Subject: Comments

Monsanto is one of the most evil entities in the world. Their behavior is beyond belief - they need to be stopped. Their "experimental" corn crops in Maui have contaminated all the organic farms in the (secret) areas where they operate. Anyone who objects is prosecuted as a terrorist.

They are the real terrorists - putting family farms out of business and driving small farmers to bankruptcy and suicide.

Thank you for giving me the opportunity to comment.

Sincerely,

Karen Boudreaux
