OVW LEGAL ASSISTANCE FOR VICTIMS (LAV) GRANT PROGRAM (CFDA 16.524)

A. Program Description

Overview

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

About the OVW Legal Assistance for Victims Grant Program

This program is authorized by 42 U.S.C 3796gg-6. The Legal Assistance for Victims (LAV) Grant Program is intended to increase the availability of civil and criminal legal assistance¹ needed to effectively aid adult and youth victims of sexual assault, domestic violence, dating violence, and stalking who are seeking relief in legal matters relating to or arising out of that abuse or violence, at minimum or no cost to the victims. The LAV Grant Program supports holistic and comprehensive legal services, which involves treating the client as a whole person with access to a range of services beyond legal representation (such as counseling, support groups, and shelter/housing assistance), and a wide range of legal services to meet victim needs (such as filing protection orders, representation in housing or matrimonial court). LAV Grant Program funds may not be used to provide criminal defense services. The LAV Grant Program makes awards to law school clinics, domestic violence victims' programs and shelters, bar associations, rape crisis centers and other sexual assault services programs, private nonprofit entities, Indian tribal governments and tribal organizations, territorial organizations, and legal aid or statewide legal service organizations. Grant funds may be used to provide direct legal services to victims of sexual assault, domestic violence, dating violence, and stalking in matters relating to or arising out of that abuse or violence. The objective of the LAV Grant Program is to develop innovative, collaborative projects that provide quality representation to victims of sexual assault, domestic violence, dating violence, and stalking.²

¹ "Legal assistance" includes assistance to adult and youth victims of sexual assault, intimate partner domestic violence, dating violence, and stalking in: a) family, tribal, territorial, immigration, employment, administrative agency, housing matters, campus administrative or protection or stay away order proceedings, and other similar matters; and b) criminal justice investigations, prosecutions and post-trial matters (including sentencing, parole, and probation) that impact the victim's safety and privacy.

² Recent studies by the National Institute of Justice support the benefit of legal services provided by attorneys trained in domestic violence and sexual assault: a) Kernic, M. (May 2015). Final report of the impact of legal representation on child custody decisions among families with a history of intimate partner violence study. U.S. Department of Justice, National Institute of Justice, (NCJ 248886). <https://www.ncjrs.gov/pdffiles1/nij/grants/248886.pdf> and b) Hartley, C and Renner, L (May 2016). For additional information on the LAV Grant Program, including what past LAV grantees have accomplished with their grant funds and to view the LAV performance measures and reporting data, see <http://muskie.usm.maine.edu/vawamei/lavmain.htm>.

Program Scope

Activities supported by the LAV Grant Program are determined by statute, federal regulations, and OVW policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, the [DOJ Financial Guide](#), including updates to the guide after an award is made, and the conditions of the award.

Purpose Areas

In FY 2017, funds under the LAV Grant Program may be used for the following purposes:

1. To implement, expand, and establish cooperative efforts and projects between sexual assault, domestic violence, and dating violence victim service providers and legal assistance providers to provide legal assistance for victims of sexual assault, domestic violence, dating violence, and stalking.
2. To implement, expand, and establish efforts and projects to provide legal assistance for victims of sexual assault, domestic violence, dating violence, and stalking by organizations with a demonstrated history of providing direct legal or advocacy services on behalf of these victims.
3. To implement, expand, and establish efforts and projects to provide competent, supervised pro bono legal assistance for victims of sexual assault, domestic violence, dating violence, or stalking, except that not more than 10 percent of the funds awarded may be used for this purpose.

OVW Priority Areas

In FY 2017, OVW is interested in supporting the priority area identified below. Applications proposing activities in the following area will be given special consideration during the review process:

Sexual Assault Focused Applications

OVW recognizes the need to place increased focus on sexual assault, *beyond intimate partner sexual assault*, in order to address the lack of available direct legal services for survivors of sexual assault and the unique aspects of sexual assault trauma from which survivors must heal. To increase legal services for victims of sexual assault, LAV applicants proposing to focus 80% or more of their grant activities on sexual assault legal services, *beyond intimate partner sexual assault*, may submit applications requesting up to \$800,000. **Applications submitted under this priority area cannot focus solely or primarily on serving survivors of intimate partner sexual assault.** Applicants must demonstrate both an understanding of the range of legal services that a sexual assault survivor of non-intimate partner violence may require, and the capacity and willingness of the applicant and its partners to provide these services. Applicants should articulate the specific legal needs of sexual assault survivors within their communities and how project activities would meet those needs. Applications should also reflect the applicant's specialized training and experience in legal matters specific to non-intimate partner sexual assault. Meaningful responses to this priority area should demonstrate an authentic

commitment to addressing non-intimate partner sexual assault and should clearly show that the applicant has the capacity to address the priority effectively. Applicants that state an intent to address the sexual assault priority area without a clear demonstration of commitment, capacity and/or expertise to provide sexual assault legal services, *beyond intimate partner sexual assault*, will not be considered. Whether an applicant addresses sexual assault as a priority area, as well as the extent to which the application warrants special consideration under this priority area, will be determined by OVW.

Activities that Compromise Victim Safety and Recovery

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;³
2. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
3. Procedures or policies that impose requirements on victims in order to receive services (e.g. seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.);
4. Procedures or policies that fail to include conducting safety planning with victims;
5. Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;
6. Policies or practices that discourage accepting cases that do not have physical evidence; and
7. Refusal to represent victims who are also respondents/defendants.

Applications that propose activities that compromise victim safety and recovery may receive a deduction in points during the review process or may be eliminated from further consideration entirely.

Out-of-Scope Activities

OVW has determined the activities listed below to be out of the program scope, and they will not be supported by LAV Grant Program funding.

1. Research projects (This does not include program assessments conducted only for internal improvement purposes. See "Research and Protection of Human Subjects" in the [Solicitation Companion Guide](#)).
2. Tort cases
3. Child sexual abuse cases (under the age of 11)
4. Cases involving the child protection system
5. Criminal defense of victims charged with crimes
6. Support of law reform initiatives, including but not limited to litigation

³If an award is made, the recipient will also be subject to statutory prohibitions on discrimination. For further information on these civil rights requirements, see the section "Violence Against Women Act Non-Discrimination Provision" under "F. Federal Award Administration Information."

7. Providing general trainings and/or technical assistance to agencies that are not formal or informal LAV project partners
8. Cases involving Deferred Action for Childhood Arrivals (DACA)
9. Funds for victim assistance/support unrelated to the provision of legal assistance or legal advocacy (such as transitional housing assistance, child care, and rental assistance).

An application that is deemed to be substantially out-of-scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

Unallowable Activities

OVW has determined the activities listed below to be unallowable, and they will not be supported by LAV Grant Program funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction.

Applications that propose unallowable activities may receive a point deduction during the review process or may be eliminated from further consideration entirely.

B. Federal Award Information

Availability of Funds

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

Award Period

The grant award period is 36 months. Budgets must reflect 36 months of project activity, and the total "estimated funding" on the SF-424 must reflect 36 months. Generally, the award period will start on October 1, 2017.

Award Amounts

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Funding levels under the LAV Grant Program for FY 2017 are as follows:

1. New and Continuation LAV Grant Program applications that are proposing to provide primarily domestic violence focused legal services or less than 80% sexual assault focused legal services may request up to \$600,000.

2. New and Continuation LAV Grant Program applications proposing to provide 80% or more sexual assault focused legal services, *beyond intimate partner sexual assault*, may request up to \$800,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

The LAV Grant Program typically makes awards in the range of \$400,000 - \$800,000. OVW estimates that it will make up to 60 awards for an estimated \$35 million. Awards will be made as grants.

Types of Applicants

In FY 2017, OVW will accept applications for the LAV Grant Program from the following:

New: applicants that have never received funding under the LAV Grant Program or whose previous funding expired more than 12 months ago.

Continuation: applicants that have an existing or recently closed (within the last 12 months) award under the LAV Grant Program. Continuation funding is not guaranteed.

Grant recipients that received new or supplemental/continuation funding for 36 months in fiscal years 2015 and 2016 are NOT eligible to apply.

Additionally, continuation applicants with a substantial amount (50%) of funds remaining at the time of application submission without adequate justification may not be considered for funding in FY 2017.

C. Eligibility Information

Eligible Applicants

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

Eligible entities for this program are:

- **Private nonprofit entities.**
- **Publicly funded organizations not acting in a governmental capacity**, such as law schools.
- **Territorial organizations:** For the purposes of this solicitation, a “territorial organization” is defined as a nonprofit, nongovernmental organization addressing sexual assault, domestic violence, dating violence and/or stalking within a United States territory.

Other Program Eligibility Requirements

In addition to meeting the eligible entity requirements outlined above, applications for the LAV Grant Program must also meet the requirements below. All certification and other eligibility related documents must be current and developed in accordance with the FY 2017 solicitation. 2. any training program conducted in satisfaction of the requirement of paragraph (1) has been or will be developed with input from and in collaboration with a tribal, state, territorial, or local domestic violence, dating violence, sexual assault or stalking victim service provider or coalition, as well as appropriate tribal, state, territorial, and local law enforcement officials;
3. any person or organization providing legal assistance with funds through this program has informed and will continue to inform state, local, or tribal domestic violence, dating violence, sexual assault or stalking programs and coalitions, as well as appropriate state and local law enforcement officials of their work; and
4. the grantee's organizational policies do not require mediation or counseling involving offenders and victims physically together, in cases where sexual assault, domestic violence, dating violence, or child sexual abuse is an issue.

This certification shall take the form of a letter, on letterhead, signed and dated by the authorizing official. Failure to provide a letter certifying to these requirements may disqualify an application from further consideration. At a minimum, an application missing the required certification letter will be required to submit a certification letter prior to receiving an award. The signed certification letter must be uploaded as a separate attachment in Grants.gov. A sample certification letter can be found in [Appendix F](#).

Required Partnership with a Domestic Violence and/or Sexual Assault Victim Service Provider

All lead applicants that are not domestic violence and/or sexual assault victim service providers **are required** to enter into a collaborative working relationship with sexual assault and/or domestic violence victim service providers within the community to be served.

A domestic violence and/or sexual assault victim service provider is a nonprofit, nongovernmental organization, tribal organization, or rape crisis center, including a state or tribal domestic violence and/or sexual assault coalition, domestic violence shelter, faith-based organization, or other organization, with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking. Victim service providers should meet all of the following criteria: 1) provide direct services to victims of sexual assault, domestic violence, dating violence, or stalking as one of their primary purposes and have a demonstrated history of effective work in this field; 2) address a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence; and 3) not engage in or promote activities that compromise victim safety.

Family Justice Centers are not considered domestic violence and/or sexual assault victim service providers under the LAV Grant Program.

Additional Program Eligibility Requirements

The sexual assault and/or domestic violence victim service provider must be involved in the development and implementation of the project. For example, if the lead applicant is an organization with a primary mission to provide services to victims of crime generally, a community action agency, a community-based improvement corporation, a law school or is a legal services program, that organization must partner with a domestic violence or sexual assault program. An applicant without the required partnership may be removed from consideration.

Limit on Number of Applications Submissions

An applicant can only submit one application per organization in response to this solicitation. If an applicant submits multiple versions of the same application, OVW will review only the most recent system-validated version submitted before the deadline.

D. Application and Submission Information

Address to Request Application Package

The complete application package is available on Grants.gov or at the [OVW website](http://www.justice.gov/ovw) at <http://www.justice.gov/ovw>. Applicants wishing to request a paper copy of the application materials should contact ovw.lav@usdoj.gov.

Content and Form of Application Submission

The information below (“**Letter of Registration**” through “**Additional Required Information**”) describes the full content and form of application submission.

Letter of Registration

Applicants intending to apply for FY 2017 funding under this program are strongly encouraged to submit a letter of registration. The letter should state that the applying organization is registered and current with SAM and with Grants.gov. The letter should be submitted to OVW at ovw.lav@usdoj.gov by January 26, 2017. This will ensure that the applicant is well-positioned to successfully submit a proposal by the application deadline. This letter will not obligate the applicant to submit an application. See [Appendix B](#) for a sample Letter of Registration.

Pre-Application Information Sessions

OVW will conduct one web-based and/or conference call Pre-Application Information Session. During this session, OVW staff will review the LAV Grant Program requirements, review the solicitation, and allow for a brief question and answer session. Participation in this session is optional. The session is tentatively scheduled for:

Wednesday, January 25, 2017 from 2pm – 4pm.

Anyone interested in submitting an application to the LAV Grant Program may register to participate in the pre-application information session. Registration is on a first-come-first-serve basis, and space is not guaranteed. Interested participants from the same agency/jurisdiction are strongly encouraged to participate together so that as many communities as possible may join the session. OVW reserves the right to deny multiple registrations from a single agency/jurisdiction.

To register, please email ovw.lav@usdoj.gov using the subject line: “Pre-Application Information Session RSVP.” Registration must be received at least two days prior to the start of the session. Accommodations for persons with disabilities will be provided if requested. Accommodations must be requested no later than 05 days prior to the information session.

Application Contents

This section describes what is included in a complete application package. Applicants should anticipate that failure to submit an application that contains all of the specified elements will negatively affect the review of the application and may result in the application not being considered for funding. Should a decision be made to make an award, it may result in the inclusion of special conditions that preclude access to or use of award funds pending

satisfaction of the conditions. It is the responsibility of the applicant to ensure that a complete application is submitted by the deadline. OVW will not contact applicants for missing items.

Applicants should not submit documents that were not specifically asked for in the solicitation. Providing information that was not requested will not increase the likelihood that an application will be selected for funding. All materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

1. Describe how the proposed project will be accessible to individuals with disabilities, individuals who are Deaf or hard of hearing, and persons with limited English proficiency.
2. Describe the extent to which the application will provide holistic and comprehensive legal services to sexual assault, domestic violence, dating violence, and/or stalking victims who cannot afford legal services as determined by the lead applicant or project partner after an intake interview with the prospective client. The LAV Grant Program was created to provide victims with access to appropriately trained representation designed to meet the broad spectrum of legal issues survivors encounter. Although protection

orders play an important role in victim safety, they do not address the breadth of legal needs of survivors of sexual assault, domestic violence, dating violence, and stalking. Holistic and comprehensive legal services should, as much as possible, include representation for emergency and non-emergency protection order hearings and other legal matters relating to or arising out of the abuse or violence, including family matters such as divorce, child custody or child support, immigration, administrative agency, consumer or housing matters, and other similar matters.

3. Describe measurable goals and objectives for the proposed project.
4. Describe specific tasks and activities necessary for accomplishing all stated goals and objectives.
5. Describe how proposed activities would address the need identified.
6. Detail how the proposed activities will protect confidentiality.
7. Include a timeline for the proposed project that identifies when the tasks and activities will be accomplished within the 36 month grant period.
8. Provide a supervision and mentoring plan for attorney staff involved in the project.
9. Include a description of any products that will be generated using grant funds and how these products will be used to address the legal needs of victims of sexual assault, domestic violence, dating violence, and stalking. Some communities would not benefit from the development of new products. Applicants should provide a brief explanation if their application does not contemplate developing any products.
10. If applicable, applications proposing to serve victims of underserved communities must demonstrate both an understanding of the range of legal services that a survivor may require and the capacity and willingness of the applicant and its partners to provide these services. Applicants should articulate the specific legal needs of survivors within their communities and how project activities will meet those needs. Applications should also reflect the applicant's specialized training and experience in legal matters specific to those communities.⁵ We strongly encourage applicants to provide comprehensive legal services to underserved communities.
11. Applicants proposing to use any technology (including, but not limited to, security systems, GPS, hotlines, and databases), should explain how they plan to address any victim safety concerns that may arise from the use of the technology, such as confidentiality, safety planning, and informed consent.

Applicants proposing to provide 80% sexual assault legal services, beyond intimate partner sexual violence, must also:

1. Describe the holistic and comprehensive legal services that will be provided to victims of non-intimate partner sexual assault.
2. Describe any proposed outreach efforts to victims of non-intimate partner sexual violence regarding the comprehensive legal and/or support sexual assault services that will be provided by the proposed project.
3. State how many survivors of intimate partner sexual violence were served in the past 12 months and how many survivors of non-intimate sexual violence were served in the past 12 months by the lead applicant and project partner(s). Provide information on the types of legal and support services that were provided to survivors of intimate partner and non-intimate partner sexual violence.

⁵ The term "underserved populations" includes populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, and populations underserved because of special needs (such as language barriers, disabilities, alienage status, or age). 42 U.S.C. 13925 (a)(39).

Who Will Implement the Project (15 points)

The application must identify the key individuals and organizations involved in the proposed project. This section must demonstrate that the individuals and organizations identified have the capacity to address the stated need and can successfully implement the proposed project activities.

All applicants that are not sexual assault and/or domestic violence victim service providers are required to enter into a collaborative working relationship with nonprofit, nongovernmental, sexual assault and/or domestic violence victim service providers within the community to be served. A domestic violence and/or sexual assault victim service provider is a nonprofit, nongovernmental organization, tribal organization, or rape crisis center, including a state or tribal domestic violence and/or sexual assault coalition, domestic violence shelter, faith-based organization, or other organization, with a documented history of effective work concerning domestic violence, dating violence, sexual assault, or stalking. Victim service providers should meet all of the following criteria: 1) provide direct services to victims of sexual assault, domestic violence, dating violence, or stalking as one of their primary purposes and have a demonstrated history of effective work in this field; 2) address a demonstrated need in their communities by providing services that promote the dignity and self-sufficiency of victims, improve their access to resources, and create options for victims seeking safety from perpetrator violence; and 3) not engage in or promote activities that compromise victim safety. Sexual assault or domestic violence programs must be involved in the development and implementation of the project.

This section must:

1. Identify the organization(s) or office(s) responsible for implementing the project.
2. Identify all project partners, specify their respective roles and responsibilities, and describe the collaborative relationship to be developed or enhanced.
3. Demonstrate the capacity and expertise of the lead applicant and all project partners to serve victims of sexual assault, domestic violence, dating violence, and/or stalking.
4. Identify key personnel and their relevant experience addressing sexual assault, domestic violence, dating violence, and/or stalking; or, where positions are vacant, applicants should describe the expertise that will be sought.
5. Link all activities and tasks to a specific agency or organization to ensure that there is accountability.
6. Ensure that organizations necessary for successful project implementation are project partners.
7. If the applicant is not a nongovernmental sexual assault and/or domestic violence program, explain how the proposed project will coordinate with local nongovernmental sexual assault and/or domestic violence programs.

Applicants proposing to provide 80% sexual assault legal services, *beyond intimate partner sexual assault*, must also:

1. Clearly identify which partnering organization(s) has demonstrated expertise in providing sexual assault legal and/or support services and include a description of that expertise.
2. Detail the experience and expertise of key personnel from the lead applicant and/or any project partners. Information provided should directly address whether such experience/expertise includes providing sexual assault legal and/or support services and to what extent this experience extends beyond intimate partner sexual violence.

Budget Detail Worksheet and Narrative (15 Points)

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. Also, keep in mind that budgetary requirements vary slightly among programs. Applicants must read the solicitation closely to determine the requirements of the budget and budget narrative for each OVW program. Additionally, the budget must adhere to the guidelines contained in the [DOJ Financial Guide](#).
Award Period and Amount

New and Continuation LAV applications that are proposing to provide primarily domestic violence focused legal services or less than 80% sexual assault focused legal services may request up to \$600,000.

New and Continuation LAV applications proposing 80% or more sexual assault focused legal services, *beyond intimate partner sexual assault*, may request up to \$800,000.

Budget Requirements.

Applicants must submit reasonable budgets based on the resources needed to implement their projects in their specific geographic location. The budget should display a clear link between the specific project activities and the proposed budget items. It should not contain any items that are not detailed in the project narrative. The budget narrative must support all costs included in the budget and explain how the costs of goods and services are determined and how they will fulfill the overall objective of the project.

In some circumstances, the budget and budget narrative will be reviewed separately from the proposed project narrative. Therefore, it is very important that the budget narrative be as comprehensive as possible and describe in a narrative format each line item requested in the budget.

The budget must:

1. Include funds or include other resources available to support activities to ensure access for individuals with disabilities, Deaf/hard of hearing individuals, and persons with limited English proficiency. Please see "[Accessibility](#)" under "F. Federal Award Administration Information."
2. Include a budget narrative that supports and justifies all proposed costs and provides a clear link between specific project activities and proposed budget items;
3. Include a budget that reflects all costs related to implementing the proposed project and provides calculations for all costs;
4. Provide an explanation of proposed expenses that is detailed, complete, reasonable and within established limits;
5. Exclude any unrelated or out-of-scope costs for the proposed project;
6. Reflect 36 months of project activity;
7. Reflect that all partners are fairly compensated for their participation in any project related activities; and
8. Include funds to attend OVW-sponsored training and technical assistance in the amount of \$6000 (minimum) for new and continuation applicants and \$10,000 (minimum) for applicants from the territories, Hawaii and Alaska. Please see "[Training and Technical Assistance](#)" in the Funding Restrictions section of the solicitation. Applicants may allocate more funding beyond the minimum, if needed, for OVW-sponsored training.

For additional guidance please go to the [Funding Restrictions](#) section of the solicitation.

Memorandum of Understanding (MOU) or Statement of Expertise (20 Points Total)

MOU

All applicants, except for those that meet the qualifications to submit a Statement of Expertise (see below), **must** submit an MOU. For purposes of this solicitation, the MOU is a document containing the terms of the partnership and the roles and responsibilities between two or more parties. The MOU should be a single document and should be signed and dated by the “**Authorized Representative**” of each proposed partner agency during the development of the application. If necessary, an MOU can include multiple signature pages so long as each page includes the name and title on each signature page.

Applications from nonprofit, nongovernmental or tribal victim service providers or governmental rape crisis centers that as their primary mission provide services to sexual assault, domestic violence, dating violence and/or stalking victims who partner with an organization that has expertise in providing legal services **must** submit an MOU that includes the legal services organization and any other organizations that the applicant is partnering with to implement the project.

Applications from lead applicants who are legal services, law schools, family justice centers, organizations that provide services to victims of crime generally, community action agencies and community-based improvement corporations **must** partner with at least one external domestic violence and/or sexual assault program and **must** submit an MOU.

The MOU must:

1. Clearly identify the partners and provide a brief history of the collaborative relationship among those partners, including when and under what circumstances the relationship began and when each partner entered into the relationship;
2. Clearly state the roles and responsibilities each partner will assume to ensure the success of the proposed project;
3. Describe the resources each organization would contribute to the project, either through time, in-kind contributions, or grant funds (e.g., office space, project staff, and training);
4. Demonstrate a commitment on the part of all project partners to work together to achieve stated project goals;
5. Specify the extent of each partner's participation in developing the application and/or proposed project; and
6. Specifically indicate approval of the proposed project narrative and project budget by all signing partners.

Applicants proposing to provide 80% sexual assault legal services, beyond intimate partner sexual violence, must also:

1. Clearly identify which organization(s) has the expertise in providing sexual assault legal and/or support services for victims of non-intimate partner sexual violence. Include how many years the organization(s) has been providing sexual assault legal and/or support services for non-intimate partner sexual assault victims.

2. Detail the personnel designated to provide sexual assault legal and/or support services, including: a) the name and title of each person; and b) how many years each staff person has been providing sexual assault legal and/or support services.

Statement of Expertise

Applications from lead applicants that are nonprofit, nongovernmental or tribal victim service providers or governmental rape crisis centers that as their primary mission provide services to sexual assault, domestic violence, dating violence and/or stalking victims may submit a Statement of Expertise if they demonstrate that they provide legal representation for victims of domestic violence, sexual assault, stalking and/or dating violence.

If the nonprofit, nongovernmental or tribal victim service providers or governmental rape crisis centers has expertise in providing legal services, an MOU is **not required**. In lieu of an MOU, the applicant must submit a statement describing its experience providing legal representation if legal services will be provided by in-house attorneys. This statement should be provided on agency letterhead and signed (electronic or typed signatures do not satisfy this requirement) and dated by the Authorized Representative.

The **Statement of Expertise in providing legal representation for victims of domestic violence, sexual assault, stalking and/or dating violence** must:

1. Demonstrate that the organization primarily serves victims of domestic violence, sexual assault, dating violence and stalking. Include the organization's mission statement.
2. Explain the primary purposes of the victim service provider in providing services to victims of sexual assault, domestic violence, dating violence and stalking.
3. Provide the applicant's history of providing services to victims of sexual assault, domestic violence, dating violence, and/or stalking, including the length of time the victim service provider has operated.
4. Describe the applicant's experience providing legal representation if legal services will be provided by in-house attorneys.

Applicants proposing to provide 80% sexual assault legal services, beyond intimate partner sexual violence, must also:

1. Clearly identify which organization(s) has the expertise in providing sexual assault legal and/or support services for victims of non-intimate partner sexual violence. Include how many years the organization(s) has been providing sexual assault legal and/or support services for non-intimate partner sexual assault victims.
2. Detail the personnel designated to provide sexual assault legal and/or support services, including: a) the name and title of each person; and b) how many years each staff person has been providing sexual assault legal and/or support services.

Statutory Requirements (Certification Letter) (5 Points Total)

To be eligible for an award under the LAV Grant Program, applicants must certify in writing that they are in compliance with statutory requirements outlined in "[Other Program Eligibility Requirements Section, Certification of Eligibility \(Delivery of Legal Assistance\)](#)."

This certification must be in the form of a letter on agency letterhead and signed (electronic or typed signatures do not satisfy this requirement) and dated by the authorizing official. The signed Certification Letter must be uploaded as a separate attachment in [Grants.gov](#). A sample Certification Letter is available at [Appendix F](#).

Additional Required Information

The following documents will not be scored during the review process but they should be included with your application. Failure to include any of the information may result in your application being removed from consideration from funding.

Disclosure of Process Related to Executive Compensation.

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the "Summary Data Sheet" mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must **describe** in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf. This form must be signed by the authorized representative and uploaded with the application on Grants.gov.

Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For “Type of Applicant,” please do not select “other.” Please pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. Only include values for “Applicant” if the program solicitation requires a match. The individual who is listed in “Authorized Representative” must be individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction. The individual who is listed in “Authorized Representative” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

Letter of Nonsupplanting

Applicants must submit a letter to OVW’s Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf for a sample letter. This should be a separate attachment to the application in Grants.gov.

Financial Accounting Practices

Each applicant must prepare a response to the following questions. Please be sure to provide complete responses that address all questions included for each numbered item. OVW will

review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in [Grants.gov](https://www.grants.gov).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Please provide a brief description of the applicant organization's internal controls that will provide reasonable assurance that the award funds will be managed properly.
6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Does the applicant organization or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Organizations are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Please provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in funds.

Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Please include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [Grants.gov](https://www.grants.gov).

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year. Tribes that have never negotiated an indirect cost rate with the federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at OVW.GFMD@usdoj.gov or 1-888-514-8556 for more information.

Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Dun & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](https://www.grants.gov) uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to

Grants.gov and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

DUNS	DUNS	January 26, 2017
SAM	SAM	January 26, 2017

There is no fee associated with the registration process. Additionally, the registration process cannot be expedited. OVW strongly discourages applicants from paying a third party to register on their behalf in an attempt to expedite the registration process. To ensure all applicants have ample time to complete the registration process, applicants must obtain a DUNS number, register online with the SAM and with Grants.gov immediately, but no later than January 26, 2017.

Submission Dates and Times

It is very important that applicants read this section carefully. It is the responsibility of the applicant to ensure that the application is complete and submitted by the deadline. OVW will not contact applicants for missing items. Applicants should anticipate that failure to meet all registration and submission deadlines will result in their application being removed from consideration. Applicants should refer to the chart below to ensure that all required steps and deadlines are met.

Applicants are strongly encouraged to begin the application submission process at least 48 hours but no later than 24 hours before February 16, 2017.

OVW Policy on Duplicate Applications

An applicant should submit one application for the same project per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

OVW Policy on Late Submissions

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed. Applicants should refer to the chart below for the various scenarios. Applicants should thoroughly familiarize themselves with the requirements as outlined by OVW in the chart below. An applicant’s request to submit an application after the deadline will be considered by OVW if all of the steps below are followed. Only in rare circumstances are extensions granted. For applicants that receive permission to submit an application after the deadline, those applications will be reviewed to ensure that the application meets the basic minimum eligibility requirements (BMR) and will be subject to the review process as outlined in this solicitation.

Experiencing Technical Difficulties Prior to or During Application	Prior to the application deadline, the applicant must contact the Grants.gov Customer Support Hotline at 1-800-518-4726, or support@grants.gov , 24 hours a day, 7 days a week, except on Federal holidays. Request Permission to Submit a Late Application.	Within 24 hours after the application deadline, the applicant must email the following information to the LAV Grant Program at ovw.lav@usdoj.gov to request permission to submit a late application. Extraordinary Natural or Manmade Disasters	In cases of extraordinary natural or manmade disasters, such as extreme weather emergencies or terrorist acts, applicants may request to submit applications calling and sending an e-mail to Regina Madison, LAV Grant Program Manager, at 202-514-9568 and ovw.lav@usdoj.gov . The request should specify the nature of the disaster and how it affected the applicant's ability to submit an application on time. OVW may request additional documentation from the applicant verifying the extraordinary natural or manmade disaster.	Up to 7 calendar days after the application deadline of February 16, 2017.

Failure to begin the registration or application submission process in sufficient time is not an acceptable reason for a late application submission. Applicants should register with SAM and Grants.gov by January 26, 2017. To ensure a successful application submission, OVW strongly encourages applicants to submit their applications at least 48, but no less than 24, hours before the deadline.

Please note that the [Grants.gov](https://www.grants.gov) notification process is automatic. OVW does not send out these notifications, nor does OVW receive a copy of these notifications. It is the responsibility of the applicant to notify OVW of any problems with the application submission process. Please see “[Experiencing Unforeseeable Technical Issues](#)” for information on the steps applicants must follow if corrective action is required.

Intergovernmental Review - Single Point of Contact Review

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at http://www.whitehouse.gov/omb/grants_spoc.

Funding Restrictions

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the [DOJ Financial Guide](#). The [DOJ Financial Guide](#) includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the [DOJ Financial Guide](#). Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

Food and Beverage/Costs for Refreshments and Meals

Generally, food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

Conference Planning and Expenditure Limitations

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings,

retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning
2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences
6. Food and Beverages at Conferences
7. Prior Approval Required Before Entering Into Contracts or Expending Funds for Conferences
8. Conference Reporting

Updated Department of Justice and OVW guidance on conference planning, minimization of costs, and conference cost reporting is available on the OVW website at <http://www.justice.gov/ovw/grantees>. For additional information regarding food and beverage regulations, please refer to the [DOJ Financial Guide](#).

Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$6,000 (minimum) to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Territories should allocate \$10,000 (minimum) to account for higher travel costs. These specific applicants may exceed the budget caps to account for this increased travel amount. The required set-aside amount may be shared between the applicant and any partnering agency(ies), but the budget must reflect the costs in the appropriate categories. Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

Program Assessments

Applicants may not use any OVW funds to conduct research. However, up to three percent of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the [DOJ Financial Guide](#) for more information on pre-award costs.

Other Submission Requirements

As discussed in the “[Submission Dates and Times](#)” section above, applications must be submitted electronically via [Grants.gov](#). Applicants that are unable to submit electronically must follow the instructions in the [OVW Policy on Late Submission](#) section above.

After applicants obtain their DUNS number and register with SAM, they can begin the [Grants.gov](#) registration process. In order to apply for a grant, the applying organization must complete the [Grants.gov](#) registration process prior to beginning an application for a federal grant. Complete instructions can be found at [Grants.gov](#). **The registration process can take between three and five business days or as long as four weeks if all steps are not completed in a timely manner.** Please note that Grants.gov is not the Office of Justice Programs’ (OJP) Grants Management System (GMS). If applicants experience difficulties at any point during this process, they should call the [Grants.gov](#) Customer Support Hotline at **1-800-518-4726**.

Note: [Grants.gov](#) limits the use of specific characters in names of attachment files. Valid file names include only the characters shown in the table below. [Grants.gov](#) is designed to reject any application that includes an attachment(s) with a file name that contains any characters not shown in the table below.

Characters			
Upper case (A – Z)	Parentheses ()	Curly braces { }	Square brackets []
Lower case (a – z)	Ampersand (&)	Tilde (~)	Exclamation point (!)

Underscore (_)	At sign (@)	Number sign (#)	Dollar sign (\$)
Hyphen (-)	Percent sign (%)	Plus sign (+)	Equal sign (=)
Space	When using the ampersand (&) in XML, applicants must use the “&” format.		
Period (.)			

OVW strongly suggests using simple titles for all documents, such as “FY 2017 OVW Project Narrative.” Please visit the [Grants.gov](#) website to review the most up-to-date guidelines about the use of specific characters.

The E-Business Point of Contact (E-Biz POC) within the applicant’s organization must register the organization with [Grants.gov](#). The E-Biz POC oversees the organization's [Grants.gov](#) transactions and assigns the [AOR](#). The [AOR](#) submits the application to [Grants.gov](#) and must register with [Grants.gov](#) as well. In some cases the E-Biz POC is also the [AOR](#) for an organization.

1. *Step 1:* Go to [Grants.gov](#). Scroll over the “APPLICANTS” drop down and click the “Organization Registration Link”.
2. *Step 2:* Register with [SAM](#)
3. [Step 3: Username & Password](#)
4. [Step 4: AOR Authorization](#)

5. [Step 5: TRACK AOR STATUS](#)

The application process can move forward once the organization successfully registers with [Grants.gov](#).

Downloading a Grant Application Package

An applicant may download the application package to complete it offline and route it through the applying organization for review before final submission.

Applicants must use the correct version of Adobe software in order to download the grant application package. To verify if the Adobe software version is compatible with [Grants.gov](#), visit the following link: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

Instructions on how to open and use the forms in the package are on the application package cover sheet. Agency-specific instructions are available for download when the application package is downloaded. The instructions identify the required information for a complete application.

Completing the Grant Application Package

The applicant must manually save changes to the grant application. [Grants.gov](#) does NOT automatically save changes. The package cannot be submitted until all required fields have been completed.

Submitting the Completed Grant Application Package

[AORs](#) should closely monitor their email for any notification from [Grants.gov](#) about a possible failed submission. The [AOR](#) will receive a minimum of two emails from [Grants.gov](#). Log on to [Grants.gov](#). After the application is fully completed, errors are corrected, and the application is saved, click the "Save & Submit" button on the cover page. The application package will be automatically uploaded to [Grants.gov](#).

To ensure a successful application submission, OVW strongly encourages applicants to start their applications at least 48, but no less than 24, hours before the deadline.

A confirmation screen will appear once the submission is complete. A [Grants.gov](#) tracking number will be provided at the bottom of this screen, as well as the official date and time of the submission. Applicants must record the tracking number if technical support is needed. The [Grants.gov](#) Help Desk can be reached at 1-800-518-4726, Monday through Friday, from 7:00 a.m. to 9:00 p.m. E.T; except federal holidays.

E. Application Review Information

Criteria

Applications will be subject to a peer review and a programmatic review. Applications will be scored based on the degree to which the application responds to each section and addresses each element in the section. Furthermore, applications will be scored based upon the quality of the response and the level of detail provided. Each element **must** be addressed in the section in which it is requested. Points may be deducted if the applicant does not include the information in the appropriate section even if it is included elsewhere within the application. Each section will be reviewed as a separate document and will be scored as such. Specifically, for the LAV Grant Program, scoring will be as follows:

1. Summary data sheet: (5) points
2. Project narrative: (55) points, of which
 - A. Purpose of the project: (10) points
 - B. What will be done: (30) points
 - C. Who will implement: (15) points
3. Budget narrative and detail worksheet: (15) points
4. MOU or Statement of Expertise in providing Legal Representation: (20) points
5. Statutory Requirements (Certification Letter): 5 points

Review and Selection Process

Peer Review

OVW will subject all eligible applications to a peer review process that is fair and based on the criteria outlined in this solicitation. OVW may use internal reviewers, external reviewers, or a combination of both.

Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. An applicant with considerable past performance issues may be removed from consideration. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review. OVW reserves the right to deduct points from applications for the following reasons:

1. Activities that compromise victim safety and recovery (deduct up to 15 points.)
2. Out-of-scope activities (deduct up to 10 points)
3. Past performance (deduct up to 25 points)
4. Formatting and Technical Requirements (deduct up to 5 points)

An application that is deemed to be substantially out of scope, proposes a substantial number of activities that are unallowable, or proposes activities that pose a significant threat to victim safety or a serious breach of confidentiality will not be considered for funding.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement

10. Timely expenditure of grant funds
11. Adherence to the requirements of the [DOJ Financial Guide](#)

OVW grantees with significant past performance issues may not be considered for funding.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the OVW Director, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards. All award decisions are final and not subject to appeal.

High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

Anticipated Announcement and Federal Award Dates

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2017.

F. Federal Award Administration Information

Federal Award Notices

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) (not grants.gov). This award notification will be sent to the individuals listed as the Authorized Representative and the Point of Contact on the SF-424 for the application that was selected for funding and will include instructions on accepting the award. Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#) and the scanning of the fully-executed award document to OVW.

Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2017 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance".

Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to recipients' programs and activities and ensuring that these programs and activities are readily accessible to qualified individuals with disabilities, including Deaf or hard of hearing individuals. More information on these obligations is available in the [Solicitation Companion Guide](#). Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

Reporting

Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

Public Reporting Burden - Paperwork Reduction Act Notice

Under the Paperwork Reduction Act, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OVW tries to create forms and instructions that are accurate, can be easily understood, and impose the least possible burden on applicants. The estimated average time to complete and file this form is 30 hours.

APPENDIX A

Budget Guidance & Sample Budget Detail Worksheet

Budget Guidance

Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the [DOJ Financial Guide](#).

Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred.

Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered subrecipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a subrecipient or a contractor, please refer to [2 CFR Part 200.330](#).

Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate.

Purchase and/or Lease of Vehicles

The purchase and lease of vehicles are prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual costs incurred for the project rather than a fee for service. If a partner is a state or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

Non-Federal contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

Budget Detail Worksheet

Purpose: The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form). However, all required information (including the budget narrative) must be provided. Any category of expense not applicable to your budget may be deleted.

Please Note: The following budget is an example intended to assist you in preparing your application budget.

A. Personnel – List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator	\$23,500 x 100% x 3 years	\$ 70,500
Investigator	\$45,000 x 100% x 3 years	\$135,000
Administrative Assistant	\$10/hr. x 20 hrs/month x 36 months	\$ 7,200

The Program Coordinator will coordinate the tribe's Tribal Governments Program project by organizing regular coordinating council meetings between all partner organizations, ensuring compliance with program requirements, and serving as the central point of contact for all project activities.

The Investigator is an investigator with the tribal law enforcement agency. She/he will dedicate 100% of their time to investigating cases of domestic violence, sexual assault, dating violence and stalking that occur on tribal lands.

The Administrative Assistant for the project will be a part-time employee. She/he will be compensated at a rate of \$10/hour. The designated time spent on the project will be 20 hours each month providing administrative and clerical support to the staff of the Victim Services Program.

TOTAL PERSONNEL: \$ 212,700

B. Fringe Benefits – Fringe benefits should be based on actual known costs or an established formula. Fringe benefits are for the personnel listed in budget category (A) and only for the percentage of time devoted to the project. Fringe benefits on overtime hours are limited to FICA, Worker's Compensation, and Unemployment Compensation.

<u>Name/Position</u>	<u>Computation</u>	<u>Cost</u>
Program Coordinator		
Employer's FICA	\$70,500 x 7.65%	\$ 5,393

Administrative Assistant		
Employer's FICA	\$ 7,200 x 7.65%	\$ 551
Health Insurance	\$ 7,200 x 6.12%	\$ 441
Worker's Compensation	\$ 7,200 x 1.00%	\$ 72
Unemployment Compensation	\$ 7,200 x 0.50%	\$ 36
TOTAL FRINGE BENEFITS:		\$ 32,481

TOTAL PERSONNEL AND FRINGE BENEFITS: \$ 245,181

The tribe is requesting fringe benefits for the Program Coordinator, the Investigator, and the Administrative Assistant.

C. Travel – Itemize travel expenses of project personnel by purpose (e.g., staff to training, field interviews, advisory group meeting, etc.). Show the basis of computation (e.g., six people to 3-day training at \$X airfare, \$X lodging, \$X per diem). In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit costs involved. Identify the location of travel, if known. Indicate source of Travel Policies applied, Applicant or Federal Travel Regulations.

<u>Purpose of Travel</u>	<u>Location</u>	<u>Item</u>	<u>Computation</u>	<u>Cost</u>
OVW-Mandated Training and Technical Assistance	TBD	Airfare	\$500 (avg.) x 3 people x 4 trips	\$ 6,000
		Lodging	\$100 (avg.) x 3 nights x 3 people x 4 trips	\$ 3,600
		Per diem	\$ 50 (avg.) x 4 days x 3 people x 4 trips	\$ 2,400

\$12,000 of the required \$20,000 in OVW mandated technical assistance and training funds has been allocated to cover the cost of travel for staff of the tribe in accordance with program guidelines. The remaining amount of \$8,000 has been allocated for partner travel and can be found in Section G of this form. The sites of the training sessions are unknown at this time. Travel estimates are based upon the tribe's formal written travel policy.

TOTAL TRAVEL: \$ 12,000

D. Equipment – List non-expendable items that are to be purchased. (Note: Organization’s own capitalization policy for classification of equipment should be used.) Expendable items should be included in the “Supplies” category. Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the “Contractual” category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

<u>Item</u>	<u>Computation</u>	<u>Cost</u>
(2) Video Cameras	\$750/camera x 2 cameras	\$ 1,500

The video cameras will be used during the interviews of alleged offenders, as well as to record witness testimony in preparation for trial in cases of domestic violence, dating violence, sexual assault, and stalking.

TOTAL EQUIPMENT: \$ 1,500

E. Supplies – List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, thumb drives, and flash drives) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project.

<u>Supply Items</u>	<u>Computation</u>	<u>Cost</u>
Office Supplies (paper, printer, toner, pens, etc.)	\$150/month x 36 months	\$5,400
Postage	\$ 50/month x 36 months	\$1,800
75 Victim Assistance Kits	\$ 25/kit x 75 kits	\$1,875

Office supplies and postage are needed for the general operation of the program. The Victim Assistance Kits will be provided to victims of domestic violence, dating violence, sexual assault, and stalking who seek assistance from the program. The kits contain toiletries and other necessities. The estimated cost is based on previous kit prices from other programs. We estimate that at least 75 kits will be needed.

TOTAL SUPPLIES: \$ 9,075

F. Construction – As a rule, construction costs are not allowable. In some cases, minor repairs or renovations may be allowable. Consult with the program office before budgeting funds in this category.

<u>Purpose</u>	<u>Description of Work</u>	<u>Cost</u>
TOTAL CONSTRUCTION:		<u>\$ 0</u>

G. Consultants/Contracts – Indicate whether applicant’s formal, written Procurement Policy or the Federal Acquisition Regulations are followed.

Consultant Fees: For each consultant enter the name, if known, service to be provided, hourly or daily fee (8-hour day), and estimated time on the project. Funds have also been allocated to pay for the Consultant/Trainer to travel to the reservation to provide sexual assault training.

Equipment to be rented and/or leased includes the copier and printer. The copier and printer costs are allocated based on historical usage

TOTAL CONTRACTS AND CONSULTANTS: \$ 60,155

H. Other Costs – List items (e.g., rent, reproduction, telephone, janitorial or security services, and investigative or confidential funds) by major type and the basis of the computation. Utilities	\$200/month x 36 months	\$ 7,200
Housing Assistance	\$500/family x 12 families/year x 3 years	\$18,000

The Sexual Assault Training manuals will be purchased from the Sexual Assault Resource Center and will be used in conjunction with the on-site training that will be provided by the Consultant/Trainer.

The Project Coordinator will develop and produce a Resource Manual for services both on and off the Reservation for victims of domestic violence, sexual assault, dating violence, and stalking. Copies of the manual will be provided to all units of Tribal government and to victim services and social services agencies in the local community.

Many victims in the more geographically remote areas of the Reservation do not have long distance service, and it is a long distance call for most of them to reach the program office. The project will continue to operate an 800 hotline for victims. It will be staffed by volunteers on a daily basis.

The program has previously developed brochures explaining the dynamics of domestic violence and sexual assault and detailing the services offered by the program. Additional copies of the brochures need to be reproduced. Based on previous distribution patterns, it is anticipated that the program will distribute 1,000 copies of each brochure during the 36 month grant period.

The Victim Services Program rents a safe house that is located off-reservation in the local community. The house is used to provide temporary housing to victims of domestic violence and their minor children who are in need of a safe place to stay after fleeing an abusive situation. The rent is consistent with the fair market rate for similar properties in the local community.

The cost of utilities (i.e., gas, electric, and water service) averages \$200/month. The services are necessary to ensure that the house is suitable for occupancy.

Funds have been budgeted to provide transitional housing assistance to at least one victim of domestic violence, dating violence, sexual assault or stalking each month. Each victim and her dependents will receive up to \$500 to assist with rent and utility payments or security deposits.

TOTAL OTHER COSTS: \$ 84,900

I. Indirect Costs – Indirect costs are allowed if the applicant has a federally approved indirect cost rate. A copy of the rate approval (a fully executed, negotiated agreement) must be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant’s cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or if the applicant’s accounting system permits, costs may be allocated in the direct costs categories. Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the Federal government and receive less than \$35 million in direct Federal funding per year. Tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% de minimis rate.
