I am writing as a writer and reader as well as a member of Author's Guild and PEN. I am writing to emphasize the crucial role book stores play in our literary and therefore broad cultural life. We must protect them from predatory practices such as those being used by Amazon. Please please reconsider your sanctioning of these practices in the proposed settlement referenced:
US vs Apple, Inc, et al, 12-cv-2826 (DLC) (SDNY)
Hoping you will support writers and readers --
