
APPLICATION FOR CERTIFICATE OF PARDON FOR SIMPLE POSSESSION OF MARIJUANA

On October 6, 2022, President Biden issued a [presidential proclamation](#) that pardons federal convictions for simple marijuana possession offenses.

How a pardon can help you

A pardon is an expression of the President's forgiveness. It does not signify innocence or expunge the conviction. But it does remove civil disabilities—such as restrictions on the right to vote, to hold office, or to sit on a jury—that are imposed because of the pardoned conviction. It may also be helpful in obtaining licenses, bonding, or employment.

You qualify for the pardon if:

- On or before October 6, 2022, you were charged with or convicted of simple possession of marijuana by either a federal or D.C. Superior court
- You were a U.S. citizen or lawfully present in the United States at the time of the offense
- You were a U.S. citizen or lawful permanent resident on October 6, 2022

Request a certificate to show proof of the pardon

A Certificate of Pardon is proof that you were pardoned under the proclamation. The certificate is the only documentation you will receive of the pardon. Use the application below to start your request.

What you'll need for the request

About you

You can submit a request for yourself or someone else can submit on your behalf. You must provide personal details, like name or citizenship status and either a mailing address, an email address or both to contact you. We strongly recommend including an email address, if available, as processing times may be greater without email. You can also use the mailing address or email address of another person, if you do not have your own.

About the charge or conviction

You must state whether it was a charge or conviction, the court district where it happened, and the date (month, day, year). If possible, you should also:

- enter information about your case (docket or case number and the code section that was charged)
- upload your documents
 - charging documents, like the indictment, complaint, or criminal information; **or**
 - conviction documents, like the judgment of conviction or the court docket sheet showing the sentence and date it was imposed

Without this information, we can't guarantee that we'll be able to determine if you qualify for the pardon under the proclamation.
