RE: USDA/DOJ Workshop Panel

To Whom It May Concern:

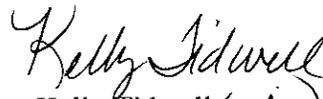

I am writing to request that I be considered as a participant on the USDA/DOJ panel regarding poultry as others have suggested I may have some value for the group. I have been involved in litigation against the poultry companies and I believe this give me an experienced background regarding the four areas listed below.

I believe workshops focused on the below listed topics would be very beneficial:

1. DOJ/USDA poultry enforcement;
2. Lack of regional competition and tacit collusion between companies;
3. Ranking system; and
4. Capital Investment requirements.

If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

  
Kelly Tidwell (sj)
