Subject: Agricultural Competition Comments
Attach: ASA Competition comments 12-30-09.doc

Dear Sir or Madam,

Attached are initial comments from the American Soybean Association on competition issues within the agricultural industry. As noted in our letter, we will be providing additional comments to the DOJ before the first workshop in March. In addition to these electronic comments, we also are sending two hard copies to you via FedEx.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Stephen Censky
