Subject: DOJ's proposal for e-books

With reference to United States v. Apple, Inc., et al., 12-cv-2826 (DLC) (SDNY). Comments on Proposed Final Judgment as to Defendants Hachette, HarperCollins and Simon & Schuster, please do not

I am strongly opposed to this proposed settlement that allows predatory practices by Amazon to resume, at the expense of brick-and-mortar-bookstores. This is not in the public interest. I urge you to oppose the proposed settlement.

Thank you.
