Re: **In the matter of 2010 Workshops to Explore Competition and Regulatory Issues in the Agricultural Industry**

The Greater Northeast Milk Marketing Agency (GNEMMA) hereby submits two copies of its comments with respect to the 2010 workshops to be held jointly by the United States Departments of Justice and Agriculture concerning competition and regulatory issues in the agricultural industry. GNEMMA is prepared to supplement these comments by providing testimony or additional information for the workshop in Madison, Wisconsin, June 7, 2010, and looks forward to that opportunity.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance.

Very truly yours,

Marvin Beshore
