---

I am writing because I am concerned about the lack of competition in agricultural markets.

? Just one company, Monsanto, controls the majority of seeds in the US, and regularly threatens farmers who don't buy its seeds.

? Prices are rising at the supermarket, but you've heard that farmers are struggling -- and big food companies have made record profits this year.

? Prices are rising at the supermarket, but you've heard that farmers are struggling -- and big food companies have made record profits this year.

Thank you for giving me the opportunity to comment.

Sincerely,

Mario Maraldo
