# **OVW Consolidated Grant Program to Address Children and Youth Experiencing Domestic and Sexual Assault and Engage Men and Boys as Allies**

## **(CFDA #16.888)**

### ***A. Program Description***

#### **Overview**

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

#### **About the OVW Consolidated Youth and Engaging Men Program**

This program is authorized by the FY 2012, 2013, 2014, 2015, and 2016 federal appropriation acts, which consolidated four previously authorized and appropriated programs into one comprehensive program<sup>1</sup>. The Consolidated Youth and Engaging Men Program funds projects designed to provide coordinated community responses (CCR) that support child, youth and young adult victims through direct services, training, coordination and collaboration, effective intervention, treatment, response, and prevention strategies.

The Consolidated Youth and Engaging Men Program provides the opportunity for communities to increase collaboration among non-profit victim service providers, community service organizations including those focused on engaging men as role models, schools, tribes and tribal governments, and local government agencies to enhance prevention, intervention, and response efforts in addressing sexual assault, domestic violence, dating violence and stalking in children, youth and young adults ages 0-24.

For additional information on the Consolidated Youth and Engaging Men Program, including what past Consolidated Youth and Engaging Men Program grantees have accomplished with their grant funds and to view the Consolidated Youth and Engaging Men Program performance measures and reporting data, see

---

<sup>1</sup> The four programs included in the FY 2012, FY 2013, FY 2014, and FY 2016 consolidations were: Services to Advocate for and Respond to Youth (Youth Services), Grants to Assist Children and Youth Exposed to Violence (CEV), Engaging Men and Youth in Preventing Domestic Violence (EMY), and Supporting Teens through Education and Prevention (STEP).

## **Program Scope**

Activities supported by the Consolidated Youth and Engaging Men Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the guide after an award is made, and the conditions of the award.

## **Purpose Areas**

In FY 2017, funds under the Consolidated Youth and Engaging Men Program may be used for the following purposes:

### **Comprehensive Projects:**

Develop, expand, and strengthen prevention strategies and intervention services that target children, youth and/or young adults who are victims of and/or exposed to sexual assault, domestic violence, dating violence, or stalking, including support for non-abusing parents, caretakers and legal guardians.

- A. Prevention strategies may include: bystander intervention, peer to peer education, parent/guardian education, community or public awareness campaigns, engaging men as mentors and role models; **AND**
- B. Intervention must include direct advocacy and counseling services. Other services may include, but are not limited to: home visitation, emergency shelter, transitional housing, mental health services, legal advocacy, mentoring, educational support, and transportation.

### **Engaging Men Projects:**

Develop and implement strategies that focus on the inclusion and engagement of men as role models and key influencers in public education campaigns, community organizing activities, and/or primary prevention strategies addressing sexual assault, domestic violence, dating violence, or stalking. Activities should meaningfully incorporate men's organizations or programs that work to empower men and develop male leaders to be allies in addressing gender based violence.

**Please note: An applicant may only submit one proposal for funding consideration under the FY 2017 Consolidated Youth and Engaging Men Program.**

## **Mandatory Program Requirements**

Applicants that receive funding under the Consolidated Youth and Engaging Men Program will be required to engage in the following activities:

### New Grantee Orientation

All new grantees must participate in a mandatory new grantee orientation. Continuation grantees may send new staff to the new grantee orientation.

### Planning Phase

All grantees must complete a planning phase prior to project implementation. The planning phase is generally no more than six months. Grantees will work with OVW and the Consolidated Youth and Engaging Men program's designated Technical Assistance providers to establish the groundwork for developing their projects.

- New grantees will be required to enhance, revise or develop policies that:

- a) address confidentiality, information sharing, parental consent, and mandatory reporting (if applicable);
  - b) support or enhance the safety and security of children, youth and young adults who have been or are being exposed to violence, including their non-abusing caregiver, parent, or legal guardian (if applicable); and
  - c) secure background checks for any adults working with minors or vulnerable population(s), including employees, potential employees, volunteers, interns, and/or mentors (if applicable).
- Continuation grantees will be required to:
    - a) conduct a community needs assessment if expanding project activities beyond original needs assessment (if applicable); and
    - b) develop and submit a strategic plan for implementation of project activities.

Grantees may not engage in grant-funded implementation activities until OVW has approved a community needs assessment, strategic plan, and a technical assistance plan. To complete the required planning activities, Comprehensive grantees will have access to \$100,000 and Engaging Men Projects will have access to \$50,000 of funding.

#### Technical Assistance

All grantees must participate in all technical assistance (TA) events supported by the Consolidated Youth and Engaging Men Program designated TA providers. TA will be delivered through, but not limited to: regular contact with the designated TA providers, on site TA visits, training and technical assistance institutes and web-based trainings. For more information on TA, please review the TA section in the “Training and Technical Assistance” under the [“Funding Restrictions”](#) section.

#### **OVW Priority Areas**

In FY 2017, OVW is interested in supporting the priority areas identified below. Applications proposing activities in the following areas will be given special consideration during the application review process.

**1. Strengthen and revitalize coordinated community response and multi-disciplinary teams, prioritizing those that meaningfully involve organizations and programs that focus on marginalized communities.**

OVW encourages applicants to submit projects that focus on creating, strengthening, and/or revitalizing CCR and multi-disciplinary teams that represent the many stakeholders that interact with children and youth victims of sexual assault, domestic violence, dating violence, or stalking, including those stakeholders that interact with the non-abusing parent or legal guardian of children and youth exposed to sexual assault, domestic violence, dating violence, or stalking.

**2. Meaningfully increase access to OVW programming for specific underserved populations (based on race, ethnicity, sexual orientation, gender identity, disability, age, etc.).**

OVW encourages applicants to submit projects that develop and provide appropriate services to underserved communities. This may include targeted services to lesbian, gay, bisexual, transgender, two-spirited, queer, and questioning youth victims; homeless and runaway youth and young adult victims of sexual assault, domestic violence, dating violence and stalking; youth victims of sex trafficking and sexual exploitation; youth involved in the foster care and juvenile justice systems; and youth affiliated with gangs. During the peer review process, applicants that propose to work with these underserved

populations will be assessed on the merits of proposed activities and their partnerships with organizations serving the target populations.

**3. Increase the use of promising or evidence-building practices, where available.**

OVW recognizes the benefit of utilizing evidence-based practices. As such, all applicants must describe why they have chosen a particular school based prevention model or, if no model has been designated yet, describe their process for selecting a model.

Applicants that utilize an evidence-based model, such as the U.S. Department of Education, Office of Safe and Healthy Students' [Safe Place to Learn](#) or [the Fourth R Curriculum](#), to infuse trauma-informed strategies that support children and youth victims of sexual assault, domestic violence, dating violence, and stalking in the development and implementation of their proposed project activities will be given priority.

**Activities that Compromise Victim Safety and Recovery**

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;<sup>2</sup>
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services, including the sharing of confidential victim information with outside organizations and/or individuals without the documented consent of the victim or the non-abusing parent, legal guardian or caretaker;
3. Procedures or policies that impose requirements on victims in order to receive services (e.g. seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies);
4. Procedures or policies that fail to include conducting safety planning with victims;
5. Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;
6. Procedures or policies that require automatic reporting to child protective services regardless of the circumstances of an incident, including those that may implicate victims of domestic violence for failure to protect, except if required under state law;
7. Procedures or policies that deny children, youth, young adults and their non-abusing parents, caretakers, or legal guardians access to services based on their involvement with the perpetrator;
8. Procedures or policies that require victims to modify their class schedules and/or other arrangements (such as locker locations or housing assignments) without first allowing for the option for the temporary and/or permanent modification of the perpetrator's class schedule, locker location, or housing assignments;
9. Dissemination of information or education that places any blame on the victim; and

---

<sup>2</sup>If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information."

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

### **Out-of-Scope Activities**

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by the Consolidated Youth and Engaging Men Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See “Research and Protection of Human Subjects” in the [Solicitation Companion Guide](#)).
2. Child Protective Service Investigations: Grant funds may not be used to support child protective service investigations of abuse or neglect.
3. Child Visitation Services: Grant funds may not be used to support child visitation activities, services, or fees including supervised visitation.
4. Certain Counseling Services: Grant funds may not support the provision of direct mental health or counseling services for children and youth by employees or contractors who are not in compliance with required local, state, and federal licensure and/or certification requirements.
5. Perpetrator Services: Grant funds may not be used to conduct services for perpetrators of sexual assault, domestic violence, dating violence, or stalking, such as counseling, batterer intervention, and anger management.
6. Sexual Harassment: Grant funds may not be used to develop training, products or policies on sexual harassment.
7. Substance Abuse: Grant funds may not be used to implement prevention programs that focus primarily on alcohol and substance abuse.
8. Product Development: Grant funds may not be used to develop materials that are not tailored to the identified targeted populations.
9. Certain Prevention Education: Grant funds may not be used to implement prevention education activities that do not clearly identify sexual assault, domestic violence, dating violence, or stalking as the primary focus. For example the focus of an event should not be bullying or relationships in general, but should clearly identify and link to the aforementioned crimes.
10. Performances: Grant funds may not be used to conduct theatre performances that are not specific to sexual assault, domestic violence, dating violence, or stalking issues.

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

### **Unallowable Activities**

OVW has determined the activities listed below to be unallowable, and they will not be supported by the Consolidated Youth and Engaging Men Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction

Applications that propose unallowable activities may receive a point deduction during the review process or may be eliminated from further consideration entirely.

## ***B. Federal Award Information***

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

### **Award Period**

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2017.

### **Award Amounts**

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Funding levels under the Consolidated Youth and Engaging Men Program for FY 2017 are as follows:

#### Comprehensive Projects:

Up to \$750,000

#### Engaging Men Projects:

Up to \$350,000

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

The Consolidated Youth and Engaging Men Program typically make awards in the range of \$500,000 to \$750,000 for comprehensive projects and \$300,000 to \$350,000 for engaging men projects. OVW estimates that it will make up to 10-25 awards for an estimated \$8,000,000.

For FY 2017, OVW will prioritize Engaging Men projects with a goal of allocating at least one quarter of appropriated funds to support viable Engaging Men projects.

Awards will be made as grants.

### **Types of Applicants**

In FY 2017, OVW will accept applications for the Consolidated Youth and Engaging Men Program from the following:

New: applicants that have never received funding under the Consolidated Youth and Engaging Men Program or whose previous funding expired more than 12 months ago.

Continuation: applicants that have an existing or recently closed (within the last 12 months) award under the Consolidated Youth and Engaging Men Program. Continuation funding is not guaranteed.

Grant recipients that received new or supplemental/continuation from the Consolidated Youth and Engaging Men Program funding for 36 months in FY 2015 or FY 2016 are NOT eligible to apply.

Additionally, continuation applicants with 50% or more funds remaining at the time of application submission without adequate justification may not be considered for funding in FY 2017.

Applicants intending to apply for FY 2017 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with SAM and with [Grants.gov](http://Grants.gov). The letter should be submitted to OVW at [OVW.consolyouth@usdoj.gov](mailto:OVW.consolyouth@usdoj.gov) by January 26, 2017. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

### **Pre-Application Information Sessions**

OVW will conduct two Pre-Application Conference Call Information Sessions. During these sessions, OVW staff will review the Consolidated Youth and Engaging Men Program requirements, review the solicitation, and allow for a brief question and answer session. Participation in these sessions is optional. The sessions are tentatively scheduled for:

1. January 13, 2017 at 2:00pm EST
2. January 27, 2013 at 2:00pm EST

Anyone interested in submitting an application to the Consolidated Youth and Engaging Men Program may register to participate in a pre-application information session. The total number of participants for each session is limited to 100 participants. Registration is on a first-come-first-serve basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many communities as possible may join the session. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction.

To register, please email [OVW.consolyouth@usdoj.gov](mailto:OVW.consolyouth@usdoj.gov) with the preferred date of the pre-application information session. Registration must be received at least two days prior to the start of the session. Special accommodations for deaf or hard of hearing individuals or non-English speaking individuals can be provided if email notification is provided to OVW 10 business days prior to the information session. Requests for special accommodations should be emailed to [OVW.consolyouth@usdoj.gov](mailto:OVW.consolyouth@usdoj.gov).

### **Application Contents**

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

Applicants should not submit documents that were not specifically asked for in the solicitation. Providing information that was not requested will not increase the likelihood that an application will be selected for funding. All materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

If the applicant is not a nonprofit organization or is a nonprofit that does not use the safe-harbor procedure, provide a statement to that effect. For additional information about the safe-harbor procedure, see "[Disclosures Related to Executive Compensation](#)" section.
9. The percentage of grant activities, should the application be funded, that will address each of the following issues:
- Sexual assault;

15. List the priority areas (if applicable) to be addressed through the proposal.

### **Proposal Abstract**

The Proposal Abstract should provide a short and accurate summary (no more than two pages double-spaced) of the proposed project, including who will be involved with the proposed project, what will be done as primary activities, what products will be produced, the service area where the proposed project will take place and who will be impacted by the proposed project. #### Who Will Implement the Project (20 points)

The application must identify the key individuals and organizations involved in the proposed project. This section must demonstrate that the individuals and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities.

Comprehensive Applicants Must:

1. Provide a list of all key project personnel and describe roles and responsibilities specific to the project activities.
2. Provide a detailed description that demonstrates the applicant, partner organizations and individual consultants (if applicable) have the relevant history, experience, expertise and capacity to:

**Engaging Men Applicants Must:**

1. Provide a list of all key project personnel and describe roles and responsibilities specific to the project activities.
2. Provide a detailed description that demonstrates the applicant, partner organizations and individual consultants (if applicable) have the relevant history, experience, expertise and capacity to:

  - provide trauma-informed crisis counseling and referrals for the proposed age range (children/youth/young adults);
  - engage with the targeted underserved populations; and
  - conduct prevention education, intervention strategies, or community awareness activities related to sexual assault, domestic violence, dating violence, or stalking; and
  - develop and implement programs and activities related to engaging men as role models, mentors, and leaders for youth.

**Budget Detail Worksheet and Narrative (10 Points)**

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the [DOJ Financial Guide](#).

Award Period and Amount

Applicants should carefully consider the resources needed to implement a community-wide project and present a realistic budget that accurately reflects the costs involved for a 36-month budget. Proposed budgets should not exceed the established limits of:

Comprehensive projects:

Up to \$750,000

Engaging Men projects:

Up to \$350,000

Budget Requirements

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the

budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds or include other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. Please see "[Accessibility](#)" under "F. Federal Award Administration Information."
2. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$50,000 for states and \$55,000 for territories, Hawaii and Alaska (this amount is for both Comprehensive and Engaging Men Projects). Please see "[Training and Technical Assistance](#)" in the Funding Restrictions section of the solicitation.
3. Include funds to compensate all project partners for their participation in any project-related activities, including, but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget must include compensation for all services rendered by project partners, including victim service providers. If a partner is a state, local, tribal, or territorial agency and the partnership activities are conducted within the course of the agency's "regular" scope of work, the applicant does not need to compensate the partner if an explanation of this arrangement is included in the budget and Memorandum of Understanding.

For additional guidance please go to the [Funding Restrictions](#) section of the solicitation.

### **Memorandum of Understanding (MOU) (15 Points Total)**

For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the Chief Executive Officer of each proposed partner agency during the development of the application. If necessary, an MOU can include multiple signature pages so long as each page includes the name and title on each signature page.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;<sup>8</sup>
3. Identify the individuals from each agency who will be responsible for implementing project activities and describe how they will work with other project staff;
4. Specify the extent of each partner's participation in developing the application. List the individuals involved in planning this proposal;
5. Indicate approval of the proposed project budget by all MOU signing parties. If a project partner is providing in-kind services it must be clearly stated in the MOU;

---

<sup>8</sup> Applicants that include project activities that are focused on prevention education and outreach must ensure the availability of victim services such as crisis counseling or referrals to mental health care through their own programming or through an appropriate project partner at such events.

6. Include the printed name, title, and agency, for the applicant and all required partners, under each signature at the end of the MOU document; and
7. For project partners who are schools or school districts, the following signatures must be included in the MOU:
  - A. a school district must include the signature of the superintendent/chief executive officer;
  - B. a single school or group of schools must include the signatures of all participating school principals **and** all relevant superintendent/chief executive officers.

**Letters of support may not be submitted in lieu of a signed MOU.**

**Failure to provide an MOU that is not specific to the activities described in the project narrative including the who will implement sections of the application will result in the application not being forwarded for further consideration. In addition, MOUs that are not dated at the time of the development of the application will result in the application not being forwarded for further consideration.**

### **Additional Required Information**

The following documents will not be scored during the review process but they should be included with your application. Failure to include any of the information may result in your application being removed from consideration from funding.

#### Disclosure of Process Related to Executive Compensation.

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the "Summary Data Sheet" mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must **describe** in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that

reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

#### Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at [http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality\\_acknowledgement\\_form\\_42015.pdf](http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf). This form must be signed by the authorized representative and uploaded with the application on [Grants.gov](http://Grants.gov).

#### Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For "Type of Applicant," please do not select "other." Please pay careful attention to the amount of federal funding requested in the "Estimated Funding" section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. Only include values for "Applicant" if the program solicitation requires a match. The individual who is listed in "**Authorized Representative**" must be individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

#### Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter "N/A" in the required highlighted fields.

#### Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to [http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup\\_letter.pdf](http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf) for a sample letter. This should be a separate attachment to the application in [Grants.gov](http://Grants.gov).

### Financial Accounting Practices

Each applicant must prepare a response to the following questions. Please be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in [Grants.gov](https://www.grants.gov).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Please provide a brief description of the applicant organization's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Does the applicant organization or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Organizations are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Please provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in funds.

### Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an

Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

#### Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Please include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [Grants.gov](https://www.grants.gov).

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year. Tribes that have never negotiated an indirect cost rate with the federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

#### **Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)**

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](https://www.grants.gov) uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.

3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [Grants.gov](http://Grants.gov) and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

Registration	Where to Register	Deadline
DUNS	<a href="http://DUNS">DUNS</a>	January 26, 2017
SAM	<a href="http://SAM">SAM</a>	January 26, 2017
Grants.gov	<a href="http://Grants.gov">Grants.gov</a>	January 26, 2017

**There is no fee associated with the registration process. Additionally, the registration process cannot be expedited.** OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS number, register online with the SAM and with [Grants.gov](http://Grants.gov) immediately, but no later than January 26, 2017.

#### Submission Dates and Times

It is very important that applicants read this section carefully. It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

**Applicants are strongly encouraged to begin the application submission process at least 48 hours but no later than 24 hours before February 16, 2017.**

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T. on February 16, 2017**. Applications submitted after **11:59 p.m. E.T. on February 16, 2017** will not be considered for funding. Applicants experiencing difficulties submitting an application should refer [Experiencing Technical Difficulties During Submission](#) in the chart below.

**OVW Policy on Duplicate Applications**

An applicant should submit one application for the same project per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

**OVW Policy on Late Submissions**

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed. Applicants should refer to the chart below for the various scenarios. Applicants should thoroughly familiarize themselves with the requirements as outlined by OVW in the chart below. An applicant’s request to submit an application after the deadline will be considered by OVW if all of the steps below are followed. Only in rare circumstances are extensions granted. For applicants that receive permission to submit an application after the deadline, those applications will be reviewed to ensure that the application meets the basic minimum eligibility requirements (BMR) and will be subject to the review process as outlined in this solicitation.

<b>Step</b>	<b>Timeline</b>	<b>Action</b>
Experiencing Technical Difficulties Prior to or During Application	Prior to the application deadline, the applicant must contact the <a href="#">Grants.gov</a> Customer Support Hotline at 1-800-518-4726, or <a href="mailto:support@grants.gov">support@grants.gov</a> , 24 hours a day, 7 days a week, except on Federal holidays.	Prior to the application deadline February 16, 2017.

Submission	Contact the Consolidated Youth and Engaging Men Program at <a href="mailto:OVW.consolyouth@usdoj.gov">OVW.consolyouth@usdoj.gov</a> prior to the application deadline stating that the applicant is experiencing unforeseeable technical issues and provide a phone number and/or email address where the applicant can be reached.	
Request Permission to Submit a Late Application.	Within 24 hours after the application deadline, the applicant must email the following information to the Consolidated Youth and Engaging Men Program at <a href="mailto:OVW.consolyouth@usdoj.gov">OVW.consolyouth@usdoj.gov</a> to request permission to submit a late application. The request should include the complete grant application, DUNS number, and the <a href="http://Grants.gov">Grants.gov</a> Help Desk tracking number(s).	Within 24 hours after the deadline February 16, 2017.
OVW Review and Late Application Submission Decision	<p>OVW will review and verify, with the <a href="http://Grants.gov">Grants.gov</a> Customer Support Hotline, all information submitted related to the technical difficulties experienced by the applicant.</p> <p>OVW will contact the applicant to either approve or deny the request to submit a late application. If the technical issues cannot be verified as unforeseeable, the application will be rejected as late.</p> <p>Applicant may contact the Consolidated Youth and Engaging Men Program at <a href="mailto:OVW.consolyouth@usdoj.gov">OVW.consolyouth@usdoj.gov</a> for information on the request.</p>	It is anticipated that decisions will be made within three weeks from the application deadline.
Extraordinary Natural or Manmade Disasters	In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit late applications to the Consolidated Youth and Engaging Men Program at <a href="mailto:OVW.consolyouth@usdoj.gov">OVW.consolyouth@usdoj.gov</a> . The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.	Up to 7 calendar days after the application deadline of February 16, 2017.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. Applicants should register with SAM and [Grants.gov](http://Grants.gov) by January 26, 2017. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.

Please note that the [Grants.gov](https://www.grants.gov) notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see "[Experiencing Unforeseeable Technical Issues](#)" for information on the steps applicants must follow if corrective action is required.

### **Intergovernmental Review - Single Point of Contact Review**

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at [http://www.whitehouse.gov/omb/grants\\_spoc](http://www.whitehouse.gov/omb/grants_spoc).

### **Funding Restrictions**

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the [DOJ Financial Guide](#). The [DOJ Financial Guide](#) includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the [DOJ Financial Guide](#). Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

### Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

### Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings,

retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is available on the OVW website at <http://www.justice.gov/ovw/grantees>. For additional information regarding food and beverage regulations, please refer to the [DOJ Financial Guide](#).

#### Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$50,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$55,000 to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

#### Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

### Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the [DOJ Financial Guide](#) for more information on pre-award costs.

### **Other Submission Requirements**

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions in the [OVW Policy on Late Submission](#) section above.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [Grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

**Note: [Grants.gov](#) limits the use of specific characters in names of attachment files.** Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

<b>Characters</b>	<b>Special Characters</b>		
Upper case (A – Z)	Parenthess ( )	Curly braces { }	Square brackets [ ]
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)

Period ( . )			

**OVW strongly suggests using simple titles for all documents, such as “FY 2017 OVW Project Narrative.” Please visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.**

The E-Business Point of Contact (E-Biz POC) within the applicant’s organization must register the organization with [Grants.gov](#). The E-Biz POC oversees the organization's [Grants.gov](#) transactions and assigns the [AOR](#). The [AOR](#) submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the [AOR](#) for an organization.

1. *Step 1:* Go to [Grants.gov](#). Scroll over the “APPLICANTS” drop down and click the “Organization Registration Link”.
2. *Step 2:* Register with [SAM](#)
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)
5. [Step 5: TRACK AOR STATUS](#)

**The application process can move forward once the organization successfully registers with [Grants.gov](http://www.grants.gov).**

### **Downloading a Grant Application Package**

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application package. To verify if the Adobe software version is compatible with [Grants.gov](http://www.grants.gov), visit the following link: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

### **Completing the Grant Application Package**

The applicant must manually save changes to the grant application. [Grants.gov](http://www.grants.gov) does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

### **Submitting the Completed Grant Application Package**

[AORs](http://www.grants.gov) should closely monitor their email for any notification from [Grants.gov](http://www.grants.gov) about a possible failed submission. The [AOR](http://www.grants.gov) will receive a minimum of two emails from [Grants.gov](http://www.grants.gov). Log on to [Grants.gov](http://www.grants.gov). After the application is fully completed, errors are corrected, and the application is saved, click the “Save & Submit” button on the cover page. The application package will be automatically uploaded to [Grants.gov](http://www.grants.gov).

To ensure a successful application submission, OVW strongly encourages applicants to start their applications at least 48, but no less than 24, hours before the deadline.

A confirmation screen will appear once the submission is complete. A [Grants.gov](http://www.grants.gov) tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The [Grants.gov](http://www.grants.gov) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T; except federal holidays.

## ***E. Application Review Information***

### **Criteria**

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the Consolidated Youth and Engaging Men Program, scoring will be as follows:

1. Summary data sheet: (5) points

2. Project narrative: (70) points, of which
  - A. Purpose of the project: (20) points
  - B. What will be done: (30) points
  - C. Who will implement: (20) points
3. Budget narrative and detail worksheet: (10) points
4. MOU: (15) points

## **Review and Selection Process**

### Peer Review

OVW will subject all eligible applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. An applicant with considerable past performance issues may be removed from consideration. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery: up to 15 points.
2. Out-of-scope activities: up to 10 points.
3. Past performance: up to 25 points.
4. Formatting and Technical Requirements: up to 5 points.

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds
11. Adherence to the requirements of the [DOJ Financial Guide](#)

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

#### High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

#### **Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2017.

## ***F. Federal Award Administration Information***

### **Federal Award Notices**

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not grants.gov). This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#) and the scanning of the fully-executed award document to OVW.

#### Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2017 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance".

#### Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to recipients' programs and activities and ensuring that these programs and activities are readily accessible to qualified individuals with disabilities, including Deaf or hard of hearing individuals. More information on these obligations is available in the [Solicitation Companion Guide](#). Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

#### **Reporting**

##### Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours. ## **APPENDIX A**

## **Budget Guidance & Sample Budget Detail Worksheet**

## Budget Guidance

*Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [DOJ Financial Guide](#).*

### Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to [2 CFR Part 200.330](#).

### Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

### Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

### Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost.

#### Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

#### Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual costs incurred for the project rather than a fee for service. If a partner is a state or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

#### Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.
