I am writing because I am concerned about the the power of this one man.  
It is not hard to see what has been allowed to happen. This is so wrong what Monsanto is doing to the people of the world.

He is the global society's mordern day Hitler. Why is he allowed to kill and mame human beings and get away with it?  
Thank you for giving me the oppportunity to comment.

Sincerely,  
Joy Kay
