I am writing because I am concerned about the lack of competition in agricultural markets.

WE should have many more seed companies on the level of what can be grown in a specific local area.

WE want to know where Our food is coming from and what has been done to it, so we can make a choice....at least give us the choice!!

Support the small Farmers!!!!!!!!!!!!

Eat Locally!!!!

Thank you for giving me the opportunity to comment.

Sincerely,

Martha LaJoie
