US Department of Justice

Dear US Department of Justice:

Thank you for the opportunity to submit comments in advance of the Department of Justice's workshops on "Agriculture and Antitrust Enforcement Issues in Our 21st Century Economy."

Please support more small and organic farming, plant and wildlife biodiversity in agriculture, and organic plant crops, whole foods for human consumption rather than too many crops for animal consumption and junk food.

Thank you for your time and consideration.

Sincerely,

Diana Barbee
