# OVW Sexual Assault Services Culturally Specific Program (CFDA 16.023)

## *A. Program Description*

### **Overview**

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to hold offenders accountable for their crimes.

### **About the OVW Sexual Assault Services Culturally Specific Program**

This program is authorized by **42 U.S.C. §14043g(c)**.

The Sexual Assault Services Program (SASP) was created by the Violence Against Women and Department of Justice Reauthorization Act of 2005 (VAWA 2005), 42 U.S.C. §14043g, and is the first federal funding stream dedicated solely to the provision of direct intervention and related assistance for victims of sexual assault. The SASP encompasses four different grant programs for the following entities: 1) states and territories; 2) tribes, tribal organizations and nonprofit tribal organizations; 3) culturally specific organizations; and 4) state, territorial, and tribal sexual assault coalitions. Overall, the purpose of SASP is to provide intervention, advocacy, accompaniment (e.g., accompanying victims to court, medical facilities, police departments, etc.), support services, and related assistance for adult, youth, and child victims of sexual assault, non-offending family and household members of victims, and those collaterally affected by the sexual assault.

Survivors of sexual assault from culturally specific communities frequently confront unique and additional challenges, such as linguistic and cultural barriers, when seeking assistance. In order to provide the most appropriate services to such victims, the Sexual Assault Services Culturally Specific Grant Program (hereinafter referred to as the SAS Culturally Specific Program) funds nonprofit organizations that focus primarily on culturally specific communities and have experience in the area of sexual assault or who partner with an organization having such expertise. The goal of the SAS Culturally Specific Program is to create, maintain, and expand sustainable sexual assault services provided by culturally specific organizations, which are uniquely situated to respond to the needs of sexual assault victims from culturally specific populations.

For additional information on the **SAS Culturally Specific Program**, including what past **SAS Culturally Specific Program** grantees have accomplished with their grant funds and to view the **SAS Culturally Specific Program** performance measures, see <http://muskie.usm.maine.edu/vawamei/saspculturalmain.htm>.

## Program Scope

Activities supported by the **SAS Culturally Specific Program** are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the DOJ Financial Guide, any updates to the DOJ Financial Guide, and the conditions of the recipient's award.

## Purpose Areas

In FY 2016, funds under the **SAS Culturally Specific Program** may be used for the following purpose:

- To support the establishment, maintenance, and expansion of culturally specific intervention and related assistance for victims of sexual assault.

Intervention services and related assistance may include, but are not necessarily limited to:

1. 24-hour hotline services providing crisis intervention services and referral;
2. Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings;
3. Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members;
4. Information and referral to assist the sexual assault victim and family or household members;
5. Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities; and
6. Development and distribution of materials on issues related to the services.

## Mandatory Program Requirements

### Sexual Assault Victim Services

For the purposes of the SAS Culturally Specific Program, proposed activities regarding sexual assault victim services **must** extend beyond intimate partner sexual violence and include services to a broad range of survivors (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, clergy/spiritual leader, etc.). Applications proposing projects to serve survivors of intimate partner sexual violence *only* will be considered out of scope and removed from further funding consideration.

## OVW Priority Areas

In FY 2016 OVW is interested in supporting the priority area identified below and encourages applications that propose activities in the following area:

- Increase support for underserved communities of color, in a culturally appropriate manner, with a special emphasis on Black/African-American communities.

## Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health

- condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;<sup>1</sup>
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
  3. Crafting policies that deny individuals access to services based on their relationship to the perpetrator;
  4. Developing materials that are not tailored to the dynamics of sexual assault or the culturally specific population to be served;
  5. Crafting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g. mandatory counseling, seeking an order for protection); and
  6. Crafting policies that require the victim to report the sexual assault to law enforcement.

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

### **Out-of-Scope Activities**

OVW has determined the activities listed below to be out of the program scope and therefore these activities will not be supported by SAS Culturally Specific Program funding. Applications that propose out-of-scope activities may receive a point deduction during the review process. Applications that are determined to be substantially outside the scope of the SAS Culturally Specific Program will not be considered for funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See section Research and Protection of Human Subjects in the FY 2014 Solicitation Companion Guide at <http://www.justice.gov/sites/default/files/ovw/legacy/2013/12/16/companion-guide-fy2014.pdf>.)
2. Activities focused on prevention efforts and public education (e.g., bystander intervention, social norms campaigns, presentations on healthy relationships, etc.)
3. Criminal justice-related projects, including law enforcement, prosecution, courts, and forensic interviews
4. Activities focused *solely* on serving survivors of intimate partner sexual violence
5. Sexual Assault Forensic Medical Examiner programs
6. Sexual Assault Response Team coordination
7. Providing training to allied professionals and the community (e.g., law enforcement, child protection services, prosecution, other community based organizations, etc.)

### **Unallowable Activities**

The following is a list of activities that are unallowable and cannot be supported by **SAS Culturally Specific Program** grant funding. Applications that propose unallowable activities may receive a point deduction during the review process. Applications that include substantial unallowable activities will not be considered for funding.

---

<sup>1</sup>If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information".

- Lobbying;
- Fundraising;
- Purchase of real property;
- Construction; and
- Physical modifications to buildings, including minor renovations (such as painting or carpeting).

## ***B. Federal Award Information***

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through the **SAS Culturally Specific Program** ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

### **Award Period**

The grant award period is **36** months. Budgets must reflect **36** months of project activity, and the total “estimated funding” on the SF-424 must reflect **36** months. Generally, the award period will start on October 1, 2016.

### **Award Amounts**

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. Awards under the SAS Culturally Specific Program for FY 2016 will be made for up to \$300,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

The SAS Culturally Specific Program typically makes awards in the range of \$290,000 to \$300,000. OVW estimates that it will make up to 9 awards for an estimated \$2,700,000.

Awards will be made as grants.

### **Types of Applicants**

In FY 2016, OVW will accept applications for the SAS Culturally Specific Program from the following:

**New:** applicants that have never received funding under the SAS Culturally Specific Program or whose previous funding expired more than 12 months ago.

**Continuation:** applicants that have an existing or recently closed (within the last 12 months) award under the SAS Culturally Specific Program. Continuation funding is not guaranteed.

Grant recipients that received new or supplemental/continuation funding for 36 months in FY 2014 or 2015 are NOT eligible to apply.

## C. Eligibility Information

### Eligible Applicants

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

### Eligible Entities

Eligible entities for this program are private nonprofit organizations for which the primary purpose of the organization as a whole is to provide culturally specific services to one or more of the following racial and ethnic communities:

- American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics.<sup>2</sup>

Additionally, the applicant organization must meet the following requirements:

1. Have an advisory board or steering committee and staffing which is reflective of the targeted culturally specific community. **Note:** To determine whether the organization has an advisory board or steering committee and staffing that is reflective of the targeted culturally specific community, OVW will consider whether the advisory board, steering committee and staff include members with knowledge or experience relevant to the targeted community. If federal funds are used for filling any of these positions, organizations may consider an applicant's knowledge or experience relevant to the targeted community, as well as language skills needed to work with a particular population, but organizations may not consider a person's race and/or ethnicity as a basis for hiring decisions.
2. Have documented organizational experience in the area of sexual assault intervention *or* have entered into a partnership with an organization having such experience; and
3. Have expertise in the development of community-based, linguistically and culturally specific outreach and intervention services relevant for the specific communities to which assistance would be provided *or* have the capacity to link to existing services in the community tailored to the needs of culturally specific populations. As defined in the Violence Against Women Act, 42 U.S.C. §13925(a)(7), "culturally specific services" means "community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities."

**Note:** If the culturally specific program is one division within a larger organization with other focuses (for example, a division within a sexual assault organization that focuses on Hispanic victims), the organization is not eligible.

### Nonprofit Organization Requirements

Any entity that is eligible for the SAS Culturally Specific Program based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of that Code.

---

<sup>2</sup> The Violence Against Women Reauthorization Act of 2013 defines "culturally specific" as "primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. 300u-6(g))." 42 U.S.C. 13925(a)(6) Section 300u-6(g)(1) defines the term "racial and ethnic minority group" to mean "American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian Americans; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics." Therefore, applicants must demonstrate that the primary purpose of the organization as a whole is to provide services to one or more of these racial or ethnic minority groups.

See 42 U.S.C. § 13925(b)(16)(B). Any nonprofit organization that holds money in offshore accounts for the purpose of avoiding paying the tax described in section 511(a) of the Internal Revenue Code is not eligible for a grant from the SAS Culturally Specific Program.

**Cost Sharing or Match Requirement**

This program has no matching or cost sharing requirement.

**Other**

**Program Eligibility Requirements**

In addition to meeting the eligible entity requirements outlined above, applications for the SAS Culturally Specific Program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2016 solicitation.

Required Partnerships

All applicants must meet one of the following categories as it relates to partnership requirements.

1. Category I – a) The applicant is a culturally specific organization AND b) the agency has a demonstrated history of providing sexual assault victim services, *beyond intimate partner sexual violence*, for a minimum of three (3) years. Therefore, no partnership is required.
2. Category II – The applicant is a culturally specific organization and will be partnering with another culturally specific organization(s) that: a) would otherwise be eligible to apply independently under the SAS Culturally Specific Program; AND b) either the applicant agency or partner(s) has a demonstrated history of providing sexual assault victim services, *beyond intimate partner sexual violence*, for a minimum of three (3) years.
3. Category III – The applicant is a culturally specific organization with less than three (3) years of providing sexual assault victim services *beyond intimate partner sexual violence*. The applicant will be partnering with a sexual assault victim services organization that is otherwise NOT eligible to apply independently under the SAS Culturally Specific Program. In such a case partner compensation is limited to \$30,000 for the three-year award period. These funds should be used to provide technical assistance on sexual assault and related victim services to the lead agency.

Partnership Category	Applicant is a Culturally Specific Organization	Sexual Assault Victim Services Experience*	Partner Organization
Category I	Yes	Minimum of 3 years	None required
Category II	Yes	Minimum of 3 years – held by either applicant or partner agency	Another culturally specific organization. No cap on partner compensation.
Category III	Yes	Less than 3 years	Non-culturally specific sexual assault victim services organization. Compensation capped at \$30,000.

**\*NOTE:** Sexual assault victim services experience must include working with survivors beyond the context of intimate partner violence.

### **Limit on Number of Applications Submissions**

An applicant can only submit one application per organization. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted.

## ***D. Application and Submission Information***

### **Address to Request Application Package**

The complete application package is available on [Grants.gov](http://Grants.gov) or at the OVW website at <http://www.justice.gov/ovw> . Applicants wishing to request a paper copy of the application materials should contact **OVW.SASP.Cultural@usdoj.gov**.

### **Content and Form of Application Submission**

#### **Letter of Registration**

Applicants intending to apply for FY 2016 funding under this program, are strongly encouraged to submit a letter of registration. The letter should be submitted to OVW at **OVW.SASP.Cultural@usdoj.gov** by **January 19, 2016**. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

#### **Pre-Application Conference Calls**

OVW will conduct of **two (2)** Pre-Application Conference Calls. The pre-application calls are for new potential applicants and continuation grantees interested in applying for SAS Culturally Specific Program funding. During these calls, OVW staff will review the **SAS Culturally Specific Program** requirements, review the solicitation, and allow for a brief question and answer session. Participation in these calls is optional.

The total number of participants for each call is limited to 50 individuals. Please note: Registration is on a first-come-first-serve basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many communities as possible can join the call. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction. To register, please e-mail or call Traci Rollins-Johnson at [Traci.Rollins-Johnson@usdoj.gov](mailto:Traci.Rollins-Johnson@usdoj.gov) or (202) 353-0025. Registration must be received at least two hours prior to the start of the call.

#### **Application Contents**

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the

inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

**Do not submit documents in addition to those specified in this solicitation. Please note that any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act, 5 U.S.C. § 552.**

If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "[Disclosures Related to Executive Compensation](#)" section.
9. Summary of Current and Recent OVW Projects (if applicable).  
If the applicant has a current grant or cooperative agreement under any OVW program, or an award that has been closed within the last 12 months from the date this solicitation closes, the information below must be provided in a table using the format found in [APPENDIX D](#). Failure to provide the required table will result in a loss of points.  
The table must:
  - Identify all grants by OVW program, award number and project period
  - Specify the total funding amount for each grant (initial and supplemental amounts, if applicable)
  - Specify the total funds remaining in each grant as of the date of application.
  - Provide the total funds remaining in each budget category (Personnel, Fringe, Travel, Equipment, Supplies, Construction, Contractual, and Other) for each grant

10. Culturally specific population(s) served by the organization and the culturally specific populations to be served under the grant project.
11. Indicate the number of individuals on the lead agency's advisory board, steering committee and staff and whether they reflect the targeted culturally specific community either through knowledge or experience relevant to that community.
12. Statement as to whether the applicant is submitting an MOE or an MOU. If the applicant is submitting an MOU, please list the name(s) of MOU project partner(s) and the Partnership Category (II or III) (see "Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE)" in the "[Content and Form of Application Submission](#)" section).
13. Include the full mission statement of the applicant.

Continuation applicants that have a substantial amount of remaining funds at the time of application submission without adequate justification may not be considered for funding in FY 2016.

**Project Narrative (60 Points Total)**

The Project Narrative may not exceed **20** pages in length, double-spaced. The Project Narrative comprises the following three sections:

Purpose of Application (20 points)

This section must:

1. Describe a) the service area for the grant project and b) the target population including location, population, and demographic information.
2. Describe the problem of sexual assault within the local community (please use local statistics or narrative accounts whenever possible);
3. Describe the current level of sexual assault victim services in the community (from mainstream organizations as well as other culturally specific organizations) and the proximity of those services to the lead applicant and target population;
4. Describe in detail the gaps in those services and how the target population is currently underserved;
5. Describe the barriers individuals from the identified culturally specific group who are victims of sexual assault experience while attempting to seek services;
6. Clearly state the need for the project. The need must directly relate to the culturally specific population to be served; and
7. Describe how the target population would benefit from the project.

What Will Be Done (20 points)

The applicant must provide a clear link between the proposed activities and the need identified in the “Purpose of Application” section.

**NOTE:** Goals and activities **cannot** focus solely on serving survivors of intimate partner sexual violence, but **must** include services to a range of survivors (e.g., adults abused as children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, clergy/spiritual leader, etc.). In consideration of funding limitations and agency needs, applicants may choose to focus goals and objectives to a certain age range.

This section must:

1. Detail the goals and objectives, describing the specific tasks and activities necessary to accomplish each. Activities must be directly related to:
  - A. The needs of the identified culturally specific population; and
  - B. The types of direct intervention and related assistance for sexual assault victims as defined in the table below. Applicants do not need to provide all of the services listed below as part of the grant project, however, the proposed goals, objectives, and activities should generally reflect the types of services listed. The below guidance is intended to describe the broad range of services that advocacy agencies may provide, but is not exhaustive. Different cultural expressions of trauma may require culturally congruent responses. Services made available to survivors of sexual assault should be representative of each

community's needs.<sup>3</sup>

2. A tentative time line for the implementation of the proposed activities;
3. Whether the project will focus on a specific age demographic in the delivery of services to sexual assault victims (e.g., child and youth victims of sexual assault, adult victims, or sexual assault across the lifespan);
4. Current activities that address victim safety and recovery; and

**\*Core Services** are the basic services sexual assault service agencies provide to sexual violence survivors and the community. They are the essential services that meet the immediate needs of survivors. In many states and territories, state coalitions or state agencies define these core services by setting minimum standards of practice: the types of services that must be offered and the way services must be provided. These often include services such as 24-hour crisis intervention, hospital and legal accompaniment, and information and referrals for other needs.

**\*\*Comprehensive Services** include core services as well as additional opportunities for survivors to heal and communities to prevent violence. These include services that address the physical, social, emotional, and spiritual needs of sexual assault survivors and their allies. These services go beyond the most immediate, pressing needs to support more in-depth healing, empowerment and integration.

Who Will Implement the Project (20 points)

The applicant must identify the key individuals and organizations that will be involved in the project and demonstrate that they have the capacity to address the stated need and that they can successfully implement the stated project activities.

This section must:

1. Describe the mission and the range of services provided by the organization;
2. Detail the overall experience and expertise of the organization;
3. Detail how the organization primarily focuses on the identified culturally specific community;

4. Describe how the various services provided are reflective of and responsive to the culturally specific community served and the needs of survivors;
5. Detail the organization's expertise in developing community-based services that include culturally relevant and linguistically specific services for the identified community(ies) to be served. If the organization does not have this expertise, provide in detail the organization's capacity to link to existing services within the community that provide such services tailored to the needs of the identified culturally specific population;
6. Clearly state whether the applicant organization has the required expertise providing sexual assault services along with a brief description of that expertise. If the applicant organization does not have this expertise, clearly state which partnering organization does along with a brief description of that expertise. NOTE: additional details about the level and range of organizational sexual assault expertise will be required in the Memorandum of Understanding or Memorandum of Exemption section.
7. Describe how the organization's advisory board or steering committee members and staff are reflective of the identified culturally specific community through their knowledge or experience relevant to the targeted community;

Information provided should directly address whether such experience/expertise includes providing sexual assault services and to what extent this experience extends beyond intimate partner sexual violence
10. If applicable, detail the experience and expertise of key personnel of any project partners (if applicable). Information provided should directly address whether such experience/expertise includes providing sexual assault services and to what extent this experience extends beyond intimate partner sexual violence.

### **Budget Detail Worksheet and Narrative (15 Points)**

All applicants are required to submit a detailed budget and supporting budget narrative. Budgetary requirements vary slightly among programs, and applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program.

#### Award Period and Amount

- The grant award period is 36 months. Budgets must reflect 36 months of project activity.
- Awards for FY 2016 will be made for up to \$300,000. Proposed budgets should not exceed this amount.

#### Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. Specifically, the budget should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

A Sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. The budget must adhere to the DOJ Financial Guide.

This section must:

1. Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items; and
2. Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs.
3. If a Category III partnership, the MOU partner compensation is limited to \$30,000 for the three-year award period. These funds should be used to provide technical assistance on sexual assault and related victim services to the lead agency.
4. All applicants are required to allocate funds in the amount of **\$10,000** to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate **\$12,000** to account for higher travel costs.

#### Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is accessible on the OVW website <http://www.justice.gov/ovw/grantees>. For additional information regarding food and beverage regulations, please refer to the DOJ Financial Guide.

#### Training and Technical Assistance

All applicants are required to allocate funds in the amount of **\$10,000** to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate **\$12,000** to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget

must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

#### Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

#### Accommodations and Language Access

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to funded programs or activities. More information on these obligations is available in the OVW FY 2014 Solicitation Companion Guide.[\[make the title of the guide a link to it on the OVW website\]](#) Applicants may allocate grant funds to support activities that help to ensure individuals with disabilities, Deaf individuals, and persons with limited English proficiency have meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Applicants proposing to use grant funds to create websites, videos, and other materials must ensure that the materials are accessible to persons with disabilities. Grant funds may be allocated for these purposes.

#### Pre-Agreement Cost Approval

Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the DOJ Financial Guide for more information on pre-award costs.

#### **Memorandum of Understanding (MOU) or Memorandum of Exemption (MOE) (20 Points Total)**

SAS Culturally Specific applicants are required to submit either an MOU or MOE depending on whether the organization has expertise in providing intervention services to sexual assault victims *beyond intimate partner sexual violence*. SAS Culturally Specific applicants that possess and can demonstrate sexual assault services expertise within the organization, with the provision of such services at least three (3) years, do NOT need to partner with any outside

organization and should submit an MOE.

An applicant that submits an MOE but does not demonstrate the required expertise in sexual assault victim services, *beyond intimate partner sexual violence*, will be removed from further consideration for funding. Therefore, if there is any uncertainty as to whether the applicant meets the MOE criteria, the applicant is encouraged to submit an MOU, which outlines a partnership with an organization that has sexual assault services expertise.

SAS Culturally Specific applicants that do NOT have the required sexual assault services expertise, *beyond intimate partner sexual violence*, within their organization must partner with an outside sexual assault victim services organization with a demonstrated history of providing such services for no less than three (3) years, and submit an MOU.

SAS Culturally Specific applicants should determine their partnership requirements (if any) under one of the applicant categories. Please see page 6 under “Required Partnerships” for details regarding the types of partnerships.

Memorandum of Understanding (MOU)

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Authorized Organization Representative (AOR) of each proposed partner agency during the development of the application. In rare circumstances an MOU can include multiple signature pages as long as each page includes the name and title of each signing party.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly identify which organization has the expertise in providing sexual assault services. This organization **must** demonstrate a minimum of three (3) years experience in providing sexual assault victim services *beyond intimate partner sexual violence*. **Specifically address the following** for the organization identified as the sexual assault expert:
  - a) Explain the overall mission of the organization;
  - b) State how many years the organization has been in operation;
  - c) Detail the personnel designated to provide sexual assault victim services, including:
    - The name and title of the each staff person;
    - How many years each staff person has been providing sexual assault services AND how long each person has worked for the organization; and
    - A brief description of each staff person’s main job responsibilities.
  - d) State how many years the organization has been providing sexual assault victim services to survivors *beyond intimate partner sexual violence*;
  - e) State how many survivors of intimate partner sexual violence were served in the past three years;
  - f) Detail how many survivors of sexual violence, other than intimate partner sexual violence, were served in the past three years. For example, adults abused as

children, child and youth survivors, adults sexually assaulted by those other than an intimate partner such as a stranger, neighbor, family member, coworker, community leader, clergy/spiritual leader, etc.;

- g) What types of services were provided to survivors as described in section f above, please break down the types of services.

Memorandum of Exemption (MOE)

The MOE should be a single document and it should be signed and dated by the Authorized Representative of the applicant agency during the development of the application.

**NOTE:** If the applicant agency has provided services to survivors of intimate partner sexual violence **only**, **OR** has provided sexual assault services beyond intimate partner sexual violence for **less than three (3) years**, then it **must** partner with another agency with expertise in sexual assault victim services beyond intimate partner sexual violence and submit an MOU – not an MOE.

The MOE must:

1. Explain the overall mission of the organization;

### **Proposal Abstract**

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. Applicants should not summarize past accomplishments in this section. Additionally, applicants should limit their proposal abstract to no more than one page.

### **Additional Required Information**

The following documents will not be scored during the review process but they should be included with your submission. Failure to include any of the information may result in the inability to access funds if your application is selected for funding. OVW will be unable to make an award to any nonprofit organization that does not submit a 501(c)(3) determination letter from the Internal Revenue Service.

### **Proof of 501(c)(3) Status (Nonprofit Organizations Only)**

As noted under Eligible Entities, an entity that is eligible for the **SAS Culturally Specific Program** based on its status as a nonprofit organization must be an organization that is described in section 501(c)(3) of the Internal Revenue Code of 1986 and is exempt from taxation under section 501(a) of the Code. All such applicants are required to submit a determination letter from the Internal Revenue Service recognizing their tax-exempt status.

### **Disclosures Related to Executive Compensation**

Any applicant that is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure for establishing a rebuttable presumption that its executives' compensation is reasonable, must provide the following: (1) a brief description of the process used for determining the compensation of its officers, directors, trustees, and key employees, including the independent persons involved in reviewing and approving such compensation (in lieu of a description, an applicant may submit its written compensation policy); (2) the comparability data used in establishing executive compensation; and (3) contemporaneous substantiation of the deliberation and decision regarding executive compensation. This third element can usually be addressed by submitting minutes from board meetings where compensation was considered and approved.

Applicants that want to learn about best practices for establishing compensation for their executives and the IRS's safe-harbor procedures can find more information through the National Council of Nonprofits, <https://www.councilofnonprofits.org/tools-resources/executive-compensation>.

### **Confidentiality Notice Form**

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. The acknowledgement form is available on the OVW website at The [Acknowledgement of Notice of Statutory Requirement to Comply with the Confidentiality and Privacy Provisions of the Violence Against Women Act, as Amended](#) and must be signed by the authorized representative and uploaded to the application on [Grants.gov](#).

### **Application for Federal Assistance (SF-424)**

Applicants must complete the SF-424 online. For "Type of Applicant," please do not select "other." Please pay careful attention to the amount of Federal funding requested in the "Estimated Funding" section of this form. This amount must match the amount of Federal

funding requested in the budget section of the application package. Only include values for “Applicant” if the program solicitation requires a match. The individual who is listed in “Authorized Representative” must be the AOR for the applicant agency. The AOR is an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

**Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)**

Please carefully review the assurances and certification forms online. These forms will be completed online at a later time during the application process. All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

**Letter of Nonsupplanting**

Applicants must submit a letter to OVW’s Director, signed by the AOR, certifying that Federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to [http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup\\_letter.pdf](http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf) for a sample letter. This should be a separate attachment to the application in [Grants.gov](http://Grants.gov).

**Financial Accounting Practices**

Each applicant must prepare a response to the following questions. OVW will review the applicant’s responses to assist in evaluating the adequacy of the organization’s financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in [Grants.gov](http://Grants.gov).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization’s policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization’s policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant’s financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization’s process for tracking expenditures.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization’s policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to adequately safeguard grant assets and to ensure that they are used solely for authorized purposes? Please provide a brief description.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, (2 CFR Part 200)? Please provide a short list of the

individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

**Please note: This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in funds.**

**Financial Capability Questionnaire (if applicable)**

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete a Financial Capability Questionnaire, and submit it online. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

**Indirect Cost Rate Agreement (if applicable)**

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a Federally-approved indirect cost rate agreement. Please include a copy of a current, signed Federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [Grants.gov](http://Grants.gov).

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

**Dun and Bradstreet Universal Numbering System (DUNS) Number and System for Award Management (SAM)**

Applicants for Federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available the next business day.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application under consideration by a Federal awarding agency. Also, Federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](http://Grants.gov) uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet.**] Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/portal/SAM/#1> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [Grants.gov](http://Grants.gov) and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

**There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS, register online with the SAM and with Grants.gov immediately, but no later than **January 19, 2016**.

### **Submission Dates and Times**

It is very important that all applicants read this section carefully. Applicants that do not complete all the steps in registering and submitting their application by the due date will not be considered for funding. Applicants are responsible for ensuring their applications are complete at the time of submission. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. It is the responsibility of the applicant to ensure that the application is submitted by the deadline.

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on February 2, 2016**. Applications submitted after **11:59 p.m. E.T. on February 2, 2016** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer to the [Experiencing Unforeseeable Technical Issues](#) section of this solicitation.

**Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. It is important that applicants do not wait until the day of the application deadline to begin the application submission process. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. After application submission, Authorized Organization Representatives (AOR)**

should closely monitor their email for any notification from [Grants.gov](http://Grants.gov) about a possible failed submission. The AOR will receive a minimum of two emails from [Grants.gov](http://Grants.gov). One will confirm receipt of the application package. The other will either notify the AOR that the application was successfully submitted, or it will notify the AOR that there was an error with the application submission.

Please note that the [Grants.gov](http://Grants.gov) notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see “[Experiencing Unforeseeable Technical Issues](#)” for information on the steps applicants must follow if corrective action must be taken.

#### **OVW Policy on Duplicate Applications**

An applicant can only submit one application per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

#### **Experiencing Unforeseeable Technical Issues**

As previously stated, applicants should begin the **registration process** immediately, but no later than **January 19, 2016**. Furthermore, the applicant should begin the **application submission process** 48, but no less than 24, hours prior to the application deadline. This will allow sufficient time for the applicant to contact the appropriate individuals and take corrective action, as outlined in this solicitation, should unforeseeable technical issues arise. If technical difficulties are experienced at any point during the application process, the applicant must contact the [Grants.gov](http://Grants.gov) Customer Support Hotline at 1-800-518-4726, or [support@grants.gov](mailto:support@grants.gov), 24 hours a day, 7 days a week, except closed for Federal holidays.

If an applicant experiences unforeseeable technical issues that prevent submission of an application by the deadline, the applicant must take the following actions:

1. Contact the **SAS Cultural Specific Program Unit** at 202-307-6026 or at [OVW.SASP.Cultural@usdoj.gov](mailto:OVW.SASP.Cultural@usdoj.gov) prior to the application deadline stating that the applicant is experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached; and
2. Contact the technical support number above prior to the application submission deadline.

**Within 24 hours after the deadline**, the applicant must again contact the **SAS Culturally Specific Program Unit** at 202-307-6026 or [OVW.SASP.Cultural@usdoj.gov](mailto:OVW.SASP.Cultural@usdoj.gov) to request permission to submit the application. At that time, the applicant will be required to email the complete grant application and DUNS number, and provide a Grants.gov Help Desk tracking number(s). After OVW reviews all of the information submitted and verifies the technical issues were unforeseeable with the Help Desk, OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time; (2) failure to register or update information on the SAM website; (3) failure to follow GMS or [Grants.gov](http://Grants.gov) instructions as posted on its website; and (4) failure to follow all of the instructions in the OVW solicitation.

### **OVW Policy on Late Submissions**

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed due to a temporary lack of Internet access, unforeseeable technical issues, or geographic isolation. If an applicant does not provide advance notice to OVW about an issue that may cause a delay in the submission of its application, the application will not be considered for funding. If applicant follows the steps outlined above, OVW will consider the applicant's request for late submission. Extension of deadlines is not guaranteed and permission to submit a late application does not automatically result in an award. Late submission only allows an application to be considered for funding. If late submission is approved, the application will be reviewed for registration information and completeness and to ensure that the applicant meets the basic eligibility requirements (BMR) as defined in the solicitation. If the applicant meets BMR, the application will be subject to both peer review and programmatic review before any funding decision is made.

### **Extraordinary Natural or Manmade Disasters**

In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications up to seven calendar days late by sending an e-mail to the contact listed in the solicitation. The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.

### **Intergovernmental Review**

#### **Single Point of Contact Review**

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at [http://www.whitehouse.gov/omb/grants\\_spoc](http://www.whitehouse.gov/omb/grants_spoc).

### **Funding Restrictions**

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the DOJ Financial Guide. The DOJ Financial Guide includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds. OVW generally does not allow pre-award costs. Such costs require prior approval by OVW and will only be allowed in limited circumstances.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the DOJ Financial Guide. Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

### **Food and Beverage/Costs for Refreshments and Meals**

Generally food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

### Other Submission Requirements

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via grants.gov. Applicants that are unable to submit electronically must follow the instructions on page 24 above.

### [Grants.Gov](#)

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.Gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [www.grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

**Note: [Grants.gov](#) limits the use of specific characters in names of attachment files.** Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters	Special Characters		
Upper case (A – Z)	Parenthesis ( )	Curly braces { }	Square brackets [ ]
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)
Underscore ( _ )	Comma ( , )	Semicolon ( ; )	Apostrophe ( ‘ )
Hyphen ( - )	At sign ( @ )	Number sign ( # )	Dollar sign ( \$ )
Space	Percent sign ( % )	Plus sign ( + )	Equal sign ( = )
Period ( . )	When using the ampersand (&) in XML, applicants must use the “&amp;” format.		

**OVW strongly suggests using simple titles for all documents, such as “FY 2016 OVW Project Narrative.” Please note that file names are limited to 50 characters. GMS does not accept executable file types as application attachments.** These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.” Please visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

The E-Business Point of Contact (E-Biz POC) within the applicant's organization must register the organization with [Grants.gov](http://Grants.gov). The E-Biz POC oversees the organization's [Grants.gov](http://Grants.gov) transactions and assigns the AOR. The AOR submits the application to [Grants.gov](http://Grants.gov) and must register with [Grants.gov](http://Grants.gov) as well. In some cases the E-Biz POC is also the AOR for an organization.

1. *Step 1:* Go to [Grants.gov](http://Grants.gov). Mouse over the “APPLICANTS” drop down and click the “Organization Registration Link”.
2. *Step 2:* Register with SAM
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)
5. [Step 5: TRACK AOR STATUS](#)

**The application process can move forward once the organization successfully registers with [Grants.gov](http://Grants.gov).**

*Downloading a Grant Application Package*

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application. To verify if the Adobe software version is compatible with [Grants.gov](http://Grants.gov), visit the following link: <http://www.grants.gov/web/grants/support/technical-support/software/adobe-reader-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

*Completing the Grant Application Package*

The applicant must manually save changes to the grant application. [Grants.gov](http://Grants.gov) does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

*Submitting the Completed Grant Application Package*

Log on to [Grants.gov](http://Grants.gov). After the application is fully completed, errors are corrected, and the application is saved, click the “Save & Submit” button on the cover page. The application package will be automatically uploaded to [Grants.gov](http://Grants.gov).

**Reminder:** To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline. AORs should closely monitor their email for any notification from [Grants.gov](http://Grants.gov) about a possible failed submission. The AOR will receive a minimum of two emails from [Grants.gov](http://Grants.gov). A confirmation screen will appear once the submission is complete. A [Grants.gov](http://Grants.gov) tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The [Grants.gov](http://Grants.gov) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T.

## ***E. Application Review Information***

### **Criteria**

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically for the **SAS Culturally Specific Program**, scoring will be as follows:

1. Summary data sheet: 5 points
2. Project narrative: 60 points, of which
  - A. Purpose of the project: 20 points
  - B. What will be done: 20 points
  - C. Who will implement: 20 points
3. Budget narrative and detail worksheet: 15 points
4. MOU/MOE: 20 points

While cost sharing or match-funding are not required, in the case of a tie OVW may assess the extent and viability of cost sharing to break the tie, as well as other factors such as geographic distribution of funding.

### **Review and Selection Process**

#### **Peer Review**

OVW will subject all applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal review, external review, or a combination of both.

#### **Programmatic Review**

All applications that are considered for funding will be subject to a programmatic review. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review. OVW reserves the right to add up to 10 points to applications fully addressing OVW priority areas and to deduct points from applications for the following reasons:

- Formatting and Technical Requirements
- Activities that compromise victim safety and recovery
- Out-of-scope activities
- Past performance

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement;
10. Timely expenditure of grant funds
11. Adherence to the requirements of the Department of Justice Financial Guide

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

### **High Risk Grantees**

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

### **Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by September 30, 2016.

## ***F. Federal Award Administration Information***

### **Federal Award Notice**

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System. This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact in GMS for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance

process involves physical signature of the award document and terms and conditions by the authorized representative and the scanning of the fully-executed award document to OVW.

### **Administrative and National Policy Requirements Information for All Federal Award Grantees**

Applicants selected for awards must agree to comply with additional legal, administrative, and national policy requirements upon acceptance of an award. OVW strongly encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. Additional information for each requirement can be found in the FY 2014 OVW Solicitation Companion Guide:

### **Violence Against Women Act Non-Discrimination Provision**

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2016 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/sites/default/files/ovw/legacy/2014/06/20/faqs-ngc-vawa.pdf>.

Additional information on the civil rights obligations of OVW funding recipients can be found in the FY 2014 Solicitation Companion Guide under "Civil Rights Compliance."

### **Compliance with OVW Financial Requirements**

Each OVW grantee agrees to follow the financial and administrative requirements in the DOJ Financial Guide as a condition of receiving grant funding. If OVW determines that a current grantee has violated any of the requirements of the Guide, the grantee's award may be frozen or terminated and the grantee may be denied continuation funding.

## Reporting

### Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF 425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

### Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and which impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. Comments regarding the accuracy of this estimate or suggestions for simplifying this form, it can be submitted to the Office on Violence Against Women, U.S. Department of Justice, 145 N Street, NE, Washington, DC 20530.

## ***APPENDIX A***

### **Budget Guidance & Sample Budget Detail Worksheet**

## Budget Guidance

*Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.*

### Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to 2 CFR Part 200.330.

### Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

### Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

### Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used

indefinitely. This includes state and local governments that have never negotiated an indirect cost.

#### Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVV grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

#### Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered subrecipients and should be reimbursed for actual costs incurred for the project rather than on a fee for service basis. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

#### Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

## Budget Detail Worksheet

**Purpose:** The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

**Please Note: The following budget is an example intended to assist you in preparing your application budget.**

**A. Personnel** – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

**TOTAL PERSONNEL:     \$ 212,700**

**B. Fringe Benefits** – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

**TOTAL PERSONNEL AND FRINGE BENEFITS: \$ 245,181**

The tribe is requesting fringe benefits for the Program Coordinator, the Investigator, and the Administrative Assistant.

**C. Travel** – Itemize travel expenses of project personnel by purpose (e.g., staff to training, field interviews, advisory group meeting, etc.). Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of Travel Policies applied, Applicant or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated	TBD	Airfare	\$500 (avg.) x 3 people x 4 trips	\$ 6,000

\$12,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the cost of travel for staff of the tribe in accordance with program guidelines. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The sites of the training sessions are unknown at this time. Travel estimates are based upon the tribe's formal written travel policy.

**TOTAL TRAVEL: \$ 12,000**

**D. Equipment** – List non-expendable items that are to be purchased. (Note: Organization’s own capitalization policy for classification of equipment should be used.) Expendable items should be included in the “Supplies” category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “Contractual” category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$750/camera x 2 cameras	\$ 1,500

The video cameras will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking.

**TOTAL EQUIPMENT: \$ 1,500**

**E. Supplies** – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, hand held tape recorders) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project.

Office supplies and postage are needed for the general operation of the program. The Victim Assistance Kits will be provided to victims of domestic violence, dating violence, sexual assault, and stalking who seek assistance from the program. The kits contain toiletries and other necessities. The estimated cost is based on previous kit prices from other programs. We estimate that at least 75 kits will be needed.

**TOTAL SUPPLIES: \$ 9,075**

**F. Construction** – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with the program office before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
<b>TOTAL CONSTRUCTION:</b>		<b><u>\$ 0</u></b>

**G. Consultants/Contracts** – Indicate whether applicant’s formal, written Procurement Policy or the Federal Acquisition Regulations are followed.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Consultant fees in excess of \$650 per day or \$81.25 per hour require additional justification and prior approval from the Office on Violence Against Women.

Consultant /Trainer	Sexual Assault Training	\$650/day x 3 days	\$ 1,950

A Consultant/Trainer will provide a three day on-site training on sexual assault and related issues to tribal leaders, law enforcement, prosecution, court personnel, and medical and social services personnel. The training will focus on the challenges of providing support and advocacy services to Indian victims of sexual assault, dating violence, and elder abuse.

The tribe will hire a Part-Time Prosecutor. The Part-Time Prosecutor will be compensated at an hourly rate of \$50/hour. The Part-Time Prosecutor will spend 20 hours each month prosecuting crimes related to domestic violence, dating violence, sexual assault, and stalking.

**Subtotal Consultant Fees: \$ 37,950**

Consultant Travel: List all expenses to be paid from the grant to the individual consultant in addition to their fees (i.e., travel, meals, lodging etc.).

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	Airfare	\$550 (avg.) x 2 people x 4 trips	\$ 4,400
		Lodging	\$100 (avg.) x 3 nights x2 people x 4 trips	\$ 2,400

\$8,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the cost of travel for staff of the tribe in accordance with program guidelines. The sites of the training sessions are unknown at this time.

Funds have also been allocated to pay for the Consultant/Trainer to travel to the reservation to provide sexual assault training.

**Contracts:** Provide a description of the product or services to be procured by contract and an estimate of the cost. Applicants are encouraged to promote free and open competition in awarding contracts. A separate justification must be provided for sole source contracts in excess of \$150,000.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>

Equipment and Rental Lease	\$300/month x 36 months	\$10,800
<b>Subtotal Contracts:</b>		<b><u>\$ 13,500</u></b>

The Shelter Advocates will share a cellular phone so that they may be contacted 24 hours/day, 7 days a week to provide emergency services and transportation to victims in need.

Equipment to be rented and/or leased includes the copier and printer. The copier and printer costs are allocated based on historical usage

**TOTAL CONTRACTS AND CONSULTANTS:     \$ 60,155**

**H. Other Costs** – List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by major type and the basis of the computation. Utilities	\$200/month x 36 months	\$ 7,200
Housing Assistance	\$500/family x 12 families/year x 3 years	\$18,000

The Sexual Assault Training manuals will be purchased from the Sexual Assault Resource Center and will be used in conjunction with the on-site training that will be provided by the Consultant/Trainer.

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.

**TOTAL OTHER COSTS: \$ 84,900**

**I. Indirect Costs** – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.

<b><u>Description</u></b>	<b><u>Computation</u></b>	<b><u>Cost</u></b>
13.25% of Direct Salaries (Excluding Fringe Benefits)	\$212,700 x 13.25%	\$28,183

**TOTAL INDIRECT COSTS:                      \$ 28,183**

The Indirect Cost Rate Agreement was approved by the Department of the Interior, the applicant's cognizant federal agency on January 1, 2015. (A copy of the fully executed, negotiated agreement is attached).
