Subject: United States v. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY). Comments on Proposed Final Judgment as to Defendants Hachette, HarperCollins and Simon & Schuster.

To whom it may concern:

As a published author and member of the Authors Guild, I urge you to recognize the vital role bookstores play in our literary ecosystem. I believe the public has a strong interest in protecting these stores from the kind of predation that Amazon has practiced. Please reconsider your support of this corporate predator (Amazon), and allow the agency model to function. This will benefit not only the public but also authors who need to make a profit from their books if they are to continue writing.

Sincerely yours,
Judith Searle
