# **Resource Center on Workplace Response to Domestic Violence, Dating Violence, Sexual Assault, and Stalking (CFDA 16.028)**

## **A. Program Description**

### **Overview**

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

### **About the Resource Center on Workplace Response to Domestic Violence, Dating Violence, Sexual Assault, and Stalking**

This program is authorized by 42 U.S.C 14043f. By statute, the Workplace Response project provides information and assistance to employers and labor organizations to aid in their efforts to develop and implement responses to domestic and sexual violence.

The purpose of the program is to provide the establishment and operation of a national resource center on workplace responses to assist victims of domestic and sexual violence.

### **Purpose Areas**

An entity or organization that receives a grant under this program may use the funds made available through the grant for staff salaries, travel expenses, equipment, printing, and other reasonable expenses necessary to develop, maintain, and disseminate to employers and labor organizations information and assistance concerning workplace responses to assist victims of domestic or sexual violence.

Examples of activities that may be supported include:

- a. Providing training to promote a better understanding of workplace assistance to victims of domestic or sexual violence;
- b. Providing conferences and other educational opportunities; and
- c. Developing protocols and model workplace policies.

### **Activities that Compromise Victim Safety and Recovery**

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

1. Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;

2. Partnering with individuals or organizations that support/promote practices that compromise victim safety and/or minimize offender accountability.
3. Training and technical assistance that does not reflect an understanding of domestic violence, dating violence, sexual assault and stalking, and the experience of survivors, that fails to incorporate the experiences and unique needs of underserved communities, or that includes or promotes practice that may re-victimize survivors;
4. Training and technical assistance that fails to incorporate the experiences and unique needs of underserved communities.
5. Training and technical assistance that includes/promotes practices that re-victimize survivors.

Any activities that may compromise victim safety and recovery proposed within an application will need to be removed prior to final approval by OVW.

### **Unallowable Activities**

OVW has determined the activities listed below to be unallowable, and they will not be supported by Workplace Respond to Violence funding.

1. Lobbying;
2. Fundraising;
3. Purchase of real property;
4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
5. Construction.

Any unallowable activities will need to be removed from the application.

## **B. Federal Award Information**

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. There is no guarantee that funds will be available in the future. Therefore, OVW encourages applicants to develop a plan to sustain project activities if federal funding through this program ceases to be available. Also, please note that OVW may elect to make awards for applications submitted under this solicitation in future fiscal years, depending on the merits of the applications and on the availability of funding.

### **Award Period**

The grant award period is 12 months. Budgets must reflect 12 months of project activity, and the total "estimated funding" on the SF-424 must reflect 12 months. Generally, the award period will start on October 1, 2017.

### **Award Amounts**

Applicants should not exceed the award amounts listed in this solicitation and should carefully consider the resources needed to successfully implement the proposed project.

Awards under the Workplace Respond to Violence Program for FY 2017 will be made for up to \$500,000.

OVW has the discretion to award grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.

## **C. Eligibility Information**

### ***Eligible Applicants***

It is very important that applicants review this information carefully. Applications that are submitted by ineligible entities or that do not meet all program eligibility requirements will not be considered for funding.

### **Eligible entities for this program are:**

Eligible entities for this program are national, tribal, statewide or other nonprofit nongovernmental entities with the capacity to provide national training and technical assistance.

### ***Cost Sharing or Match Requirement***

The following narrative should be a separate attachment to the application in GMS. The Project Narrative may not exceed 10 pages in length, double-spaced. Please number the pages of your narrative. Applicants should address the following two elements within the 10 page limit:

#### What Will Be Done

The applicant must provide a detailed description of the activities that will be continued with this 12 month supplement. The applicant must include a plan to maximize outreach to employers and labor organizations concerning developing and implementing workplace responses to assist victims of domestic and sexual violence and a plan for developing materials and training for employers that addresses the needs of employees in cases of domestic violence, dating violence, sexual assault, and stalking impacting the workplace, including the needs of underserved communities. This section should also include a timeline for which the activities will take place. Additionally, the application should explain what activities will be sustained beyond funding and how.

### **Budget Detail Worksheet and Narrative**

All applications must include a detailed budget and budget narrative. A sample Budget Detail Worksheet is available in [Appendix A](#). When preparing the Budget Detail Worksheet and Narrative, please use the Sample Budget Detail Worksheet as a guide and be sure to include all necessary budget categories as outlined in the Worksheet. For additional guidance please go to the [Funding Restrictions](#) section of the solicitation.

### **Additional Required Information**

The following documents will not be scored during the review process but they should be included with your application. Failure to include any of the information may result in your application being removed from consideration from funding.

### **Disclosure of Process Related to Executive Compensation**

An applicant that is a nonprofit organization may be required to make certain disclosures relating to the processes it uses to determine the compensation of its officers, directors, trustees, and key employees.

Under certain circumstances, a nonprofit organization that provides unreasonably high compensation to certain persons may subject both the organization's managers and those who receive the compensation to additional federal taxes. A rebuttable presumption of the reasonableness of a nonprofit organization's compensation arrangements, however, may be available if the nonprofit organization satisfied certain rules set out in Internal Revenue Service regulations with regard to its compensation decisions.

Each applicant nonprofit organization must state at the time of its application (in the "Summary Data Sheet" mentioned earlier) whether the applicant is a nonprofit organization that uses the Internal Revenue Service's three-step safe-harbor procedure to establish a rebuttable presumption that its executives' compensation is reasonable.

A nonprofit organization that states on the Summary Data Sheet that it uses the safe-harbor procedure must then disclose, in an attachment to its application (to be titled "Disclosure of Process related to Executive Compensation"), the process used by the applicant nonprofit organization to determine the compensation of its officers, directors, trustees, and key employees (together, "covered persons").

At a minimum, the disclosure must **describe** in pertinent detail: (1) the composition of the body that reviews and approves compensation arrangements for covered persons; (2) the methods and practices used by the applicant nonprofit organization to ensure that no individual with a conflict of interest participates as a member of the body that reviews and approves a compensation arrangement for a covered person; (3) the appropriate data as to comparability of compensation that is obtained in advance and relied upon by the body that reviews and approves compensation arrangements for covered persons; and (4) the written or electronic records that the applicant organization maintains as concurrent documentation of the decisions with respect to compensation of covered persons made by the body that reviews and approves such compensation arrangements, including records of deliberations and of the basis for decisions.

For purposes of the required disclosure, the following terms and phrases have the meanings set out by the Internal Revenue Service for use in connection with 26 C.F.R. 53.4958-6: officers, directors, trustees, key employees, compensation, conflict of interest, appropriate data as to comparability, adequate documentation, and concurrent documentation.

Applicant nonprofit organizations should note that following receipt of an appropriate request, OVW may be authorized or required by law to make information submitted to satisfy this requirement available for public inspection. Also, a recipient may be required to make a prompt supplemental disclosure after the award in certain circumstances (e.g., changes in the way the organization determines compensation).

#### Confidentiality Notice Form

All applicants are required to acknowledge that they have received notice that grantees and subgrantees must comply with the confidentiality and privacy requirements of the Violence Against Women Act, as amended. Applicants must submit the acknowledgement form available on the OVW website at [http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality\\_acknowledgement\\_form\\_42015.pdf](http://www.justice.gov/sites/default/files/ovw/pages/attachments/2015/01/20/confidentiality_acknowledgement_form_42015.pdf). This form must be signed by the authorized representative and uploaded with the application on [Grants.gov](http://Grants.gov).

#### Application for Federal Assistance (SF-424)

Applicants must complete the SF-424 online. For “Type of Applicant,” please do not select “other.” Please pay careful attention to the amount of federal funding requested in the “Estimated Funding” section of this form. This amount must match the amount of federal funding requested in the budget section of the application package. Only include values for “Applicant” if the program solicitation requires a match. The individual who is listed in “**Authorized Representative**” must be an individual who has the authority to apply for and accept grant awards on behalf of the organization or jurisdiction.

#### Standard Assurances and Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements (Form 4061/6)

Please carefully review the assurances and certification forms online. Applicants will receive a request to compile these forms online during the application submission process.

All applicants must complete the *Disclosure of Lobbying Activities* (SF-LLL) form. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form. Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.

#### Letter of Nonsupplanting

Applicants must submit a letter to OVW's Director, signed by the [Authorized Representative](#), certifying that federal funds will not be used to supplant state or local funds should a grant award be made. Please refer to [http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup\\_letter.pdf](http://www.justice.gov/sites/default/files/ovw/legacy/2012/10/09/nonsup_letter.pdf) for a sample letter. This should be a separate attachment to the application in [Grants.gov](#).

#### Financial Accounting Practices

Each applicant must prepare a response to the following questions. Please be sure to provide complete responses that address all questions included for each numbered item. OVW will review the applicant's responses to assist in evaluating the adequacy of the organization's financial management system and to identify areas of need for training and technical assistance. This section of your application should be no more than two pages and should be a separate attachment to the online application in [Grants.gov](#).

1. Will all funds awarded under this program be maintained in a manner that they will be accounted for separately and distinctly from other sources of revenue/funding? Please provide a brief description of the organization's policies and procedures that ensure funds will be tracked appropriately.
2. Does the applicant have written accounting policies and procedures? How often are these policies and procedures updated? Please provide a brief list of the topics covered in the organization's policies and procedures. OVW may request a copy for review during the application/award process or as part of the grant monitoring process.
3. Is the applicant's financial management system able to track actual expenditures and outlays with budgeted amounts for each grant or subgrant? Please provide a brief summary of the organization's process for tracking expenditures, including tracking budgeted versus actual amounts.
4. Does the applicant have procedures in place for minimizing the time between transfer of funds from the United States Treasury and disbursement for project activities? Please provide a short summary of the organization's policy for requesting payments for grant awards.
5. Does the applicant have effective internal controls in place to ensure that federal funds are used solely for authorized purposes? Please provide a brief description of the

applicant organization's internal controls that will provide reasonable assurance that the award funds will be managed properly.

6. Does the applicant have a documented records retention policy? If so, briefly describe the policy.
7. Does the applicant organization or any of its employees have any potential personal or organizational conflicts of interest related to the possible receipt of OVW award funds? Organizations are required to disclose in writing any potential conflicts of interest to their awarding agency. See 2 CFR 200.112 of the Uniform Guidance and Chapter 3.20, Grant Fraud, Waste and Abuse, of the DOJ Financial Guide for additional information.
8. Is the individual primarily responsible for fiscal and administrative oversight of grant awards familiar with the applicable grants management rules, principles, and regulations including the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR Part 200)? Please provide a short list of the individual's qualifications/experience. If the individual is not familiar with the applicable rules and regulations, the applicant must contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 immediately after the organization is notified of its award to coordinate training.

This information will be used for a mandatory pre-award risk assessment. Failure to provide this information or to respond to questions from OVW regarding this information in a timely manner could result in the applicant being removed from consideration or a delay in funds.

#### Applicant Financial Capability Questionnaire (if applicable)

All nonprofit, nongovernmental organizations that apply for funding from OVW and have not previously (or within the last three years) received funding from OVW must complete an Applicant Financial Capability Questionnaire, and submit it as a separate attachment with their application. Additionally, applicants may be required to submit their current year's audit report at a later time. The form can be found at <http://www.justice.gov/ovw/how-apply>.

#### Indirect Cost Rate Agreement (if applicable)

Applicants that intend to charge indirect costs through the use of an indirect cost rate must have a federally-approved indirect cost rate agreement. Please include a copy of a current, signed federally-approved indirect cost rate agreement. This should be a separate attachment to the application in [Grants.gov](http://Grants.gov).

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs which may be used indefinitely. This includes state and local governments that have never negotiated an indirect cost rate with the federal government and receive less than \$35 million in direct federal funding per year. Tribes that have never negotiated an indirect cost rate with the federal government may also use the 10% de minimis rate.

Organizations that wish to negotiate an indirect cost rate may contact OVW's Grants Financial Management Division at [OVW.GFMD@usdoj.gov](mailto:OVW.GFMD@usdoj.gov) or 1-888-514-8556 for more information.

#### **Unique Entity Identifier (DUNS Number) and System for Award Management (SAM)**

Applicants for federal grants and cooperative agreements are required to have a Data Universal Number System (DUNS) Number to submit an application. A DUNS Number is a unique nine-character identification number provided by the commercial company **Duns & Bradstreet (D&B)**. Once an applicant has completed the D&B registration, its DUNS Number should be available within two business days.

Federal guidelines require that applicant organizations must (1) be registered in SAM.gov prior to submitting an application; (2) provide a valid DUNS number in its application; and (3) continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application under consideration by a federal awarding agency. Also, federal agencies may not make an award to an applicant until that applicant has complied with all applicable DUNS and SAM requirements. If an applicant has not fully complied with the requirements by the time that OVW is ready to make an award, then OVW may make the determination that the applicant is not qualified to receive an award and use that determination as a basis for making the award to another applicant.

The SAM centralizes information about grant recipients and also provides a central location for grant recipients to change organizational information. [Grants.gov](https://www.grants.gov) uses SAM to establish roles and IDs for electronic grant applicants.

If the applying organization already has an Employer Identification Number (EIN), the SAM registration will take **up to two weeks to process**. If the applying organization does not have an EIN, then **the applicant should allow two to five weeks for obtaining the information from IRS when requesting the EIN via phone, fax, mail or Internet**. Follow the steps listed below to register in the SAM:

1. Obtain a DUNS number at the following website <http://www.dnb.com/us/> or call (866) 705-5711.
2. Access the SAM online registration through the SAM homepage at <https://www.sam.gov/> and follow the online instructions for new SAM users.
3. Complete and submit the online registration. If the applying organization already has the necessary information on hand, the online registration takes approximately 30 minutes to complete, depending upon the size and complexity of the business or organization. Once the SAM registration becomes active, the applicant will be able to return to [Grants.gov](https://www.grants.gov) and complete the registration. **Please note that organizations must update or renew their SAM registration at least once a year to maintain an active status.**

All applications will be submitted electronically. The deadline for submitting applications in response to this solicitation is **11:59 p.m. E.T.** on August 2, 2017. Applications submitted after **11:59 p.m. E.T. on [insert date]** will not be considered for funding.

### **OVW Policy on Duplicate Applications**

An applicant should submit one application for the same project per program. If an applicant submits multiple versions of an application, OVW will review the most recent version submitted.

### **OVW Policy on Late Submissions**

OVW offers several options for an applicant to provide advance notice to OVW if receipt of its application will be delayed. Applicants should refer to the chart below for the various scenarios. Applicants should thoroughly familiarize themselves with the requirements as outlined by OVW in the chart below. An applicant's request to submit an application after the deadline will be considered by OVW if all of the steps below are followed. Only in rare circumstances are extensions granted. For applicants that receive permission to submit an application after the deadline, those applications will be reviewed to ensure that the application meets the basic minimum eligibility requirements (BMR) and will be subject to the review process as outlined in this solicitation.

### **Intergovernmental Review - Single Point of Contact Review**

Executive Order 12372 requires applicants from state and local units of government or other organizations providing services within a state to submit a copy of the application to the [state Single Point of Contact \(SPOC\)](#) if one exists and if the program has been selected for review. Applicants must contact their state SPOCs to determine whether their programs have been selected for state review. The applicant should enter the date that the application was sent to the SPOC or the reason such submission is not required in the section of the SF 424 which refers to EO 12372. Applicants can find a list of SPOCs on the Office of Management and Budget website at [http://www.whitehouse.gov/omb/grants\\_spoc](http://www.whitehouse.gov/omb/grants_spoc).

### **Funding Restrictions**

Federal assistance awards are governed by the provisions of 2 CFR Part 200. Additionally, OVW awards are covered by the [DOJ Financial Guide](#). The [DOJ Financial Guide](#) includes information on allowable costs, methods of payment, audit requirements, accounting systems, and financial records. This document also outlines the successful administration of grant funds.

Any recipient of an award will be responsible for monitoring subgrants/contracts, including MOU partner activities, under the grant in accordance with all applicable statutes, regulations, guidelines, and the [DOJ Financial Guide](#). Primary recipients will be responsible for oversight of subgrantee/partner spending and monitoring specific performance measures and outcomes attributable to the use of OVW funds.

### **Food and Beverage/Costs for Refreshments and Meals**

Generally, food and beverage costs are **not** allowable, and under no circumstances may OVW funding be used to supply food and/or beverages during refreshment breaks. OVW may approve the use of OVW funds to provide food and/or beverages for a meal at a meeting, conference, training, or other event, if one of the following applies:

1. The location of the event is not in close proximity to food establishments. It should be a priority to try to secure a location near reasonably priced and accessible commercial food establishments.
2. Not serving food will significantly lengthen the day or necessitate extending the meeting to achieve meeting outcomes.
3. A special presentation at a conference requires a plenary address where there is no other time for food to be obtained.
4. Other extenuating circumstances necessitate the provision of food.

Justification for an exception listed above must be included in the budget narrative, and funds may only be used to purchase food and/or beverages for a meal at a meeting, conference, training, or other event if OVW approves the specific expenditures in advance.

### **Conference Planning and Expenditure Limitations**

Applicants should be aware of all applicable laws, regulations, policies and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (which is defined to include meetings, retreats, seminars, symposiums, training and other similar events), including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies and guidance is available at <http://www.justice.gov/ovw/grantees>. Applicants should also be aware of the following specific restrictions on conference planning and expenditure limitations:

1. Cost of Logistical Conference Planning

2. Cost of Programmatic Conference Planning
3. Conference Space and Audio-Visual Equipment and Services
4. Prohibition on Trinkets at Conferences
5. Entertainment at Conferences

#### Training and Technical Assistance

All applicants are required to allocate funds in the amount of \$20,000 to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applicants from Alaska, Hawaii, and United States Therefore, an employee's travel costs should be included in the "Travel" category, while travel costs for the project partner(s) must be included in the "Consultants/Contracts" category. Label both costs as "OVW Technical Assistance." Include an estimated breakdown for these costs, including the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc. (OVW technical assistance is provided free of charge to grantees, so applicants do not need to include registration fees). This amount should equal the full, required set-aside amount listed above.

Please note these funds can **only** be used for OVW-designated technical assistance, unless otherwise approved by OVW. Any training and technical assistance funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all project partners including nonprofit, nongovernmental victim service providers. Funds may also be used by persons whose positions are not grant-funded as long as that person's roles and responsibilities are linked to the project's overall mission.

#### Program Assessments

Applicants may not use any OVW funds to conduct research. However, [up to three percent] of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

#### Pre-Agreement Cost Approval

OVW generally does not allow pre-award costs. Please be aware that costs incurred prior to the start date of the award may not be charged to the project unless the recipient receives prior approval from OVW. Please see the [DOJ Financial Guide](#) for more information on pre-award costs.

#### **Other Submission Requirements**

As discussed in the "[Submission Dates and Times](#)" section above, applications must be submitted electronically via [GMS](#). Applicants that are unable to submit electronically must follow the instructions in the [OVW Policy on Late Submission](#) section above.

## **E. Application Review Information Criteria**

Applications will be reviewed to determine if they meet the statutory eligibility requirements. In addition, applicants must submit all information requested under Application and Submission Information. If any required documentation is missing the applicant will be contacted and the documentation must be submitted prior to an award being issued. Failure to include required information at the time of submission may result in a delay in receiving an award.

### Programmatic Review

All applications that are considered for funding will be subject to a programmatic review. An applicant with considerable past performance issues may be removed from consideration. The programmatic review consists of assessing the application for compliance with the program's scope, activities that compromise victim safety and, if applicable, past performance and priority review.

As a part of the programmatic review process described above, applicants with current or recently closed OVW awards and/or cooperative agreements will be reviewed for past performance based on the elements listed below.

1. Progress reports submitted by the applicant, in conjunction with monitoring conducted by OVW, demonstrate the effectiveness of the current project, indicating timely progress toward meeting project goals and objectives
2. Demonstration that past activities supported with OVW grant funds have been limited to program purpose areas
3. Adherence to all special conditions of existing grant award(s) from OVW
4. Adherence to programmatic and financial reporting requirements, including timely submission of required reports
5. Completion of close-out of prior awards in a timely manner
6. Appropriate use of and active participation in OVW-sponsored workshops and other technical assistance events as required by a special condition of the current or recent award
7. Receipt of financial clearances on all current or recent grants from OVW
8. Timely resolution of issues identified in any audit or on-site financial or programmatic monitoring visit
9. Adherence to the Office of Management and Budget single-audit requirement
10. Timely expenditure of grant funds
11. Adherence to the requirements of the [DOJ Financial Guide](#)

OVW grantees with significant past performance issues may not be considered for funding.

### High Risk Grantees

Based on DOJ's assessment of each grantee with regard to current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, a grantee may be designated "high risk." Awards to high-risk grantees may carry special conditions such as increased monitoring and/or prohibitions on drawing funds until certain requirements are met. High-risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely not receive an additional OVW award until all issues are resolved.

### **Anticipated Announcement and Federal Award Dates**

It is anticipated that all applicants will be notified of the outcome of their applications by October 1, 2017.

## **F. Federal Award Administration Information**

### **Federal Award Notices**

Successful applications will receive OVW award notifications electronically from the OJP Grants Management System (GMS) ([not.grants.gov](http://not.grants.gov)). Recipients will be required to login; accept any outstanding assurances and certifications on the award; designate financial points of contact; and review, sign, and accept the award. The award acceptance process involves physical signature of the award document and terms and conditions by the [Authorized Representative](#) and the scanning of the fully-executed award document to OVW.

#### Violence Against Women Act Non-Discrimination Provision

The Violence Against Women Reauthorization Act of 2013 added a new civil rights provision that applies to all FY 2017 OVW grants. This provision prohibits OVW grantees from excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW. For more information on this prohibition, see <http://www.justice.gov/ovw/docs/faqs-ngc-vawa.pdf>. Additional information on the civil rights obligations of OVW funding recipients can be found in the [Solicitation Companion Guide](#) under "Civil Rights Compliance".

#### Accessibility

Recipients of OVW funds must comply with applicable federal civil rights laws, which, among other things, prohibit discrimination on the basis of disability and national origin. This includes taking reasonable steps to ensure that persons with limited English proficiency (LEP) have meaningful access to recipients' programs and activities and ensuring that these programs and activities are readily accessible to qualified individuals with disabilities, including Deaf or hard of hearing individuals. More information on these obligations is available in the Solicitation Companion Guide. Applicants must allocate grant funds or other available resources to support activities that help to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services, language interpretation and translation services, or the purchase of adaptive equipment.

#### **Reporting**

##### Reporting Requirements

OVW grantees are required to submit semi-annual progress reports and quarterly Federal Financial Reports (SF-425). Appropriate progress report forms will be provided to all applicants selected for an award. Forms will be submitted electronically via GMS. Future awards and fund drawdowns may be withheld if forms are delinquent.

## ***APPENDIX A***

### **Budget Guidance & Sample Budget Detail Worksheet**

## Budget Guidance

*Cost guidance for selected items is provided below to assist applicants in preparing the budget detail worksheet. In developing your budget detail worksheet please refer to the DOJ Financial Guide.*

### Consultants/Contracts

Compensation for services by an individual consultant should be reasonable and consistent with that paid for similar services in the marketplace. Applicants should consider the type of services provided and the experience and expertise of the individual consultant when deciding if a consultant's rate is reasonable. Applicants are strongly discouraged from requesting consultant rates in excess of \$650 per day. Please note that this does not mean that the rate can or should be as high as \$650 for all consultants. If a project is ultimately selected for funding with a budget allocating more than \$650 per day to a consultant, the applicant must provide additional information to OVW for review and approval before consultant costs are incurred. Applicants should also include all costs associated with consultants/contracts in the "Consultants/Contracts" category, including travel-related costs. These costs should not be reflected in the Personnel or Travel categories.

Applicants should follow the same established procurement policies with Federal funds as they would with non-federal funds. All procurement transactions should be awarded in a manner that provides maximum open, free and fair competition, and must follow 2 CFR Part 200.317-326. All sole-source procurements (those not awarded competitively) in excess of \$150,000 require prior approval from OVW. This applies to procurements of goods and services, but not to selection of sub recipients. MOU project partners are generally considered sub recipients for time spent working on program objectives. For additional information on determining whether the recipient of the pass-through funds is a sub recipient or a contractor, please refer to 2 CFR Part 200.330.

### Rent

Rental costs are generally allowable under OVW programs. Applicants should list square footage and cost per square foot in the budget. The amount must be based on the space that will be allocated to implement the OVW project, not the costs of the entire rental space. **Rental costs are not allowable for property owned by the applicant or if the applicant has a financial interest in the property.** In this case only the costs of ownership, including maintenance costs, insurance, depreciation, utilities, etc., are allowable costs. The applicant must indicate in the budget narrative whether or not they own the space that will be rented.

### Audit Costs

Costs for audits not required or performed in accordance with the Office of Management and Budget (OMB) Circular A-133 or 2 CFR Part 200 Subpart F – Audit Requirement are unallowable. If the applicant agency did not meet the applicable expenditure threshold during the organization's fiscal year, the cost of any audit performed may not be charged to the grant.

### Indirect Costs

Applicants that have current, federally-approved, indirect cost rates may seek to claim indirect costs and must submit a copy of their current federally-approved indirect cost rate agreement with the application. Applicants may choose to waive indirect costs.

Non-federal entities that have never received a federally-approved indirect cost rate may elect to charge a de minimis rate of 10% of modified total direct costs (MTDC) which may be used

indefinitely. This includes state and local governments that have never negotiated an indirect cost.

#### Purchase and/or Lease of Vehicles

The purchase and/or lease of vehicles is prohibited under most OVW grant programs, although some programs allow for purchasing vehicles on a case-by-case basis. Please refer to the solicitation for which you are applying to determine whether vehicles can be purchased or leased. If requesting a vehicle, a lease/purchase analysis must be submitted with the application.

#### Compensation for Partners

In developing the budget, applicants should compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to participate in project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions. Keep in mind that partners are generally considered a subrecipient and would be reimbursed for their actual paid for their costs incurred for the project rather than a fee for service. If a partner is a State or local governmental agency and the partnership duties are conducted within the course of the agency's "regular" scope of work, applicants do not need to compensate the partner if the partner a) offers this arrangement; and b) an explanation of this arrangement is included in the application.

#### Non-Federal Contributions

Any non-federal contributions can be discussed in the project narrative or Memorandum of Understanding (if required). **Applicants should not include supplemental contributions in the budget, budget narrative, or SF-424.**

Applicants are advised that if they voluntarily decide to provide matching funds through the use of in-kind contributions, and include this information in the budget or budget narrative, the voluntary contributions will become a mandatory requirement under the grant award. Grantees that fail to provide sufficient mandatory matching funds through cash or in-kind contributions during the award period may be required to meet their obligation by making a cash payment to the Office on Violence Against Women in order to close out the grant award.

## Budget Detail Worksheet

**Purpose:** The Budget Detail Worksheet may be used as a guide to assist you in the preparation of the budget and budget narrative. You may submit the budget and budget narrative using this form or in the format of your choice (plain sheets, your own form, or a variation of this form).
