**Subject:** Consolidation in the Agri-Food System  
**Attach:** The Factory Food System An Institutional Analysis of Problems and Solutions.doc

---

To whom it may concern:

I am a student at the University of California Davis. I thoroughly investigated and studied the Food System in an interdisciplinary, research-driven course this Fall. For my final research paper, I chose to write about the problems and solutions regarding the current industrial food system.

Attached is my paper.

Thank you for your time,  
Renata Langis
