I don't like having genetically engineered foods forced on me as a consumer!

New York Times poll, 53% of Americans won't buy genetically modified food

I am Opposed to genetically engineered foods! I personally know 300 people who are Opposed to genetically engineered foods! In California, 5 counties voted to ban growing genetically engineered foods!

The Sierra Club, representing 750,000 members is Opposed to genetically engineered foods! Greenpeace is Opposed to genetically engineered foods! Millions of Americans are Opposed to genetically engineered foods! Europe is Opposed to genetically engineered foods! Japan is Opposed to genetically engineered foods! Other countries are Opposed to genetically engineered foods!

Please do not use genetically engineered foods! Why FORCE on people something they don't want?

One website calls Monsanto the most hated company on Earth!

Another website calls genetically engineered foods the largest food experiment in the history of the World!

Genetically engineered foods are dangerous tampering with nature! We MUST STOP genetically engineered foods!

Sincerely, Arthur Tesla
