuant to 2 C.F.R. § 200.331, a subaward is for the purpose of carrying out a portion of the federal award, such as compensating an MOU partner, and a contract is for the purpose of obtaining goods and services for the grantee's own use. The substance of the relationship is more important than the form of the agreement in determining whether the recipient of the pass-through funds is a subrecipient or a contractor. The awarding and monitoring of contracts must follow the recipient's documented procurement procedures, including full and open competition, pursuant to the procurement standards and monitoring requirements in 2 C.F.R. §§ 200.317-200.327 & 200.329. The issuance and monitoring of subawards must meet the requirements of 2 C.F.R. § 200.332, which includes oversight of subrecipient/partner spending and monitoring performance measures and outcomes attributable to grant funds. For more information, see the sample Budget Detail Worksheet and the Solicitation Companion Guide on the [OVW website](#).

OVW awards are governed by the provisions of 2 C.F.R. Part 200 and the [DOJ Financial Guide](#), which include information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. For additional information on allowable and unallowable costs, see the Funding Restrictions section below and the sample budget on the [OVW website](#).

Funding Restrictions

The following information is provided to allow applicants to develop an application and budget consistent with program requirements.

Unallowable Costs

The costs associated with the activities listed below are unallowable and must not be included in applicants' budgets.

1. Lobbying.
2. Fundraising.
3. Purchase of real property.
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting).
5. Construction.

Food and Beverage/Costs for Refreshments and Meals

Food and beverages are generally considered personal expenses for which government funds should not be used. Exceptions may be made for working meals that are necessary to accomplish official business and enhance the cost effectiveness of a conference or where afterschool activities for youth are planned.

Recipients must receive prior approval before using grant funds to provide a working meal and/or refreshments at a meeting, conference, training, or other event. Examples of when OVW might grant such approval include, but are not limited to:

1. The location of the event is not in close proximity to food establishments, despite efforts to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the applicant's budget narrative. For example, applicants proposing activities for youth where snacks would be needed based on time of day, location of activities or for other reasons should include costs and justification in the budget and budget narrative.

For additional information on restrictions on food and beverage expenditures, see [OVW conference cost planning](#).

Conference Planning and Expenditure Limitations

Applicants' budgets must be consistent with all requirements (including specific cost limits and prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training, and other similar events), and costs of attendance at such events. Information on conference planning, minimization of costs, and conference reporting is available at [OVW conference cost planning](#).

Pre-Award Costs

OVW generally does not allow pre-award costs. Costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. See the [DOJ Financial Guide](#) for more information on pre-award costs.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of a negotiated indirect cost rate must have a current, signed, federally approved indirect cost rate agreement and must upload and attach a copy of the agreement to their application in JustGrants. Applicants (other than state, local, and tribal governments that receive more than \$35 million in direct federal funding per year) that do not have a current negotiated (including provisional) rate may elect to charge a de minimis rate of 10% of modified total direct costs, which may be used indefinitely.

Organizations that wish to negotiate an indirect cost rate should contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Applicant Financial Capability Questionnaire (if applicable)

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire and attach it to their application in JustGrants. In addition, applicants may be required to submit their current year's audit report at a later time.

Disclosure of Process Related to Executive Compensation

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees and must upload and attach a document with these disclosures to its application in JustGrants.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfies certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant must state at the time of its application (in the Data Requested with Application section) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable. If the applicant states that it uses the safe-harbor procedure, then it must disclose, in an attachment to its application (to be titled "Disclosure of Process Related to Executive Compensation"), the process it uses to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons"). See 34 U.S.C. § 12291(b)(15)(B)(iii).

At a minimum, the disclosure must describe in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions. For a sample letter, see the OVW website.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. § 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent

documentation.

Following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Supporting Documents

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the allocation of roles and responsibilities among two or more parties, and it must be included as an attachment to the application in JustGrants. The MOU is worth a total of **10** points. The MOU is not a substitute for a subaward agreement, which ensures that subrecipients adhere to the requirements of the award and 2 C.F.R. Part 200 (see 2 C.F.R. § 200.332). Partners receiving funds under the award generally are considered subrecipients because they are carrying out a portion of the federal award.

The MOU must be a single document and must be signed and dated by the Authorized Representative of each proposed partner organization during the development of the application. OVW will accept electronic signatures. MOUs missing signatures may result in a point deduction or removal from consideration, particularly if the MOU is missing the signature of a required partner. If necessary, an MOU can include multiple signature pages so long as each page includes the names and titles of all signatories to the MOU. A sample MOU is available on the OVW website.

The MOU must clearly:

1. Identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship.
2. Describe the roles and responsibilities each partner will assume to ensure the success of the proposed project.
3. If addressing an OVW priority area, demonstrate how the proposed partnership can advance racial equity and/or address the needs of the traditionally underserved population (s) identified in the Purpose of the Proposal section. The MOU must include documentation such as the mission statement of the applicant or the organization required as a partner on an application that seeks to qualify for special consideration, which should include information that the organization represents and is "by and for" the population or underserved community proposed.
4. State that each project partner has reviewed the budget, is aware of the total amount being requested, and is being equitably compensated for their work under the grant or is agreeing to be partially compensated or receive no compensation from the grant.
5. Detail the specific activities for the proposed project and identify the individuals from each partner who will be responsible for implementing project activities and describe how they will work with other project staff.

6. Include the printed name, title, and agency for the applicant and all partners (including required partners) under each signature at the end of the MOU document.

7. If project partners are schools or school districts, the following signatures must be included in the MOU:

- A school district must include the signature of the superintendent/chief executive officer.
- A single school or group of schools must include the signatures of all participating school principals and/or all relevant superintendents/chief executive officers.

8. If the applicant is applying to implement OVW priority area 1 and/or OVW priority area 3, include a description of the mission statement of the partner organization or applicant.

Additional Application Components

The following components will not be scored but must be included with the application. Failure to supply this information will result in the application being removed from consideration. Some components will be generated during the application submission process while others will be uploaded and attached to the application in JustGrants.

Letters of Nonsupplanting

Applicants must attach a letter to OVW's Director, signed by the Authorized Representative, certifying that federal funds will not be used to supplant non-federal funds should a grant award be made. A sample letter is available on the [OVW website](#).

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of VAWA, as amended. Applicants must upload and attach, under Additional Attachments in JustGrants, the completed acknowledgement form available on the [OVW website](#). This form must be signed by the Authorized Representative.

Disclosure and Assurances

Review, complete, and submit all disclosures, assurances, and certifications as described below.

Disclosure of Lobbying Activities

All applicants must complete and submit the Disclosure of Lobbying Activities (SF-LLL) form in Grants.gov before beginning the application process in JustGrants.

DOJ Certified Standard Assurances

Applicants must read and acknowledge the DOJ Certified Standard Assurances in JustGrants.

DOJ Certified Standard Assurances DOJ Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements

Applicants must read and acknowledge these DOJ certifications in JustGrants.

Summary of Other Federal Funding

Applicants must disclose all current and recent OVW awards (if applicable). If the applicant has a current grant or cooperative agreement under any OVW grant program or an award that closed within the 12 months before the date this solicitation closes, the information must be provided in a table using the sample format found on the OVW website. The applicant must also provide the same information regarding any current OVW awards, as well as any pending applications, on which the applicant is a subrecipient. Applicants also must disclose all other federal grant programs from which the applicant currently receives funding or for which it has applied for funding in FY 2023 to do similar work. Provide this information in a table using the sample format found on the OVW website. Both tables, if applicable, should be uploaded as attachments in JustGrants.

Prior to Application Submission

Unique Entity Identifier (UEI) and System for Award Management (SAM)

Entities applying for the first time for federal funding must complete a multi-step registration process. Applicants must register with the systems listed below to successfully submit an application.

1. SAM. Registration with SAM includes receiving a UEI. (**Average registration completion time – 2-3 weeks**)
2. Grants.gov (**Average registration completion time – 1 week**)
3. JustGrants. Registration with SAM and Grants.gov must be completed before an applicant can register with JustGrants. (**Average registration completion time – 3 days**)

Note: registration time frames are estimates. Applicants experiencing registration challenges (including lengthy registration wait times) should refer to the “OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.”

Please see the [Solicitation Companion Guide](#) for additional details regarding SAM, Grants.gov, and JustGrants registration.

Entities that have previously applied for funding from DOJ must ensure their accounts with SAM, Grants.gov, and JustGrants are active and up to date.

It is the responsibility of the applicant to ensure that they are properly registered with SAM, Grants.gov, and JustGrants. OVW strongly encourages all applicants to begin the registration process, or ensure that all accounts are active and up to date, by March 3, 2023. Failure to do so may result in the application being removed from consideration for funding.

Applicants experiencing technical difficulties with SAM should go to https://www.fsd.gov/gsafsd_sp.

Applicants experiencing technical difficulties with Grants.gov should contact support@grants.gov.

Applicants experiencing technical difficulties with JustGrants should contact OVW.JustGrantsSupport@usdoj.gov.

Additionally, applicants experiencing technical difficulties with any of the systems listed above during the registration, account update, or application submission processes should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

How to Apply

Submission Dates and Times

All applications must be submitted electronically first in Grants.gov (SF-424 and SF-LLL) and then in JustGrants. **Applicants must make every effort to submit their application in Grants.gov and JustGrants. Note: the Grants.Gov deadline is four days before the JustGrants application deadline.** If an applicant must submit their application via email due to a technical difficulty, they must do so by the JustGrants application deadline, but **no earlier than 4 hours prior to the JustGrants application deadline.** Applicants experiencing technical difficulties during the application submission process should refer to the OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes section of this solicitation for guidance on how to proceed.

OVW strongly encourages all applicants to begin the application submission process at least 48 hours prior to the Grants.gov application deadline. Failure to do so may result in missing the deadline and therefore not being considered for funding.

OVW will not accept applications after the JustGrants deadline, except for severe inclement weather or natural or man-made disaster. See the OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made

Disaster section of this solicitation.

Submission Information and Other Submission Requirements

Applications will be submitted to OVW in two steps:

Step 1: The applicant must submit by the Grants.gov deadline the required Application for Federal Assistance standard form (SF-424) and the Disclosure of Lobbying Activities form (SF-LLL) in Grants.gov - <https://www.grants.gov/web/grants/forms/sf-424-family.html>.

Step 2: The applicant must then submit the full application, including attachments, in JustGrants at JustGrants.usdoj.gov. To be considered timely, the full application must be submitted in JustGrants by the JustGrants application deadline. OVW encourages applicants to review the [Solicitation Companion Guide](#) and the JustGrants website for more information, resources, and training.

Tip: JustGrants functions better using a PC with Chrome or Edge web browser.

OVW Policy for Applicants Experiencing Technical Difficulties During the Registration and Submission Processes

Technical difficulties are issues that are beyond the applicant's control (e.g., JustGrants login issue, issue with the web-based budget). OVW can confirm when each registration and/or submission action began.

Technical difficulties with SAM or Grants.gov

1. Contact SAM or Grants.gov support as soon as the applicant is aware of a problem.
2. Maintain documentation of when the issue began and all communication with technical support.
3. Notify this program, via email at ovw.consolyouth@usdoj.gov, stating the applicant is experiencing technical difficulties with SAM or Grants.gov. The applicant should provide regular updates to this program via email at ovw.consolyouth@usdoj.gov.
4. If the technical difficulty cannot be resolved before the Grants.gov deadline, the applicant must notify this program via email at ovw.consolyouth@usdoj.gov before the Grants.gov deadline.
5. Once the Grants.gov deadline passes an applicant will not be able to apply in JustGrants. Therefore, the applicant must email the complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU and all documentation supporting the technical difficulty to this program at ovw.consolyouth@usdoj.gov by **9:00 p.m. E.T. on March 28, 2023**.

Technical difficulties while applying in JustGrants

1. Contact the OVW JustGrants Help Desk at OVW.JustGrantsSupport@usdoj.gov prior to the JustGrants deadline.
2. Maintain documentation of all communication with the OVW JustGrants Help Desk.
3. Actively work with the OVW JustGrants Help Desk to attempt to resolve the technical difficulty.

4. Contact this program, via email at ovw.consolyouth@usdoj.gov, prior to the JustGrants deadline (**9:00 p.m. E.T. on March 28, 2023**), indicating the applicant is experiencing technical difficulties with JustGrants and would like permission to submit an application via email. The email must include the following:

- A detailed description of the technical difficulty the applicant is experiencing.
- The contact information (name, telephone, and email) for the individual making the request.
- The applicant's UEI number.
- JustGrants application numbers and User Support tracking numbers.
- The complete application packet (Proposal Narrative, Budget and Budget Narrative, MOU).

It is not guaranteed that applications submitted via email will be considered for funding, even if the email is received before the JustGrants application deadline. OVW will decide and notify applicants of the decision within 30 days of the JustGrants application deadline. Applicants may be asked to coordinate with OVW to submit their application in Grants.gov and JustGrants later.

OVW Policy on Late Submission Request Due to Severe Inclement Weather or Natural or Man-Made Disaster

OVW will only accept applications after **9:00 pm ET on March 28, 2023** in cases of severe inclement weather or natural or man-made disaster. The information below provides the process applicants must follow in such a circumstance.

1. Contact this program at ovw.consolyouth@usdoj.gov as soon as the applicant is aware of severe weather or a natural or man-made disaster that may impede the submission of an application by the deadline. The email should include a detailed description of the weather event or natural or man-made disaster. A detailed description includes when the event occurred, or is likely to occur, the impacted area, and the specific impact on the applicant and/or partners' ability to submit the application by the deadline (e.g., without power for "x" days, office closed for "x" days). If the application is complete and ready for submission at the time the applicant notifies OVW, the application should be included with the email.
2. Applicants impacted by severe weather or a natural or man-made disaster occurring on or around the deadline must contact OVW within 48 hours after the deadline or as soon as communications are restored.

Note: OVW may not be able to accommodate all requests resulting from severe inclement weather or a natural or man-made disaster.

OVW will review the request for late submission and required documents and notify the applicant whether the request has been approved or denied within 30 days of the submitted request.

Application Review Information

Review Criteria

Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response, capacity of the applicant and any partners, and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section regardless if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for CYEM scoring will be as follows:

1. Proposal narrative: 70 points, of which:
 - A. Purpose of the proposal: 10 points.
 - B. What will be done: 40 points.
 - C. Who will implement the proposal: 20 points.
2. Budget worksheet and budget narrative: 20 points.
3. MOU: 10 points.
4. The geographic diversity of applicants and the coverage of the purpose areas and priority areas addressed by applicants may be taken into account in determining funding decisions.

Voluntary match or other cost sharing methods will not be considered in the evaluation of the application.

Review and Selection Process

Applications will be subject to a peer review and a programmatic review.

Peer Review

OVW will subject all eligible, complete, and timely applications to a peer review process that is based on the criteria outlined in this solicitation. OVW may use internal reviewers, [external reviewers](#), or a combination of both.

OVW Peer reviewers may include victim advocates, judges, prosecutors, police officers, legal professionals, and others with expertise in areas such as tribal communities, colleges and universities, rural areas, urban areas, working with individuals with disabilities or older adults, and providing services to victims, including transitional housing and services provided by culturally specific organizations and the faith community. While some peer reviewers are expert consultants on violence against women issues, the vast majority of peer reviewers are active practitioners or recent retirees from the professions mentioned above. To ensure that applications are reviewed by individuals with on-the-ground experience responding to sexual assault, domestic violence, dating violence, or stalking, OVW does not use professional peer reviewers.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety, and, if applicable, past performance and priority area review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery and undermine offender accountability (deduct up to 50 points).
2. Out-of-scope and unallowable activities (deduct up to 50 points).
3. Past performance (deduct up to 25 points).
4. Formatting and Technical Requirements (deduct up to 5 points).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding. **An applicant with considerable past performance issues may receive a deduction in points as listed above or be removed from consideration entirely regardless of the application's peer review score.**

Past Performance Review

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards will be reviewed for past performance and risk based on the elements listed below.

1. Adherence to the grant program's statutory purposes and requirements.
2. Implementation of the project according to plan, without significant obstacles and/or challenges.
3. Implementation of the project within the original period of performance.
4. Drawdown of funds commensurate with the level of program activities completed.
5. Management of award such that applicant has had uninterrupted access to funds.
6. Attendance at/participation in all required OVW-sponsored training and technical assistance events.
7. Timely resolution of issues identified during programmatic monitoring.
8. Completion of close-out of prior awards within 120 days of the project end date.
9. Timely resolution of issues necessary to close out prior awards.
10. Timely resolution of issues identified during financial monitoring.
11. Timely response to OVW requests.
12. Development of deliverables that support the project goals and objectives and are of acceptable quality.
13. Implementation of the project as designed without unjustified modification.
14. Timely submission of federal financial reports (FFR).
15. Timely submission of performance reports.
16. Submission of complete and accurate performance reports.
17. Adherence to the terms and conditions of existing grant award(s) from OVW.

Prior to making an award, OVW is required to review and consider any information about applicants included in the designated integrity and performance system accessible through

SAM. Applicants may review and comment on information in FAPIIS about themselves that another federal awarding agency has previously entered. OVW will consider the applicant's comments as well as other information available in FAPIIS in making its judgment about the risk posed by making an award to the applicant as described in 2 C.F.R. § 200.206.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, reaching underserved populations, geographic diversity, OVW priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High-Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high-risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing down funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations may not be considered for funding.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2023.

Federal Award Administration Information

Federal Award Notices

Successful applicants will receive OVW award notifications electronically from JustGrants (not Grants.gov). Recipients will be required to log into JustGrants to review and accept the award. The Authorized Representative must acknowledge having read and understood all sections of the award instrument and submit the required declaration and certification to accept the award; these steps will be completed electronically in JustGrants.

Administrative, National Policy, and Other Legal Requirements

Information for All Federal Award Recipients

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. This information can be found in the section of the [Solicitation Companion Guide](#) entitled "Post-Award Requirements for All Federal Award Recipients."

Terms and conditions for OVW awards are available on the [OVW website](#). These terms are subject to change prior to the issuance of the awards.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. Recipients may provide sex-segregated or sex-specific programming if doing so is necessary for the essential operation of a program, so long as the recipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. Additional information on the civil rights obligations of OVW funding recipients can be found in the Solicitation Companion Guide under "Civil Rights Compliance."

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. Compliance with these laws includes taking reasonable steps to ensure that persons who are limited in their English proficiency because of their national origin have meaningful access to recipients' programs and activities. Recipients are also responsible for ensuring that their programs and activities are readily accessible to individuals with disabilities, including those with physical or cognitive disabilities, as well as individuals who are Deaf or hard of hearing. OVW encourages applicants to go beyond minimum compliance with these requirements and allot sufficient resources to ensure programs and activities are fully accessible. More information on these obligations is available in the [Solicitation Companion Guide](#) under "Civil Rights Compliance."

General Information about Post-Federal Award Reporting Requirements

OVW grantees are required to submit semi-annual performance reports and quarterly Federal Financial Reports (SF-425). Appropriate performance report forms will be provided to all applicants selected for an award. Forms will be submitted electronically. Future awards and fund drawdowns may be withheld if reports are delinquent. For more information on post award reporting requirements, including requirements for certain recipients to report information on civil, criminal, and administrative proceedings in FAPIIS, see the [Solicitation Companion Guide](#) and the award condition on recipient integrity and performance matters available on the [OVW website](#).

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Application Checklist

Applicants must submit a fully executed application to OVW, including all required supporting documentation. Prior to peer review, OVW will not contact applicants for missing items. Additionally, if an applicant plans to submit an application under any other OVW grant program this fiscal year, it is the applicant's responsibility to ensure that only documents pertinent to this solicitation are included with this application. OVW will not redirect documents that are inadvertently submitted with the wrong application (e.g., a Rural Program letter submitted with a Transitional Housing Program application will not be transferred to the Rural application).
